

TOYOTA PRADO.
PREPARE FOR ANYTHING.

Go Anywhere in Style.

These days, every day is an off-road adventure. Even a trip to pick up the kids can sometimes be as treacherous as taking on a mountain pass. And long road trips can turn out to be as demanding as slippery dirt tracks.

At Toyota, we've spent more than 50 years researching, testing, building and improving 4WDs and never in all that time have the demands of the on-road driver so closely matched those who want to explore the wild country. Both want greater control in tough conditions. Both desire outstanding levels of power and towing strength. And both want to get there safely and comfortably, every time. Technologically advanced and designed from the ground up, Prado will give you the best of both worlds.

As well as an elegant, muscular shape, we've given the Prado an unprecedented array of intelligent technologies – to help make driving exhilarating, comfortable and safe. With the 5 door available in 4 grades it is truly the most advanced Prado we have ever built.

This is the Prado that can take you almost anywhere in style and make every journey a destination in itself.

Front cover and above: Kakadu model shown.

Do it the easy way.

The Prado gives you freedom through unsurpassed technology. By being the most advanced Prado ever, you don't have to be the greatest 4WDriver to get where you want to go. We call this intelligence Driver Assist Technology or DAT. It's not just one thing, but several, all working together seamlessly to give you effortless control and a pleasant driving experience, whatever the terrain and whatever the challenge.

Whether you're off the beaten track or just on the route to work, control is everything. That's why every Prado has a constant four wheel drive system that gives each wheel the intelligence to know when it's losing traction and allows the others to take over.

Prado VX and Kakadu models also feature the state-of-the-art Kinetic Dynamic Suspension System (KDSS). This highly advanced system features front and rear stabiliser bars that reduce the roll and tilt in tight corners and absorbs minor bumps and inconsistencies for a smooth drive on the road. Get off-road and KDSS really shines, giving you an increased wheel articulation that keeps you stable when it gets really bumpy and uneven – so you can venture almost anywhere comfortably.

The Kakadu model also features CRAWL Control technology on the standard off-road pack. First seen on the LandCruiser 200, it's like an off-road cruise control, helping you tackle steep and slippery terrain with ease. All you have to do is push a button, and steer.

See what you've never seen before.

Prado also gives you a reassuringly wide field of vision. The Kakadu comes with Multi-Terrain Monitor^(1,2), which provides 6 viewing angles from 4 cameras – in front, behind and to each side of the vehicle front and rear – displaying your immediate surroundings on screen. Switching camera views is as easy as pushing a button on the steering wheel.

(1) Standard on ZR and Kakadu Off-road Pack only. Features removed when selecting the optional Cruise Pack.

(2) The front, side and rear cameras do not provide a comprehensive view of the area surrounding the vehicle and should only be used as an aid for viewing when parking/driving.

Prado 5 door Kakadu shown in Silver Pearl accessorised with Low Profile Alloy Bar⁽¹⁾, Headlamp Covers, Bonnet Protector, Front Weathershields, Aero Roof Racks (Roof Rail Type) & Alloy Tray.

TOYOTA GENUINE ACCESSORIES. You Can Prepare For Anything.

This Prado is the most technologically advanced Prado we have ever built, which means it is capable of going places you never before thought were possible. Whether you need something to make your Prado even better suited for the off road, or you want something to add that extra touch of luxury and make your Prado more comfortable on road, we have a Toyota Genuine Accessory to suit every need.

LOW PROFILE ALLOY BAR⁽¹⁾

TOYOTA GENUINE ACCESSORIES ARE COVERED BY OUR TOYOTA WARRANTY*

Some Toyota Genuine Accessories are not applicable to all Prado models. See your Toyota Dealer for advice regarding Toyota Genuine Accessories. Pictured Accessories are all sold separately. For a comprehensive guide on the entire range of Toyota Genuine Accessories, visit our website at accessories.toyota.com.au.

(1) For vehicles fitted with front cameras, fitment of Nudge Bar, Bullbar or Low Profile Alloy Bar will reduce the field of vision.

