

 **TOYOTA YARIS**
oh what a *feeling!*

Yaris Hatchback.

Yaris Hatchback: Clever model features.

Performance with intelligence.

The 1.3 and 1.5 litre twin-cam multi-valve engines incorporate many clever performance ideas. Variable Valve Timing with intelligence (VVT-i) achieves the optimum balance of crisp acceleration with economy and surprisingly low emissions. The optional Electronically Controlled automatic Transmission (ECT) manages the power more cleverly, for fewer gear shifts uphill and downhill. Yaris is not only energetic but is now safer thanks to Vehicle Stability

Control* (VSC) and Traction Control* (TRC) in YRS and YRX models. In the YRS and YRX, the Yaris features 7 SRS airbags as standard*. Along with driver and front passenger SRS airbags, it also comes with front seat side airbags*, full length side curtain shield airbags* and driver's knee airbag*. Electronic Power Steering is cleverly engineered for a tight turning circle and easy parking, yet more road feel at high speeds.

Looks small, feels big. That's clever.

On the outside, Yaris Hatchback reflects the latest European styling trends having been designed at Toyota's ED² studio in Nice on the French Riviera. Clean, powerful bodylines also cut cleanly through the air and this means greater fuel economy thanks to less wind resistance. For those who really want to make a statement, the YRX comes standard with a sports body kit that will really set you apart from the crowd.

Above: YRX Hatchback model shown in Cherry.
Front cover: YRX Hatchback model shown in Graphite.

*VSC and TRC standard on YRS and YRX models available from August 2009 production.
+ Available from September 2010 production.

YRX Hatchback model shown in Cherry is accessorised with 15" Incisor Alloy Wheels, ParkAssist – Front Clearance Parking Sensors, Headlamp Covers and Weathershields.

Customise the Clever Car with Toyota Genuine Accessories.

 **TOYOTA GENUINE**
PARTS, SERVICE & ACCESSORIES

TOYOTA GENUINE ACCESSORIES ARE COVERED BY OUR TOYOTA WARRANTY

All Toyota Genuine Accessories purchased and fitted to a Toyota are warranted for the remainder of the New Vehicle Warranty or 12 months, whichever is greater. Toyota Genuine Accessories purchased from an authorised Toyota Dealer over the counter are warranted from the date of purchase for 12 months. Conditions apply. All warranties are additional to the implied warranties under the Trade Practices Act 1974.

[‡] The Bluetooth[™] word mark is owned by The Bluetooth SIG, Inc. Not all devices will be compatible and functionality will vary depending on the device.

[†] Current mapping database encompasses major capital and primary national road networks as well as offering some coverage of regional areas.

» ParkAssist is designed as a driver assist device only and should not be used as a substitute for skilled driving and safe parking practices. The area into which the vehicle is to be reversed must be visually monitored by the driver while parking.

+ iPod is a registered trademark of Apple Inc.

[®] Not all devices will be compatible and functionality will vary depending on the device.

Some Toyota Genuine Accessories are not applicable to all Yaris models. See your Toyota Dealer for advice regarding Toyota Genuine Accessories. Pictured Accessories are all sold separately. For a comprehensive guide on the entire range of Toyota Genuine Accessories, visit accessories.toyota.com.au.

More clever ideas inside.

You're cramming more into your life, so Yaris Hatchback is packed with more clever ideas. It has up to 25 storage compartments, while power windows, remote central locking, power mirrors and electric power steering are standard. We've also crammed more into the audio system[‡], with Bluetooth™[‡] for handsfree mobile communication or the ability to stream your music on the move. The audio system[‡] has an MP3/WMA compatible CD player with a 3.5mm AUX input for portable audio players and USB input for some iPods[®]/[®]USB memory sticks[†] in YR and YRS models. YRX models also come with a 6-disc in-dash CD changer, for even more music on the move and a handy 4.3" LCD screen displaying audio and Bluetooth™[‡] functions. The 60:40 split rear seat accommodates long objects and tall passengers. It also slides forward and back for extra legroom or folds flat for extra luggage room, all with a simple tilt and slide action. More supportive seating, plus a reinforced body structure which reduces noise, provides more comfort and less fatigue for those longer journeys.

