A lifetime of goodtimes.

TOYOTA

Finding the fun.

*"I believe that if it is not fun, it is not a car."
Global President Akio Toyoda*

Toyota has a proud history of producing vehicles that provide a sense of fun.

The right kind of fun – a sense of spirit – will always be engineered into every one of our cars. It might be expressed through a major feature, or simply a thoughtful touch. Either way you're sure to know it when you see it.

The future.

We'll forever have a passion for developing vehicles that provide fun and pure driving pleasure, where you feel excited at the prospect of every drive – because creation, innovation and imagination are the foundations of *fun*.

The Corolla of a lifetime.

Bolder, sportier and more fun than ever. The Corolla Hatch is more spacious, more comfortable and more entertaining, yet still boasts the same tried and tested reliability you expect in a Corolla. This sleek makeover is more than just a new look, it's a whole new level of performance and safety and packed full of features. The hatch complements the confidence exuded by the low, wide stance, sweeping headlights and stepped tail lights of the Corolla Sedan, with an array of luxuries adorning its spacious interior. With styling that is uncompromised, Corolla allows you to live a lifetime of goodtimes.

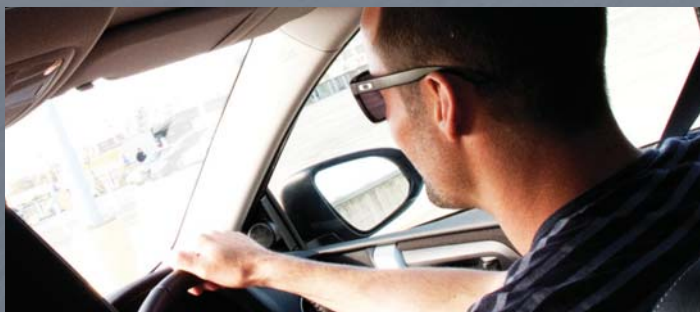

A lifetime of performance.

The Corolla Hatch has evolved into an agile and sporty drive that hugs the road to deliver a dynamic driving experience. With better handling and improved fuel-efficiency the Corolla Hatch will be there for life's adventures.

Boasting a powerful yet fuel-efficient 1.8L 4-cylinder engine hidden beneath the sporty aerodynamic styling, the Corolla Hatch also comes with a lowered centre of gravity for improved handling and stability. Choose between the 6-speed manual (hatch or sedan except Ultima), 7-speed Multi-drive automatic transmission (hatch models only) or 4-speed automatic (sedan model only) and the result is a sporty, smooth and fun ride that gives you more.

A lifetime of comfort.

With creature comforts like air conditioning, cruise control and an LCD Multi-Information Display to the optional extra Skyview™ roof in the Levin ZR, the Corolla Hatch's cockpit-like interior is designed to let you and your passengers ride in style.

A 6-speaker CD Tuner audio system with a USB connection for iPod®¹ and MP3 players² comes standard across the Corolla range, with Bluetooth™³ functions for added flexibility.

A full set of steering wheel controls puts everything a driver needs at your fingertips, including audio controls, Multi-Information Display and mobile connectivity, along with paddle shifts for the 7-speed Multi-drive Levin SX and ZR. The Levin ZR and Ultima Sedan also boast Smart Entry and Smart Start technology and a 6.1" touch screen audio system with satellite navigation and traffic monitoring system⁴.

A lifetime of safety.

Every Corolla comes with an ANCAP 5 Star Safety Rating. There are 7 SRS airbags, Anti-lock brakes, Vehicle Stability Control, Traction Control and the Corolla Hatch comes with an emergency brake signal that alerts trailing vehicles if you're forced to make a sudden stop.

In addition, the Ascent Sport Hatch, Levin SX and ZR, and the Corolla Ultima Sedan feature a reversing camera* for increased reverse visibility and the 7-speed Multi-drive hatch comes with Hill-start Assist Control that prevents your vehicle from rolling downhill during a hill start.

*Reversing camera is designed as a driver assistance device only and should not be used as a substitute for skilled driving and/or safe parking practices. The area into which the vehicle is to be driven must be visually monitored by the driver.

A lifetime of space.

Corolla has a spacious interior that's designed with your life in mind. The Corolla Hatch has a large and versatile luggage space with plenty of legroom for rear seat passengers when you're being social and then you can simply fold flat all, or just part, of the 60:40 split-fold rear seat back when it's more cargo space you're after. Whilst the Corolla Sedan features up to 29 internal storage areas, and a generous 450 litre boot capacity.