(2) Rear View Camera and ParkAssist are designed as driver assist devices only and should not be used as a substitute for skilled driving and safe parking practices. The area into which the vehicle is to be reversed/parked must be visually monitored by the driver while parking.

(3) Towing capacity subject to regulatory requirements, towbar design, vehicle design and towing equipment limitations.

(4) The BluetoothTM word mark is owned by The Bluetooth SIG, Inc. Not all devices will be compatible and functionality will vary depending on the device.

(5) iPod[®] is a registered trademark of Apple Inc.

(6) Not all devices will be compatible and functionality will vary depending on the device.

*All Toyota Genuine Accessories purchased and fitted to a Toyota are warranted for the remainder of the New Vehicle Warranty or 12 months, whichever is greater. Toyota Genuine Accessories purchased from an authorised Toyota Dealer over the counter are warranted from the date of purchase for 12 months. Conditions apply. All warranties are additional to the implied warranties under the Trade Practices Act 1974.

Kakadu model shown.

The inside story.

The Prado doesn't just show its grace on the outside. Smart Entry and Start is a feature across the range. Built-in antennae and touch sensors allow the vehicle to be locked or unlocked simply by carrying the key. This same principle is used for Smart Start, meaning you simply push the brake and the start button to start.

The Prado has everyone sitting comfortably in first class seating. From the moment your hands grip the beautifully finished premium steering wheel⁽¹⁾, the Prado's design sensibility really comes alive. On Kakadu, flick the multi-information switch and you're able to perform no less than 16 user-friendly operations without even taking your hands from the wheel. And if you like the sound of that, just wait until you hear the quality of the Prado's audio system; 6 speakers in the GX and GXL, 9 in the VX and an impressive 14 in the Kakadu (14 speakers is an option on the VX from May 2010 production) all of which feature input for some iPods^{®(2)(6)} and Bluetooth[™] capabilities⁽⁵⁾. Add to that, the Rear Seat Entertainment system available on the Kakadu, which is capable of playing DVDs and connecting a portable media device like your compatible games console or video camera, and you have a vehicle where features are at a premium.

Truly, the Prado has been designed to be the perfect mix of decadent luxury without compromising the authentic 4WD credibility you've always expected.

Parking's a walk in the park too.

The Prado also ensures you can take any parking spot with confidence. Depending on the model there is the availability of both audible and visual warning to let you know when you're getting too close to an obstacle. This warning comes firstly from the ParkAssist⁽³⁾ - reverse parking sensors on the GXL, which provide feedback to the rear of the vehicle, while the addition of clearance parking sensors on the front cover you further in the VX and Kakadu. The visual warning comes from the Reversing Camera^(3,4), which helps you see where you're reversing into. Watch on the 4.2" LCD colour Multi-Information Display (GXL & VX) or the Electro Multi-Vision (EMV) touch screen (Kakadu and optional on the VX from May 2010 production) and let the Back Guide Monitor (Kakadu and optional on the VX from May 2010 production) guide you effortlessly into the spot.

(1) Premium steering wheel not available on GX.
 (2) iPod[®] is a registered trademark of Apple inc.
 (3) Reversing Camera and ParkAssist are designed as driver assist devices only and should not be used as a substitute for skilled driving and safe parking practices. The area into which the vehicle is to be reversed/parked must be visually monitored by the driver while parking.
 (4) Reversing Camera standard on GXL, VX and Kakadu.
 (5) The Bluetooth[™] word mark is owned by The Bluetooth SIG, Inc. Not all devices will be compatible and functionality will vary depending on the device.
 (6) Not all devices will be compatible and functionality will vary depending on the device.

