

Kluger

The ultimate family SUV.

TOYOTA

toyota.com.au

Oh what a feeling!

Everyone's family favourite.

Life in a modern family is a hectic one indeed. When having to juggle school runs, weekend sport, short trips, holidays, social occasions and more, you need a versatile SUV to meet the demands of parents, kids and anyone else who comes for the ride.

Luckily Kluger is built from the bottom up to be the ultimate family SUV. It delivers all your family could wish for, including refined style and a real presence on the road, in a rock solid and sensible package.

Inside there's almost every convenience you could imagine. Up front you'll have Bluetooth^{®1} audio connectivity, steering wheel controls and parking sensors to help make life easier, while the flexible seating configurations make travelling a treat for the passengers in the rear, including rear seat entertainment in the Grande. Plus there's the Smart Entry and Start system in the GXL and Grande models.

Every Kluger has an abundance of safety features fitted as standard to help keep your family safe and sound, including a reversing camera² and seven SRS airbags.

Front cover and this page: Grande model shown

Grande model shown

Impressive elegance.

When viewed from any angle, the sleek aerodynamic lines of Kluger quietly express sophistication and strength. With alloy wheels fitted as standard, Kluger is as surefooted and elegant as it looks.

From the front, Kluger's unique trapezoid grille, wide-stretched out headlamps and imposing bonnet create a look that is unmistakably refined with just a touch of muscle.

As you move around Kluger, you'll notice the wide wheel flares and integrated bumpers merge effortlessly with the wrap-around tail lamps to present a sturdy and assured stance.

So whatever the occasion or the destination, Kluger will be sure to create a lasting impression.

GXL model shown

Beautifully practical space.

Step inside Kluger and you'll discover a welcoming environment where function and form blend in effortless style. This luxurious interior easily accommodates seven people in comfort and provides easy access for all onboard.

High quality finishes abound, with decorative surfaces featuring either an elegant woodgrain-look with silver highlights in the Grande, or a modern silver metal-look theme in the GX and GXL models.

Beneath the instrument panel you'll find a wide shelf providing generous storage for larger items that's also designed to prevent the contents from slipping out. Between the front seats, the centre console still provides a comfortable armrest for the front passengers, even when the wide sliding lid is open.

The seating arrangements can also be changed quickly and configured to handle many different combinations of passengers and loads. This abundance of versatile storage space is accessed easily through the rear door, with the added convenience of powered opening and closing on the Grande.

In the GXL and Grande, you'll also enjoy the extra luxury of Leather Accented interior plus a premium steering wheel and gear shifter.

Grande model shown

Advanced technology and comfort.

The interior of the Kluger is packed with intelligent features and sophisticated appointments to help make every trip a pleasurable journey.

The Smart Entry and Start system fitted to the GXL and Grande models makes it easy to get on the move, even when your keys are still in your pocket or bag. Whatever your destination, you'll always stay cool in the GX with air conditioning featuring front and rear control, and in the GXL and Grande, 3-zone climate control is fitted as standard.

The front seats can be adjusted to suit your preferred seating position with lumbar adjustment (only available on GXL and Grande models) on the driver's seat too. They are also heated in the GXL and Grande and feature the cool comfort of seat ventilation in the Grande.

The six speaker AM/FM CD audio system features USB,³ iPod^{®4} and AUX inputs plus Bluetooth^{®1} connectivity. In the Grande, this steps up to include an integrated 8" LCD screen with digital radio,⁵ while the rear passengers can enjoy Blu-ray Rear Seat Entertainment (RSE) on a 9" LCD screen, while listening on the three wireless headsets.

When out on the open road, you'll have the convenience of cruise control⁶ while the Active Cruise Control⁹ on Grande automatically maintains a constant distance between you and the vehicle ahead. Then when parking, the reversing camera² will clearly display the location of any obstacles on the LCD screen while the reverse parking sensors also provide an audible warning.

Surefooted to your chosen destination.

