

Toyota Yaris

TOYOTA

Clever Car. Big Life.

Forever getting better.

“We are a group of passionate perfectionists who can't let well enough alone... That's Toyota. That's the spirit. And that's our contribution to the world. We will be the best we can. And we will help as many as we can to be the best they can...”

— Eiji Toyoda

Forever getting better.

The best Toyota ever? We haven't built it yet. And we probably never will. Because as soon as it's built, we'll be working on something new - something better. You could say it's our philosophy here at Toyota, the one guiding principle that underpins everything we do. Our Japanese founders called it 'Kaizen', but we simply call it 'continuous improvement'.

Discovering Tomorrow.

We're incredibly proud of our 50-year history in this country - the cars we've built, the innovations we've introduced, and the reputation for quality we've worked so hard for. And never in all that time have we been more confident in the quality of our cars than right now - but we've still got one eye on tomorrow. After all, we see quality as more than just a promise - it's a way of life.

Better's Best.

We've always been like this - forever looking to improve. We figure that if we're never satisfied, there's more chance that you just might be. That you'll be more likely to feel pride when you spot your car in the car park. Feel excited at the prospect of every drive. Feel confident that you and your passengers are safe. All from the moment you're handed the keys, to the moment you hand them on to someone else.

No Stopping Us Now.

The best part is, there's still so much to be done. So many discoveries still to be made. So many challenges to be overcome. And so many benchmarks to be re-set.

There's still so much to improve - so much still to look forward to.

YRX hatch in Caribbean Blue.
Front cover: ZR hatch in Cherry.

It's not the size of the car in your life. It's the size of life in your car.

Think Yaris and you think clever. Think New Yaris hatch and you think of a car that takes clever to a whole new level. This is Australia's first light car to bring you Toyota's Entertainment Communications Hub (T.E.C.H.)™ as standard in the YRX and ZR hatch models. Interiors are striking, attention to detail is second to none and you'll find more storage than you'd think possible in a car this size.

Yaris hatch's looks match its brains, with new European styling setting it apart from the competition. It's also built, like every Toyota, to the most exacting safety standards and every model in the Yaris hatch range has been awarded the maximum five-star safety rating by ANCAP (Australasian New Car Assessment Program).

Cruise control¹ on the New Yaris hatch is great when you're out of the city and so is the fact that Yaris' chassis and suspension has been specifically tuned for Australian conditions. And no matter where you go, you'll never be far away with an audio/communication system linking you to your friends, phone and music through simple voice commands on your New Yaris YRX or ZR hatch. As for fuel consumption, the New Yaris hatch delivers figures as low as 5.7L/100km². That's a 5% improvement over the previous hatch model.

¹ Cruise control not available on sedan models and optional on YR hatch.

² Fuel consumption will vary depending on driving conditions/style, vehicle conditions and options/accessories. Source of fuel consumption data: ADR81/02 combined cycle based on YR hatch, 1.3 litre manual transmission model.

Small car, big impression.

The New Yaris hatch stands out both inside and out. Its strong, stylish and streamlined exterior is matched with an equally impressive interior. Better still, the ZR's body-hugging front sport bucket seats, sports premium steering wheel and gear shift lever means it feels as good as it looks.

New Yaris ZR hatch features.

- Sports front and rear bumpers, sports front grille, side skirts and a sleek roof spoiler
- Front sport bucket seats plus sports premium steering wheel and gear shift lever.

ZR hatch in Cherry shown.

Yaris ZR hatch model shown.

You may never get lost again. But don't stop trying.

Welcome to the centre of your universe. Welcome to the Toyota Entertainment Communications Hub (T.E.C.H.)™ available on YRX and ZR hatch models. Here you can keep connected with your friends, music, and SMS.¹ You can even stay up to date with road conditions thanks to the superb satellite navigation system.² The system includes SUNA™ Traffic Channel³ which provides live traffic information,

helping detect traffic problems and offering alternative routes; it also alerts you to safety cameras, school zones and railway crossings, so you're always in the know. Not forgetting that on-screen 3D graphics of landmarks and major buildings make navigating a breeze.

