

Tarago

The ultimate support vehicle.

More powerful reasons to choose Australia's most renowned people mover.

Toyota Tarago has felt right at home in Australia for over two decades. After all, the very name 'Tarago' is derived from an Aboriginal word meaning 'my house'. Yet this 'house' is even more inviting. It's more luxurious, more practical and has even more power than ever.

Across all the models, there's an impressive package of standard features, generous levels of comfort and impressive power. In addition to the responsive 125kW 4-cylinder engine, Tarago also offers you the choice of an advanced 3.5 litre, quad cam V6 engine enhanced with Dual VVT-i delivering a class-leading 202kW of power.

Above Left: Ultima model shown.
Above Right: 4-cylinder GLX model shown.
Front Cover: GLX V6 model shown.

The power and peace of mind of advanced technologies.

When it comes to moving people, Australia's most well known people mover hasn't stood still. The economical 4-cylinder range is equipped with a VVT-i engine for power when you need it and economy when you're cruising. Step up to the V6 Tarago range and you'll find the improved benefits of Dual VVT-i enabling a powerful yet surprisingly economical drive.

In the Tarago, you'll often find yourself carting the most precious cargo in the world - so safety is always a priority. A comprehensive braking package called 'Active Braking with intelligence' (AB-i) improves stability and enhances control in emergency situations. This braking package, standard across the range, incorporates Anti-skid Braking System (ABS), electronic Brake Assist (BA)¹ and Electronic Brake-force Distribution (EBD).

Also standard across the range, Tarago gives you the reassurance of not only Vehicle Stability Control (VSC) and Traction Control (TRC), but the complete inclusion of a total of seven SRS airbags¹. These include driver and front passenger SRS airbags, dual front seat side airbags, full length side curtain shield airbags and driver's knee airbag.

All these features, plus a range of impressive passive safety features mean you can shuttle your passengers with further reassurance.

¹ VSC, TRC, electronic BA and seven SRS airbags are standard in the 4-cylinder GLi model from October 2010 production.

Tarago. Toyota Genuine Accessories. Make a good thing even better.

Assert your sense of individuality.

Enhance your Tarago's practicality and individuality through Toyota's broad range of Genuine Accessories, all developed to strict quality and performance standards and backed by our Toyota warranty.

(Not available on Ultima)

TOYOTA GENUINE ACCESSORIES ARE COVERED BY OUR TOYOTA WARRANTY*

All Toyota Genuine Accessories purchased and fitted to a Toyota are warranted for the remainder of the New Vehicle Warranty or 12 months, whichever is greater. Toyota Genuine Accessories purchased from an authorised Toyota Dealer over the counter are warranted from the date of purchase for one year. Conditions apply. The Toyota Genuine Accessories Warranty does not limit and may not necessarily exceed your rights under the *Competition and Consumer Act 2010*.

* Some Toyota Genuine Accessories are not applicable to all models. See your Toyota Dealer for advice regarding Toyota Genuine Accessories. Pictured Accessories are all sold separately. For a comprehensive guide on the entire range of Toyota Genuine Accessories, visit our website at accessories.toyota.com.au.

- 1 Fitment requires factory fitted sonar to be deactivated on GLX and Ultima models.
- 2 Towing capacity subject to regulatory requirements, towbar design, vehicle design, and towing equipment limitations. Fitment requires factory fitted sonar to be deactivated on GLX and Ultima models.
- 3 ParkAssist and Rear View Camera are designed as driver assist devices only and should not be used as a substitute for skilled driving and safe parking practices. The area into which the vehicle is to be reversed must be visually monitored by the driver while parking.
- 4 Audio units available from January 2010 production.
- 5 Current navigation mapping database encompasses major capital and primary national road networks, as well as offering some coverage of regional areas.

A more accommodating, more inviting interior.

Ultima model shown.

In this people mover, interior luxury moves into new territory. You'll discover all Tarago models are comprehensively equipped with smart design features. Standard across the range are armrests for added comfort, dual zone climate control air conditioning with a pollen filter and cruise control. The Ultima V6 has the added convenience of a sliding centre console and remote electronic sliding doors. In all Tarago models, a conversation mirror allows the driver to easily view passengers in the rear seats without compromising safety by having to turn around. Inbuilt Bluetooth™¹ allows you to converse with those considerably further away, giving you handsfree mobile phone communication.

For audio entertainment, Tarago GLi has a single-disc CD player² while GLX models are equipped with a six disc in-dash CD changer², both are MP3/WMA compatible and include a 3.5mm AUX input for portable audio players and USB input for some iPods³/USB memory sticks⁴. Tarago GLX V6 with the Premium Pack and Ultima have a DVD based Satellite Navigation⁵ system incorporated into the four disc, in-dash CD changer⁵. Steering wheel mounted audio controls

offer fingertip adjustment, so you'll never have to take your hands off the wheel. And to make your in-car entertainment experience complete, the GLX V6 with the Premium Pack and Ultima models' retractable Captain Chairs with adjustable footrests, let you sit back in sumptuous comfort and enjoy the DVD Rear Seat Entertainment system with wireless headphones⁷.