Image 1 and 3 – overseas model shown. Image 2 – YRX model shown.

Big car safety features.

It may be small but Toyota engineers have cleverly equipped Yaris Hatchback with big car safety features. Active Braking with intelligence (AB-i) incorporates technologies that go beyond the benefits of standard ABS for enhanced stopping in emergency situations. In YRS and YRX models, Vehicle Stability Control* (VSC) enhances cornering safety by taking action to minimise understeer and oversteer and help you maintain control. Traction Control* (TRC) assists in minimising wheelspin to help ensure the vehicle does not lose traction when accelerating. Two front SRS airbags are standard in the YR. The YRS and YRX also feature five additional SRS airbags[‡] to include driver & front passenger side SRS airbags, full length side curtain shield airbags and driver's knee airbag.

[‡] The Bluetooth™ word mark is owned by The Bluetooth SIG, Inc. Not all devices will be compatible and functionality will vary depending on the device.

[®] iPod is a registered trademark of Apple Inc.

* VSC and TRC standard on YRS and YRX models and available from August 2009 production.

[‡] Available from August 2009 production.

[†] Available from September 2010 production.

[‡] Not all devices will be compatible and functionality will vary depending on the device.

Clever colour guide.

Note: Toyota Australia reserves the right to vary and discontinue from time to time the interior and exterior colours, trims and colour/trim/model combinations currently available. Colours and trims displayed here are a guide only and may vary from actual colours due to printing/display process. See your Toyota Dealer to confirm colour/trim/model availability when ordering your vehicle. Metallic/mica/pearlescent paint is optional and is subject to additional charges on most models.

[^]Indicates mica/metallic/pearlescent paint. *Available from August 2010 production.

Toyota Service Advantage cuts new car servicing costs.

Toyota Service Advantage makes owning your Yaris even more economical because you are entitled to low cost scheduled servicing. That's up to 6 standard services during the first three years or 60,000km, whichever occurs first. Terms and conditions apply. See your Toyota Dealer or advantage.toyota.com.au for eligibility, pricing and more information. Toyota Service Advantage pricing represents the maximum amount payable for standard scheduled servicing which is as per 'maintenance for normal operating conditions' outlined in the Warranty & Service Handbook's service schedule. Service Advantage eligibility excludes Government, Not for Profit Organisations and Rental vehicles and certain other exclusions apply.

CAPPED PRICE SERVICING

All of Toyota's big ideas in one small car.

Yaris Hatchback Technical Specifications

- Seating capacity: 5
- Maximum luggage capacity (Litres): 737
- Fuel tank capacity (Litres): 42
- Kerb Weight^o (Kg)
 - 1.3L manual: 1025-1045
 - 1.3L automatic: 1035-1055
 - 1.5L manual: 1030-1055[~]
 - 1.5L automatic: 1045-1070

Engine

- Engine type: Petrol
- Valve train: Double Over Head Camshaft (DOHC) with 4 valves per cylinder
- Valve mechanism: Variable Valve Timing with intelligence (VVT-i)
- Max Power (kW)
 - 1.3L - 63
 - 1.5L - 80
- Max Torque (Nm)
 - 1.3L - 121
 - 1.5L - 141

Fuel Type - Drive Train

- Configuration: Front wheel drive
- Electronic fuel injection
- Fuel system: 91 RON Unleaded
- Fuel economy: 1.3L Manual 6.0L/100km#
- Fuel economy: 1.3L Automatic 6.5L/100km#
- Fuel economy: 1.5L Manual 6.1L/100km#
- Fuel economy: 1.5L Automatic 6.7L/100km#

