

IMPORTANT!

This brochure has been compiled by Daimler AG of Germany or one of its Group Companies to provide a general indication only of the range of vehicles, optional extras (for example satellite navigation systems, interface and telecommunication kits), accessories, merchandise and/or products (together, the range is known as the “Products”) available in various countries. Some of the Products shown may not be available in Australia, or may only be available in a different specification. Additionally, some Products may only be available in combination with others. Colours may differ slightly from those shown in the brochure, owing to the limitations of the printing process. Products available while stocks last. Changes may have been made to the Products since this brochure was printed. The information in this brochure is therefore indicative, illustrative and provided only for guidance and should not be relied upon. For current information on the availability, design, features and prices of Products available in Australia you should contact your local authorised Mercedes-Benz Dealer.

01 Drive Kit Plus for the iPhone®

Electrifying.

You set the tone, you lead the way – and those are just two of the qualities that you and your Mercedes have in common.

To assist you, Mercedes-Benz offers an extensive range of telematics accessories for your E-Class Saloon or Estate. Leaving you to focus on the essentials: the road and your destination.

For further information about the Drive Kit Plus for the iPhone®, go to <http://drive-kit-plus.com>

01 Drive Kit Plus for the iPhone®

The “Drive Kit Plus for the iPhone®” comprehensively integrates your iPhone® 4/4S into the E-Class. Integration is based on the combination of the Mercedes-Benz “Digital DriveStyle” app and the “Drive Kit Plus for the iPhone®” – the on-board interface to which the iPhone® is connected and via which it is charged.

The “Digital DriveStyle” app is available free of charge from the iTunes® App Store¹. In the app an extensive range of functions are seamlessly integrated into the new, revolutionary user interface which appears on the vehicle display². When an iPhone® is connected, the “Digital DriveStyle” app can be operated safely and conveniently using the ergonomic Controller.

Some functions of the “Digital DriveStyle” app:

- Advanced navigation solution from Garmin®, with internet-based real-time traffic information, point of interest search and 3D map views.
- Local search for points of interest powered by Google™ – with Street View™ and transfer of destination to navigation system.
- Siri™³ can act as a personal assistant, providing answers to questions or carrying out commands which would otherwise require manual input.
- AUPEO! Personal Radio for an individual music programme.

- Internet radio from national and international broadcasters.
- Access to songs saved on your iPhone®.
- Facebook® feeds and Twitter® tweets from friends are read aloud⁴.
- Socially interactive experience with option, for example, of sharing and posting current song choice or navigation destination on Facebook® and Twitter®.
- Glympse™: share your location, vehicle speed and estimated time of arrival with your friends in real time.
- Intuitive CarFinder – automatically stores vehicle’s location in iPhone®. Integral pedestrian navigation on the iPhone® makes it easy to find your vehicle again.

¹ “Digital DriveStyle” app available in iTunes® App Store in Germany, France, Italy, Portugal, the UK, Austria, Switzerland, Belgium, Luxembourg and the Netherlands. Other countries to follow.

² In conjunction with Audio 20 CD or COMAND Online.

³ Languages: German, English, Italian, French, Spanish, Dutch, Danish, Swedish, Norwegian, Finnish, Portuguese.

⁴ Audio support only. A list of Siri™ commands can be found at <http://digitaldrivestyleapp.com>

AUPEO!

01 iPad® Docking Station Plus for rear compartment

The ergonomic, crashproof Docking Station introduces the iPad® and all of its familiar functions to your Mercedes-Benz. All connections, e.g. for your headphones, remain accessible. The mount can be tilted and rotated around 90°. An integral USB port means you can also charge your iPad®'s battery using your charging cable. Suitable for iPad®, iPad® 2, iPad® 3 and iPad® 4.

02 iPad® Docking Station for rear compartment

The mount for your iPad®, iPad® 2, iPad® 3 or iPad® 4 is simple to attach to the head restraint posts and can be removed at any time. The mount tilts and can be rotated around 90°. Openings at the side ensure that all of your iPad®'s connection points are still accessible.

