

TOYOTA

Camry

Genuine Accessories

Oh what a feeling!

Reversing Camera¹

Engineered specifically for Camry, the Toyota Genuine Reversing Camera gives you eyes in the back of your car so you can better see obstacles while reversing. Requires AVN screen or Display Audio Unit (Sold separately).

Front Park Assist¹

Mounted in the front bumper, these four colour-coded sensors help you to gauge clearance when parking. An audible beep helps alert you to obstacles which may be outside of your field of vision.

Rear Park Assist¹

Reverse parking can be a challenge but Toyota Genuine ParkAssist can help guide you into the tightest spots. Four colour-coded ultrasonic sensors are mounted in the rear bumper and an audible beep increases in frequency as your Camry gets closer to an obstacle.

Audio Visual Unit with Satellite Navigation² (Requires fascia panel)

Find an easier route home with the guidance of the Toyota Genuine Satellite Navigation Audio System². Equipped with Suna Traffic³ the navigation system receives traffic updates 24/7, so it can navigate alternative routes around traffic congestion and landmarks can be displayed in 3D for easier recognition. The audio system allows you to play from iPod,^{4,5} iPhone,^{6,4,5} USB⁶ or CD. Compatible with the Toyota Genuine Reversing Camera (optional).

Roof Racks

Toyota Genuine Roof Racks are just the thing to help carry the extra gear on holidays and road trips. They are designed to fit a range of different attachments, including the Ski/Snowboard Carrier, Kayak Cradle, Bike Carrier and Roof Pod (sold separately).

Roof Pod

The Atlantis Roof Pod adds extra storage space to your Camry. Finished in glossy silver, it is built to last with both UV and impact protection. It comes complete with a central locking system, which enables the key to be removed only if all locking points are properly closed and is aerodynamically designed to reduce wind resistance. It is available in either 440-litre or 460-litre capacity. Roof racks sold separately.

Bicycle Carrier

The Pro Ride Bike Carrier can be easily fitted to either side of your Camry's roof and features an adjustable frame holder to accommodate most bike designs without the need to ever remove a wheel. It is lockable and features quick-release straps, which are adjustable for different wheels. Roof racks sold separately.

Kayak Carrier

The Kayak Cradle comes complete with four adjustable rubber supports that cradle the hull of your kayak, surfboard or small boat. It includes straps and is designed to hold your watercraft securely in place without damaging it. Roof racks sold separately.

Ski/Snowboard Carrier

The Ski and Snowboard Carrier is constructed from corrosion-resistant, anodised aluminium and allows easy opening at the push of a button. It is key-lockable and available in two sizes, with capacity to carry up to either four skis (two snowboards), or six skis (four snowboards). Roof racks sold separately.

Front Weathershield – Tinted

Toyota Genuine Weathershields are designed to deflect wind and rain so you can wind your windows down without being exposed to the elements. Made from UV-resistant acrylic, the Genuine Weathershields are engineered for durability and lightly tinted to protect you from glare while driving. Designed specifically for Camry, Genuine Weathershields sit flush with the door frame and can be removed for cleaning. Sold separately.

Headlamp Covers & Bonnet Protector (Sold separately)

Toyota Genuine Bonnet Protector and Headlamp Covers (Sold separately) provide added protection against damage from stones and insects. Made from high strength acrylic which is resistant to cracking and UV discoloration, Toyota Genuine Bonnet and Headlamp Protectors are easy to remove for cleaning and help you keep your Camry looking new. Bonnet Protector only available in tinted finish.

Bootflap – Neoprene

The Toyota Genuine Bootflap protects the rear bumper paintwork from scratches and scuffs when you're loading or unloading the boot. Made from soft but durable neoprene, the Genuine Bootflap is unfolded over the rear bumper for use and is secured with Velcro. It sits flat in the boot when not in use and can be removed for cleaning.

Door Handle & Rear Bumper Protection Film

Toyota Genuine Protective Film helps preserve the condition of the paintwork around your door handles by helping prevent unsightly scratches which can reduce the resale value of your car. The Protective Film is a colourless urethane film, which is pre-cut to fit the door-handle cups and rear bumper of your Camry. Sold separately.

Seat Covers

Help keep your Camry's seats in top condition with durable Black Seat Covers, tailored to Camry's seat design and tested to ensure they do not compromise front seat side airbag deployment. Easy to remove for cleaning, they also allow access to seat controls.

Sports Vest Seat Covers

Sports Vest Seat Covers are tailored from sports neoprene. The neoprene material firmly grips the seat providing additional cushioning. They are water resistant, fit easily without straps and are engineered to the highest standards. Toyota Genuine Seat Covers are also designed to not interfere with the seat controls, so the mechanics of the seat aren't affected or obscured and adjustments can be made easily.

First Aid Kit – Family and Personal

It's always advisable to have a first aid kit in the car because you just never know what lies around the next corner. Designed by St John Ambulance, the first aid kit features 16 different items, including an essential First Aid Quick Reference Guide and must-have medical supplies for the person on the go.

Alloy Wheel 17"

Available in 17 inch, Toyota Genuine Alloy Wheels offer a sporty look without compromising on the quality and durability that the Toyota testing regime provides. The rims are stress-tested to ensure protection against bending or corrosion.

Rear Spoiler Lip

The stylish, low-profile design of the Toyota Genuine Rear Spoiler is designed to compliment the lines of your Camry and adds a sporty look. Constructed from lightweight ABS plastic, the Rear Spoiler doesn't impede the operation of the boot.

Body Side Mouldings

The stylish Body Side Mouldings with Chrome help protect your vehicle doors from scratches and dents. Constructed from lightweight polypropylene which is impact resistant and durable, they are colour coded to match your vehicles body colour with a chrome garnish strip to improve appearance and styling.

Illuminated Scuff Plate

Make your Camry stand out from the crowd with these great looking Scuff Plates. Specifically tailored to fit the Camry and featuring striking Camry branding on a brushed finish stainless insert, they blend in perfectly with the Camry's sophisticated interior. Front scuff plates available with illumination.

Towbar, Towball and Trailer Wiring Harness (Sold separately)⁷

Towing a boat, caravan or trailer can cause load stress on your car and towbar, so it stands to reason that you use a towbar kit that is specifically engineered specifically for your vehicle. The Toyota Genuine Camry towing kit is engineered and tested to withstand 1200kg braked capacity, so you can be confident that it will not fail, crack or damage under normal towing conditions.

Mudguards (Set of 4)

Toyota Genuine Mudguards are moulded to fit the lines of your Camry seamlessly, minimising the chance of damage from mud and stones that can be flicked up from your tyres while driving.

TOYOTA GENUINE ACCESSORIES ARE COVERED BY OUR TOYOTA WARRANTY*

* All Toyota Genuine Accessories purchased and fitted to a Toyota are warranted for the remainder of the New Vehicle Warranty or 12 months, whichever is greater. Toyota Genuine Accessories purchased from an authorised Toyota Dealer over the counter are warranted from the date of purchase for one year. Conditions apply. The Toyota Genuine Accessories Warranty does not limit and may not necessarily exceed your rights under the *Competition and Consumer Act 2010*.

See your Dealer for advice regarding Toyota Genuine Accessories. Pictured Accessories are all sold separately. For a comprehensive guide on the entire range of Toyota Genuine Accessories, visit our website at accessories.toyota.com.au.
