The Valente. Move your precious cargo in style.

When it comes to getting your family where they need to go, safety and comfort is king. Add quality and style and the newly designed Mercedes-Benz Valente rules the roost. Packed with safety features, eight full-sized seats and all the space you need, the Valente is designed with growing families in mind. With its powerful, fuel efficient BlueTEC engine technology, Mercedes-Benz has introduced a new level of intelligent design to large-capacity vehicles.

You'll also love the styling – with 16" alloy wheels, and day-time running lights all featured as standard, the sleek Valente is not only perfectly practical but looks good too.

All aboard.

Seating and space for every situation.

There's plenty of room to move in the Mercedes-Benz Valente. You'll have more than ample space and the option to seat up to nine people in full-sized comfortable seats, plus more support with the side bolsters and back rest. The fully flexible seating options can be configured to fit your needs so passengers can relax. The dual sliding door feature allows for easy access into the rear family friendly space. Even with all this additional space, big trips are never an issue as the Valente also boasts an impressive amount of luggage space. This rare combination of spacious seating and generous luggage capacity offers exceptional practicality.

The Valente is brimming with technology to make the experience more enjoyable, including an Audio 15 unit with 5.8-inch colour display, along with iPod® and Bluetooth® connectivity. TEMPATIC air conditioning with rear air vents and stylish chrome appointments on control panels ensure that everyone on board enjoys the ride too.

Get behind the wheel and the Valente is as much an experience of comfort and intelligent thinking for the driver as it is for passengers. Its multifunction steering wheel, adjustable steering column for height and reach, direct shift lever, automatic rain and light sensors and cruise control with SPEEDTRONIC make driving a pleasure.

The standard Valente seating option is 2-3-3, accommodating 8 people. With the optional front bench seat allowing a 3-3-3 layout to accommodate up to 9 people.

Committed to family.

Safety comes standard.

The Valente presents a compelling case for being the ideal family vehicle. Combine meticulous Mercedes-Benz safety standards with innovative design, ride comfort and driving enjoyment and you get a vehicle that is designed specifically with families in mind. The Valente's focus on safety is shown in features you've come to expect from a Mercedes-Benz - including ABS brakes, Electronic Stability Control ADAPTIVE ESP®, passenger airbags including dual front passenger airbags, thorax-pelvis sidebags and front and rear curtain airbags, built in child restraints, Crosswind Assist, adaptive brake lights and the ATTENTION ASSIST fatigue monitoring system. The addition of our unique and improved Mercedes-Benz ADAPTIVE ESP® system can detect the weight distribution of all passengers at any given time and compensate accordingly in an emergency.

- 01**
COLLISION PREVENTION ASSIST combines a proximity and collision warning with Brake Assist BAS PRO.
- 02**
Lane Keeping Assist can help to avoid accidents resulting from the vehicle unintentionally leaving its lane.
- 03**
Blind Spot Assist can help to avoid accidents when changing lanes, for example on motorways.
- 04**
 The **reversing camera** shows a photorealistic image of your surroundings with dynamic guide lines and an indication of the direction of travel.
- 05**
 The **LED Intelligent Light System** adapts the lights variably to the light, road and weather conditions.
- 06**
 The standard **Crosswind Assist** function helps prevent lateral displacement in the event of gusting side winds.

Effortless power.

All the places you'll go. Wherever the weather.

The OM 651 4-cylinder diesel engine rated at 120 kW (163 hp) combines agile performance with a high level of environmental compatibility.

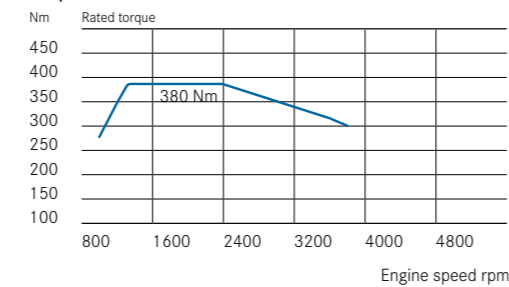

No matter what your destination, when you have a people mover filled with passengers, you need power. And the Valente has plenty. Powered by a 2.2L 120kW 4-cylinder diesel engine with common-rail direct injection and turbocharging, the Valente has no trouble carrying eight adults and a boot full of luggage. No matter what the load – kids, their friends, their sports equipment, the shopping – the Valente is up to the challenge.