03 Rear Seat Entertainment System

This elegant DVD system allows the rear passengers to watch DVDs, look at their favourite pictures and even play video games on two superb 17.8 cm screens with TFT technology, without disturbing the driver or restricting the rear field of vision. Rear-seat passengers have the option of watching a different video source on each screen, allowing each to select their own individual entertainment. The AV-IN connection and USB and SD card interfaces allow other storage media to be used too.

Supplied with two sets of infrared headphones and remote control. A separately available video cable allows users to watch videos or view images from external sources.

With a range of multimedia connections [A and B], 2 sets of infrared headphones [C] and a remote control [D], the Rear Seat Entertainment System offers everything you need for in-car entertainment.

01 Mercedes-Benz InCar Hotspot

Introduces the internet to your E-Class. All you need is a WLAN end device (laptop, mobile phone, MP3 player). Operating via your vehicle's roof aerial, the system supports fast, stable connections to data networks such as HSDPA/UMTS or GSM/GPRS/EDGE. Up to four devices can be connected at the same time.

System requirements: Convenience Telephony (Code 386); WLAN device with WLAN IEEE 802.11 b/g interface.

Connection to the internet requires a data-enabled SIM card (not included).

Available from 2nd quarter of 2013.

02 Reversing camera

The reversing camera is automatically activated when reverse gear is engaged. It assists the driver when reversing into a parking space. Static and dynamic guide lines show the driver the steering angle and the available clearance.

Available from 4th quarter of 2013.

01 COMAND Online with 6-DVD changer

High-performance multimedia system with 6-DVD changer, hard-drive navigation system, telephone keypad and internet browser, shown on high-resolution, 17.8 cm display with TFT technology.

- Navigation system with 2D/3D map views, Speed Limit Assist and automatic congestion avoidance (TMC Pro).
- Unrestricted internet access – when vehicle is stationary.
- MUSIC REGISTER with 10 GB storage for diverse audio files (MP3, WMA, AAC), USB interface incl. CD cover display and AUX-IN socket (in centre armrest), Bluetooth® interface with hands-free function and audio streaming for music, SD card slot, DVD Video.
- LINGUATRONIC voice-operated control system for audio, phone and navigation.
- Use of new Mercedes-Benz Apps for COMAND Online.

News: Access to news from around the world, in categories such as finance, politics and technology.

Parking Finder: Search for parking options near your current position or destination, with details of free parking, parking charges and opening hours.

Morningstar Finance: Receive details of indexes and share prices from funds rating agency Morningstar*.

Mercedes-Benz Apps will shortly be available at <http://apps.mercedes-benz.com> for the following markets: Germany, Austria, Switzerland, France, Italy and the UK. Please ask your Mercedes-Benz partner whether your mobile phone is suitable for use with COMAND Online.

The Mercedes-Benz Bluetooth® (SAP) telephone module with integral UMTS module and a direct connection to the external aerial ensures that COMAND Online has a fast, stable and reliable internet connection (see page 14).

* Please note that the market details are not delivered in real time.

For further information about Mercedes-Benz Apps, go to <http://apps.mercedes-benz.com>

02 Europe navigation DVD for COMAND Online

Did you know that we update 20% of the information on our navigation CDs and DVDs every year? Changes include new roads and junctions, altered priorities, new points of interest such as filling stations and restaurants and additional countries, above all in Eastern Europe.

For the latest navigation CDs/DVDs, visit our online shop at <http://shop.mercedes-benz.com>. Orders can only be placed and deliveries made within Germany.

