

 **TOYOTA LANDCRUISER 200**

oh what a *feeling!*

King Off The Road.

Long Live The King.

A true Australian icon for over 50 years, the LandCruiser has proven itself to generations of drivers in some of the toughest, most challenging terrain known to man. It's no secret that it's known to some as 'the 4WD that helped build Australia', thanks to its role in transporting construction workers for the Snowy Mountain Hydro-Electric Scheme.

Building upon a rich heritage of proven credentials, today's LandCruiser 200 uses the latest in cutting edge technology, employing meticulous attention to detail inside and out. And now, after years of research, development and innovation, we invite you to make your own piece of history with the LandCruiser 200.

Get ready to discover Earth's Greatest 4WD.

Designed to be best of breed.

Designed to standards rarely seen in such a vehicle, LandCruiser 200 sets high benchmarks in on and off-road driving. From powerful engines and cutting edge technology to flexible, easy-fold seating configurations and a cleverly designed cabin interior, we listened carefully to what drivers like you expect – and we know you won't be disappointed with the result.

A powerhouse of innovation.

With two engine variants, a 4.7L V8 VVT-i Petrol with 5-speed automatic transmission and a 4.5L V8 Twin Turbo Diesel with 6-speed automatic transmission, the LandCruiser 200 offers outstanding fuel efficiency, superb drivability, heart thumping power and pure, adrenalin-inducing grunt. But it's safer too. A high strength, high rigidity, rust-resistant framework and a class-leading airbag configuration of up to 10 airbags means world-class protection for you and all your passengers. And, on all grades of LandCruiser 200, a Reversing Camera[^] shows you what's going on behind you – making parking a breeze.

Smarter than your average 4WD.

Advanced technologies have allowed the LandCruiser 200 to become the smartest 4WD in its class. The CRAWL control system across the entire range, automatically maintains a low, uniform speed to enable stable driving in extreme environments or on slippery, uneven surfaces. We like to think of it as an off-road Cruise Control. Kinetic Dynamic Suspension System (KDSS)[#] is an advanced suspension control technology that minimises body roll to remarkable levels. Off-road, the wheel articulation is even more impressive, delivering gripping traction on all four wheels. Once you have experienced KDSS[#], your view on suspension will change forever.

Gripped by exhilaration.

Hill-start Assist Control (HAC), standard on both engines, detects backward sliding of the vehicle when going uphill, allowing you to take off smoothly, even on steep terrain. A technological first for Toyota, the Multi-terrain Anti-skid Braking System (ABS) not only prevents the wheels from locking, it can actively sense off-road conditions such as ice, sand, mud, gravel and dirt, adapting to different terrain for optimum braking power.

Sahara model shown above and on front cover.
[^]The Reversing Camera does not provide a comprehensive view of the entire rear area of the vehicle and should only be used as an aid for viewing when reversing. [#]KDSS is an optional extra on GXL Turbo Diesel and standard on all other grades.

Customise the King with Toyota Genuine Accessories.

Whether you're after an even more rugged look, extra storage options or greater convenience, your LandCruiser 200 deserves accessories with a proven pedigree. Combining innovative style with the strength and durability you expect from Toyota, these additions have been purpose-built for your LandCruiser – and your lifestyle. Integrating seamlessly with the original specifications, they not only look like they were meant to be there, they perform like it too. So whether you're working hard or playing harder, make sure you start on the right track with Toyota Genuine Accessories.

STEEL WINCH BAR WITH SUPERWINCH & RALLYE FF 4000 DRIVING LIGHTS BLACK
(sold separately)

ALLOY BULL BAR & RALLYE FF 4000 DRIVING LIGHTS CHROME
(sold separately)

AERO ROOF RACK - 2 bar set

HEAVY DUTY ROOF RACK - 3 bar set

ALLOY ROOF TRAY - Requires Heavy Duty Roof Rack - 3 bar set (sold separately)

DELUXE SKI & SNOWBOARD CARRIERS (4 OR 6) Requires Aero Roof Rack - 2 bar set (sold separately)