In conjunction with BlueEFFICIENCY, the vehicle's fuel consumption is optimised through the use of innovative functions such as ECO Start/Stop function and alternator management. This forms the basis for the Valente's economical and sustainable operations allowing the Valente a fuel efficiency of 6.3L/100km¹.

Thanks to BlueTEC technology the Valente also complies with the stringent Euro 6 emissions standard and converts exhaust fumes into water and nitrogen with new breakthrough technology.

The engine for the Valente at a glance:

120 kW (163 hp), 2143 cc, 7G-TRONIC PLUS

Driving flexibility.

The Valente comes standard with 7G-TRONIC PLUS automatic transmission. This broad range of seven finely tuned gears means the Valente works just the way you need.

The driver also has the freedom to choose between Comfort, Economy and Manual modes giving the vehicle different characteristics to tackle different obstacles. For a more spirited and dynamic driving experience, the DIRECT SELECT steering wheel gearshift paddles allow you to manually change gears.

Standard equipment.

Crosswind Assist helps to reduce lateral displacement in gusty side winds.

ATTENTION ASSIST can use a variety of parameters to detect signs of tiredness and alert the driver. Overseas model shown.

The airbags for the driver and co-driver and thorax/pelvis sidebags and windowbags in the front form part of the standard-fit safety equipment.

Audio 15 features a high-resolution 14.7 cm (5.8-inch) TFT display and numerous connection options.

Cruise control helps to maintain a set speed, making the driver's job easier.

The stowage nets on the back of the driver and co-driver seats provide practical stowage space, e.g. for maps or magazines.

Front and rear bumpers and detachable body parts painted in body colour further enhance the Valente's looks.

The interior and ambient illumination enhances comfort and includes a reading light in the grab handle and courtesy lights.

The comfort seats, with their additional adjustment options, offer individual seat comfort in the front and in the passenger compartment.

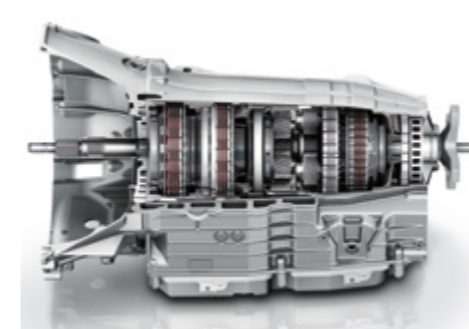

Steering wheel gearshift paddles allow for easy and convenient gear shifting.

The 3-spoke multifunction steering wheel with trip computer offers a pleasant touch and feel and impressive ergonomics.

The mirror package includes automatically dimming mirrors and electrically folding exterior mirrors.

The 7G-TRONIC PLUS automatic transmission offers outstandingly smooth gear changes and potential for saving fuel.

TEMPMATIC semi-automatic climate control in the rear optimises ventilation in the passenger compartment with evenly distributed warm or cool air.

Interior chrome package. Chrome-plated trim on the air vents, the air conditioning thumbwheels and the insides of the doors further upgrades the interior.

40.6 cm (16-inch) light-alloy wheels.

Optional equipment.

COLLISION PREVENTION ASSIST combines a distance and collision warning with Brake Assist BAS PRO.

Lane Keeping Assist can reduce the risk of accidents caused by unintentional departure from your lane.

Blind Spot Assist can reduce the risk of accidents when changing lanes, for example on freeways.

The LED Intelligent Light System adjusts the headlamps to suit the light, road and weather conditions.

The comfort front passenger seat with adjustable headrests and 3-point seat belts offers space for two co-drivers.

The electrically operated sliding door on the right can be opened and closed at the touch of a button.

The 43.2 cm (17-inch) 5-spoke light-alloy wheels lend the vehicle a unique, dynamic design.

