Sheer
Driving Pleasure

THE BMW X6. ORIGINAL BMW ACCESSORIES.

JOY ALLOWS ENDLESS POSSIBILITIES.

UNIQUELY DIFFERENT.

The BMW X6 is the first Sports Activity Coupé in the world, combining the elegance of a coupé with the versatility of an SUV and a clear commitment to efficient high power. It's an exceptional proposition in every way. With Original BMW Accessories, it can also be a truly unique expression of your own individuality.

Whatever your personal needs, BMW Original Accessories for the BMW X6 have the answer. That means even more fascinating design, outstanding functionality and greater exclusivity, whether it is for the interior and exterior, for communication and information or for transportation and luggage. Along with an extensive range of options from the factory, Original BMW Accessories establish new benchmarks and set new standards. Just like the BMW X6 itself.

THE EXPRESSION OF POWER BEYOND COMPARE.

ORIGINAL BMW EXTERIOR ACCESSORIES.

1 21" light alloy wheels Star-spoke 128, Chrome
Also available in Midnight Chrome and Silver.

1 Roof rails
A distinctive touch for the roof area. Available in silver and black.

1 Aluminium running boards
With a widened step area. In brushed, anodized aluminium.

1 + 6 Black Line rear lights
For an even more expressive rear profile. Indicators feature clear crystal-look lenses and diadem® chrome bulbs. Rear and brake light sections in dark red.

1 Mud flaps
Protect your car and the vehicle behind you against dirt and loose chippings. Available for front and rear wheels.

1 + 10 Exhaust pipe finish in chrome
Chrome trim for a sporty rear profile.

2 21" light alloy wheels Double-spoke 275
Cast.

3 21" light alloy wheels Star-spoke 215, Black
Cast.

4 21" light alloy wheels Star-spoke 215, Ferric Grey
Cast.

5 LED headlights
LED headlights in the BMW X6 provide even stronger and more even illumination of the road for significantly improved night vision. Reflective objects are also seen in sharper contrast so they can be detected sooner.

7 21" light alloy wheels Y-spoke 336
Cast.

8 21" light alloy wheels Y-spoke 214
Cast.

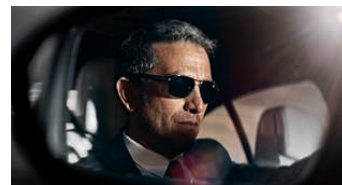

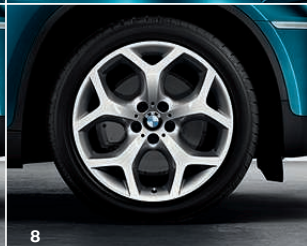

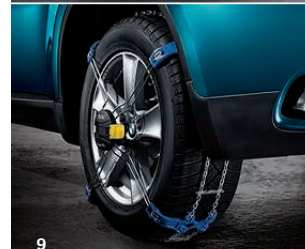

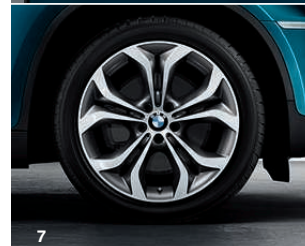

Recommended tyres
When buying new tyres, we recommend that you choose those marked with the five-pointed star on the sidewalls. Extensively tested by BMW and tailored to your BMW model, they ensure an unforgettable driving experience. Your BMW Service partner will be happy to advise you.

9 Snow chains
Designed for use with BMW tyres, they are easy to fit and offer optimum grip on snow and ice.

9 Complete winter wheels
Specially designed for the vehicle. Available in 19" and 20" sizes.

Wheel bolt locks (not pictured)
This BMW-specific accessory offers maximum protection against theft. Bolts can only be removed using the special tool supplied.

Exterior mirror for trailer towing (not pictured)
With low vibration levels thanks to special brackets mounted on the door mirror.

BMW PERFORMANCE FOR THE BMW X6.

These BMW Performance Accessories perfectly express the uncompromising power and dynamics of your BMW X6. Featuring motor sport-inspired components and innovative technology.

1 BMW Performance aerodynamics package

This package sets unmistakable standards – and its uncompromisingly distinctive lines emphasise the dynamic character of your BMW X6. The complete package consists of the BMW Performance front

bumper, BMW Performance side sills and the BMW Performance diffuser on the rear bumper. It can be optionally expanded with the BMW Performance rear spoiler and BMW Performance rear fins. The overall result makes a major impression: a powerfully striking

appearance meets optimised lift values that make every ride in your BMW X6 an even more intense experience. For vehicles without Active Cruise Control.

