The declared fuel consumption figures are determined by testing under standardised laboratory conditions to comply with ADR 81/02. Real world fuel consumption is influenced by many additional factors such as individual driving style, load, traffic and vehicle condition. The declared fuel consumption figure should only be used for the purpose of comparison amongst vehicles.

*The information contained in this document is indicative only and correct at the time of printing, 1 July 2016 and may have changed since. However, packages (including model lines), specifications, features, extras, options and equipment levels are subject to change without notice. Some vehicles or equipment pictured and/or featured may not be available in Australia or may be available in a different specification. Visit www.mercedes-benz.com.au/dealer to contact your local authorised Mercedes-Benz dealer for current details and information, including pricing.

**Emergency spare wheel delivered with vehicle may be a full size spare, space saver wheel or collapsible wheel, depending on model/specification of vehicle, production times and availability, and optional alloy wheel ordered (if any). The type of emergency spare wheel delivered is controlled by the factory and is subject to change without notice.

GLC 220 d Standard Equipment

Interior

- Ambient interior lighting with 3 different colours and 5 dimming levels
 - ARTICO upholstery
 - AUDIO 20 with 7-inch TFT (800 x 480) colour display, touchpad control, single-disc CD player with MP3/WMA/ACC compatibility, AM/FM tuner and Bluetooth® connectivity with audio streaming

Combining our spirit of innovation with a genuine love of driving.

Experience an unforgettable, challenging and rewarding day on the track.

Whether you're a novice, or an experienced driver, Mercedes-Benz Driving Events is your chance to learn vital road skills from Australia's best driving instructors. At the same time, you'll get to experience the very latest in Mercedes-Benz automotive safety technology, across the range, from an A-Class to a S-Class and even off-road.

For more information please visit the website.

First Gear

Developed specifically for young drivers, as we believe that the earlier you develop confidence and defined driving skills, the safer you'll be on the road.

Teaching vital driving and safety principles, skills and behaviours. First Gear is simple; to help save lives. Developed specifically for the younger driver (18 to 24 years*), the program addresses the attitudes and behaviours that affect young drivers when they take to the road.

As most accidents start long before the actual collision, under the focused guidance of our professional driving instructors, you will learn to understand, recognize, avoid risks and handle critical driving situations.

This drive day will raise your awareness of typical dangerous situations and ensure you develop a new understanding of the vehicle and your skills, keeping you safer on the road. Available for drivers aged 18 – 24 years who hold a valid probationary or full licence.

Accelerate

Practice and experience the foundations of superior driving. This is your chance to combine education with exhilaration, and learn from Australia's best driving instructors. Master sudden manoeuvres, learn to make the right decision in a split second and be tested in emergency situations.

Under the personal guidance of our driving instructors, you will take part in a number of dynamic handling exercises that have been specifically developed to test you and showcase the technology and handling capabilities of the Mercedes-Benz range, including autonomous driving.

Finally, you'll also be taken on the thrill ride of your life in our Mercedes-AMG hot lap car. Available to drivers aged 25 and over who hold a valid full licence.