Electric seats with memory function and seat heating.

The reversing camera shows a photorealistic image of your surroundings with dynamic guide lines and an indication of the direction of travel.

The Becker® MAP PILOT transforms the Audio 15 radio into a high-quality, intuitive navigation system.

Active Parking Assist helps the driver find somewhere to park and assists when reversing into or out of a parking space.

The roof rails allow bulky items to be transported on the vehicle roof and enhance the look of the vehicle.

The black tinted windows in the rear provide protection from prying eyes and reduce solar heat and UV transmission in the passenger compartment.

PARKTRONIC - front and rear sensor detect obstacles and provide audio and visual warnings.

Leather steering wheel - standard with Driving Assistance Package.

Antitheft protection package - features towaway protection, interior surveillance and alarm.

Genuine accessories.

Becker® MAP PILOT transforms the Audio 15 radio into a high-quality, intuitive navigation system.

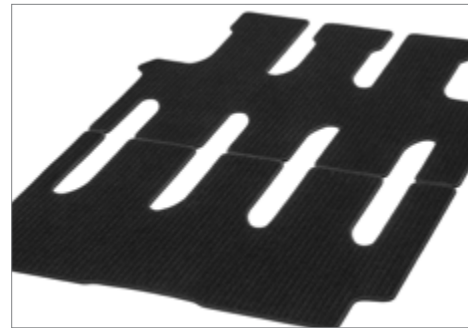

Mud flaps. Protects the underbody and sides of the vehicle from loose stones and dirt build-up. Available in pairs for front or rear axle.

Side window wind deflector tinted, acrylic glass. Protects against wind and water when window is slightly open.

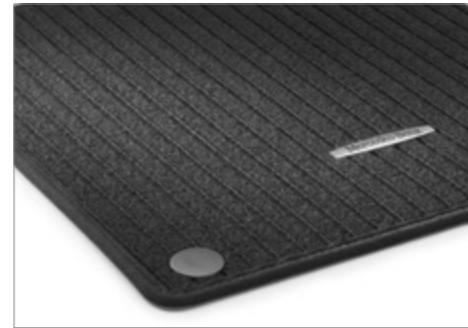

Coolbox can be firmly secured in the load compartment with the aid of the special strap system. It is also easy to carry, using the handy carry straps. The coolbox has a capacity of 16.5 litres.

The black passenger compartment floor mats are either available in elegant, high quality velour material or in durable rep material.

Velour floor mats driver's & co-driver's mat elegant, high-quality black tufted velour mats, featuring metal badge with Mercedes-Benz lettering. Can be clip-fastened to the floor of the vehicle to prevent slipping.

Rep floor mats, driver's & co-driver's mat. The perfect combination of extremely tough, durable rep material and elegant looks. Can be clip-fastened to the floor of the vehicle to prevent slipping.

Standard basic carrier bars, allow bulky items to be transported on the vehicle roof and enhance the look of the vehicle.

Mercedes-Benz Service and Parts.

What is a Service Plan from Mercedes-Benz Vans?

Whether you're driving your three year old to kinder or taking the family out kayaking, balancing the family budget is important. Our Mercedes-Benz Service Plans offer a wide range of maintenance and repair options at a pre-determined, low price.

With a Service Plan, our authorised dealer network will perform maintenance according to an agreed schedule and set cost. And with flexible payment options covering scheduled servicing to comprehensive repair work, you can choose a plan to fit you - and your family's - needs. It's the simplest and most stress-free way to enjoy your new Valente.

Service Plan benefits:

- **Pre-determined and transparent costs**
For peace-of-mind, allowing you to budget for maintenance and repair costs with less risk.
- **Operating cost savings**
With preferential rates for parts and labour.
- **Operational reliability**
Improve operational reliability through the use of Mercedes-Benz factory trained technicians and genuine parts.
- **Nationwide coverage**
Services can be carried out at any authorised Mercedes-Benz Vans dealer.
- **Maintain the resale value of your vehicle**
With a full service history from an authorised Mercedes-Benz Vans dealer.
- **24/7 roadside assistance with Mercedes-Benz Vans Road Care**
For the term of your Service Plan.
- **Future-proof**
Protection against labour and parts price increases for the term of your Service Plan.

