Built to succeed.

For over thirty-five years and whatever the task, HiAce has been the trusted choice of Australians who depend upon getting the job done. By listening to what Government, fleet and private operators really want, HiAce has been continually refined and then built to meet the uncompromising demands of today's business.

Up front there are slimline headlamps and a bold radiator grille to lead the way. On the Commuter Bus you can choose the convenience of a power sliding door that includes the 'easy closer', which automatically shuts and secures the door even if it has been left half closed.

You'll have a great view of what's beside and behind you with twin power exterior mirrors, and the drivers behind you will clearly see your 4 LED high-mount stop light. And the 15" steel wheels all round mean you'll have your feet firmly on the ground.

Plus with typical Toyota quality, durability and reliability evident throughout, you know this is a van you can stake your livelihood on.

Welcoming space.

The interior of HiAce has been designed and appointed to make your working day easier, especially when you're spending long hours on the road. The interior has been styled to optimise usable space and the seats designed to provide ample support, while the dark grey interior is gentle on the eye.

Front power windows are standard and when the weather takes a turn for the worse, the heater and air conditioning will keep those in the front seats comfortable inside, and then on bright days the driver and front passenger sun visors take the sting out of the sky.

Every HiAce is equipped with a CD AM/FM Tuner Audio system with Bluetooth^{®1} connectivity, USB² input and featuring voice recognition to control many audio and phone functions. Plus you'll enjoy the convenience of steering wheel mounted controls and a Multi Information Display (MID) to provide you with important trip and mileage data.

When backing up, the reversing camera³ helps with the image shown on a 3.3" integrated display within the electro-chromatic rear view mirror. Plus there are plenty of storage spaces including moulded pockets and retractable cup holders.

Rear seat air conditioning – Commuter Bus only

Reversing camera³ and electro-chromatic mirror

Real power and safety.

Super Long Wheelbase model shown

HiAce gives you the choice of two highly advanced powerplants with a 70 litre fuel tank to help keep you going all day.

The 2.7 litre Petrol engine delivers peak power of 118kW at a relatively low 5200rpm with 243Nm of load-lugging torque at 4000rpm. The 3.0 litre Turbo-diesel is purpose-built for commercial vehicles and produces 100kW at 3400rpm plus a beefy 300Nm of torque between 1200 and

2400rpm, so it keeps pulling its weight all the way up the rev range.

You'll also enjoy safe working conditions in HiAce, where dual front SRS airbags are fitted as standard. The Brake Override System (BOS) ensures that when the brake and accelerator are pressed simultaneously, the accelerator is cancelled and only the brake applied.

In every HiAce you'll enjoy Vehicle Stability Control (VSC) to help control oversteer and understeer, as well as Hill-start Assist Control (HAC) as standard on all vehicles.

An Anti-lock Braking System (ABS) to help prevent wheel lock-up and skidding is also fitted as standard, as is Emergency Stop Signal (ESS) and Brake Assist (BA) to help ensure the shortest and safest possible braking distance in an emergency.

LWB Van

- 70L fuel tank capacity
- 15" steel wheels
- Full size spare wheel
- Power steering
- Air conditioning (front only)
- Remote central locking
- Driver and front passenger airbags
- Anti-lock Braking System
- Reversing camera³
- Electro-chromatic mirror with 3.3" display
- Cruise control
- Multi Information Display (MID)
- Passenger's seat slide and recline
- Audio system with Bluetooth^{®1} and USB connectivity²
- Vehicle Stability Control (VSC)
- Hill-start Assist Control (HAC)
- Brake Assist (BA)
- Emergency Stop Signal (ESS)

The Toyota Advantage.

Every Toyota gives you a lifetime of advantages. That's what makes it a Toyota. You'll enjoy legendary Toyota value from the moment you drive away, and you'll continue to appreciate the quality, safety and innovation that's engineered into each model, every day you drive.

A smarter way to buy.

Toyota Access puts you in complete control when buying a new car.¹⁴ Drive out of the Dealership with a clear road ahead then drive back a few years later with more options at your disposal than ever before. Whatever stage you're at in life, Toyota Access puts you in the driver's seat with ongoing flexibility and assurance. To discover Toyota Access for yourself visit toyota.com.au/access

Finance to get you going.

