THE ALL NEW BMW X1.

SPECIFICATION GUIDE.

BMW EfficientDynamics

Less consumption. More driving pleasure.

MODELS.

	Transmission	Cylinder / Capacity cm ³	Power / Torque	Combined fuel consumption l/100km	Acceleration 0-100km/h
Petrol Models					
X1 sDrive20i	8-speed sport automatic	4-cylinder 1,998	141 kW 280 Nm	5.9	7.7 sec
X1 xDrive25i	8-speed sport automatic	4-cylinder 1,998	170 kW 350 Nm	6.6	6.5 sec

Diesel Models					
X1 sDrive18d	8-speed automatic	4-cylinder 1,995	110 kW 330 Nm	4.3	9.2 sec
X1 xDrive20d	8-speed sport automatic	4-cylinder 1,995	140 kW 400 Nm	4.9	7.6 sec

BMW recommends the use of RON 95 super unleaded petrol. Unleaded 91 RON and higher with a maximum ethanol content of 10% (E10) may also be used. Output and fuel consumption figures apply to RON98 fuel. All engines meet the EU5 emissions standard. Fuel consumption is determined in accordance with the ECE driving cycle (93/116/EU), which consists of approximately one third urban traffic and two thirds extra-urban driving (based on the distance covered). CO₂ emissions are measured in addition to fuel consumption. Optional equipment (e.g. wider tyres) can have a significant impact on fuel consumption.

STANDARD EQUIPMENT.

	sDrive18d	sDrive20i	xDrive20d	xDrive25i
Transmission and technology				
8-speed automatic transmission with Steptronic incl. gearshift indicator for manual mode	■			
8-speed sport automatic transmission with Steptronic , incl. gearshift paddles on the steering wheel		■	■	■
Auto Start/Stop function , reduces fuel consumption by switching off the engine when the vehicle comes temporarily to a stop	■	■	■	■
BMW TwinPower Turbo 4-cylinder diesel engine , combines common rail direct injection and a turbocharger with variable turbine geometry	■		■	
BMW TwinPower Turbo 4-cylinder petrol engine , combines one twin-scroll turbocharger with Valvetronic, Double VANOS and High Precision Injection		■		■
Brake Energy Regeneration , improves fuel efficiency and ensures that the full power of the engine is available for acceleration	■	■	■	■
Brake-pad wear indicator	■	■	■	■
Condition Based Service , inspections are scheduled to suit the way in which the car is driven	■	■	■	■
Diesel particle filter (maintenance-free)	■		■	
Driving Experience Control , enables adjustment of drivetrain settings	■	■	■	■
ECO PRO Mode , optimises fuel consumption and shows the potential fuel economy in the instrument cluster	■	■	■	■
Single-joint front axle and multi-arm rear axle	■	■	■	■
Performance control , through targeted braking, optimal torque is distributed to the individual wheels depending on the driving situation, enabling dynamic cornering with maximum grip	■	■	■	■
Power Steering with Servotronic	■	■	■	
Variable Sports Steering				■
Start/Stop button	■	■	■	■
xDrive , intelligent all-wheel drive system with fully variable torque split between front and rear axles			■	■

Safety				
Airbags : driver and front passenger airbags, seat occupancy detector for front passenger airbag; head airbags in the front and rear; side airbags for driver and front passenger	■	■	■	■
Brakes : disc brakes at the front and rear, inner-vented with break-wear sensors and raised third brake light	■	■	■	■
Central locking with electronic immobiliser, crash sensor; fuel tank filler cap integrated in central locking and remote control	■	■	■	■
Dynamic Braking Lights , flashing brake lights and hazard indicator under extreme braking	■	■	■	■
Dynamic Stability Control (DSC) , incl. Antilock Braking System (ABS), Cornering Brake Control (CBC), Brake Assist and Dynamic Traction Control (DTC)	■	■	■	■
Headrests on all seats	■	■	■	■
Safety body shell : bumper system with deformation zones at the front and rear, easily-replaceable deformation elements that can absorb impacts at up to 15km/h; door-integrated side impact protection	■	■	■	■
Seat belts : pyrotechnical belt tensioner and belt force limiter at the front; ergonomic seat belt system in the rear with three-point belts for all seats	■	■	■	■
Warning triangle and first aid kit	■	■	■	■