Mercedes-Benz Genuine Parts. All Mercedes-Benz Genuine Parts undergo rigorous material and functional testing, are engineered to fit your vehicle perfectly.

By choosing Mercedes-Benz Genuine Parts, you will benefit from Mercedes-Benz quality, a two year parts warranty and excellent parts availability.

Why should you only use Mercedes-Benz Genuine Parts?

- **Exceptional performance and safety...**
All Mercedes-Benz Genuine Parts are manufactured to the highest standard of quality, and provide maximum performance and safety at all times.
- **Warranty for peace of mind...**
The benefit of up to two years unlimited mileage parts warranty.
- **Technical expertise...**
All authorised Mercedes-Benz Dealership staff are manufacturer trained so you can be sure that your vehicle is in the best possible hands if a replacement part is required.

Mercedes-Benz Genuine Accessories. With our range of Mercedes-Benz Genuine Accessories, you can individualise your vehicle to suit your lifestyle and professional needs.

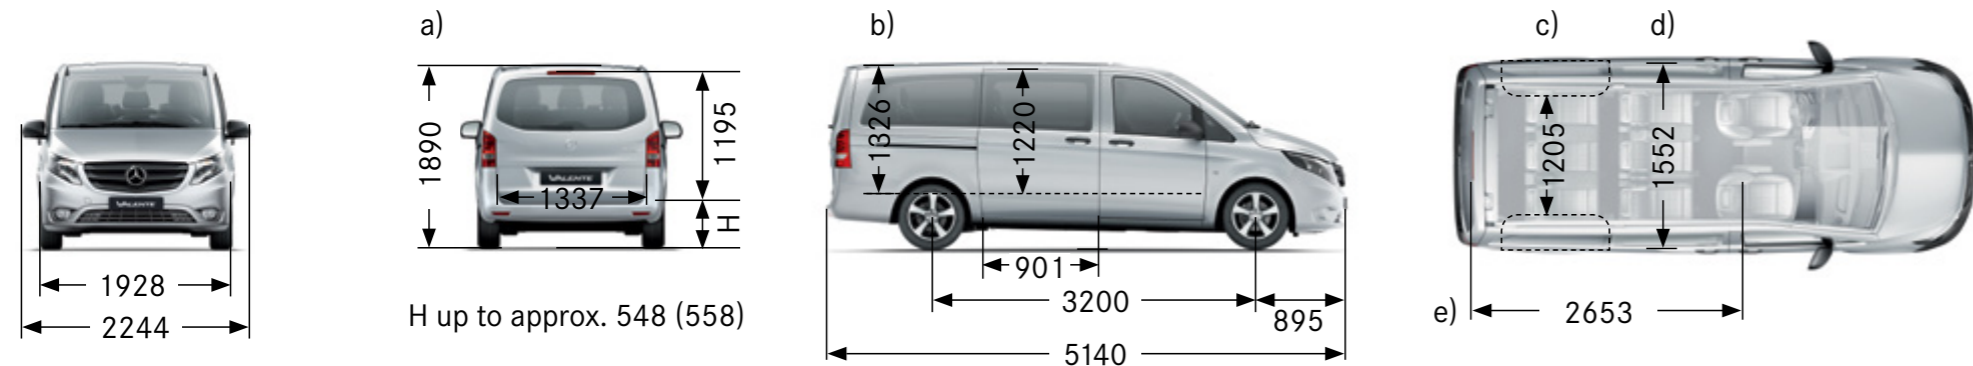

Equip your Mercedes-Benz vehicle with our genuine accessories to enhance your driving experience. With the latest technology and best design, Mercedes-Benz Accessories are a great way to get the most out of your vehicle.

Whether it be state-of-art navigation, alloy wheels or a genuine roof rack, your Mercedes-Benz Van can be tailored to suit your requirements and driving needs.