03 Europe travel and restaurant guide SD card for COMAND Online, Version 2012/2013

Here you will find information from Michelin's famous Red and Green Guides, detailing restaurants, hotels, sightseeing destinations and tourist routes throughout Europe. You can access audio files, images and text relating to the tips and routes included in the guide. The SD card, which covers the whole of Europe, is available from your Mercedes-Benz dealer. In many European countries the restaurant guide is also available via the online shop – as a download or on an SD card. For further information and updates, go to <http://shop.mercedes-benz.com>

SD memory card | not pictured

The COMAND Online system in your vehicle features a slot for SD memory cards. Play music directly from the SD memory card or upload it to your COMAND system's hard drive.

Audio 20 CD with 6-CD changer | not pictured

Double-tuner radio with 14.7cm TFT colour display. Bluetooth® interface with hands-free function and audio streaming. CD changer is MP3-compatible.

04 Becker® MAP PILOT

Transforms your Audio 20 radio into a high-performance navigation system with 3D map views. Becker® MAP PILOT uses the standard-fit 14.7cm display with TFT technology and is conveniently operated via the vehicle's Controller and the Audio 20 keypad.

The plug-in navigation module can be connected to your PC via USB to download the latest updates and additional services from the Becker® MAP PILOT website.

Available in Europe, Russia, Turkey and China.

01 Mercedes-Benz Bluetooth® (SAP¹) telephone module²

Experience a new dimension of web access, telephony and navigation support in your E-Class – with the combination of the Mercedes-Benz Bluetooth® (SAP) telephone module and the COMAND Online multimedia system. The telephone module with integrated UMTS module and a direct connection to the vehicle aerial ensures that COMAND Online has a fast, stable and reliable internet connection. You can phone and simultaneously use Mercedes-Benz Apps via COMAND Online and have the system read SMS messages to you.

You can simultaneously make full use of the Convenience Telephony functions: convenient operation via your multimedia system, hands-free using the personal contact details saved on your mobile's SIM card and much more. If required, your mobile is charged via the USB port. The Bluetooth® (SAP) telephone module can either use your mobile's SIM card or a

SIM card can be inserted directly into the module, for a connection that is independent of your mobile phone. Many mobile phone providers offer multi SIM cards for your existing contract.

1 SAP (SIM Access Profile) allows the module to read your mobile phone's SIM card.

2 Only in conjunction with Convenience Telephony (Code 386).

For further information about the telephone module, software updates and a list of supported mobiles, go to www.mercedes-benz.com/connect and select Convenience Telephony.

02 Mobile-phone holders

When it comes to selecting a mobile phone for your Mercedes-Benz, you've never had so much choice. One "click" is all it takes to replace the mobile-phone holder. It takes a matter of seconds and is as straightforward as inserting the mobile into the holder itself. Changing your mobile and even alternating between different models of mobile no longer presents a problem. Top-class telephone technology for enhanced convenience on board.

Other advantages:

- Optimum reception quality as a result of using vehicle's external aerial.
- Mobile's battery is charged.
- Access to internal phone memory.
- Convenient operation using multifunction steering wheel.

Only in conjunction with Convenience Telephony (Code 386).

Holders are available for many current mobiles from:

Nokia: N8-00, 6303, 6303i classic

Apple®: iPhone® 5*, iPhone® 4S, iPhone® 4

BlackBerry: 9790 Bold, 9900 Bold, 9780 Bold,
9700 Bold, 9105 Pearl 3G

Sony Ericsson: K850i

* Available from 3rd quarter of 2013.

For further information about using the phone while in your car, go to www.mercedes-benz.com/connect or contact your Mercedes-Benz partner.

Exterior

Light-alloy wheels
Wheel accessories

01 45.7 cm (18-inch) 10-twin-spoke wheel

Elegant.

The E-Class Saloon and Estate inimitably combine the timeless and the contemporary.

Light-alloy wheels and wheel accessories from Mercedes-Benz help you to underline your car's style. Because here the emphasis isn't on elegance or sportiness. It's on both.

Because of differences in national regulations, various different versions of each vehicle exist. Please also bear in mind that vehicle development is permanently ongoing. As a result, not all of the wheel/tyre combinations shown in this brochure will be approved for your particular Mercedes-Benz. Your Mercedes-Benz partner has access to constantly updated information on every Mercedes-Benz wheel, including the relevant technical inspection findings and licensing conditions, and will be happy to advise you.