1 BMW Performance front grille, black

Exhilaration at first sight. This visual highlight features the uncompromising design language of BMW Performance aerodynamics components.

1 + 4 21" BMW Performance light alloy wheels Y-spoke 375

These cast Original BMW light alloy wheels with rolled rims are firmly focused on reducing unsprung weight. This means even better steering behaviour and maximum driving dynamics. The design is as impressive as the technology: the high quality Bicolour finish with BMW Performance branding is sure to turn heads.

BMW Performance sport stripes (not pictured)

Sport stripes for the bonnet, roof and rear underscore the striking contours of your BMW X6. Available in either black or white.

2 BMW Performance rear fins

Emphasize the powerfully dynamic styling of the BMW X6.

3 BMW Performance rear spoiler

For optimum aerodynamics and a clear sign of excellence in modern automotive technology. In a matt black finish that underscores the sporty look of the BMW X6.

5 21" BMW M Performance light alloy wheels Double-spoke 310 M

Bicolour (Ferric Grey paintwork, burnished). Weight-optimised, with four-colour M logo.

6 BMW Performance exhaust system

For a characterful sound that underscores the sporty driving experience. The system also stands out visually with its stainless steel, chromed tailpipes giving a distinctive, high-tech look. The BMW Performance exhaust system is available for BMW X6 models with six-cylinder engines.

7 BMW Performance power kit

The BMW Performance power kit for the BMW X6 50i greatly enhances the outstanding performance of its engine thanks to specially developed electronics that increase torque and power – and with the same emissions levels specified in the test cycle. In numbers: power output of the BMW X6 50i is raised from 300 to 330 kW and maximum torque increases to 650 Nm, available at just 2,000 rpm⁻¹. This influences both acceleration and elasticity values. Your BMW is 0.2 seconds faster from 0 to 100km/h and 0.5 s quicker between 80 and 120km (V8 engine in fifth gear). Also available for the BMW X6 35i. Redefining the limits of your BMW X6 – definitely something to look forward to.

8 BMW Performance sport steering wheel II

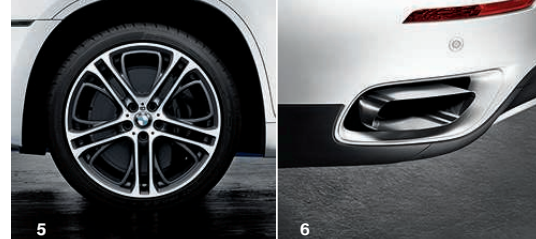

Fully covered in Alcantara for optimum grip in even extreme driving situations. Other striking features include a flat-bottomed rim and white cross-stitch. Only for vehicles without the Lane Departure Warning system.

9 BMW Performance aluminium pedal set

The passion for perfection extends right into the footwell, as you can see with this BMW Performance pedal set with its precise workmanship and purist, technical look.

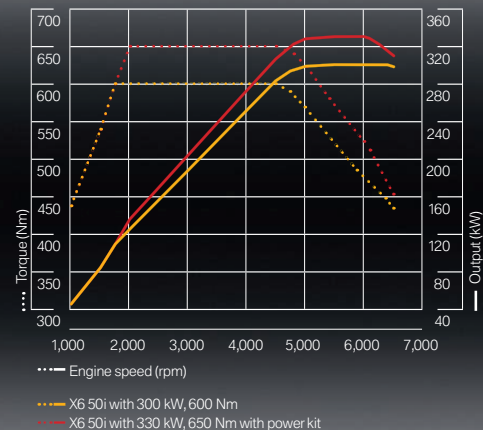

9 BMW Performance aluminium footrest

A perfect, purist addition to the BMW Performance aluminium pedals.

Performance data for BMW X6 50i with BMW Performance power kit

Full-load performance of X6 50i

LARGE-SCALE LUXURY ALL ROUND. ORIGINAL BMW INTERIOR ACCESSORIES.

1 Ash Grain interior trim

Exclusive, high-quality fine-wood finish for the interior trim, instrument panel, centre console and doors. Also available in Bamboo Grain, dark, Aluminium Flywheel and fine-brushed Aluminium.

1 Ash Grain trim for leather sport steering wheel

Another touch of sporting elegance for the interior. Also available in Bamboo Grain, dark.

1 Ash Grain clasp for gear lever

Accentuates the individuality of the BMW X6. Also available in Bamboo Grain, dark.

2 M leather steering wheel with gearshift paddles

Lies extremely well in the hands. Diameter: 382mm. For cars with gearshift paddles.