TOYOTA SERVICE ADVANTAGE CUTS NEW CAR RUNNING COSTS

Toyota Service Advantage makes owning your Prado even more economical because you are entitled to low cost scheduled servicing. That's up to six standard services during the first three years or 60,000km, whichever occurs first. Terms and conditions apply. See your Toyota Dealer or advantage.toyota.com.au for eligibility, pricing and more information. Toyota Service Advantage pricing represents the maximum amount payable for standard scheduled servicing which is as per 'maintenance for normal operating conditions' outlined in the Warranty & Service Handbook's service schedule. Service Advantage eligibility excludes Government and Rental vehicles and certain other exclusions apply.

5 Door Prado Technical Specifications and Technology Features

ENGINE SPECIFICATIONS

4.0L Petrol Engine (GXL, VX & Kakadu)

- Configuration: V6
- Name: 1GR-FE
- Displacement (cm³): 3956
- Max. power kW/rpm: 202/5600
- Max. torque Nm/rpm: 381/4400
- Valve mechanism: 24-valve DOHC, with Dual VVT-i
- Fuel system: Electronic Fuel Injection
- Bore x Stroke (mm): 94.0 x 95.0
- Compression ratio: 10.4:1
- Fuel economy⁽⁴⁾: M/T: 13.0L/100km (combined); 17.5L/100km (urban); 10.4L/100km (extra) A/T: 11.5L/100km (combined); 15.4L/100km (urban); 9.3L/100km (extra)

3.0L Turbo Diesel Engine (All grades)

- Configuration: 4 cylinder inline
- Name: 1KD-FTV
- Displacement (cm³): 2982
- Max. power kW/rpm: 127/3400
- Max. torque Nm/rpm: 410/1600-2800
- Valve mechanism: 16-valve DOHC
- Fuel system: Common rail
- Bore x Stroke (mm): 96.0 x 103.0
- Compression ratio: 17.9:1
- Fuel economy⁽⁴⁾: M/T: 8.8L/100km (combined); 10.7L/100km (urban); 7.7L/100km (extra) A/T: 8.5L/100km (combined); 10.6L/100km (urban); 7.3L/100km (extra)

Drivetrain

- Manual: 6-Speed single diaphragm dry spring clutch (GX & GXL)
- Automatic: 5-Speed electronically controlled transmission (All grades)
- Differential ratio: 3.909:1 (M/T) 3.727:1 (A/T)
- Centre Differential: Torsen[®] Limited Slip Differential
- 4 x 4 Drive Mechanism: Constant 4WD with dual range transmission
- Dual range Transfer Ratios: High ratio 1.000:1 / Low ratio 2.566:1

Gear ratios

	5 speed automatic	6 speed manual
• 1st	3.520	4.171
• 2nd	2.042	2.190
• 3rd	1.400	1.488
• 4th	1.000	1.193
• 5th	0.716	1.000
• 6th	n/a	0.799
• Reverse	3.224	3.607

Steering

- Type: Rack and pinion power steering
- Turning circle (metres): 11.6
- Turns lock to lock: 3.0

Brakes

- Hydraulic system with offset type park brake lever
- Front: Ventilated disc with four piston fixed calipers
- Rear: Ventilated disc with single piston floating calipers

Suspension

- Front: Double Wishbone independent suspension with coil springs, gas hydraulic dampers and stabiliser bar
- Rear: Live axle 5 link with coil springs, gas hydraulic dampers and stabiliser bar

GX MODEL FEATURES

Exterior

- 17 x 6.5" alloy wheels
- 245/70 R17 110S tyres
- Rear spoiler
- Hidden intermittent rear wiper
- Body coloured front and rear bumpers
- Black door handles
- Black side mirrors
- Black grille surround and inserts
- Mirror integrated LED indicators
- LED rear brake lamps
- Front and rear spats
- Underbody protection plates
- Back door mounted full size spare wheel with cover
- Variable intermittent windscreen wipers

Interior

- Backlit combination meter
- Tachometer
- Twin trip meter with electronic odometer
- Driver's footrest
- Grab handle
- Automatic transmission indicator on dashboard
- Low fuel warning light

Lighting

- Door operated dome lamps with delay
- Front map lamps
- Glove box lamp
- Luggage compartment lamp