Mercedes-Benz light-alloy wheels are supplied without tyres, hub caps, valve caps or wheel bolts. To help prevent theft, we recommend the use of Mercedes-Benz rim locks.

QUALITY

The long road to perfection.

Mercedes-Benz light-alloy wheels not only boost your vehicle's looks, they also offer the ultimate in safety.

All wheels are precision-tailored to your vehicle in terms of load profile and dimensions. Before your light-alloy wheels are allowed to accompany you safely on your travels, they are subjected to an extensive development and testing programme. Each wheel design has to pass a variety of endurance tests, based on exacting Mercedes-Benz guidelines, all of which exceed statutory requirements. These include special test routines which simulate real challenges on the road and material tests in cutting-edge x-ray facilities.

High-sheen wheels undergo additional tests such as exposure to highly corrosive salt spray or a 28-day variable climate programme. Only once all of the tests have been passed may the wheels be included in the range of genuine Mercedes-Benz light-alloy wheels. Add an individual touch to your vehicle with a tested and approved genuine Mercedes-Benz light-alloy wheel and head for the open road.

Product is available for the Saloon only.

04 Valve caps, black

Stylish highlights in a new design. Protect the valves from dirt. Set of 4.

05 Rim locks

Protect your valuable light-alloy wheels from theft. Set consisting of coded key and one lock per wheel.

06 Tyre pressure gauge

Allows you to carry out a quick tyre pressure check on the road or at home. Keeping tyres at the optimum pressure saves fuel and reduces tyre wear. Suitable for all motor vehicle tyre valves and for cycle valves. Supplied with leather pouch.

Exterior

Mercedes-Benz
light-alloy wheels
Wheel accessories

Exceptional.

When you drive a Mercedes, you don't need to follow every passing fashion. You can demonstrate your assured sense of style with the Mercedes-Benz Sport Equipment genuine individualisation portfolio. All products are developed in collaboration with the Mercedes-Benz Technology Center to ensure they are precision-tailored to your Mercedes in both aerodynamic and visual terms.

01 High-gloss black exterior mirror housing

For an individual, sporty and dynamic look. Set of 2.

02 High-sheen chromed door handle recesses

Round off your vehicle's chrome finish and protect the paintwork from scratches.

03 Illuminated Mercedes star emblem

Let your star shine. Thanks to fibre-optic cables and LED technology, the central star emblem in your Mercedes' radiator grille lights up when you remotely lock/unlock the vehicle or open the door or tailgate. Only functions when engine is switched off. Not in conjunction with DISTRONIC (Code 233).

For models with central star emblem.

03

Mercedes-Benz Sport Equipment

Genuine individualisation
for Saloon and Estate

01 Roof spoiler

Elongates the roof line and gives the rear of the vehicle a more dynamic and sporty look. Does not affect field of vision in rear-view mirror. High-quality primed finish allows product to be painted in required colour. Highly durable thanks to precision-fit, dimensionally stable polyurethane. Straightforward fitting – no need for additional drilling. No entry in vehicle documents required.

02 Rear spoiler

Discreet spoiler, fitted to the boot lid, subtly accentuating the rear contours of the Saloon. High-quality primed finish allows product to be painted in required colour. Highly durable thanks to precision-fit, dimensionally stable polyurethane. Straightforward fitting – no need for additional drilling. No entry in vehicle documents required.

Product is available for the Saloon only.

03 Sport badge

High-quality high-sheen badge for the wing.

04 Brake system kit

Comprises internally ventilated, perforated brake discs and brake callipers with Mercedes-Benz lettering. For the front axle. Available for select 4-cylinder and V6-cylinder engine variants.

05 Velour floor mats

A high-quality, sporty look. Black with silver-coloured topstitching and Sport badge at front edge.