All New Yaris hatch models come with AM/FM MP3 compatible audio systems with CD player and voice

control. The system even displays the name of the artist and the title of the track when you're listening to FM.⁴ There's also a USB input for compatible iPods^{®5}, and MP3 players,⁶ while in-built Bluetooth™⁷ keeps you in touch when you're on the go. And with the exception of the YR, all hatch models feature six speakers with two front tweeters for a brilliant audio experience.

Toyota Entertainment Communications Hub (T.E.C.H.)™

Sat Nav with 3D landmarks²

Traffic avoidance system
helps beat congestion³

New Yaris YRX and ZR hatch features.

- Satellite Navigation System²
- Voice control lets you call friends or change audio tracks
- The colour touchscreen makes life even easier
- SUNA™ Traffic Channel³ makes driving more enjoyable.

1 SMS functionality compatible on select phones. In some States/Territories some or all of the text messaging functions are not permitted while driving. Please check your local road rules before enabling or using these functions.

2 Current navigation mapping database encompasses major capital and primary national road networks as well as offering some coverage in regional areas. Available on current model YRX and ZR hatch.

3 SUNA™ Traffic Channel is only available in the following metropolitan areas: Adelaide, Brisbane, Canberra, Gold Coast, Melbourne, Perth and Sydney; it operates from information provided by Intelmatics Australia and may not cover all road incidents and congestion. Please see www.sunattraffic.com.au for details.

6.1" Touch screen audio

Text messages delivered verbally^{1,6}
(visual display provided only when stationary)

Glove box with 'secondary' compartment.

Two-tier boot helps hide valuables, Yaris ZR hatch model shown.

The New hatch won't cramp your style, or your body.

No, your eyes are not deceiving you. The New Yaris hatch may look small but inside it's anything but. There's spacious legroom and a heap of headroom. And when you need more cargo room, simply fold flat the entire 60:40 split-fold rear seat or just part of it. There's also a 'walk-in' lever on the three-door models that makes getting into the back seat easier than ever.

Want a place for your phone, wallet, water bottle or sunglasses? Then take advantage of up to 24 storage spaces in the passenger compartment or the two-tier boot that's great for concealing valuables.

Power windows and mirrors, air conditioning and remote central locking are all standard, while the YRX and ZR offers climate control air conditioning. The newly designed steering wheel with audio controls allows you to control audio functions without taking your hand from the wheel. A Multi Information Display (MID) keeps you up to date with the outside temperature, odometer and trip meter details, along with an Economy Indicator that alerts you to the most efficient driving range (automatic model only).

In another first for the New Yaris hatch, a single arm windshield wiper with integrated washing system gives you a better view of the road and better wiping performance at high speeds. In fact, you'll enjoy better vision all around no matter what the conditions, thanks to greater window space.

New Yaris hatch features.

- Multi Information Display (MID)
- Single arm windshield wiper
- Specially designed steering wheel with audio controls
- Climate control air conditioning on YRX and ZR hatch models
- Flexible and functional 60:40 split-fold rear seats.

Increased rear knee room through clever front seat design.

⁶ SUNA[™] Traffic Channel is only available in the following metropolitan areas: Adelaide, Brisbane, Canberra, Gold Coast, Melbourne, Perth and Sydney; it operates from information provided by Intellematics Australia and may not cover all road incidents and congestion. Please see www.sunattraffic.com.au for details.

The brains of a Yaris, the convenience of a sedan.

Yaris sedan is as clever as it is stylish and stylish as it is practical. Its interiors are striking, attention to detail is second to none and, even beyond the spacious boot, you'll find more storage than you'd think possible in a car this size. Being lower and longer than the Yaris hatch means it provides even more legroom, and more room all round. It also delivers exceptional economy as low as 6.1L/100km¹.

