# AESTHETICS AND EXCLUSIVITY IN EVERY DETAIL.

## ORIGINAL BMW INTERIOR ACCESSORIES.

### 1-4 Travel & Comfort system

This modular system is designed around a base attachment for the headrest bars. A coat-hanger, folding table or universal hook can then be fitted to this. The **coathanger** allows clothes to be transported without creasing. It can also be detached from the mounting and used to carry clothes outside the vehicle (pic 4). The **folding table** gives passengers in the rear a convenient surface to put things on and is tilt and height-adjustable. It also includes a foldout cupholder with a stylish chrome ring. The **universal hook** offers a convenient place to hang light shopping bags, suit hangers and the like. The Travel & Comfort system is finished in a stylish matt black with silver highlights and goes perfectly with the interior of your BMW.

### 5 M Sport package, interior

The M door sill finisher and the M footrest underline the sporty look of the BMW 6 Series.

### 6 Backrest bag, black

A multi-option companion. The backrest bag can be filled with small items prior to setting off and easily attached to the rear of the driver's or front passenger's seat. It can be folded, is easy to carry and comes in hard-wearing, easy-to-clean material. Also available in a beige and red colour option.

### 7 Coolbag

CFC-free electric cooler which chills its contents to approx. 20°C below the temperature inside the vehicle. Capacity: 14 litres.

### LED interior lighting package (not pictured)

Daylight-white light creates a modern ambience as well as pleasant room brightness. The LED modules can be

run directly from existing outlets and are suitable for a variety of interior lighting. They offer both a very long life and extremely low energy consumption.

**1 All-weather floor mats**

Dirt-repellent and water-resistant. Available in black.

**2 - 4 Floor mats, velour**

In Anthracite and Oyster. Available with or without heel pads.

**5 LED torch, rechargeable**

This pocket-sized torch can be connected to the 12V socket for charging.

**BMW umbrella with LED light** (not pictured)

With a matching bag and featuring a removable LED light in the handle.

➤ For detailed information about the full range of components for the interior of your BMW 6 Series, visit the Accessories section of the BMW website.

**6 BMW junior seat I-II, with/without ISOFIX**

Suitable for children weighing 9 to 25 kg (age approx. 9 months to 7 years). The seat features a restraint cushion and a height-adjustable back. The use of the ISOFIX function is permitted for children weighing up to 18 kg. Children weighing more than this should be secured without the restraint cushion, using the seatbelt. Available in various colour schemes.

**6 Backrest protector**

Protects the upholstery on the back of the two front seats from dirt and damage.

**7 BMW junior seat II-III**

Suitable for children weighing 15 to 36 kg (age approx. 3 to 12 years). The seat can be quickly and easily secured in place with the three-point belt. The height of the seat and position of the headrest and side bolsters can be adjusted with one hand and the seat offers outstanding lateral protection. The adjustable backrest makes the BMW junior seat II-III perfect for long journeys and the removable cover is machine-washable. Various colour schemes.

**BMW Baby Seat 0+, with/without ISOFIX**

(not pictured)

Designed for children weighing between 3 and 13 kg (age up to around 18 months). A seat reducer is included. The baby seat shell is mounted facing away from the direction of travel, either on the rear seat, or, provided the airbag is deactivated, on the front passenger seat. The shell can be detached from the rebound frame and used separately as a carrycot. With detachable sun canopy. Various colour schemes.

## ORIGINAL BMW COMMUNICATION & INFORMATION ACCESSORIES.

2

### 1, 3, 4 Apple iPad holder

In combination with the BMW Car Hotspot, this allows passengers in the rear to make full use of all the functions of their iPad. Using the holder, any iPad can be securely mounted on the base attachment of the Travel & Comfort system (see p9), and released at the touch of a button. The position of the device can be adjusted for maximum comfort and ease of use whether you are reading, watching videos or sending emails. And thanks to an integrated stand, the holder can also be used outside the vehicle.

### 2 + 5 BMW Car Hotspot

Need to check your bank balance on the move or look something up on Wikipedia? The BMW Car Hotspot allows you to use the time you spend in your car productively or for relaxation. Various devices, including an iPad, laptop and games consoles, can all access a wireless internet connection at the same time, via either a SIM card inserted in the BMW Car Hotspot or a mobile phone with a SIM access profile. The BMW Car Hotspot is fitted into the centre armrest, using a snap-in adapter, with a combination of UMTS (HSDPA) and GSM technology ensuring the best possible connection. A visual display shows the current connection status. International roaming can be switched off by the user. A roof aerial ensures optimum signal reception and minimizes radiation in the interior. A BMW Car Hotspot for the upcoming LTE mobile communications standard is in development.

**1 Snap-in adapter**

A safe and secure docking system for current Nokia, Motorola and Sony Ericsson mobiles, and RIM BlackBerry® and Apple iPhone devices. With the telephone-specific, quick-change snap-in adapter, a phone can be charged in conjunction with the mobile phone preparation with Bluetooth interface. Optimal network connection is ensured by the exterior antenna of the vehicle.