On every All Wheel Drive (AWD) Kluger, the Dynamic Torque Control system automatically balances the drive force distribution between the front and rear wheels to achieve optimum grip on uneven surfaces. It also assists when cornering by balancing the drive according to your steering angle and speed, to help keep you tracking smoothly around the bend.

So when you're travelling on testing road surfaces such as in the ski fields or accessing

an out-of-the-way camping ground, you can be confident Kluger has what it takes to help you reach your destination.

Such assured control is further enhanced by the advanced suspension found on all Kluger models. The MacPherson Strut front and trailing arm double wishbone rear suspension have been finely tuned to ensure stability with outstanding ride comfort and handling, as well as reduced noise and vibration.

Serious about safety for your family.

When carrying something as precious as your family, you need the reassurance of knowing you have the latest in safety advances to protect you.

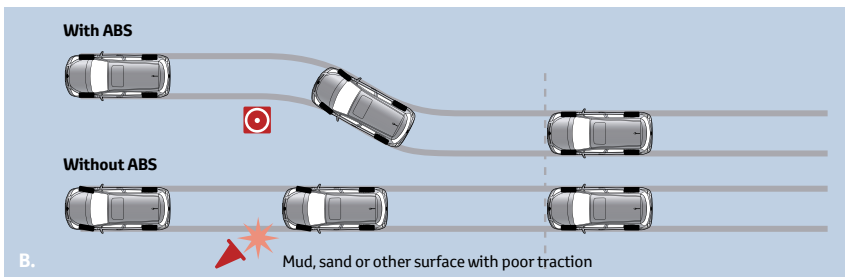

With seven SRS airbags as standard across the Kluger range, all rows of seats are protected with a combination of front seat side and two curtain shield airbags.

Active safety features in the Grande include the Pre-Collision Safety system (PCS)⁷ that can sense obstacles on the road ahead. If a collision is possible, it will warn the driver, and if the collision is unavoidable, it will automatically begin to activate the brake system. When changing lanes in the Grande, the Blind Spot Monitor (BSM)² uses radar sensors to warn of any vehicles located in your blind spot.

As well as a 5 star ANCAP safety rating, you'll also have Traction Control (TRC) to help avoid wheel spin on slippery roads or loose surfaces and Vehicle Stability Control (VSC) that uses electronic sensors to help control oversteer and understeer when cornering.

When it's time to brake, you'll have the Anti-lock Braking System (ABS) and Electronic Brake-force Distribution (EBD) to maximise braking efficiency to the wheel(s) that need it most. Brake Assist (BA) will also help assist the driver to apply extra brake pressure in the event of an emergency to ensure the shortest and safest possible braking distance.

Seven SRS Airbags – Grande model shown

Power to complement the pleasure.

Even with all its family comforts, Kluger is blessed with plenty of performance and power.

The 3.5 litre engine featuring Dual Variable Valve Timing with intelligence (VVT-i) is exceptionally smooth and remarkably quiet. While you sit peacefully inside Kluger, this highly refined engine effortlessly delivers 201kW of power and a gutsy 337Nm of torque, giving all the muscle you need to handle a 2000kg towing capacity⁸ with ease.

And all this power is delivered through a silky smooth 6-speed automatic transmission.

GX

- 3.5L Dual VVT-i V6 engine
- 72 litre fuel tank capacity
- 18" alloy wheels
- Privacy glass
- Daytime Running Lamps (DRLs)
- Fog lamps
- Auto on/off headlamps
- Steering wheel controls (audio, telephone and MID)
- Seven SRS airbags
- Reversing camera
- Reverse parking sensors
- Cruise control
- Dynamic torque control (AWD only)
- Vehicle Stability Control (VSC), Traction Control (TRC) and Hill-start Assist Control (HAC)
- Downhill Assist Control (DAC) – AWD models only
- Bluetooth®¹
- 6.1" display audio with iPod®⁴ and AUX input
- USB input connectivity and Toyota Link¹⁰
- 6 speakers

