Oh what a feeling!

HIGHLY EFFICIENT ¹

6.0L / 100kms

WORLD'S LEADING
HYBRID
TECHNOLOGY

An icon representing hybrid technology, consisting of a battery, a gear, and a car, with three plus signs above it.

AUSTRALIA'S FIRST
LOCALLY-BUILT HYBRID

**The future of
Australian motoring
has arrived.**

*A car defined by an unquenchable
passion to make travelling better.*

Hybrid Camry is a car inspired by a burning desire for a brighter tomorrow. A car defined by an unquenchable passion to make travelling better. The first ever hybrid car to be built in Australia. From the sleek exterior to the ingenious Hybrid Synergy Drive[®] system, it is a masterpiece of intuitive design and leading-edge technology.

It's the refined body shape you'll notice first. Aggressive. Eye-catching. Beautiful sculpted lines that have been shaped to blend aerodynamic efficiency with impeccable good looks. Every inch of the sleek, graceful chassis has been meticulously crafted to significantly reduce air resistance, resulting in a drag co-efficient of a low 0.27, vastly improving both fuel efficiency and performance.

ULTRA LOW¹
EMISSIONS

142^{g/km}

AUSTRALIAN GOVERNMENT
GREEN VEHICLE GUIDE

Above: Hybrid Camry Luxury model shown in Silver Ash.
Front Cover: Hybrid Camry Luxury model shown in Crystal Pearl.

Uniquely hybrid signature blue headlamps, satin-chrome grille, bold front fascia design and integrated fog lamps distinguish the face, while exclusive LED tail lamps, and a rear spoiler on the Luxury model, complete the exterior treatment.

Step inside and enter a world of refined elegance, easy grace and sophisticated technology. A place that's more comfortable, more intelligent and more stylish. A space designed to make every journey feel like a real escape.

From behind the wheel, you'll feel your eyes drawn gently towards the softly lit Optitron combimeter, designed to give you the highest possible clarity, whatever the ambient light. But it's when you press the keyless Smart Start button that you'll really notice the difference.

The silence of the cabin is matched only by the silence of the engine. At rest, Hybrid Camry's engine is barely a whisper. In motion, the sound-insulating windscreen and noise-absorbing materials dampen exterior noise, ensuring the only thing you'll be hearing on your journey is a conversation, or your favourite songs and artists.

Metallic door trims and unique "Hybrid" scuff plates finish the interior, while the ample cabin and power adjustable seating mean you won't have to compromise on space, comfort or performance.

Inside and out the Hybrid Camry is as advanced as the technology that drives it because when we created the Hybrid Camry, we didn't just create a car that was at the top of its class, we created a car that is entirely a class of its own.

¹ Tested to ADR81/02 (Combined cycle). Actual fuel consumption may vary depending on driving conditions/style, vehicle conditions and options/accessories.

Amazing accessories you'll need every day.

Toyota Genuine Accessories are the perfect complement to your Hybrid Camry. Only Toyota Genuine Accessories are perfectly tailored to suit the most advanced vehicle Australia has ever built. Our range of accessories meet every need you will have and help keep Everyday Amazing.

Hybrid Camry model shown in Silver Ash is accessorised with ParkAssist – Front Corner Clearance Parking Sensors¹, Bonnet Protector, Headlamp Covers, Slimline Weathershields and a Rear Spoiler.

ParkAssist - Front Corner Clearance Parking Sensors¹ (2 Head Kit)

TOYOTA GENUINE ACCESSORIES ARE COVERED BY OUR TOYOTA WARRANTY*

Some Toyota Genuine Accessories are not applicable to all Hybrid Camry models. See your Toyota dealer for advice regarding Toyota Genuine Accessories. Pictured Accessories are all sold separately. For a comprehensive guide on the entire range of Toyota Genuine Accessories, visit our website at accessories.toyota.com.au.

* All Toyota Genuine Accessories purchased and fitted to a Toyota are warranted for the remainder of the New Vehicle Warranty or 12 months, whichever is greater. Toyota Genuine Accessories purchased from an authorised Toyota Dealer over the counter are warranted from the date of purchase for one year. Conditions apply. The Toyota Genuine Accessories Warranty does not limit and may not necessarily exceed your rights under the Competition and Consumer Act 2010.

- 1 ParkAssist is designed as a driver assist device only and should not be used as a substitute for skilled driving and safe parking practices. The area into which the vehicle is to be parked must be visually monitored by the driver while parking.
- 2 Toyota Genuine front seat covers are compatible with front seat side SRS airbags. Fitment of front seat covers which are not compatible with front seat side airbags may adversely affect airbag deployment and may result in serious injury.
- 3 Current navigation mapping database encompasses major capital and primary national road networks, as well as offering some coverage of regional areas.
- 4 Available on Hybrid Camry L1 model only.
- 5 Does not provide Hybrid Energy Monitor System display.