Transmission

- 5-speed manual with overdrive and hydraulic operated clutch[~]
- 4-speed electronically controlled automatic with fuel saving lock-up torque converter (optional)

Steering

- Steering type: Electric Power Steering (EPS)
- Turning circle: 9.4m

Suspension

- Front: Independent, McPherson strut with stabiliser bar
- Rear: Semi-independent trailing arm torsion beam with coil springs and hydraulic dampers

Dimensions[‡]

- Overall length: 3785mm
- Overall height: 1530mm
- Overall width: 1695mm
- Wheelbase: 2460mm
- Front track
 - YR - 1480mm
 - YRS - 1470mm
 - YRX - 1470mm
- Rear track
 - YR - 1470mm
 - YRS - 1460mm
 - YRX - 1460mm
- Ground clearance: 110mm

YR Hatchback Standard Features

- Engine: 1.3L VVT-i
- Engine code: 2NZ-FE

Exterior

- 14" steel wheels
- 175/65R14 tyres
- Touch up paint
- Body coloured door handles
- Body coloured power exterior mirrors

Interior

- Air conditioning
- Power windows
- Tilt and telescopic steering column
- Front passenger assist grip
- Front height adjustable headrests
- Front seat slide and recline adjustment
- Driver seat height adjustment
- 60:40 split fold rear seat
- Fold flat rear seat
- One touch slide rear seat
- One touch recline and stow rear seat
- 3 rear height adjustable headrests (fully stowable for greater rear vision)
- Driver vanity mirror and cover
- 3-spoke urethane steering wheel
- Cigarette lighter and removable ashtray

Instruments and Controls

- Centre mounted instrumentation
- Digital instrumentation with liquid crystal display
- Tachometer
- Twin trip meter with electronic LCD odometer
- Front intermittent windscreen wipers
- Rear windscreen wiper and washer
- Digital clock
- Headlights-on audible warning

Storage

- Passenger side dual glove box
- Driver side glove box
- Front door pockets
- Drink holders

Lighting

- Door operated interior dome lamp
- Front map lamps
- Luggage room lamp

Sound System[‡]

- AM/FM radio with MP3 compatible single disc in-dash CD player through 4 speakers
- 3.5mm AUX input for portable audio players and USB input for some iPods[®]/USB memory sticks[†]
- Bluetooth[™] capabilities

Safety

- AB-i (Active Braking with intelligence) integrating Anti-skid Braking System (ABS) with Brake Assist (BA) and Electronic Brake-force Distribution (EBD)
- Driver and front passenger SRS airbags
- Global Outstanding Assessment (GOA) body with omni-directional crash capability
- 3-point lap-sash rear seatbelts
- Driver and front passenger pre-tensioning and force limiter seatbelts
- Height adjustable front seatbelts (5 door models)
- Driver and front passenger seatbelt warning lamp
- Door ajar warning lamp
- Energy absorbing steering column
- Automatic transmission shift lock (Automatic transmission models)

Child Safety

- Automatic Locking Retractor (ALR) rear outboard seatbelts to assist child seat retention
- 3 child restraint anchorage points
- Child proof rear door locks (5 door models)

Security

- Engine immobiliser
- Remote/keyless central locking
- Cargo cover
- Security coded radio

Option available on YR Hatchback

- Enhanced Safety Pack including front seat side SRS airbags, full length side curtain shield SRS airbags and driver's knee SRS airbag.

YRS Hatchback Features in addition to YR

- Engine - 1.5L VVT-i
- Engine code - 1NZ-FE
- 15" steel wheels
- 185/60R15 tyres
- Vehicle Stability Control* (VSC) and Traction Control* (TRC)
- Premium steering wheel and gear shift lever
- Steering wheel audio control switches
- Front passenger vanity mirror and cover
- Chrome inside door handles
- Front seat side SRS airbags^o
- Full length side curtain shield SRS airbags^o
- Driver's knee SRS airbag^o

YRX[™] Hatchback Features in addition to YRS