Trim

- Fabric seat trim
- Urethane steering wheel
- Floor carpet
- Fabric door trim inserts
- Luggage area carpet
- Fully trimmed luggage compartment

Seating

- 40:20:40 split fold second row seat back
- Double fold second row seats⁽⁶⁾
- Manual front seats
- Power Lumbar Support adjustment
- Adjustable headrests
- Seat height adjustment

Storage

- Ventilated centre console box
- Door and tailgate storage pockets
- Cargo area storage compartments
- Front seat back map pockets
- Front and rear beverage holders
- Sunglasses holder

TECHNOLOGIES

4WD Capability

- Downhill Assist Control (DAC) (auto only)
- Hill-start Assist Control (HAC) (auto only)
- Variable flow control power steering
- 4WD control switch
- Centre differential lock switch

Luxury

- Smart Entry & Start
- Cruise control
- Air conditioning with pollen filter
- Push button ventilation controls
- Outside temperature display
- Security coded audio
- AM/FM radio with MP3 compatible single disc CD player
- 3.5mm AUX input for portable audio players, USB input for some iPod[®] (i10)/USB memory sticks⁽¹⁶⁾
- Bluetooth[™] capabilities⁽⁹⁾
- 6 speakers
- 2 x 12V DC power sockets
- 220V AC power socket
- Front and rear auto up/down power windows
- Power operated side mirrors
- Driver and front passenger illuminated vanity mirrors with covers
- Back door hold function

Safety

- Vehicle Stability Control (VSC)
- Active Traction Control (A-TRC)
- Active Braking with intelligence incorporating Anti-skid Braking System (ABS), Electronic Brake-force Distribution (EBD) and Brake Assist (BA)
- Dual stage Driver's SRS airbag
- Front Passenger SRS airbag
- Driver's knee SRS airbag
- Driver and front Passenger side SRS airbags
- Front and 2nd row curtain shield SRS airbags

- Manual headlamp levelling
- Rear window demister with auto off
- Driver's seatbelt warning lamp
- Front seatbelts with pre-tensioners and force limiters
- Active front headrests
- Child restraint anchorage points
- Door and tailgate ajar warning lamp
- Luggage tie down hooks
- Conversation mirror

Security

- Engine immobiliser
- Remote fuel lid release

7 seat option

- 3rd row seats
- 3rd row curtain shield SRS airbags

GXL MODEL FEATURES⁽⁵⁾

Exterior

- 17 x 7.5" alloy wheels
- 265/65 R17 112S tyres
- Fog lamps
- Roof rails
- Chrome grille surround and inserts
- Body coloured door handles
- Body coloured side mirrors
- Side steps

Interior

- Sun visor extension

Trim

- Premium shift knob
- Premium steering wheel
- Premium hand brake

Seating

- Sliding second row seat
- 50:50 fold flat 3rd row seating

Storage

- 3rd row beverage holders

TECHNOLOGIES

Luxury

- 4.2" Multi-Information Display monitor
- 3-zone climate control air conditioning
- Steering wheel mounted audio and phone controls
- FM diversity antenna
- Exterior electric fold mirrors

Safety

- Full length curtain shield SRS airbags
- Reversing Camera⁽⁷⁾
- Rear parking sensors⁽⁷⁾

Security

- Tonneau cover/roller blind
- Alarm system

VX MODEL FEATURES⁽⁵⁾

Exterior

- 18 x 7.5" alloy wheels
- 265/60 R18 110H tyres

Interior

- Electric tilt and telescopic steering column
- Chrome interior door handles
- Illuminated entry system
- Illuminated step and step cover
- Luggage utility rail
- Optitron combination meter

Trim

- Leather accented interior

Seating

- Electric fold 3rd row seats

TECHNOLOGIES

4WD Capability

- Kinetic Dynamic Suspension System (KDSS)

Luxury

- AM/FM radio with MP3 compatible in-dash 6CD changer
- 9 speakers
- Rain-sensing intermittent wipers
- Electric heated front seats