European lines set it apart from the masses. As for safety, peace of mind is a given as the Yaris sedan comes standard with six SRS airbags, Vehicle Stability Control (VSC) and Traction Control (TRC). All of which means you end up with the cleverness of a Yaris and the convenience of a sedan.

1 Fuel consumption will vary depending on driving conditions/style, vehicle conditions and options/accessories. Source of fuel consumption data: ADR81/02 combined cycle for the manual transmission model.

**Longer and lower than hatch.
Surprisingly small turning
radius, so it's easy to slip into
tight parking spots.**

ZR hatch
shown.

**Wherever life takes
you, Yaris hatch
has you covered.**

Occupant and pedestrian safety is paramount with Yaris. You and your passengers are cocooned within up to seven SRS airbags as well as being guarded by Vehicle Stability Control (VSC) and Traction Control (TRC) – all of which are standard across the range. VSC helps to prevent loss of steering control by dampening understeer and oversteer when faced with the unexpected. TRC fights against any loss of traction in the front wheels caused by harsh acceleration or less than ideal road conditions.

The New Yaris hatch comes standard with driver and front passenger SRS airbags, front side airbags, full length side curtain shield airbags and a driver's knee airbag.

Yaris YRX hatch model shown with seven SRS airbags.

The New Yaris hatch's clever design helps minimise pedestrian injury. YRX hatch model shown.

Vehicle Stability Control standard.

Anti-skid Braking System and Brake Assist standard.

Yaris hatch safety features.

- Seven SRS airbags, standard on the hatch range
- Two chamber side impact protection airbags, standard on the hatch range, providing even greater protection
- Vehicle Stability Control and Traction Control standard across the range
- Yaris hatch even considers pedestrians, with a front structure designed to help minimise pedestrian injury.

Yaris hatch has an equally impressive and highly advanced braking system, otherwise known as Active Braking with intelligence (AB-i), which delivers maximum brake force and steering control. AB-i includes Anti-skid Braking System (ABS), Brake Assist (BA), Electronic Brake-force Distribution (EBD) and Brake Override System (BOS). Also being a Toyota, the Yaris incorporates front and rear crumple zones along with the cabin's Safe-T-Cell to absorb the energy from an impact.

Every model in the Yaris hatch range has been awarded the maximum five-star safety rating by ANCAP (Australasian New Car Assessment Program). To achieve an ANCAP 5 Star rating, a vehicle must achieve the highest international recognised standards in all test categories.

Hatch Specifications

Yaris Hatch Technical Specifications

- Seating capacity: 5
- Luggage volume – to the top of the rear seats (litres) VDA: 286
- Fuel tank capacity (litres): 42
- Kerb Weight¹ (kg)
 - 1.3L manual: 990-1025
 - 1.3L automatic: 1000-1035
 - 1.5L manual: 1010-1045
 - 1.5L automatic: 1025-1055

Engine

- Engine type: Petrol
- Valve train: Double Overhead Camshaft (DOHC) with 4 valves per cylinder
- Valve mechanism: Variable Valve Timing with intelligence (VVT-i)
- Max Power (kW)
 - 1.3L: 63
 - 1.5L: 80
- Max Torque (Nm)
 - 1.3L: 121
 - 1.5L: 141

Fuel Type – Drive Train

- Configuration: Front wheel drive
- Electronic fuel injection
- Fuel system: 91 RON Unleaded
- Fuel economy²:
 - 1.3L Manual 5.7L/100km
 - 1.3L Automatic 6.3L/100km
 - 1.5L Manual 5.8L/100km
 - 1.5L Automatic 6.3L/100km

Transmission

- 5-speed manual with overdrive and hydraulic operated clutch³
- 4-speed electronically controlled automatic⁴

Steering

- Steering type: Electric Power Steering (EPS)
- Turning circle: 9.4m

Suspension

- Front: Independent, MacPherson strut with stabiliser bar
- Rear: Semi-independent trailing arm torsion beam with coil springs and hydraulic dampers

