

Prius v

Versatility for the modern family.

TOYOTA

toyota.com.au

Oh what a feeling!

Innovative thinking all the way through.

Imagine being able to orchestrate your school runs, party drop-offs, sports days and visits to the relatives without sacrificing power, style or comfort and enjoy great fuel efficiency.

With Prius v, you can. The car for the modern family that redefines how you get from A to B, with enough space to carry seven occupants in

comfort and almost anything else you and the kids can throw at it.

On the road, clever aerodynamic features channel the air effortlessly around the Prius v and complement the power of the Hybrid Synergy Drive® (HSD) engine, developed by Toyota. This combines an electric motor with petrol engine to maximise fuel efficiency and reduce fuel emissions while allowing you to change modes to suit your needs, by choosing 'PWR' for strong performance, 'ECO' for absolute fuel efficiency or 'EV' for low speed driving using only the electric motor.

The sleek lines are enhanced by LED Daytime Running Lamps (DRLs) at either end of the front bumper, and on the i-Tech® model the V-shaped Bi-LED headlamps provide extra bright visibility at night.

In daylight, the UV-reducing green glass in the windscreen and front windows cuts glare as well as reducing noise and vibration inside. While passengers in the rear, such as sleeping kids after a big day out, will appreciate the extra comfort and protection of the darkened privacy glass.

Family friendly comfort and space.

Prius v i-Tech® model shown

There's more smart design within Prius v. The seating can be worked six ways to load virtually anything for a family adventure and up to seven occupants.

The convenience of a single-dial air conditioning control makes it easy to ensure comfort for all. Essential instruments and controls are ergonomically placed around the driver while the dash combimeter delivers a range of important vehicle and trip information.

In the i-Tech®, you'll enjoy heated front seats and a panoramic roof, and should anyone make a mess, the premium seat materials are easy to clean. If you need to get going with your hands full, you'll appreciate Smart Entry and Start system that allows you to unlock and start the car while your key remains in your bag or pocket. Then once inside the seatbelt reminder means there'll be no excuses for not buckling up, while the rear-seat sunshades help keep passengers cool on bright sunny days.

You'll keep everyone happy with crisp sound from a six speaker system with a 6.1" touch screen display including integrated reverse camera¹ plus all the iPod®² and Bluetooth®³ capabilities you'd expect. And in the i-Tech® model, step-up to a JBL eight speaker system, and enjoy voice recognition, Satellite Navigation⁴ and Digital Radio.⁵

A.

B.

C.

The i-Tech[®] also has Intelligent Park Assist (IPA)⁶ to help you into tight spaces, plus Active Cruise Control⁷ will automatically maintain a safe and constant distance from the vehicle in front. Then when it's on the move, an electro-chromatic rear view mirror automatically adjusts to reduce headlight glare at night.

Prius v also provides protection for everyone inside and has been awarded the maximum

5-star ANCAP safety rating. Occupants are protected by seven SRS airbags. There's Vehicle Stability Control (VSC) to help with any potential oversteer or understeer. Electronic Brake-force Distribution (EBD) increases the brake force to the wheel(s) that need it most, while Brake Assist (BA)¹ ensures the shortest and safest possible braking distance in an emergency.

Plus, the Prius v i-Tech[®] also has a sensor-

based Pre-Collision Safety system (PCS)⁸ that detects when a crash is imminent, then takes precautions including warning the driver and improving braking performance through Brake Assist (BA)¹, and if required, automatically applying the brakes. So when it matters, your family will have this highly advanced technology to help protect them.

- B. Reverse camera with Back Guide Monitor (BGM) – Prius v i-Tech[®] model shown
- C. Rear-seat sunshade

4 key benefits

HYBRID
SYNERGY
DRIVE

Quietness.

The peaceful performance of the electric 'EV' mode, combined with the high-performance soundproofing materials throughout the engine and passenger compartments, delivers a uniquely tranquil driving experience.

Emissions.

By ensuring high-level fuel efficiency, Hybrid Synergy Drive® helps minimise the output of CO₂ and other harmful emissions. All of Toyota's hybrid vehicles are designed to comply with relevant global exhaust emissions regulations.

Fuel economy.

The aerodynamic styling of Toyota's hybrid vehicles, and clever pairing of an electric motor and robust petrol engine, deliver significant fuel economy. Each vehicle also provides ongoing feedback via its Multi Information Display, so you can actively evaluate and change the way you drive for even greater efficiency.

Power.