PRO RIDE BICYCLE CARRIER
Requires Aero Roof Rack - 2 bar set (sold separately)

KAYAK CARRIER
Requires Aero Roof Rack - 2 bar set (sold separately)

PACIFIC 200 ROOF POD
Requires Aero Roof Rack - 2 bar set (sold separately)

ATLANTIS ROOF POD IN 200 OR 600 (200 SHOWN) Requires Aero Roof Rack - 2 bar set (sold separately)

18" x 8" ALLOY WHEELS

ALLOY WHEEL LOCK NUT SET

TYRE PRESSURE MONITORING SYSTEM

TOWING KIT (ON ROAD) 3500KG (BRAKED CAPACITY)⁽¹⁾ WITH TRAILER WIRING HARNESS
(sold separately)

PARKASSIST⁽²⁾ - REVERSE PARKING SENSORS (4 HEAD KIT)

BONNET PROTECTOR & HEADLAMP COVERS
(sold separately)

FRONT WEATHERSHIELDS
(sold separately)

CARGO BARRIER - CURTAIN SIDE AIRBAG COMPATIBLE

ALL WEATHER RUBBER CARGO MAT

CARPET FLOOR MAT SET - OAK OR GREY (FRONT & SECOND ROW SET)

ALL WEATHER RUBBER FLOOR MATS (FRONT PAIR & SECOND ROW)
(sold separately)

SATELLITE NAVIGATION⁽³⁾ AUDIO SYSTEM INCLUDING 4-IN-DASH MP3 CD CHANGER WITH BLUETOOTH⁽⁴⁾ COMMUNICATIONS & (OPTIONAL) AUXILIARY AUDIO INPUT
(sold separately) Available on GXL & VX.

FOLLOWME⁽⁵⁾ SOUND & NAVIGATION SYSTEM - INCLUDES BLUETOOTH⁽⁴⁾ HANDSFREE CAPABILITIES, VIDEO AND IS COMPATIBLE WITH (OPTIONAL) REAR VIEW CAMERA AND SOME IPODS⁽⁶⁾, MP3 AND USB STICKS⁽⁷⁾. Available on GXL & VX.

TOYOTA GENUINE ACCESSORIES COME WITH OUR TOYOTA WARRANTY*

Front 3/4 LandCruiser 200 GXL is accessorised with Alloy Bull Bar, RALLYE FF 4000 Compact Driving Lights Pencil (Chrome), Bonnet Protector, Headlamp Covers, 18" x 8" Alloy Wheels, Front Weatherstrips, Heavy Duty Roof Rack (3 Bar Set), Alloy Roof Tray and Cargo Barrier.

Some Toyota Genuine Accessories are not applicable to all LandCruiser 200 models. All accessories are subject to availability. See your Toyota Dealer for details. Pictured accessories are all sold separately. For a comprehensive guide on the entire range of Toyota Genuine Accessories, visit our website at accessories.toyota.com.au

*All Toyota Genuine Accessories purchased and fitted to a Toyota are warranted for the remainder of the New Vehicle Warranty or 12 months, whichever is greater. Toyota Genuine Accessories purchased from an authorised Toyota Dealer over the counter are warranted from the date of purchase for 12 months. Conditions apply. All warranties are additional to the implied warranties under the Trade Practices Act 1974. (1) Towing capacity subject to regulatory requirements, towbar design, vehicle design and towing equipment limitations. (2) ParkAssist is designed as a driver assist device only and should not be used as a substitute for skilled driving and safe parking practices. The area into which the vehicle is to be reversed must be visually monitored by the driver while parking. (3) Current navigation mapping database encompasses major capital and primary national road networks, as well as offering some coverage of regional areas. (4) The Bluetooth[™] word mark is owned by Bluetooth SIG, Inc. Not all devices will be compatible and functionality will vary depending on the device. (5) iPod[®] is a registered trademark of Apple Inc. (6) Optional FollowMe iPod[®] kit available. (7) Not all devices will be compatible and functionality will vary depending on the device.