A drive like no other.

Hybrid Camry Luxury model shown in Crystal Pearl with optional navigation and moonroof.

We've taken our world-leading hybrid technology and added a host of other technical advancements to bring Hybrid Camry to a whole new level of uncompromising performance with seamless power. It won't take you long to discover the 140kW of hybrid power the Hybrid Camry boasts under its sleek exterior.

By pairing its unique Atkinson-cycle engine to a highly efficient electric motor, you get all that power in one of the most fuel efficient cars ever built in Australia, with the impressive fuel consumption figure of only 6.0L/100km¹. Simply, that means better fuel efficiency than many smaller cars with half the power. Less fuel means fewer emissions. And at a mere 142g/km¹ of CO₂, it's little wonder Hybrid Camry is the only medium sized and first Australian car to be awarded 5 stars by the Australian Government's Green Vehicle Guide.

Peace of mind.

Hybrid Synergy Drive[®] is the world's leading hybrid technology. Second-to-none, it's come from over 30 years research and development, plus millions of hours of real-world experience courtesy of the largest fleet of hybrid vehicles worldwide. There are over 3 million vehicles powered

by Hybrid Synergy Drive[®] on the road all over the world today, so you can be sure that your Hybrid Camry is in experienced hands, backed by unrivalled levels of knowledge and an impressive range of warranties. It's a confidence we gladly pass along, by accompanying our standard warranties with an extended 8 year/160,000km (whichever comes first) warranty on the hybrid battery.

The most advanced active safety system ever seen in this class.

With the Hybrid Camry, we've produced a car that you and your passengers can feel genuinely safer in. By utilising the most advanced active safety technology ever offered in an Australian built vehicle, it not only helps protect you in the unlikely event of an accident, but can actually help you avoid them in the first place.

Technically perfect.

When you're handed the key to this new world of advanced engineering, the first thing you notice is that you'll never have to use it. The Hybrid Camry will unlock as soon as you grasp the door handle and even start at the push of a button – with the key still in your pocket or handbag.

CAPPED PRICE SERVICING

Pay no more from one logbook service to the next with Toyota Service Advantage.

New Toyotas come with Toyota Service Advantage. That means you pay the same low capped-price from one logbook service to the next for the first three years or 60,000km, whichever comes first². So you'll enjoy the peace of mind of knowing in advance what your servicing costs will be. Add it all up and that means owning a new Toyota can be a lot less expensive than other cars. For the full benefits of Toyota Service Advantage consult a Toyota Dealer or visit advantage.toyota.com.au

Drive for longer.

Toyota Australia is pleased to announce that the HV (Hybrid) Battery Warranty coverage on Hybrid Camry is 8 years/160,000km, whichever comes first.

¹ Fuel consumption and emissions will vary depending on driving conditions/style, vehicle conditions and options/accessories. Source of fuel consumption data: ADR81/02 combined cycle.

² Maximum payable for standard scheduled servicing (normal operating conditions) up to the first 4 services. Excludes Government and Rental vehicles. Contact your Toyota Dealer or go to advantage.toyota.com.au for other exclusions and eligibility.

Hybrid Camry Specifications & Standard Features

Hybrid Synergy Drive®

Petrol Engine

- Euro IV compliant
- Engine Type - Petrol
- Engine code - 2AZ-FXE
- Engine displacement - 2362cc
- Engine configuration - 4 cylinder in-line, Atkinson cycle
- Valve train - Double Over Head Camshaft (DOHC) with 4 valves per cylinder valve mechanism
- Variable Valve Timing with intelligence (VVT-i)
- Max. power - 110kW/6000rpm (regular unleaded)
- Max. torque - 187Nm/4400rpm (regular unleaded)

Electric Motor

- Type - Permanent magnet synchronous motor
- Rated voltage - 650V
- Max. Output - 105kW
- Max. Torque 270Nm

Combined (Petrol Engine + Electric Motor)

- Max. power - 140kW
- Hybrid battery - Nickel-metal hydride
- Battery voltage - 244.8V
- Number of modules - 34 modules, 204 cells
- Capacity - 1.5kWh

Fuel

- Fuel system - Electronic Fuel Injection (EFI)
- Fuel type - 91 RON unleaded
- Fuel economy¹ - 6.0L/100km
- CO₂ Emissions¹ - 142g/km

Exhaust

- Variable back-pressure muffler

Transmission

- Electronic Continuously Variable Transmission (e-CVT)

Steering

- Electric Power Steering (EPS)
- Turns lock to lock - 3.12
- Turning circle at kerb - 11m

Brakes

- Front - Ventilated discs
- Rear - Solid discs
- Electronic Controlled Braking (ECB), Anti-skid Braking System (ABS) with Electronic Brake-