If you need a little help, Toyota Finance¹⁷ can offer you a wide range of vehicle financing. With Toyota Finance, you'll have the peace of mind of dealing with one of Australia's leading vehicle finance corporations with over 30 years experience. And with a range of flexible products and services to suit almost every need and circumstance, Toyota Finance can help find the right package for you or your business.

Capped price servicing.¹⁵

A new Toyota means you don't have to worry about unexpected service costs. Every Toyota comes with a low, capped price service cost for a set number of years/kilometres. Pay the same low capped price from one eligible logbook service to the next for up to three years or 60,000km, whichever occurs first (including Genuine parts, labour and fluids). For the full benefits consult a Toyota Dealer or visit toyota.com.au/advantage

Even more protection.

Our Comprehensive Motor Vehicle insurance¹⁸ policy is packed with great benefits including; agreed value cover or New vehicle replacement cover for Toyota vehicles damaged beyond repair within 3 years of original registration, Genuine Parts Promise and Lifetime Repair Guarantee. And our Toyota Insurance Factory Approved Extended Warranty Insurance provides protection that continues after your Toyota New Vehicle Warranty ends.

We've got your back.

Every new Toyota is built to exceptional standards, backed by a three year/100,000km¹⁶ warranty, giving you the peace of mind to feel confident for years to come. In the unlikely event that you need them, every Toyota Service Centre is committed to providing any warranty repairs you may need. They have the technology, the tools, and the skilled personnel to keep your Toyota in excellent condition.

Extend your peace of mind.

Whether it's a flat tyre, lost keys or a flat battery, Toyota Extra Care Roadside Assist¹⁹ is never more than a phone call away. Available 24 hours a day, seven days a week, every day of the year, you'll have peace of mind, whatever your emergency. With two levels of cover available, Toyota Extra Care Roadside Assist provides one of the most professional, reliable, and technologically advanced assistance networks in Australia.

Disclaimers and Notice.

- 1 The Bluetooth® word mark is owned by Bluetooth SIG, Inc. Not all devices will be compatible and functionality varies depending on the device.
- 2 Not all devices will be compatible. Functionality varies depending on device.
- 3 Park Assist/Reversing Camera is designed as a driver assist device only and should not be used as a substitute for skilled driving (and/or safe parking practices). The area into which the vehicle is to be driven must be visually monitored by the driver.
- 4 Paint featured is an optional extra at additional cost.
- 5 Available on LWB Crew Van only.
- 6 Roof Racks – Standard Kit, Economy Ladder Holder Kit, Eye Bolts and Key Locking Security Cable (pictured) are sold separately as optional extras.
- 7 Towing capacity is subject to regulatory requirements, towbar and vehicle design and towing equipment limitations. Ask your Dealer for Toyota Genuine Towbar capacity and availability details.
- 8 Fuel consumption varies depending on driving conditions/style, vehicle conditions and options/accessories. Source of fuel consumption data: ADR81/02 combined.
- 9 Some vehicle dimension figures are approximate and may vary due to options and accessory fitment.
- 10 Kerb, tare and payload weights are nominal and vary depending on options and accessories.
- 11 Gross Vehicle Mass (GVM) is the total permissible combined weight of the vehicle, including occupants, fuel & cargo.
- 12 Cruise Control is a driver assist technology and should not be used as a substitute for safe driving practices. Driver should continue to monitor the road.
- 13 iPod® is a trademark of Apple, Inc. Not all devices will be compatible and functionality will vary depending on the device.
- 14 Terms and Conditions, fees and charges apply. Toyota Access Guaranteed Future Value products are available to approved customers of Toyota Finance, a division of Toyota Finance Australia Limited ABN 48 002 435 181, AFSL and Australian Credit Licence 392536.
- 15 Maximum payable for standard scheduled logbook servicing (normal operating conditions) until first of three years or 60,000km (whichever occurs first), up to the first six services. Excludes Government & Rental vehicles. Contact your Toyota Dealer or go to toyota.com.au/advantage for other exclusions, eligibility and full details.
- 16 New Vehicle Warranty expires three years from date of first delivery or 100,000km, whichever occurs first. Refer to the warranty conditions. The New Vehicle warranty does not limit and may not necessarily exceed your rights under the Competition and Consumer Act 2010.