TOYOTA GENUINE
PARTS, SERVICE & ACCESSORIES

Sahara Turbo Diesel model shown.

Versatile enough to fit any lifestyle.

One-touch seat latches ensure easy and rapid folding assembly for two rows of seats allowing total flexibility for up to eight people and their cargo. Sahara is also equipped with an Electro Multi Vision (EMV) system that combines all your essential comfort and

convenience features in one place. Using a bright display screen, you can control air conditioning, audio, Bluetooth[™] and Satellite Navigation[†] systems with ease.

TOYOTA SERVICE ADVANTAGE CUTS NEW CAR RUNNING COSTS

Toyota Service Advantage makes owning your LandCruiser 200 even more economical because you are entitled to low cost scheduled servicing. That's up to 6 standard services during the first three years or 60,000km, whichever occurs first. Terms and conditions apply. See your Toyota dealer or advantage.toyota.com.au for eligibility, pricing and more information. Toyota Service Advantage pricing represents the maximum amount payable for standard scheduled servicing which is as per 'maintenance for normal operating conditions' outlined in the Warranty & Service Handbook's service schedule. Service Advantage eligibility excludes Government, Not for Profit Organisations and Rental vehicles and certain other exclusions apply.

CAPPED PRICE SERVICING

NOTE: Toyota Australia reserves the right to vary or discontinue from time to time the interior and exterior colours, trims and colour/trim/model combinations currently available. Colours and trims displayed here are a guide only and may vary from actual colours due to printing/display process. See your Toyota dealer to confirm colour/trim/model availability when ordering your vehicle. **The Bluetooth[™] word mark is owned by Bluetooth SIG, Inc. Not all devices will be compatible and functionality will vary depending on the device. †Current Navigation mapping database encompasses major capital and primary national road networks as well as offering some coverage in regional areas.

PLEASE NOTE: The loading configuration of your vehicle reduces the available payload for passengers, optional equipment, cargo and tow-ball download. When changing the mass configuration of your vehicle, it is necessary to consider total mass of the vehicle (including passengers, optional equipment, cargo, tow-ball download and trailer mass) and the distribution of the mass to ensure that Gross Vehicle Mass (GVM), Gross Combination Mass (GCM), maximum towing capacity, maximum tow-ball download and individual axle limits of your vehicle are not exceeded when the vehicle is in service. The configuration of different optional extras on your vehicle will cause different loadings on the front and rear axle. It is important to realise that additional equipment, seat position, passenger position, and other load factors may cause a shift in the loadings of the front and rear axles. It is important that this configuration change be taken into account when you are loading your vehicle. Reference to Gross Combined Mass (GCM) refers to the total permissible combined weight of the vehicle and trailer/caravan being towed including occupants, fuel & cargo.

King Off The Road.

Steering

- Type: Power assisted Rack and Pinion
- Turning Circle – Kerb to kerb (m) 11.8
- Turns lock to lock 3.14

Brakes

- Front: Ventilated discs with four pistons fixed callipers
- Rear: Ventilated discs with single piston floating callipers
- Multi-terrain Anti-skid Braking System

Suspension

- Front: Independent double wishbone with a coil spring, gas dampers & Anti-Roll Bar
- Rear: 4-link coil rear suspension with Panhard rod with coil springs, gas dampers & Anti-Roll Bar
- Kinetic Dynamic Suspension System (KDSS)⁽⁷⁾: Hydro Mechanical actuation of front & rear stabiliser bars

LandCruiser 200 GXL features

Engines

- 4.7L V8 Petrol
- 4.5L V8 Turbo Diesel

Drive Train

- 5-speed Automatic (Petrol engine)
- 6-speed Automatic (T/Diesel engine)
- Full time 4WD
- Torsen Limited Slip centre Differential
- Kinetic Dynamic Suspension System (KDSS)⁽⁷⁾
- Power steering – rack & pinion
- 4 Wheel ventilated disc brakes