- force Distribution (EBD) and Brake Assist (BA)
- Regenerative braking system

Suspension

- Front - MacPherson strut type
- Rear - Dual Link strut type

Dimensions

- Overall length - 4815mm
- Overall width - 1820mm
- Overall height - 1480mm
- Wheelbase - 2775mm
- Front and rear track - 1575mm/1565mm
- Ground clearance - 150mm (min)

Weights/capacities

- Seating capacity - 5
- Fuel tank capacity (litres) - 65
- Kerb Weight - 1610 - 1645kg
- Gross Vehicle Mass - 2110kg

Exterior

- Aerodynamic exterior styling
- Body coloured front and rear bumpers
- Body coloured power exterior mirrors
- Satin Chrome front grille
- Chrome coloured door handles
- Fog Lamps with chrome surround
- Satin Chrome rear garnish
- Noise reduction windscreen
- 16" alloy wheels
- 215/60R16 95V tyres
- Full size spare alloy wheel
- Underbody airflow enhancement (under engine cover)
- Signature Hybrid Blue Headlamps
- Clear LED Tail Lamps

Interior

- Front and rear seat height adjustable headrests (x5)
- 60:40 split fold rear seat
- Telescopic and tilt steering column adjustment
- Chrome door handles
- Dual-zone air conditioning
- Power windows with driver's auto up/down and Anti-Jam
- Premium gear knob and parking brake
- Premium steering wheel with audio control and Multi-Information Display switches
- Adjustable rear ventilation vents
- Manual front seat slide and recline
- Driver height adjustable seat
- Power driver's lumbar support adjustment
- Driver's and passenger's vanity mirror illumination

- Rear centre armrest
- Hybrid front door scuff plates

Instruments and controls

- Smart entry (including boot release) and push button start
- Cruise control
- Optitron combimeter display including Instantaneous Fuel Economy Meter and Eco-zone display
- Multi-Information Display, with ambient temperature display, trip computer, energy flow monitor and Eco-Drive Level display
- LCD climate control panel with eco-mode switch
- Day/night interior mirror
- Front variable intermittent windscreen wipers
- Rear window demister
- Auto-on/Auto-off headlights
- Digital clock
- Power accessory socket
- Speed alert

Storage

- Sunglasses holder in overhead console
- Passenger side lockable glove box
- Centre console with storage box lid
- Front door pockets
- Front cup holders
- Rear cup holders
- Map pockets behind driver and front passenger seat

Lighting

- Door operated interior dome lamp with delay
- Front map lamps
- Illuminated ignition
- Luggage compartment lamp

Sound system

- Bluetooth™ hands-free capable 6 CD 4.3" full colour Display audio unit with MP3, WMA CD Compatibility and AM/FM Tuner
- 3.5mm AUX input for portable audio players and USB input for some iPod™ /USB memory sticks⁶
- 6 speakers

Safety

- Vehicle Dynamics Integrated Management (VDIM) system combining Electronic Controlled Braking (ECB), Anti-skid Braking System (ABS) with Electronic Brake-force Distribution (EBD), Brake Assist (BA), Vehicle Stability Control (VSC) and Traction Control (TRC)
- Reverse camera³

- Rear parking sensors³
- Global Outstanding Assessment (GOA) body
- Toyota Safe-T-Cell
- Driver and front passenger SRS airbags
- Front side and full length curtain SRS airbags
- Driver and front passenger pre-tensioning and force limiting seatbelts with Emergency Limiting Retractor (ELR)
- Whiplash Injury Lessening (WIL) front seats
- Impact sensing fuel cut
- Front seatbelt height adjustment
- 3-point lap-sash rear seatbelts
- Pedestrian safety enhancing bonnet and front fenders
- Collapsible steering column

Child safety

- Automatic Locking Retractor (ALR) rear seatbelts for child seats
- Child restraint anchorage points
- Door ajar warning

Security

- Engine immobiliser with audible alarm
- Remote central locking including boot release on remote
- Panic alarm on remote
- Remote fuel lid release

Hybrid Camry navigation option

- Premium audio with AVN satellite navigation⁴, 8 speakers (including woofers and 2 dual-cone speakers) & steering wheel mounted Bluetooth™ handsfree telephone controls
- USB connectivity not available

Hybrid Camry Luxury Features in addition to Hybrid Camry

- Leather accented interior
- Rear spoiler
- Rain-sensing wipers
- Electro-chromatic interior rear view mirror
- Driver and front passenger power seat adjustment (drivers 8-way/passenger 6-way)
- Mica/Metallic/Pearlescent Paint

Hybrid Camry Luxury navigation and moonroof option

- Power tilt and slide moonroof
- Rear personal lamps
- Premium audio with AVN satellite navigation⁴, 8 speakers (including woofers and 2 dual-cone speakers) & steering wheel mounted Bluetooth™ handsfree telephone controls
- USB connectivity not available