The interior has been designed not only for more comfort but for maximum space and easily accommodates up to eight full size adults (up to seven full sized adults on GLX V6 and Ultima models). Of course, as we all know the bigger the family the greater the cargo that goes along for the ride. So the base of the second row seat can be folded forward to create a flat cargo area as well as a 60:40 split in the third row for bulkier items. In V6 models the third row seats folds into the floor for added capacity. The Ultima makes things a touch easier with power operation to stow the seats. Tarago also has an abundance of handy storage compartments to keep smaller items in their place, including eight cupholders and four bottle holders. All these features and more will have you never wanting to leave.

CAPPED PRICE SERVICING

**Pay no more from
one logbook service to
the next with Toyota
Service Advantage.**

New Toyotas come with Toyota Service Advantage. That means you pay the same low capped-price from one logbook service to the next for the first three years or 60,000km, whichever comes first⁹. So you'll enjoy the peace of mind of knowing in advance what your servicing costs will be. Add it all up and that means owning a new Toyota can be a lot less expensive than other cars. For the full benefits of Toyota Service Advantage consult a Toyota Dealer or visit advantage.toyota.com.au

Tarago Technical Specifications

Engine

- Engine Type: Petrol

Engine Displacement

- 4cyl.: 2362cc
- 6cyl.: 3456cc

Bore x Stroke

- 4cyl.: 88.5 x 96.0mm
- 6cyl.: 94.0 x 83.0mm

Engine Configuration

- 4cyl.: In-line 4-cylinder
- 6cyl.: 6-cylinder V-type
- 4cyl. Valve Train: DOHC with 4 valves per cylinder, chain-driven
- 6cyl. Valve Train: DOHC per bank with 4 valves per cylinder, chain-driven

Valve Mechanism

- 4cyl.: Variable Valve Timing with intelligence (VVT-i)
- 6cyl.: Dual Variable Valve Timing with intelligence (VVT-i)

Maximum Power

- 4cyl.: 125kW @ 6000rpm
- 6cyl.: 202kW @ 6200rpm

Maximum Torque

- 4cyl.: 224Nm @ 4000rpm
- 6cyl.: 340Nm @ 4700rpm

Compression Ratio

- 4cyl.: 9.8:1
- 6cyl.: 10.8:1

Fuel

- Fuel System: Electronic Fuel Injection (EFI)
- 4cyl. Fuel Type: 91 RON Unleaded
- 6cyl. Fuel Type: 95 RON Unleaded
- 4cyl. Fuel economy: 2.4L Automatic 9.5L/100km¹
- 6cyl. Fuel economy: 3.5L Automatic 10.3L/100km¹

Transmission

- 4cyl.: 4 speed automatic, transaxle, electronically controlled, sequential shift function and lock-up torque converter
- 6cyl.: 6 speed automatic, transaxle, electronically controlled, sequential shift function and lock-up torque converter

Steering

- Steering system: Rack and pinion
- Steering operation: Electric Power Steering (EPS)
- Turning circle: 11.4m

Brakes

- Front: Ventilated Discs 296 x 28mm
- Rear: Solid Discs 298 x 10mm
- Active Braking with intelligence (AB-i) incorporating Anti-skid Braking System (ABS) with Electronic Brake-force Distribution (EBD) and Brake Assist (BA)

Suspension

- Front: Independent, MacPherson struts, lower L-Arms, Coil Springs, Hydraulic dampers and jointed mount Anti-Roll bar
- Rear: Torsion beam, Trailing arms, Coil Springs, Hydraulic dampers

Dimensions²

- Overall length: 4795mm
- Overall width: 1800mm

- Overall height: 1750mm without roof rails, 1810mm with roof rails
- Wheelbase: 2950mm
- Front track: 1570mm with 205/65 R16 tyres, 1545mm with 215/55 R17 tyres
- Rear track: 1575mm with 205/65 R16 tyres, 1550mm with 215/55 R17 tyres
- Ground clearance (unladen): 145mm

Weights and Capacities³

- Seating capacity: GLi + GLX 4cyl: 8 GLX V6 and Ultima: 7
- Fuel tank capacity (litres): 65

Kerb Weight³

- 4cyl.: 1725-1795kg
- V6 GLi: 1800-1870kg
- V6 GLX and Ultima: 1840-1930kg

Towing Capacity⁴

- 1600kg (brake trailer)
- 600kg (non-braked trailer)

4-cylinder GLi Model Features

Exterior

- Body coloured front and rear bumpers
- Body coloured door handles
- Body coloured external mirrors with indicator
- UV green cut side and rear windows
- Body coloured rear roofline spoiler
- Front fog lamps
- Projector style low-beam halogen headlamps
- Reflector style type rear garnish
- 16" steel wheels with full wheelcaps
- 205/65 R16 tyres

Interior

- Front seats: slide and recline adjustment
- Driver's seat height adjustment and 2-way cushion tilt
- Front armrests, seat mounted and adjustable
- Map pockets behind front seats
- Second row seats: 60/40 split fold and slide adjustable
- Third row seats: 60/40 split and tumble forward function
- Second row seat with centre armrests
