## THE CONSISTENT CHOICE FOR BREATHTAKING DYNAMICS.

In 2012, BMW is returning to the DTM German touring car series for the first time since 1992 – after 49 victories, 30 pole positions, no fewer than 185 podium places and three DTM driver titles. Good reason for us to offer you the opportunity to give your BMW definitive racing character and even greater dynamics with BMW M Performance Parts. All BMW M Performance Parts are the result of years of BMW racing expertise and have been developed with BMW M GmbH. Each component also goes through an intense manufacturing and development process, so uncompromising sportiness is consistently realised every time – right down to the smallest detail.

Whether it's for the aerodynamics, the chassis, the cockpit or the powertrain – BMW M Performance Parts are the clear choice for premium quality and sporty innovation. Give your BMW a breathtaking racing feel.

## PURE MOTORSPORT CHARACTER. IT'S IN THE BLOOD.

The history of BMW motorsport is shaped by great racing cars. In 1929, it was the 3/15 that won the first victory for BMW at the prestigious Alpine Rally, completing every one of the five daily stages from Munich to Lake Como in record time. In the following decades, legendary racing cars including the BMW 328, BMW 3.0 CSL, BMW M1 and the BMW M3 defended their places in the motorsport elite. They celebrated countless victories and major titles – the first DTM overall victory in history in 1984, the WTCC hat-trick from 2005 to 2007 and the spectacular 2010 victory at the Nürburgring 24 Hours race. And now, what many fans have longed for is coming true in 2012 – BMW is returning to the DTM for the first time since 1992. After 49 victories, 30 pole positions, no fewer than 185 podium places and three DTM driver titles, the newest generation of the BMW M3 is entering the race for the DTM championship.

So the letter M is back in the DTM. And as the driver of a BMW M model you know exactly what that means – total performance, maximum sportiness and uncompromising practicality. All features embodied by BMW M Performance Parts. No ifs or buts. With BMW M Performance Parts, your BMW M will be more than ever the epitome of outstanding sportiness.
