With its proven reliability and versatility, Coaster makes the perfect choice if you're in the business of moving groups of people from A to B.

It's also built to last with anti-corrosion steel throughout, complemented by privacy glass on the large side windows, as well as a sophisticated Satellite Navigation<sup>8</sup> to help make every journey as stress-free as possible.

Plus with its air-conditioned interior, roomy capacity for 21 people, including driver, generous headroom, ample space and legroom for the passengers, Coaster helps make every trip an enjoyable journey.

Up front the driver has a 4.0 litre OHV Turbo-diesel engine producing a gutsy 110kW of power with an impressive 397Nm of torque combined with the ease of power steering and a tight 14.4 metre turning circle.

And to help ensure the safety of all onboard, every seat is fitted with a 3-point seat belt and the Anti-lock Braking System helps prevent wheel lock-up and skidding and a Reversing Camera<sup>9</sup> to give you a clear view of what would usually be out of sight.
