

Mercedes-Benz

Mercedes-AMG GT

Specifications

807 MY effective from October, 2016 production

Australia

Mercedes-AMG GT

GT

Technical Data

- 3,982cc, 8 cylinder, 340 kW, 600 Nm
- Direct injection, Bi-turbo
- AMG SPEEDSHIFT DCT 7-speed transmission
- ECO start/stop
- Rear wheel drive

Fuel Data

- 9.4 L / 100km
- Combined cycle
- ADR 81/02
- 98 RON
- 218 g CO₂ p/km

Key Features

- Aluminium space frame construction
- AMG DYNAMIC SELECT Controller
- Burmester® surround sound system
- COLLISION PREVENTION ASSIST PLUS
- PRE-SAFE® accident anticipatory system
- 19 inch AMG 10 spoke alloy wheels

GT S

Technical Data

- 3,982cc, 8 cylinder, 375 kW, 650 Nm
- Direct injection, Bi-turbo
- AMG SPEEDSHIFT DCT 7-speed transmission
- ECO start/stop
- Rear wheel drive

Fuel Data

- 9.4 L / 100km
- Combined cycle
- ADR 81/02
- 98 RON
- 219 g CO₂ p/km

Key Features

- AMG RIDE CONTROL sports suspension
- AMG DYNAMIC PLUS package
- AMG Electronic rear differential lock
- DISTRONIC PLUS
- Panoramic roof
- 19/20 inch AMG 10 spoke alloy wheels

The declared fuel and energy consumption figures are determined by testing under standardised laboratory conditions to comply with ADR 81/02. Real world consumption is influenced by many additional factors such as fuel quality, individual driving style, load, traffic and vehicle condition. The declared consumption figure should only be used for the purpose of comparison amongst vehicles.

GT Standard Equipment

Interior

- AMG Interior Silver Chrome trim
- AMG emblem embossed in the centre console armrest
- AMG floor mats
- AMG illuminated door sill panels in brushed stainless steel
- AMG instrument cluster with yellow highlights
- AMG sports pedal cluster in brushed stainless steel with rubber studs

Combining our spirit of innovation with a genuine love of driving.

Experience an unforgettable, challenging and rewarding day on the track.

Whether you're a novice, or an experienced driver, Mercedes-Benz Driving Events is your chance to learn vital road skills from Australia's best driving instructors. At the same time, you'll get to experience the very latest in Mercedes-Benz automotive safety technology, across the range, from an A-Class to a S-Class and even off-road.

For more information please visit the website.

First Gear

Developed specifically for young drivers, as we believe that the earlier you develop confidence and defined driving skills, the safer you'll be on the road.

Teaching vital driving and safety principles, skills and behaviours. First Gear is simple; to help save lives. Developed specifically for the younger driver (18 to 24 years*), the program addresses the attitudes and behaviours that affect young drivers when they take to the road.

As most accidents start long before the actual collision, under the focused guidance of our professional driving instructors, you will learn to understand, recognize, avoid risks and handle critical driving situations.

This drive day will raise your awareness of typical dangerous situations and ensure you develop a new understanding of the vehicle and your skills, keeping you safer on the road. Available for drivers aged 18 – 24 years who hold a valid probationary or full licence.

Accelerate

Practice and experience the foundations of superior driving. This is your chance to combine education with exhilaration, and learn from Australia's best driving instructors. Master sudden manoeuvres, learn to make the right decision in a split second and be tested in emergency situations.

Under the personal guidance of our driving instructors, you will take part in a number of dynamic handling exercises that have been specifically developed to test you and showcase the technology and handling capabilities of the Mercedes-Benz range, including autonomous driving.

Finally, you'll also be taken on the thrill ride of your life in our Mercedes-AMG hot lap car. Available to drivers aged 25 and over who hold a valid full licence.