3 Backrest bag, black

A multi-option companion. The backrest bag can be filled with small items prior to setting off and easily attached to the rear of the driver's or front passenger's seat. It can be folded, is easy to carry and comes in hard-wearing, easy-to-clean material. Also available in beige or red.

4 Clean bag

This textile bag with a removable plastic liner can be quickly and easily attached to the nets on the seat backs.

LED interior lighting package (not pictured)

Daylight-white light creates a modern ambience as well as pleasant brightness. The long-life LED modules can be run directly from existing outlets and are suitable for a variety of interior lighting. They also consume very low levels of energy.

1 BMW junior seat II-III

Suitable for children weighing 15 to 36kg (age approx. 3 to 12 years). The seat can be quickly and easily secured in place with the three-point belt. The height of the seat and position of the headrest and side bolsters can be adjusted with one hand and the seat offers outstanding lateral protection. The adjustable backrest makes the BMW junior seat II-III perfect for long journeys and the removable cover is machine-washable. Various colour schemes.

2 BMW junior seat I-II, with/without ISOFIX

Suitable for children weighing 9 to 25kg (age approx. 9 months to 7 years). The seat features a restraint cushion and a height-adjustable back. The use of the ISOFIX function is permitted for children weighing up

to 18kg. Children weighing more than this should be secured without the restraint cushion using the seatbelt. When used in the third row of seats, the BMW junior seat I-II is secured with the three-point belt. Available in various colour schemes.

BMW baby seat 0+, with/without ISOFIX

(not pictured)

Designed for children weighing between 3 and 13kg (age up to around 18 months). A seat reducer is included. The baby seat shell is mounted facing away from the direction of travel, either on the rear seat, or, provided the airbag is deactivated, on the front passenger seat. The shell can be detached from the reboard frame and used separately as a carrycot. With detachable sun canopy. Various colour schemes.

Backrest protector (not pictured)

Protects upholstery on the backs of the driver's and front passenger's seats from dirt and damage.

3 Stainless steel pedals

An elegant detail in the footwell.

3 All-weather floor mats with textile inlay

A perfect fit, dirt and water-resistant. Available in Anthracite and beige.

3 + 8 Door sill trim, stainless steel

For front and rear. Illuminated (pic 3) or non-illuminated (pic 8). With BMW lettering.

4 Floor mats, Cross-Country

A perfect fit, hard-wearing and resistant to dirt. Available in Anthracite.

5 All-weather floor mats, Classic with textile inlay

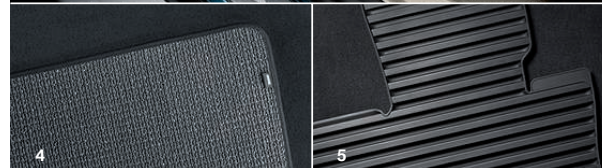

A perfect fit, dirt and water-resistant. Available in Anthracite and beige.

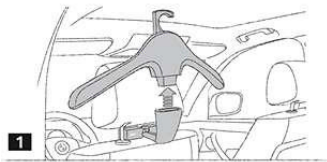

6 Floor mats, velour

A perfect fit, dirt and water-resistant. Available in Anthracite and beige. For front and rear.

7 Storage net in footwell

On the left side of the front passenger footwell. With two sections. (Safety vest sold separately.)

1-4 Travel & Comfort system

This modular system is designed around a base attachment for the headrest bars. A coat-hanger, folding table, universal hook or Apple iPad holder (see p15) can then be fitted. The **coathanger** allows clothes to be transported without creasing. It can also be detached from the mounting (see pic 1) and used to carry clothes outside the vehicle. The **folding table** gives passengers in the rear a convenient surface to put things on and is tilt and height-adjustable. It also includes a foldout cupholder with a stylish chrome ring. The **universal hook** offers a convenient place to hang light shopping bags, suit hangers and the like. The Travel & Comfort system is finished in a stylish matt black with silver highlights and goes perfectly with the interior of your BMW.

5 Rear seat protector

This separable cover protects both the rear seat bench and door linings. Water and dirt-repellent, it features openings for three-point belts which also allow items such as the dog safety harness to be fitted.

6 LED torch, rechargeable

This pocket-sized torch can be connected to the 12V socket for charging.

7 Coolbag

CFC-free electric cooler which chills its contents to approx. 20° C below the temperature inside the vehicle. Capacity: 14 litres.

8+9 Glasses and CD/DVD holder

Twice as functional, twice as easy. Simply attach to the sunshade and it's done. CDs or DVDs can be stored on the inside, a pair of glasses on the outside.

Smoker's package (not pictured)

Includes a cigarette lighter and an ashtray in the front centre console cupholder.