Hybrid Synergy Drive® combines the power of two energy sources to deliver powerful, smooth acceleration. Your vehicle can be powered by electricity, petrol, or a combination of both – and it's discreet and seamless.

How the hybrid system works.

Starting off

The electric motor is used primarily and power stored in the battery is used to turn the motor.

Full acceleration

Power is provided by the petrol engine in addition to the electric motor. Power output is maximised for a very powerful acceleration.

Deceleration

The electric motor functions as a generator during deceleration and braking. Regenerated energy is used to recharge the battery.

At rest

Braking to a stop at a traffic light, the petrol engine is cut off and the car is brought to a gentle stop. The system automatically avoids wasteful idling to conserve fuel and stop CO₂ emission.

Your Prius v, just the way you want it.

Prius v is available in a choice of two models and seven dynamic colours, so you can choose the model that best suits your family, taste and lifestyle.

Exterior colour

- A. Crystal Pearl⁹ 070

The Toyota Advantage.

Every Toyota gives you a lifetime of advantages. That's what makes it a Toyota. You'll enjoy legendary Toyota value from the moment you drive away, and you'll continue to appreciate the quality, safety and innovation that's engineered into each model, every day you drive.

A smarter way to buy.

Toyota Access puts you in complete control when buying a new car.¹⁶ Drive out of the Dealership with a clear road ahead then drive back a few years later with more options at your disposal than ever before. Whatever stage you're at in life, Toyota Access puts you in the driver's seat with ongoing flexibility and assurance. To discover Toyota Access for yourself visit toyota.com.au/access

Capped price servicing.¹⁷

A new Toyota means you don't have to worry about unexpected service costs. Every Toyota comes with a low, capped price service cost for a set number of years/kilometres. Pay the same low capped price from one eligible logbook service to the next for up to three years or 60,000km, whichever occurs first (including Genuine parts, labour and fluids). For the full benefits consult a Toyota Dealer or visit toyota.com.au/advantage

We've got your back.

Every new Toyota is built to exceptional standards, backed by a three year/100,000km¹⁸ warranty, giving you the peace of mind to feel confident for years to come. In the unlikely event that you need them, every Toyota Service Centre is committed to providing any warranty repairs you may need. They have the technology, the tools, and the skilled personnel to keep your Toyota in excellent condition.

Your battery goes further.¹⁹

The Hybrid battery used by Toyota, requires no maintenance, charges automatically while you drive and never needs to be plugged into a power supply.

The battery is disposable, recyclable and your Toyota Dealership can arrange recycling at no extra cost.

Finance to get you going.

If you need a little help, Toyota Finance²⁰ can offer you a wide range of vehicle financing. With Toyota Finance, you'll have the peace of mind of dealing with one of Australia's leading vehicle finance corporations with over 30 years experience. And with a range of flexible products and services to suit almost every need and circumstance, Toyota Finance can help find the right package for you or your business.

Even more protection.

Our Comprehensive Motor Vehicle insurance policy is packed with great benefits including; choice of agreed value or market value, New vehicle replacement cover for Toyota vehicles damaged beyond repair up to 3 years/100,000km²¹ Genuine Parts Promise and Quality Repair Guarantee. And our Toyota Insurance Factory Approved Extended Warranty Insurance provides protection that continues after your Toyota New Vehicle Warranty ends.

Extend your peace of mind.

Whether it's a flat tyre, lost keys or a flat battery, Toyota Extra Care Roadside Assist is never more than a phone call away. Available 24 hours a day, seven days a week, every day of the year, you'll have peace of mind, whatever your emergency.²² With two levels of cover available, Toyota Extra Care Roadside Assist provides one of the most professional, reliable, and technologically advanced assistance networks in Australia.

Disclaimers and Notice.