06 Sports pedals in brushed stainless steel

A distinctive touch: elegant brushed stainless steel and non-slip studs signal sporting ambition.

Elegant, high-quality tufted velour mat. Available in various colours to match your interior.

03 CLASSIC rep floor mats

Durable, extremely hardwearing needle felt mats, featuring metal badge with Mercedes-Benz lettering. Available in various colours to match your interior.

04 CLASSIC all-season floor mats

Robust, washable synthetic mats, designed for heavy use. Curved line design. With distinctive Mercedes-Benz star logo. Available in black and silk beige.

QUALITY

Made to last.

Floor mats from Mercedes-Benz offer quality you can rely on. Every floor mat has to earn its star logo before it is allowed to keep your vehicle clean and dry. The mats undergo the toughest endurance and scuffing tests and have to prove resistant to sunlight, dirt and weight loading, emerging with their outstanding quality undiminished.

Inside your vehicle you can check the quality of Mercedes-Benz floor mats for yourself. They are precision-tailored to the dimensions of the footwell, clip-fastened to the floor of the vehicle to prevent slipping and absolutely dimensionally stable, thanks to their special layered format. Your floor mats are made to cope with any demand you place on them.

01 Illuminated door sill panels

A distinctive, eye-catching accessory, whether in daylight or at night – “Mercedes-Benz” lettering illuminated in brilliant white, set in an elegant ground stainless steel panel.

Activity rear seat protector | not pictured

Helps keep the rear bench seat and side trim clean and prevents them from being damaged. Separate side panels can be used to reduce the size of the rear seat protector, making space for a passenger. Simple to fit and remove. Waterproof and easy to clean. Available in black.

Product is available for the Estate only.

02 Seat covers

Easy-care polyester fabric. For the front seats, head restraints and the rear bench seat. Available in the following designs: Toulon/black, Lyons/black.

03 Coat hanger

Minimise creasing with this stylish and practical coat hanger made from chromed metal. Easy to fit to the front head restraints.

04 Cup holder for the centre console

Black. Insert for the centre console. Holds up to two drink containers within easy reach. The insert simply slots into the standard stowage compartment in the centre console.

Mercedes-Benz child safety

Mercedes-Benz child seats are available with automatic child seat recognition as an option. If your car also has automatic child seat recognition (Code U18), the front passenger airbag is automatically deactivated when a child seat with automatic child seat recognition is installed on the front passenger seat. All child seats are also suitable for use in vehicles without ISOFIX attachment points.

Mercedes-Benz child seats are available in the “Limited Black” design. The covers are washable and very hardwearing. Optional replacement headrest covers are available for the “BABY-SAFE plus II”, “DUO plus” and “KIDFIX” child seats in flannel grey and chilli red [pictures 04 and 05].

01 “BABY-SAFE plus II” child seat

Deep, moulded seat design offers extra side-impact protection for optimum safety. Special padding, designed to protect particularly vulnerable body areas of children up to around 15 months (up to 13 kg). Equipped as standard with automatic child seat recognition.

02 “DUO plus” child seat

Optimum safety for children between the ages of around 8 months and 4 years (9 to 18 kg). Fitted as standard with top tether, an additional belt for securing the head section, a height-adjustable shoulder belt, ventilation channels and ISOFIX attachment points. Available with automatic child seat recognition as an option. Adjustable tilt.

03 “KIDFIX” child seat

Booster seat for optimum side-impact protection, with height-adjustable backrest. The “KIDFIX” seat is secured using the 3-point seat belt and ISOFIT attachment points. Available with automatic child seat recognition as an option. For children between the ages of around 3.5 and 12 (15 to 36 kg).

04–05 Headrest covers

Available for the “BABY-SAFE plus II”, “DUO plus” and “KIDFIX” child seats in flannel grey [picture 04] and chilli red [05].