CUTTING-EDGE ENTERTAINMENT ON BOARD.

ORIGINAL BMW COMMUNICATION & INFORMATION ACCESSORIES.

2

1 Apple iPad holder

In combination with the BMW Car Hotspot, this allows passengers in the rear to make full use of all the functions of their iPad. Using the holder, any iPad can be securely mounted on the base attachment of the Travel & Comfort system (see p12), and released at the touch of a button. The position of the device can be adjusted for maximum comfort and ease of use whether you are reading, watching videos or sending emails. Thanks to an integrated stand, the holder can also be used outside the vehicle.

2 + 3 BMW Car Hotspot

Need to check your bank balance on the move or look something up on Wikipedia? The BMW Car Hotspot allows you to use the time you spend in your car productively or for relaxation. Various devices, including an iPad, laptop and games consoles, can all access a wireless internet connection at the same time, via either a SIM card inserted in the BMW Car Hotspot or a mobile phone with a SIM access profile. The BMW Car Hotspot is fitted into the centre armrest, using a snap-in adapter, with a combination of UMTS (HSDPA) and GSM technology ensuring the best possible connection. A visual display shows the current connection status. International roaming can be switched off by the user. A roof aerial ensures optimum signal reception and minimizes radiation in the interior. A BMW Car Hotspot for the upcoming LTE mobile communications standard is in development.

4 Snap-in media adapter

Secure and stable docking system for Apple iPhone 3G/3GS/4 and 4S with specific mounting for every car

3

4

model. Optimum network reception is ensured by the vehicle's external aerial. An integrated USB/audio interface enables convenient connection of music and video files in the mobile phone without the need for an additional cable. With Cover Art, the album cover related to the music track (audio file) being played is shown in the vehicle display. This allows you to easily identify the artist or album as you listen. The system is

also suitable for using Apple applications. Additionally, a separately available snap-in music adapter allows music files in a mobile to be played through the car's audio system without an adapter cable.

1 BMW tablet DVD system

Consists of two portable seven-inch monitors, plus two holders attached to the headrest support bars. The DVD system can be plugged in to the vehicle's 12V power socket. The DVD player, integrated into one of the monitors, can play video DVDs plus photo and audio CDs (including MP3 format). In addition, JPEG images and music files on USB sticks and memory cards of various formats can be viewed or listened to. The portable monitors can also be used outside the vehicle. Audio playback is via either the

monitors' built-in loudspeakers or headphones such as the infrared stereo headphones from BMW.

1 Infrared stereo headphones

Specially designed for use with the tablet DVD system. They are exceptionally comfortable, deliver outstanding sound quality and allow individual volume control. Two versions available.

2+3 Digital roadmaps

Up to 15 per cent of the road network changes every year – but with the latest digital street maps, you are always kept in the picture. With an update, the navigation system will show you the most efficient route to your goal, saving time, fuel and protecting the environment. What's more, each update includes many new points of interest across 32 categories, including sight-seeing and shopping centres, over one million destinations and, depending on country version, integrated congestion warnings from the RDS/TMC (Traffic Message Channel) functions so you can gain more time by simply avoiding other hold-ups. The digital maps are available according to model as an annual update, including certificate, on DVD or USB stick.

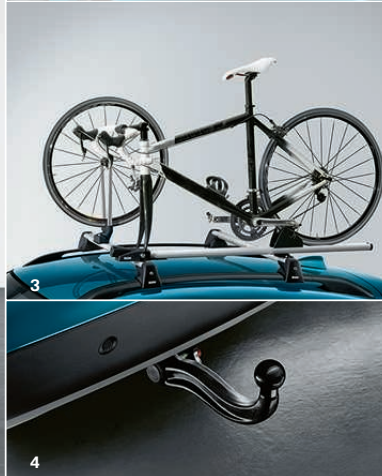

4 Audio adapter for Apple iPod/iPhone

Adapter for connecting your Apple iPod or iPhone to the vehicle's audio system. Two versions available.

5 USB charging adapter

Allows mobile devices with a USB port to be charged via the car's cigarette lighter.

1 Rear carrier, lockable

For transporting two bicycles. The rear carrier is attached quickly and easily to the mounting points for towing and conveniently slides back to allow the tailgate to be opened. It also folds up for storage in the luggage compartment and features anti-theft screws and locks.

2 Touring cycle holder, lockable

Robust attachment for transporting a bicycle with a frame diameter of 22 to 80mm, also suitable for mountain bikes. A user-friendly fixing system, with a twist mechanism at the same height as the base support system, makes it quick and easy to secure bikes in place.