GXL in addition to or in replacement of GX features

- 18" alloy wheels (Level 2 styling)
 - Roof rails
 - Leather Accented interior
 - Premium shift knob and steering wheel
 - 10-way power adjustable driver seat
 - 3-zone climate control
- Driver and front passenger seat heaters
 - Smart Entry and Start system

GRANDE

in addition to
or in replacement of GXL features

- 19" alloy wheels
- LED headlamps
- Auto high beam
- Tilt and slide moonroof
- Power back door with glass hatch
- Exterior mirrors with heating and memory function
- Woodgrain-look instrument panel
- 2 memory position for driver's seat
- Electro-chromatic rear view mirror
- Driver and front passenger heated and ventilated seats
- Reversing camera with Back Guide Monitor (BGM)
- Pre-Collision Safety system (PCS)
- Lane Departure Alert (LDA)
- Blind Spot Monitor (BSM)
- Active Cruise Control (ACC)
- 8" LCD touchscreen display audio with iPod,^{®4} AUX, USB input connectivity, DAB tuner and advanced Toyota Link¹⁰
- Satellite Navigation¹¹

Please take your seat.

The seat trims chosen for Kluger further enhance the functional beauty of its interior. Each provides a superb tactile feel, from the Grey fabric through to the Leather Accented seats (excluding the third row) in the GXL and Grande, ensuring everyone travelling in Kluger will feel comfortable and relaxed.

You can also adjust the seating into a variety of configurations to suit your family and accommodate any others or the loads they may bring along for the ride.

The door trims and instrument panel are finished in a soft touch material to accentuate the luxurious appeal inside Kluger.

The Toyota Advantage.

Every Toyota gives you a lifetime of advantages. That's what makes it a Toyota. You'll enjoy legendary Toyota value from the moment you drive away, and you'll continue to appreciate the quality, safety and innovation that's engineered into each model, every day you drive.

A smarter way to buy.

Toyota Access puts you in complete control when buying a new car.¹⁸ Drive out of the Dealership with a clear road ahead then drive back a few years later with more options at your disposal than ever before. Whatever stage you're at in life, Toyota Access puts you in the driver's seat with ongoing flexibility and assurance. To discover Toyota Access for yourself visit toyota.com.au/access

Finance to get you going.

If you need a little help, Toyota Finance²¹ can offer you a wide range of vehicle financing. With Toyota Finance, you'll have the peace of mind of dealing with one of Australia's leading vehicle finance corporations with over 30 years experience. And with a range of flexible products and services to suit almost every need and circumstance, Toyota Finance can help find the right package for you or your business.

Capped price servicing.¹⁹

A new Toyota means you don't have to worry about unexpected service costs. Every Toyota comes with a low, capped price service cost for a set number of years/kilometres. Pay the same low capped price from one eligible logbook service to the next for up to three years or 60,000km, whichever occurs first (including Genuine parts, labour and fluids). For the full benefits consult a Toyota Dealer or visit toyota.com.au/advantage

Even more protection.

Our Comprehensive Motor Vehicle Insurance²² policy is packed with great benefits including; agreed value cover or New vehicle replacement cover for Toyota vehicles damaged beyond repair within 3 years of original registration, Genuine Parts Promise and Lifetime Repair Guarantee. And our Toyota Insurance Factory Approved Extended Warranty Insurance provides protection that continues after your Toyota New Vehicle Warranty ends.

We've got your back.

Every new Toyota is built to exceptional standards, backed by a three year/100,000km²⁰ warranty, giving you the peace of mind to feel confident for years to come. In the unlikely event that you need them, every Toyota Service Centre is committed to providing any warranty repairs you may need. They have the technology, the tools, and the skilled personnel to keep your Toyota in excellent condition.

Extend your peace of mind.

Whether it's a flat tyre, lost keys or a flat battery, Toyota Extra Care Roadside Assist²³ is never more than a phone call away. Available 24 hours a day, seven days a week, every day of the year, you'll have peace of mind, whatever your emergency. With two levels of cover available, Toyota Extra Care Roadside Assist provides one of the most professional, reliable, and technologically advanced assistance networks in Australia.