Safety

- Front and rear parking sensors⁽⁷⁾
- High Intensity Discharge (HID) headlamps
- Automatic levelling headlamps
- Adaptive Front-lighting System (AFS)
- Dusk-sensing headlamps
- Headlamp cleaner
- Escort/auto cut lights
- Electro-chromatic mirror

Security

- Privacy glass

Option Pack⁽¹⁵⁾

- Electro Multi-Vision (EMV) screen incorporating DVD-based satellite navigation⁽³⁾
- Back Guide Monitor (BGM)
- 14 speaker audio system
- CD/DVD changer

KAKADU MODEL FEATURES⁽⁵⁾

Interior Trim

- Premium woodgrain-look steering wheel
- Premium woodgrain-look and metal-look instrument panel

Seating

- Memory settings for Driver's seat position

TECHNOLOGIES

4WD Capability

- Adaptive Variable Suspension system⁽⁷⁾ (AVS)
- Auto levelling rear air suspension
- Back Guide Monitor⁽⁷⁾ (BGM)

Standard Off-road Pack

- CRAWL control⁽⁸⁾
- Multi-Terrain Monitor (MTM)^(8,11) (4 cameras including Rear View Camera)
- Multi-Terrain Select system (MTS)⁽⁸⁾
- Rear Differential lock switch⁽⁸⁾

Luxury

- Cooler box
- Moonroof
- Electro Multi-Vision (EMV) touch screen incorporating DVD based satellite navigation⁽³⁾
- 6 disc in-dash CD changer with LCD Touch Screen display, MP3 compatibility and AM/FM tuner
- 3.5mm AUX input for portable audio players⁽¹⁵⁾
- CD/DVD changer and remote control
- 14 speakers
- Rear Seat Entertainment (RSE) system with DVD capability and auxiliary input for games console connection
- 3 x wireless headphones for RSE
- Multi-information switch
- Additional controls for camera and Multi-Information Display (MID) on steering wheel

Optional Cruise Pack⁽⁸⁾

- Pre-Collision Safety System⁽¹²⁾
- Radar Cruise Control⁽¹²⁾
- Wide view front and left side monitor (3 cameras including Rear View Camera)

- (1) Some vehicle dimension figures are approximate and may vary due to options, accessory fitment and weight carried.
- (2) Kerb weights are nominal and will vary depending on options.
- (3) Current navigation mapping database encompasses major capital and primary national road networks, as well as offering some coverage of regional areas.
- (4) Actual fuel consumption may vary depending on driving conditions/style, vehicle conditions and options/accessories. Tested to AD81/02.
- (5) Features are in addition to or in replacement of those of previous model.
- (6) Only available on GX grade.
- (7) ParkAssist and Reversing Camera are designed as driver assist devices only and should not be used as substitutes for skilled driving and safe parking practices. The area into which the vehicle is to be reversed/parked must be visually monitored by the driver while parking.
- (8) Cruise pack removes standard off-road pack features including CRAWL, Rear Differential lock switch, Multi-Terrain Monitor (MTM), Multi-Terrain Select (MTS) and Driver's side camera.
- (9) The Bluetooth[™] word mark is owned by The Bluetooth SIG, Inc. Not all devices will be compatible and functionality will vary depending on the device.
- (10) iPod[®] is a registered trademark of Apple Inc.
- (11) The front, side and rear cameras do not provide a comprehensive view of the area surrounding the vehicle and should only be used as an aid for viewing when parking/driving.
- (12) Radar Cruise Control and Pre-Collision Safety System are driver assist technologies and should not be used in place of safe driving practices. Driver should continue to monitor road ahead.
- (13) Towing capacity subject to regulatory requirements, towbar design, vehicle design and towing equipment limitations.
- (14) The GVM may be reduced when towing at or near maximum capacity, please refer to Toyota website for actual values.
- (15) Available from May 2010 production.
- (16) Not all devices will be compatible and functionality will vary depending on the device.