2 + 3 BMW base support system, lockable

Maximum permissible roof load: 75kg. The support bars are made of high-strength aluminium tubing. The BMW base support system is equipped with an anti-theft feature and complies with the most stringent safety requirements. Available for vehicles with roof rails.

3 Racing cycle holder, lockable

Suitable for bicycles with quick-release levers on the front wheel. A holder for securing the front wheel to the base support system is also available.

4 Tow bar

For high towing weights of up to 2,700kg and a maximum vertical coupling joint load of 120kg. The tow bar is not visible when the tow ball is removed.

Bicycle lift (not pictured)

Allows a bicycle to be effortlessly lifted onto the roof rack and removed again. Suitable for different bicycle sizes.

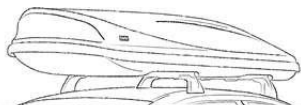

5 + 6 Bicycle holder for tow bar, lockable

For carrying up to two bicycles (also e-bikes). An extension set for a third bike is also available. The holder and bicycles are secured against theft. The holder can be folded up and stored in the boot (pic 6).

VERSATILE SOLUTIONS FOR EVERY SITUATION.
ORIGINAL BMW TRANSPORTATION & LUGGAGE ACCESSORIES.

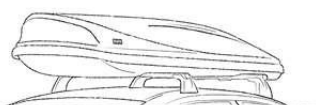

1 BMW roof box 460, LxWxH: 230x82x37 cm

2 BMW roof box 350, LxWxH: 140x90x39 cm

3 BMW roof box 320, LxWxH: 191x64x39 cm

1+2 BMW roof boxes

Available in three sizes: 460 (pic 2), 350 and 320 litres. Easy to load thanks to an innovative system that opens from both sides. Features triple central locking for maximum security.

3 Luggage rack

For the safe transport of bulky items. The luggage rack is fixed to the base support system and has a high load capacity. In sturdy lightweight aluminium, rust-proof and easy to fit.

4 Surfboard holder

With board supports made of impact-resistant plastic, a built-in mast carrier, strap eyelets and tensioning straps.

5 Raised carrier bars

For the BMW ski and snowboard holder. The extension provides 25mm of extra room for individual bindings. For even easier securing of skis/snowboards with higher bindings.

6 Ski and snowboard holder, lockable

Suitable for carrying up to two snowboards and two pairs of skis, or up to six pairs of skis. Poles can also be carried.

Universal holder (not pictured)

Provides secure support even for large, bulky items. Consists of four infinitely adjustable holders, four strap eyelets and two tensioning belts.

7 Luggage compartment tray

Shatter-proof, impact and acid-resistant. The tray is also a seamless fit with luggage compartment.

Driver utility set (not pictured)

For your home or journey. Includes selected tools with the BMW logo, such as bit-holder with chromed blade and 16-piece bit set. Also includes: pocket knife, pocket lamp and nylon gloves. In a robust nylon wallet with embossed BMW logo.

Battery charger (not pictured)

The charger is handy and easy to use. Simply plug it into the socket in the luggage compartment and start charging. Two versions are available with a maximum charge current of 3.6 A or 7 A. Charges 12V batteries with a capacity of up to 225 Ah (version 7 A) and ensures maximum battery life. Ideal for vehicles used seasonally or for short journeys.

8 Luggage compartment mat, reversible

Reversible mat features one velour and one anti-slip plastic surface. When unfolded, the mat covers the folded down rear bench. With protective mat for the loading sill.

9 Luggage compartment net

Secures a variety of items quickly and safely. Attaches to existing eyelets.

10 Luggage compartment tie-down straps

Two tear-resistant tie-down straps secure items in the luggage compartment quickly and safely. Available with two different fastening mechanisms.

11 Adaptive securing system

Consists of an aluminium bar and two straps for holding lighter items of luggage in place. Mounted on the lashing rails, its position is adjustable forwards and backwards.

12 Luggage compartment straps

Simply slot into the rails and slide to required position. For fastening lightweight items.

JOY CARES NATURALLY.

NATURAL CARE – THE ECO-FRIENDLY WAY.

Connecting the joy of driving with sustainability is a guiding principle for BMW. Our Natural Care products are a clear response to this aspiration. An environmentally sound and sustainable approach is adopted at every step – from the selection of raw materials and energy-efficient manufacturing through to safe application and recycling of the packaging. The products are predominantly made from natural raw materials, such as tensides and bio-alcohol from sugar beet, as well as canauba wax and linseed oil. Along with their eco-friendly attributes, the dermatologically tested Natural Care products also offer efficient and powerful action.

Learn more about the range of Natural Care products and other Original BMW Care Products on the BMW website.