STANDARD EQUIPMENT.

	sDrive18d	sDrive20i	xDrive20d	xDrive25i
Driver assistance				
Cruise Control with braking function , enables cruise control at speeds of approx. 30km/h and higher, hill descent with braking intervention	■	■	■	■
Park Distance Control (PDC) , front and rear	■	■	■	■
Rear View Camera	■	■	■	■
Driving Assistant , camera-based system consisting of Lane Departure Warning, Forward Collision Warning and Pedestrian Warning with light city braking function	■	■	■	■
Parking Assistant with fully automated braking and acceleration, uses ultrasonic sensors to search for and identify parallel parking spaces, then steers the vehicle into the space whilst operating the accelerator and brake pedal and selecting the correct gear	■	■	■	■
Head-Up Display , important driving information is projected onto the windscreen in the driver's field of vision				■
Speed Limit Device , enables settings of desired maximum speed, can be overridden at any time	■	■	■	■
Light and sight				
Daytime running lights	■	■	■	■
Fog lights , front and rear	■	■	■	■
LED headlights , with cornering lights	■	■	■	■
High-Beam Assist , automatically switches between high and low beam	■	■	■	■
Interior lights , front and rear, illuminated glove box, luggage compartment light and function switches	■	■	■	■
Interior rear-view mirror with automatic anti-dazzle function	■	■	■	
Interior and exterior mirrors with automatic anti-dazzle function , includes automatic parking function for passenger side mirror, and fold-in function for exterior mirrors				■
Lights package , vanity mirror lights, front and rear ambience lighting, front and rear reading lights, footwell lights, door handle area lighting, centre stack storage lighting, ambient decorative strips on instrument panel and doors	■	■	■	■
Rain sensor , incl. automatic headlight activation	■	■	■	■
Entertainment, communication and information				
AUX-IN connection	■	■	■	■
Convenience telephony with extended Smartphone connectivity , Enables wireless connection of a compatible Bluetooth device to the vehicle, including hands-free facility. Extended Bluetooth functionality such as audio streaming, album cover display, pairing of multiple devices and more, depending on the features of the Bluetooth/USB device. Provision for snap-in adapter (available separately through Genuine BMW Accessories) for charging function and connection to external aerial Check the compatibility of your mobile phone at bmw.com/Bluetooth	■	■	■	■
Navigation system , iDrive Controller with one-touch keys, high-resolution 6.5" colour display, map display with bird's eye view, Voice Control, favourite buttons and integrated storage facility for navigation data	■	■	■	
Navigation system Plus , with 8.8" display, iDrive Touch Controller, instrument cluster with high-resolution display				■
On-board computer incl. Check Control, consumption range and outside temperature on Info Display	■	■	■	■
Stereo speaker system , 5 loudspeakers, 100W, 6 programmable memory buttons, MP3-compatible CD drive	■	■	■	■
USB audio interface , enables connection of an MP3 player, Apple iPod or USB memory stick via the USB interface	■	■	■	■

Service

GENUINE BMW SERVICE.

When you buy a BMW, you can look forward to superb service and comprehensive customer care, with a network of dealerships Australia-wide ready to assist you at any time.

The intelligent BMW Condition Based Servicing (CBS) system monitors the individual components of your vehicle's service requirements and notifies you in advance when a service is due. In conjunction with BMW Teleservices, your vehicle then sends all relevant servicing data captured by CBS directly to your preferred BMW dealer.* Your BMW dealer will contact you to arrange an appointment at a convenient time and can efficiently prepare for your visit by ordering spare parts in advance.

No one knows the innovative technology in your BMW quite like the authorised BMW dealer network. Using the latest sophisticated BMW diagnostic tools, you can rest assured that your BMW will receive the highest level of attention from specialist BMW-trained technicians using only Genuine BMW Parts.