Cargo & Care

Carrier systems

Boot/load compartment accessories

The image shows the rear of a silver Mercedes-Benz car, likely a C-Class, with a bicycle rack mounted on the roof rack. The car is positioned on the left side of the frame, with its rear lights and license plate visible. The license plate reads 'S PA 2766'. The background is a blurred cityscape at night, with lights and buildings creating a sense of motion. A small white box with the number '02' is located on the roof rack area.

02

01 Alustyle basic carrier bars

02 New Alustyle bicycle rack

Efficient.

In the E-Class Saloon or Estate you have a Mercedes for every occasion.

That's partly the result of the many intelligent, highly functional transport solutions available for your skis, cycles or heavy luggage. It doesn't matter where you're heading – you can be sure your car will always make a smart impression.

- 01 Alustyle basic carrier bars¹/
- 02 Alustyle Easy-Fix basic carrier bars for roof rails²

Aluminium carrier bars, precision-tailored to the body of your Mercedes-Benz – the perfect basis for a range of Mercedes-Benz transport solutions: ski and snowboard rack, bicycle rack or roof boxes. With integral tool for quick, easy fitting. Aerodynamic Mercedes-Benz design with optimised noise level. Crash-tested. Lockable.

1 Product is available for the Saloon only.

2 Product is available for the Estate only.

- 03 Transport and stowage bag

Robust bag, made from a high-quality nylon fabric. Provides protection for your basic carrier bars or basic carrier bars for roof rails when stowing or transporting them.

Cargo & Care

Carrier systems

Mercedes-Benz roof boxes

Aerodynamic design, tailored to your Mercedes-Benz. Extremely durable material. Designed for quick, optimised fitting to your basic carrier bars or basic carrier bars for roof rails. Boxes open on both sides for particularly easy loading and unloading. Lockable on both sides.

04 Mercedes-Benz roof box 330

Capacity approx. 330 litres. Available in matt silver and titanium metallic. Maximum payload 50 kg³.

05 Mercedes-Benz roof box 400/

06 Mercedes-Benz roof box 450

Capacity approx. 400 or 450 litres. Available in matt silver and black metallic. Maximum payload 75 kg³. Handle strip for easier opening and closing.

07 Luggage set for Mercedes-Benz roof boxes

Hardwearing, water-repellent polyester bags, designed to make perfect use of the space available in your roof box. All bags supplied with comfortable shoulder strap.

Luggage set for Mercedes-Benz roof box 330

Set of four bags.

Luggage set for Mercedes-Benz roof box 400

Set of three bags plus one ski bag for max. two pairs of skis⁴. Ski bag also available separately.

Luggage set for Mercedes-Benz roof box 450

Set of four bags plus two ski bags, each designed to hold max. two pairs of skis⁴. Ski bag also available separately.

08 Ski rack insert for Mercedes-Benz roof boxes

Insert for securing your skis – precision-tailored to the internal dimensions of the roof box.

Ski rack insert for Mercedes-Benz roof box 330

A secure hold for up to three pairs of skis⁴.

Ski rack insert for Mercedes-Benz roof box 450

A secure hold for up to five pairs of skis⁴.

³ Please, however, bear in mind your vehicle's permissible roof load.

⁴ Subject to geometry of skis.

01

01

02

01 New Alustyle ski and snowboard rack "Comfort"

Designed to be attached to your basic carrier bars or basic carrier bars for roof rails. For up to 6 pairs of skis* or 4 snowboards. Lockable. Practical pull-out function makes loading and unloading easier.

02 New Alustyle ski and snowboard rack "Standard"

Designed to be attached to your basic carrier bars or basic carrier bars for roof rails. For up to 4 pairs of skis* or 2 snowboards. Lockable.

* Subject to geometry of skis.

Cargo & Care

Carrier systems

03 New Alustyle bicycle rack

Extremely lightweight bicycle rack, designed to be attached to your basic carrier bars or basic carrier bars for roof rails. Cycles can either be attached to the rack once it has been fitted to the roof or before it is fitted. Support frame folds down when not in use to reduce drag when travelling without cycles. Suitable for cycles with a max. frame diameter of 98 mm (circular frame tubes) or 110 x 70 mm (oval frame tubes). Up to 4 bicycle racks can be fitted to your basic carrier bars or basic carrier bars for roof rails. Please, however, bear in mind your vehicle's permissible roof load.