Dimensions⁵ (mm)

- Overall length: 3885/3930(ZR)
- Overall height: 1510
- Overall width: 1695
- Wheelbase: 2510
- Front track: 1485
- Rear track: 1470
- Min running ground clearance: 140

YR Hatch Standard Features

YR: 3 and 5 door models available
 Engine: 1.3L VVT-i
 Transmission: Manual or automatic

Exterior

- 14" steel wheels (4)
- Tyres: 175/70R14
- Body coloured door handles
- Body coloured power exterior mirrors

Interior

- Air conditioning
- Power windows
- Tilt steering column
- Front and rear assist grip (4)
- Front height adjustable headrests
- Front seat slide and recline adjustment
- Driver seat height adjustment
- 60:40 split fold rear seat
- Fold flat rear seat
- 3 rear height adjustable headrests (fully stowable for greater rear vision)
- Driver and passenger vanity mirror and cover
- 3-spoke urethane steering wheel with audio control switches
- 12 volt accessory socket

Instruments and Controls

- Tachometer
- Single arm windshield wiper with integrated washing system
- Rear windshield wiper and washer
- Headlights-on audible warning

Multi Information Display (MID)

- Time
- Outside temperature
- Shift position (automatic only)
- Odometer/Trip meter
- Average fuel consumption
- Instantaneous fuel consumption
- Average speed
- Distance to empty (fuel range)

Storage

- Passenger side glovebox with secondary storage compartment
- Front door pockets with bottle holders
- Cup holders

Lighting

- Door operated room lamp
- Front map lamps
- Luggage room lamp

Sound System

- CD Tuner with Voice Control, Bluetooth^{™6} compatibility, USB input for compatible iPods^{™7}/USB memory sticks⁸ and 3.5mm AUX input for portable audio players
- 4 speakers

Safety

- 5-star ANCAP safety rating
- Active Braking with intelligence (AB-i) integrating Anti-skid Braking System (ABS) with Brake Assist (BA), Electronic Brake-force Distribution (EBD) and Brake Override System (BOS)
- 3-point lap-sash rear seatbelts
- Driver and front passenger pre-tensioning and force limiter seatbelts
- Driver and front passenger seatbelt warning lamp
- Door ajar warning lamp
- Automatic transmission shift lock (Automatic transmission models)
- Driver and passenger SRS airbags
- Front seat side SRS airbags
- Full length side curtain shield SRS airbags
- Driver's knee SRS airbag
- Vehicle Stability Control (VSC) and Traction Control (TRC)

Child Safety

- Automatic Locking Retractor (ALR) rear outboard seatbelts to assist child seat retention
- 3 child restraint anchorage points
- Child proof rear door locks (5 door models)

Security

- Engine immobiliser
- Remote/keyless central locking
- Cargo cover
- Security coded audio (owner set)

Option available on YR Hatch

- Cruise control

YRS Hatch Features in Addition to YR

YRS: 3 and 5 door models available
 Engine: 1.5L VVT-i
 Transmission: Manual or automatic

Exterior

- 15" steel wheels (4)
- Tyres: 175/65R15

Interior

- Cruise control
- Premium steering wheel and gear shift lever
- Tilt and telescopic steering column
- Chrome inside door handles

Sound System

- 6.1" touch screen audio with Voice Control and Bluetooth^{™6} compatibility
- 6 speakers
- SMS text to voice messaging⁸

YRX⁴ Hatch Features in Addition to YRS

YRX: 5 door model available
 Transmission: Automatic

Exterior

- Front fog lamps
- 15" alloy wheels (4)
- Auto headlamps

Interior

- Automatic climate controlled air conditioning

Sound System

- 6.1" touch screen audio with satellite navigation⁹, SUNA^{™10} Traffic Channel, DivX^{™11} media file and Bluetooth^{™6} compatibility

ZR³ Hatch Features in Addition to YRX

ZR: 3 door model available
 Transmission: Manual

Exterior

- Sports headlamps
- Sports front and rear bumpers
- Sports front grille
- Side skirts
- Rear roof spoiler
- Exhaust tailpipe diffuser