Durability

- Underbody protection plates
- Tool Kit

Exterior

- Rear spoiler
- Body coloured front and rear bumpers
- Dual headlamps incorporating driving lamps
- Chrome grille surround with black grille insert
- Bonnet gas struts
- Body coloured exterior mirrors
- Body coloured door handles
- Tinted band on windscreen
- Green UV Tinted side and rear glass
- Front and rear mudflaps
- Side steps – Aluminium look
- 2 piece horizontal tailgate with one wiper
- Spare tyre mounted underside of cargo floor
- Metallic/Mica paint (no additional cost)
- Touch-up paint

Tyres & Rims

- Tyre Size: 285/65R17
- Rim Size: 17inch
- Rim Type: Alloy rim

Interior Trim And Seating

- Two tone interior design
- Cloth seat trim
- Door trims with fabric inserts
- Moulded headlining with cloth fabric
- Floor Carpet
- Fully trimmed luggage compartment
- Luggage area carpet
- Dual sunvisors
- Driver's left footrest
- Passenger assist grips
- Grab handles

Seating

- Front bucket seats
- Front seat height adjustable headrests
- Driver's manual seat height adjustment
- Driver's seat power lumbar support adjustment
- 2nd row seat – 60/40 split folding seat backs
- 2nd row seat – adjustable reclining seat backs
- 2nd row seat – adjustable headrests
- 2nd row seat – adjustable centre headrest
- 3rd row seat – 3 seat capacity
- 3rd row seat – side folding
- 3rd row seat – 50/50 split folding seat backs
- 3rd row seat – adjustable reclining seat backs
- 3rd row seat – folding headrests

Storage

- Large two tier centre console box
- Sunglass holder – overhead
- Front & rear door storage pockets
- Front seat cupholders
- Driver & front passenger seat back map pockets
- 3rd row seat cupholders
- Front & rear ashtrays
- Cigarette lighter
- Bottle Holders in doors

Features

- Smart Entry & Start
- Reversing Camera⁽¹¹⁾
- Dual Zone front climate control air conditioning + rear cooler
- Pollen Filter
- Push button ventilation controls with LCD display
- Outside temperature display
- Power windows with auto up/down
- Power window time delay
- Driver & front Passenger illuminated vanity mirrors with covers
- Accessory power sockets – front & rear

Instruments & Controls

- Cruise Control

- Power operated mirrors
- Left hand convex exterior mirror
- Day/night interior mirror
- Tilt and telescopic steering wheel with audio controls
- Variable intermittent windscreen wipers
- Intermittent rear wiper & washer
- Rear window demister – with auto off
- Twin tripmeter & electronic odometer
- Tachometer
- Automatic transmission indicator at dashboard
- 4 spoke urethane steering wheel with audio control switches
- Low fuel warning light
- Voit meter & oil pressure gauge

Lighting

- Door operated dome lamp/s with delay
- Front map lamps
- Glove box lamp
- Luggage compartment lamp

Sound System

- 6 disc in-dash CD changer with 4.3" LCD display, MP3 compatibility and AM/FM tuner
- 3.5mm AUX input for portable audio players, USB input for some iPod⁽⁸⁾/USB memory sticks⁽⁹⁾
- Bluetooth[™] capabilities⁽⁹⁾
- 6 speakers
- Antenna in glass
- Security coded audio

4WD Technologies

- Full time 4WD
- CRAWL

Safety

- Side door impact beams
- Vehicle Stability Control (VSC)
- Active Traction Control (ATRC)
- Hill-start Assist Control (HAC)
- Multi-terrain Anti-skid Braking System (ABS)
- Driver & Front Passenger SRS airbags
- Driver & Front Passenger side airbags
- Full Length Curtain Shield airbags
- Driver seatbelt warning lamp
- Front passenger seatbelt warning lamp
- Front outboard seatbelts with pre-tensioners
- Front outboard seatbelts with force limiters
- Front seatbelt height adjustable upper anchorage points
- 2nd row lap/sash retractable outboard seatbelts
- 2nd row outboard seatbelt pre-tensioners
- 2nd row outboard seatbelt height adjuster
- 2nd row centre lap/sash retractable seatbelt
- 2nd row Auto Locking Retractor seatbelts
- 3rd row lap/sash retractable seatbelts (Petrol & GXL T/Diesel models standard, available in the option pack for VX T/Diesel & Sahara T/Diesel)
- Child restraint anchorage points
- Impact absorbing interior A, B, C & D Pillars
- High mounted centre stop lamp
- Door courtesy safety reflectors
- Door & tailgate ajar warning lamp
- Luggage tie down hooks