04 Coil locks

Available as a separate accessory for the bicycle rack.

Cargo & Care

Carrier systems

Boot/load compartment accessories

01 Rear-mounted bicycle rack for trailer coupling, folding

Easy-to use, lockable rear-mounted bicycle rack, designed to provide secure transport for 2 or 3 cycles. Rack is easy to attach to trailer coupling, and cycles are equally easy to fit to rack. Maximum payload of up to 30 kg per rail, making it suitable for most ebikes. An ingenious roller mechanism means that the load compartment can still be opened. The rack is easy to fold for space-saving stowage in the load compartment, at your holiday accommodation or at home.

02 Trailer coupling

Folding design. High-quality corrosion-protected finish. With integral socket in ball neck for the electrical systems of rear-mounted carriers or trailers. Max. drawbar load 88 kg. Expected to be available from 4th quarter of 2013.

03 Adapter

For trailer with 7-pin plug.

04 Snap-in module for load compartment

Partition your load compartment to suit your requirements and prevent the contents from sliding around. The brackets can be freely positioned along the outer edges of the load floor. The system's telescopic frame provides a secure hold.

Factory-fitted pre-installation (Code 942) is not required.

Product is available for the Estate only.

02

03

04

04

01 Stowage crate

A secure hold for items which are prone to tip over or slide around, e.g. shopping bags. Adjustable partitioning elements allow crate to be divided into max. four sections. Optimum functionality only in conjunction with shallow boot tub.

02 Shallow boot tub

Made from impact-resistant, non-slip polypropylene. Suitable for transporting foodstuffs. Structured surface holds separately available stowage crate in place.

03 Concertina load sill protector

Protects the rear of the vehicle from scratches when you're loading the vehicle – and prevents dirt from the car from getting onto your clothes. Practical design – can be secured to shallow boot tub or reversible mat.

04 Deep boot tub

Deep edge all round. Made from flexible, impact-resistant HD-PE plastic. Suitable for transporting foodstuffs.

05 Concertina bags for EASY-PACK load-securing kit (Code 942)

A practical addition to the EASY-PACK load-securing kit (Code 942): these folding, removable bags in robust, washable nylon fabric offer a secure hold for your shopping. Simply insert the supplied brackets into the load system strips in either side of the load compartment floor, slot the bags into place, open them up – and they're ready to use!

Product is available for the Estate only.

01 02 03

04

05

06 EASY-PACK boot box

A practical option for storing objects in the boot. When it is not in use, the box can be folded up at the touch of a button and slid beneath the parcel shelf to save space.

Product is available for the Saloon only.

07 Luggage nets

Available for the floor of the boot/load compartment, the rear bench seat* and the load sill. Prevent lightweight objects from sliding around during your journey. All nets are in pocket format.

* Product is available for the Estate only.

08 Partition/divider

Robust metal grilles, designed to shield the passenger compartment from items in the load area. Simple to fit to designated points on board. Partition and divider available separately. Divider can only be used in conjunction with partition.

Product is available for the Estate only.

Cargo & Care

Boot/load compartment
accessories

01 Reversible mat

The reversible mat has a high-quality velour side and a non-slip side. It helps keep the original floor of the boot/load compartment clean. Available in black.

02 Non-slip mat

Black non-slip mat made from oil and acid-resistant polyester. Designed to fit the contours of the boot/load compartment.

03 Luggage-securing feature

Ingenious solution to the problem of luggage sliding around in the boot. Attaches securely around the object in question thanks to Velcro fastening.

Product is available for the Saloon only.

04 Tie-down strap

Even heavy objects can be secured in place easily using this strap.

05 Shopping crate

Anthracite. Collapsible.