**2+3 Snap-in media adapter**

Secure and stable docking system for Apple iPhone 3G/3GS/4 and 4S with specific mounting for every car model. Optimum network reception is ensured by the vehicle's external aerial. An integrated USB/audio interface enables convenient connection of music and video files in the mobile phone without the need for an additional cable. With Cover Art, the album cover related to the music track (audio file) being played is

shown in the vehicle display. This allows you to easily identify the artist or album as you listen. The system is also suitable for using Apple applications. Additionally, a separately available snap-in music adapter allows music files in a mobile to be played through the car's audio system without an adapter cable.

**4 Rear View camera**

Clearly shows the area behind the vehicle on the Control Display. Interactive lane lines are shown, for example, so the driver can check if a parking spot is big enough. The Rear View camera is switched on automatically when reverse gear is selected (only in conjunction with Park Distance Control).

**5 USB charging adapter**

Allows mobile devices with a USB port to be charged via the car's cigarette lighter.

➤ For detailed information about Original BMW Communication & Information Accessories, visit the BMW website.

**6 Adapter for Apple iPod/iPhone**

Adapter for connecting your Apple iPod or iPhone to the vehicle's audio system. Two versions available.

**7 DVD changer**

Six discs, supports multichannel audio DVDs, MP3-compatible; in conjunction with TV or navigation system Professional with additional video function.

**USB extension cable** (not pictured)

For easy connection of devices in the vehicle.

**AUX connector cable** (not pictured)

With gold-plated 3.5 mm jack plug. Two lengths available.

**8+9 Digital roadmaps**

Up to 15 percent of the road network changes every year – but with the latest digital street maps you are always in the picture and the navigation system can quickly determine the most appropriate route. Depending on the country version, they feature integrated congestion warning and the RDS/TMC (Traffic Message Channel) functions. The digital maps are available according to model as an annual update, including certificate, on DVD or USB stick.

## NEW FREEDOM OF MOVEMENT.

ORIGINAL BMW TRANSPORTATION & LUGGAGE ACCESSORIES.

### 1 - 4 Rear rack system, click-on

This modern design meets the highest safety standards and is tested according to strict BMW quality criteria. Thanks to the innovative **click-on function**, either of two components can be quickly and easily assembled.

The first choice is the **rear bike carrier**. This allows the transportation of up to two bikes (also e-bikes) while an optional ramp makes loading easier. The bike carrier can be lowered to allow the tailgate to be opened and both

the carrier and bikes are secured against theft. Additionally, there is the option to fit a **tow bar**, also achieved in a few simple steps with the click-on system. Maximum towing capacity: 1,600kg.

### 1 Dog safety harness

Available in a choice of three sizes, the harness is designed to secure dogs on the rear seat bench, thereby enhancing the safety of passengers. The dog's lead can also be attached to the harness.

### 2 Ski bag

For simple storage of skis. Can be loaded from the luggage compartment through an opening in the central rear upright. The ski bag can be stored behind the centre rear arm rest in the rear to save space and keep it out of sight when not needed.

### 3 Driver utility set

For your home or journey. Includes selected tools with the BMW logo, such as bit-holder with chromed blade and 16-piece bit set. Also includes: pocket knife, pocket lamp and nylon gloves. In a robust nylon wallet with embossed BMW logo.

### 4 Powder fire extinguisher

Ready for use under the seat.

### 5 Luggage compartment net

Secures a variety of items quickly and safely. Attaches to existing eyelets.

### 6 Multifunction fitted luggage compartment mat with collapsible box

A visually appealing luggage compartment solution that combines a non-slip, acid-resistant fitted mat with a loading sill protector. The waterproof collapsible box has a strap inside to hold items like bottles firmly in place. The **collapsible box** cleverly slots into the fitted mat to prevent it from sliding around.

### 7 Loading sill mat

This padded non-slip mat folds out over the loading sill to protect it against damage. It also provides a place to sit.

### 8 Luggage compartment tie-down straps

Two tear-resistant tie-down straps secure items in the luggage compartment quickly and safely. Available with two different fastening mechanisms.

➤ For detailed information about the entire range of Transportation & Luggage solutions, see the BMW website.

## JOY CARES NATURALLY.

### NATURAL CARE – THE ECO-FRIENDLY WAY.

Connecting the joy of driving with sustainability is a guiding principle for BMW. Our Natural Care products are a clear response to this aspiration. An environmentally sound and sustainable approach is adopted at every step – from the selection of raw materials and energy-efficient manufacturing through to safe application and recycling of the packaging. The products are predominantly made from natural raw materials, such as tensides and bio-alcohol from sugar beet, as well as canaba wax and linseed oil. Along with their eco-friendly attributes, the dermatologically tested Natural Care products also offer efficient and powerful action.