Security

- Engine immobiliser
- Key in ignition/door lockout override
- Remote fuel lid release

Option⁽⁷⁾

- Kinetic Dynamic Suspension System (KDSS) (T/Diesel models only)

VX features in addition to GXL⁽¹⁰⁾

Interior Trim

- Woodgrain-look trim interior (dash + door trims + console)
- Premium steering wheel & gear lever
- Leather accented interior

Exterior

- Front fog lamps
- Black side steps
- Privacy glass
- Chrome grille surround with grey and chrome grille insert

Tyres and Rims

- Tyre Size: 285/60R18
- Rim Size: 18inch
- Rim Type: Alloy rim

Seating

- Second row seat armrests
- 40/20/40 Second row seat back split fold
- Power adjustable front seats
- Tilt adjustable front head rests

Storage

- Small overhead console
- 2 cup holders (2nd row centre armrest)
- Bottle holder (3rd row on T/Diesel VX & Sahara)

Lighting

- Door courtesy lamps (front & rear)
- Rear map lamps

Instruments & Controls

- Moonroof
- Remote control operated moonroof & power windows
- Multi Information Display (MID) (trip computer)
- Audio and Multi-function Information Display (MID) controls on steering wheel

Safety

- Alarm system
- Driver & front Passenger knee airbags
- Second row side airbags

Option

- 8 seats (T/Diesel only)
- 45L subtank and 3rd row bottle holder is not available with this option

Sahara features in addition to VX⁽¹⁰⁾

Exterior

- Head-lamp cleaning system
- Exterior electric fold mirror

Features

- 4-zone climate control air conditioning
- Cooler box

Sound System

- 6 disc in-dash CD/DVD changer, MP3 compatible and AM/FM tuner with
- 9 speakers

Vehicle Communications

- Electro Multi Vision (EMV) incorporating DVD-based Satellite Navigation⁽¹¹⁾

Instruments & Controls

- DVD Rear Seat Entertainment with remote control and 3 wireless headphones
- Electric tilt & telescopic steering wheel
- Steering wheel mounted Bluetooth[™] controls
- Electrochromatic interior mirror

Option

- 8 seats (T/Diesel only)
- 45L subtank, DVD Rear Seat Entertainment and 3rd row bottle holder is not available with this option

Key

- Some vehicle dimension figures are approximate and may vary due to options, accessory fitment and weight carried.
- Not all devices will be compatible and functionality will vary depending on the device.
- Kerb, tare and payload weights are nominal and will vary depending on options, accessories fitment and weight carried.
- Gross Combined Mass (GCM) is the total permissible combined weight of the vehicle and trailer/caravan being towed including occupants, fuel & cargo. Kerb, tare and payload weights are nominal and will vary depending on options and accessories.
- Towbar capacity subject to regulatory requirements, towbar design, vehicle design and towing equipment limitations. Toyota Genuine Towbar = LandCruiser 200 towing capacity.
- ADR81/02 combined cycle. Actual fuel consumption may vary depending on driving style and conditions.
- KDSS is an optional extra on GXL Turbo Diesel and standard on all other grades.
- iPod[®] is a registered trademark of Apple Inc.
- The Bluetooth[™] word mark is owned by Bluetooth SIG, Inc. Not all devices will be compatible and functionality will vary depending on the device.
- Except items that are upgraded.
- Current Navigation mapping database encompasses major capital and primary national road networks as well as offering some coverage in regional areas.
- The Reversing Camera does not provide a comprehensive view of the entire rear area of vehicle and should only be used as an aid for viewing when reversing.