Cargo & Care

Boot/load compartment accessories

06 Coolbox

Not only cools but warms too. Cools to up to 20°C below ambient temperature – to max. -2°C. Can be switched to warming function. Robust, highly insulated hard case with fabric cover, outside pockets and padded shoulder strap. Capacity: 24 litres. Can be connected to 12 V socket in vehicle or to 230 V power source via separately available rectifier.

06 07

07 Rectifier

Allows the coolbox to be connected to a 230 V socket at home.

08 Box of replacement bulbs

The box of replacement bulbs ensures that you always have the right bulbs at hand for your E-Class. So if one of the bulbs fails or you're driving in one of the many countries where daytime driving lights are compulsory, you're well prepared

08

09 Charger with trickle charge function

New life for your car's battery: checks, charges and revives your battery – even if it's totally flat. Tailored to your vehicle's complex electronic systems. Available in 3.6 A and 25 A version. The 25 A version offers a faster charging process and a selection of different charging modes.

10 Vehicle tool kit

Everything you need to change a wheel – from the wheel wrench to a pair of gloves. All handily stored in compact bag.

11 Fluorescent jacket

Already compulsory in many countries: fluorescent jackets with high-visibility reflective stripes. Available individually or as a pack of two.

Mercedes through and through.

When you drive a Mercedes-Benz, you do so for the best of reasons. Why should your choice of accessories be governed by different standards? Pioneering when it comes to design and technology, Mercedes-Benz Genuine Accessories deliver on the promises of a major brand.

DESIGN & DEVELOPMENT

Mercedes-Benz Genuine Accessories make your dream car a reality – while ensuring that it remains a Mercedes-Benz through and through:

- ▶ Individualisation options are developed in accordance with the Mercedes-Benz car design philosophy.
- ▶ The use of CAD data from Mercedes-Benz Vehicle Development ensures precision-fit accessories.

QUALITY & SAFETY

When it comes to Mercedes-Benz vehicles, quality and safety are paramount. You can feel equally safe with Mercedes-Benz Genuine Accessories as a result of:

- ▶ Stringent safety measures and extensive load testing, including the use of crash test facilities and the wind tunnel.
- ▶ Harmonised development of both vehicle and Mercedes-Benz Genuine Accessories.
- ▶ The highest of standards, far in excess of those prescribed by law.

FUNCTION & OPERATION

Mercedes-Benz Genuine Accessories form part of the vehicle concept from the outset. This results in impressive functional solutions:

- ▶ Fully integrated telematics products can be operated safely and conveniently using the multifunction steering wheel.
- ▶ Roof-mounted carrier systems can be fitted quickly and without the use of additional tools.
- ▶ Instructions and manuals are in standard format and easy to understand.

ADVICE & FITTING

No one is as familiar with the ins and outs of your vehicle as our employees. And the same goes for Mercedes-Benz Genuine Accessories:

- ▶ Contact your Mercedes-Benz Service and Sales partners for expert advice.
- ▶ Trust our trained specialists when it comes to fitting Mercedes-Benz Genuine Accessories.

Welcome aboard.

Welcome to the virtual world of Mercedes-Benz. You can visit your service partner to find out more about Genuine Accessories. Or explore the range while on the move or at home – online or via our app.

April 2013. Please note: changes may have been made to the products since this publication went to press (01/2013). The manufacturer reserves the right to make changes to the design, form, colour and specification during the delivery period, provided these changes, while taking into account the interests of the vendor, can be deemed reasonable with respect to the purchaser. Where the vendor or the manufacturer uses symbols or numbers to describe an order or the subject of an order, no rights may be derived solely from these. The illustrations may show accessories and items of optional equipment which are not part of standard specification. Colours may differ slightly from those shown here, owing to the limitations of the printing process. This publication is distributed internationally. Information given regarding statutory regulations, legal requirements and taxation and the consequences thereof applies to the Federal Republic of Germany only and is correct at the time of going to press. Please consult your Mercedes-Benz retailer for final details.