Your BMW service experience can also extend to a BMW Service Inclusive package, which covers your scheduled servicing costs[^] for 5 years/80,000kms (whichever comes first) in a single, once-off advanced payment. With BMW Service Inclusive, you can enjoy every second of driving pleasure knowing that your BMW is always getting the service it deserves. BMW Service Inclusive is also fully transferable to future owners and includes a two year manufacturer's warranty on all parts replaced.

All in all, quality and safety are the essence of a Genuine BMW Service. Find out more at bmw.com.au/service

BMW ROADSIDE ASSISTANCE & ACCIDENT MANAGEMENT.

To ensure your BMW delivers you with years of uninterrupted driving pleasure, it comes with the one of the most comprehensive roadside care programmes in Australia. This service is complimentary for three years, so you can rest assured in the knowledge that assistance is at hand 24 hours a day, 365 days a year.

Should you require assistance, simply dial BMW Roadside Assistance & Accident Management on the exclusive toll-free number: **1800 808 111**.

*Preferred Authorised BMW dealer must be registered and configured in the BMW ConnectedDrive portal. [^]Normal wear and tear and other exclusions apply.

BMW FINANCIAL SERVICES.

Finance, Lease & Insurance.

BMW Group Financial Services is your one stop shop for all your Finance, Leasing and Insurance needs. Each BMW dealership has a dedicated Business Manager who can put together a tailored finance and insurance package, to make getting into your next BMW even easier.

FINANCE & LEASE.

BMW Group Financial Services offers both loan and lease options to suit your requirements. Whether it is for a company vehicle or a car for your personal use, there are a range of products available to meet your needs.

BMW Financial Services offers competitive rates, flexible terms, and no early termination or monthly account keeping fees*.

As a BMW Financial Services Customer you also have access to the My BMW Account service which provides you with all your finance contract information 24 hours a day, 7 days a week. Simply log on at myBMWaccount.com.au

BMW DRIVING EXPERIENCE.

If you've ever wondered why a BMW is the Ultimate Driving Machine, a BMW Driving Experience course is for you. If you've ever wondered what an Ultimate Driving Machine is capable of, this is the Ultimate test-drive.

Sign up for a BMW Driving Experience course and you will learn what these remarkable vehicles can really do. More importantly, you will also acquire essential skills that will enhance your driving ability and safety.

BMW Driving Experience was introduced in 1977, the first of its kind initiated by an automotive manufacturer to improve the skills, reactions and awareness of drivers.

Today more than ever, the 3-stage programme offers drivers a positive, exhilarating experience, along with an excellent education and an enthralling opportunity to accelerate their driving abilities. This is all conducted behind the wheel of an efficient and dynamic range of Ultimate Driving Machines.

The aim of the programme is to enhance each participant's driving ability by developing attitudes and skills through a structured sequence of courses. Each course takes participants through an increasingly challenging mix of low and high speed driving exercises, that help them respond effectively in emergency situations and become progressively more confident, safe and enthusiastic drivers.

Our courses are conducted at Australia's leading facilities, including the world renowned Phillip Island Grand Prix Circuit. All BMW Driving Experience courses are supervised by highly-trained instructors under the stewardship of Le Mans and Bathurst winner, Geoff Brabham.

BMW Driving Experience offers a range of courses, from the entry-level Intensive course, to the more advanced and exhilarating M Dynamic. The final BMW Driving Experience course on offer is the pinnacle of all, our exclusive Fascination course.

BMW Intensive Driving Experience

An exciting introduction into performance driving, designed for confident drivers.

BMW M Dynamic Driving Experience

After completing our Intensive Training course, drivers can take their skills to another level with this high-performance course designed to test their ability to the fullest.

BMW Fascination Driving Experience

The last course offered in the BMW Driving Experience Programme. Fascination is the goal to reach for those who complete our Intensive and M Dynamic Driving Experience courses. Drivers apply all of the skills they have learned in previous courses, and have one-to-two tuition with our highly trained BMW Driving Experience Instructors.