Interior

- Front sport bucket seats and seat trim
- Sports premium steering wheel
- Sports premium gear shift lever

TOYOTA GENUINE ACCESSORIES ARE COVERED BY OUR TOYOTA WARRANTY*

Some Toyota Genuine Accessories are not applicable to all models/grades. Refer to the Accessories brochure (available from your Toyota salesperson) or visit toyota.com.au for details on warranty and which Accessories are suitable for your vehicle. Pictured Accessories are sold separately. Accessory colours shown may vary from actual colour due to the printing process.

¹ ParkAssist and Reversing Camera is designed as a driver assist device only and should not be used as a substitute for skilled driving and safe parking practices. The area into which the vehicle is to be driven must be visually monitored by the driver while parking.

² Current navigation mapping database encompasses major capital and primary national road networks, as well as offering some coverage of regional areas.

*All Toyota Genuine Accessories purchased and fitted to a Toyota are warranted for the remainder of the New Vehicle Warranty or 12 months, whichever is greater. Toyota Genuine Accessories purchased from an authorised Toyota Dealer over the counter are warranted from the date of purchase for one year. Conditions apply. The Toyota Genuine Accessories Warranty does not limit and may not necessarily exceed your rights under the Competition and Consumer Act 2010.

The Toyota Advantage.

Capped-price servicing¹.

New Toyotas come with Toyota Service Advantage. That means you'll pay the same low capped-price from one logbook service to the next for the first 3 years or 60,000km (whichever comes first). So you'll enjoy the peace of mind of knowing in advance what your maximum servicing costs will be. Better still, your Toyota will be serviced by Toyota-trained Technicians who know your vehicle inside out and only ever use Toyota Genuine Parts. For the full benefits of Toyota Service Advantage consult a Toyota dealer or visit toyota.com.au/advantage.

We've got your back.

Every new Toyota is built to exceptional standards, which is backed by a 3 year/100,000km² warranty, giving you the peace of mind to feel confident for years to come.

Finance to get you going.

Sometimes you need just a little help to get up and running. Toyota Finance³ can offer you a wide range of vehicle financing. From personal loans to leasing for all kinds of business, we can help.

Even more protection.

Everyone needs vehicle insurance, but take out our Comprehensive Motor Vehicle Insurance and you'll get a policy packed with a great range of benefits.

These include:

- Where your Toyota becomes a total loss, is under 3 years old and has less than 100,000km on the clock, we'll replace it with a brand new Toyota vehicle.
- We'll also promise to use genuine new Toyota parts to repair your vehicle if it is less than 5 years old.
- And we'll guarantee the quality of workmanship on all authorised repairs as long as you remain the owner of the vehicle.

Toyota Insurance also offers Finance Gap Insurance, Payment Protection Insurance and Extended Warranty Insurance⁴.

Extend your peace of mind.

Extend your original factory warranty by up to 3 years with the Toyota Extra Care Extended Factory Warranty. Available on most new and used Toyotas⁵, it will give you extra peace of mind – as will membership to our Roadside Assist service, offering breakdown assistance 24/7. Rest assured should your vehicle be immobilised by a roadside breakdown or accident, help is never more than a phone call away with Toyota Extra Care Roadside Assist.

Discover the full range of Toyota products and services and find your nearest Dealer at toyota.com.au

1 Maximum payable for standard scheduled servicing (normal operating conditions) until first of 3 years or 60,000kms (up to the first 6 services). Excludes Government & Rental vehicles. Contact your Toyota Dealer or go to toyota.com.au/advantage for other exclusions and eligibility.

2 New Vehicle Warranty expires 3 years from date of first delivery or 100,000 kms, whichever occurs first. Refer to the warranty conditions. The New Vehicle Warranty does not limit and may not necessarily exceed your rights under the *Competition and Consumer Act 2010*.
