01 AIR-BALANCE package

# The inside story.

The interior of an S-Class is many things at once:  
a place to work, relax or simply be.

Close the door and discover inner calm. Breathe freely.  
And savour that sense that, inside your S-Class, you're at home.

## 01 AIR-BALANCE package

The interior of the vehicle can be fragranced individually to suit your tastes with the aid of the AIR-BALANCE package (optional extra Code P21). There are four high-quality fragrances to choose from, designed to suit your personal preferences and mood. The intensity of the fragrance can be adjusted in three stages. The quality of the air can also be enhanced by ionising the oxygen and filtering the outside air.

### Flacon, DOWNTOWN MOOD

Fragrance family: floral, musk, fruity

Transparent, flowery combination of jasmine and lilac, with warm undertones of musk, ambergris and a cashmere note. Top notes include magnolia and rosewood for freshness, peach for softness and an intriguing metallic effect. A soft, sensual, atmospheric perfume with sex appeal.

### Flacon, NIGHTLIFE MOOD

Fragrance family: woody, oriental, ambered

NIGHTLIFE MOOD is enriched with complementary woody notes that give the perfume body. Cool spices such as cardamom and pink pepper give a freshness to the top notes. And a hint of a particular aldehyde balance adds a subtle cognac effect. In the base notes the wood tones combine with frankincense, ambergris and vanilla to create a soft, silky elegance.

### Flacon, SPORTS MOOD

Fragrance family: green, flowery, citrus

This perfume is based on a harmony of lime tree blossom and fresh, light-green leaves. The lime tree blossom at the heart of the perfume is surrounded by light, flowery tones such as magnolia, gardenia and violet. The green top notes take their freshness and lightness from aspects of grapefruit and watermelon, while the base notes have a mossy nuance.

### Flacon, FREESIDE MOOD

Fragrance family: citrus, flowery, tea

Citrus elements combine with tea at the heart of this perfume, which is rounded off elegantly with flowery top notes. The base notes include hints of cedar, patchouli and ambergris. Overall: very rounded and harmonious.