- 1 Reversing Camera/Brake Assist/Park Assist/Lane Departure Alert is a driver assist device only and should not be used as a substitute for safe driving practices. The area into which the vehicle is driven must be visually monitored by the driver.
- 2 iPod® is a trademark of Apple, Inc. Not all devices will be compatible and functionality will vary depending on the device.
- 3 The Bluetooth® word mark is owned by Bluetooth SIG, Inc. Not all devices will be compatible and functionality varies depending on the device.
- 4 Current navigation mapping database encompasses major capital and primary national road networks and offers some coverage in regional areas.
- 5 Digital radio station coverage dependent on vehicle location.
- 6 Intelligent Park Assist is a driver assist device only and should not be used as a substitute for safe parking practices. The driver should watch the area into which the vehicle is reversed, react appropriately and comply with all road rules. Intelligent Park Assist requires brake control.
- 7 Active Cruise Control is a driver assist technology and should not be used as a substitute for safe driving practices. Driver should continue to monitor the road.
- 8 PCS is a driver assist technology and should not be used as a substitute for safe driving practices. Driver should continue to monitor the road.
- 9 Paint featured is an optional extra at additional cost. Not all colours available on all models, see colour guide for details of availability.
- 10 Toyota Genuine Accessories are not applicable to all models/grades. Consider the mass of your load to ensure you will not exceed the maximum allowable individual axle capacity, Gross Vehicle Mass and/or Gross Combined Mass of the vehicle. Refer to the current Accessories brochure or visit toyota.com.au for details on warranty and toyota.com.au/vehiclepayload for details on vehicle payload, to help determine Accessories suitable for your vehicle. Accessory colours shown may vary from actual colour due to the printing process.
- 11 All Toyota Genuine Accessories purchased and fitted to a Toyota are warranted for the remainder of the New Vehicle Warranty or 12 months, whichever is greater. Toyota Genuine Accessories purchased from an authorised Toyota Dealer over the counter are warranted from the date of purchase for one year. Conditions apply.
- 12 Fuel consumption and emissions will vary depending on driving conditions/style, vehicle conditions and options/accessories. Source of fuel consumption data: ADR81/02 combined cycle.
- 13 Vehicle dimension figures are approximate and vary due to options, accessory fitment and weight carried.
- 14 Kerb, tare and payload weights are nominal and vary depending on options and accessories.
- 15 Toyota Link is available on certain vehicle models and grades only. Toyota Link services rely on data from the driver's compatible mobile phone and information provided by third parties. Availability is dependent on a number of factors, including the availability of third party information, mobile service, sufficient mobile data allowance and GPS satellite signal reception. Mobile usage is at the user's cost. Toyota Australia reserves the right to add, remove or modify applications. Further information is provided at www.toyota.com.au/toyotalink
- 16 Guaranteed Future Value (GFV) is the minimum value of your new Toyota at the end of your finance contract, as determined by Toyota Finance. If you decide to return your car to Toyota at the end of your term, Toyota Finance will pay you the agreed GFV amount which will be put against your final payment, subject to fair wear and tear conditions and agreed kilometres being met. The information provided is general in nature. You should seek your own financial advice to determine whether Toyota Access is appropriate for your individual circumstances. Terms and conditions, fees and charges apply. Toyota Access Guaranteed Future Value (GFV) products are available to approved customers of Toyota Finance, a division of Toyota Finance Australia Limited ABN 48 002 435 181, Australian Credit Licence 392536.
- 17 Maximum payable for standard scheduled logbook servicing (normal operating conditions) until first of three years or 60,000km (whichever occurs first), up to the first six services. Excludes Government & Rental vehicles. Contact your Toyota Dealer or go to toyota.com.au/advantage for other exclusions, eligibility and full details.
- 18 New Vehicle Warranty expires three years from date of first delivery or 100,000km, whichever occurs first. Refer to the warranty conditions. The New Vehicle warranty does not limit and may not necessarily exceed your rights under the *Competition and Consumer Act 2010*.
- 19 The HV (Hybrid) Battery Warranty expires 8 years from date of first delivery or 160,000kms, whichever occurs first. This warranty is comprised of the 3 year Toyota New Vehicle Warranty and an additional 5 year Toyota Australia Hybrid (HV) battery warranty. Refer to warranty conditions. This warranty does not limit and may not necessarily exceed your rights under the *Competition and Consumer Act 2010*.
- 20 Toyota Finance is a division of Toyota Finance Australia Limited ABN 48 002 435 181, Australian Credit Licence No 392536.
- 21 Terms and conditions apply. This advice does not take into account any of your particular objectives, financial situation or needs. For this reason, before you act on this advice, you should consider the appropriateness of the advice taking into account your own objectives, financial situation and needs. Before making a decision about any of the insurance products, please refer to the current Product Disclosure Statement (PDS) for the relevant product available from participating Dealers, via the Toyota Insurance website at toyotainsurance.com.au or by calling 137 200. Toyota Insurance is a division of Aioi Nissay Dowa Insurance Co., Ltd. ABN 39 096 302 466 AFSL Number 254489 (Andia). The Insurer is Andia. Our insurance policies do not change or take away your rights under the Australian Consumer Law. Your right to claim under our policies for the benefits covered is in addition to other rights and remedies you have under the law in relation to your vehicle.
