Please note: some of the products shown here are only available for the Sprinter up to year of manufacture 08/13, others are only available for the Sprinter from year of manufacture 09/13. Any such restrictions will be indicated where applicable.

Flexibility on the road.

Your Mercedes-Benz Sprinter needs to be adaptable. Our Genuine Accessories are designed to provide everything you need in a mobile work place. Discover practical solutions for transporting a diverse range of goods – whether large, long, bulky or heavy. We're here to ensure you're ready for every task.

01 C-rails

The starting point for roof transport: the C-rails provide the basis for fitting basic carrier bars and cargo racks. They allow roof loads of 150 kg on models with a high roof (LH2) and up to 300 kg on models with a standard roof (LH1).

B 6656075164 C-rail Kit - Compact Body Length A1
 B 6656075264 C-rail Kit - Standard Body Length A2
 B 6656075364 C-rail Kit - Long Body Length A3

02 Basic carrier bars

The robust basic carrier bars can be mounted in any position on the C-rails. The strong 30 x 30 mm steel bars ensure a level loading surface, and their plastic sheathing protects both the bars and the cargo. The maximum roof load per crossbar is 50 kg (including bar). Please bear in mind your vehicle's maximum roof load. Supports and end caps for the crossbars are available separately.

B 66560801 Three Crossbars with 6 Supports
 B 66560800 One Crossbar with 2 Supports

(Only in conjunction with C-rails)

03 Ladder rack

A wide variety of ladders can be safely transported on the basic carrier bars using the ladder rack.

A 9068400018

Trailer couplings

Our range of trailer couplings allows you to choose between different variants and components that are precision tailored to your individual requirements. Maximum towing capacities available 2t or 3.5t.

01 Sprinter 2t Capacity Towbar | not pictured

- B 64319067 Sprinter Van Towbar 2t - (Downball 200kg)
- B 64319066 Sprinter Cab Chassis Towbar 2t - (Downball 200kg)
- B 64319064 Sprinter Van Towbar 2t - (Downball 200kg) - BM 906653 Only

02 Sprinter (XMO) 3.5t Capacity Towbar | not pictured

- B 64319075 Sprinter Van Towbar 3.5t > (Downball 350kg)*
- B 64319077 Sprinter Cab Chassis Towbar 3.5t > (Downball 350kg)

* For vehicles with sales code W73 (Rear Step) requires additional step support part number A 9065200631 and a cut-out to the existing bumper cover or a replacement bumper cover part number A 9068803171 9B51 can be ordered

All Genuine towbars require one of the following Electrics Kits to complete the installation:

B 66560612 for vans with Sales Code E57 up to Production Month 11/2014

B 66560613 for vans without Sales Code E57 up to Production Month 11/2014

A 9065407004 & B 66560603 for vans with Sales Code E57 from Production Month 12/2014

Important information: Applicable Models for 3.5t Towbar. The 3.5t towbar is only available on Sprinter's with a GVM of 4490kg or 5000kg and with dual rear wheels. Please refer to an Authorised Mercedes-Benz Vans Dealership for vehicle and variant applicability for the higher 3.5t capacity towbar.

Also note: All Trailers over 2000 kg must be fitted with Trailer Breakaway Brake System. Please refer to your State Registration Authority for specific requirements.

WARNING: When towing a trailer do not exceed the permissible Gross Combination Mass (GCM), or the permissible Rear Axle Capacity of the towing vehicle.

03

03 Adapter

For trailer with 7-pin plug. (13-pin socket to 7-pin plug)
A 0008211856

04 Rear Cargo Mats | not pictured

Tailored to suit the floor shape to ensure the best fit and greatest protection. Manufactured from a heavy duty solid rubber with a non-slip surface and are easy to remove for cleaning or storage.

- B 64689060 Suit Sprinter MWB
- B 64689062 Suit Sprinter LWB

Cargo Barriers | not pictured

A low profile appealing design, while providing utmost visibility.

05 Sprinter Van Cargo Barrier

- B 64719067 Sprinter Cargo Barrier - Suit Standard Roof
- B 64719066 Sprinter Cargo Barrier - Suit High Roof
- B 64719069 Sprinter Cargo Barrier Walk Through - Suits Standard Roof & High Roof (Requires adaptor)
- B 64719068 Sprinter Cargo Barrier Adaptor - Suit High Roof

06 Sprinter Transfer Cargo Barrier

Designed and fitted behind the fourth row of seats

- B 64719072 Sprinter Cargo Barrier - Suit Standard Roof
- B 64719073 Sprinter Cargo Barrier Adaptor - Suit High Roof

07

07 Multipurpose box

Practical folding box, ideal for shopping and a host of other transportation.

B 66560323

01 Sun visor

The exterior sun visor prevents dazzle even when the sun is low in the sky – without restricting the driver’s field of vision. It also emphasises the sporty front-end appearance of your Sprinter.

B 66560920

02 Side window wind deflector

When the window is ajar, the custom-fit wind deflector prevents dust, moisture and even insects from entering the vehicle, and prevents fogging of the windows. Its draught-inhibiting function further enhances comfort.

B 66560104

Chrome Radiator Grille and Chrome Grille Highlights.

A touch of refinement: the high-sheen chromed radiator grille highlights add further appeal.

03 The high-sheen chromed radiator grille

A 90688008859B51 Chrome Grille (XMO facelift From 09/2013 Onwards)

04 Chrome highlights for radiator grille | not pictured

Four chrome trim elements are fitted to the radiator grille.

B 66560948 Chrome Grille Highlights (Pre-facelift up to 08/2013)

Comfort on the road.

01 Becker® MAP PILOT

Transforms your Audio 15 radio into a high performance navigation system with 3D map views. Becker® MAP PILOT uses the standard-fit 14.7 cm colour TFT display and is conveniently operated via the vehicle's Controller and the Audio 15 keypad. The plug-in navigation module can be connected to your PC via USB to download the latest updates and additional services from the Becker® MAP PILOT website.

Part numbers to order:

A 9068200600 - BMP Pre-installation wiring kit

A 9069004903 - BMP Control Unit

A 2128205315 - Additional Cable Harness

Product is only available for Sprinter from year of manufacture 09/13.

01

02

01 Ultrasonic reversing aid

The reversing aid is designed to assist the driver. Any obstacles up to a distance of 1.60 m behind the vehicle are registered using ultrasonic technology. Audible signals make manoeuvring and reversing into a parking space easier and safer. The relevant control unit is available as an option.

B 66560666

Not in conjunction with rear step - code W73

02 Monitor for reversing camera

Multifunctional: the tilt-and-swivel reversing camera monitor is optimally adjustable. The 7-inch TFT monitor is automatically activated when the vehicle goes into reverse. The display and volume can be intuitively controlled using the buttons on the front of the unit. During rest breaks, the monitor can be connected to a portable DVD player. The monitor is pre-fitted in the stowage tray and can be quickly and easily extended or folded away.

A 9069060061

03 Reversing camera

Systematically coordinated innovation: the reversing camera assists the driver right from the start of the reversing manoeuvre. The camera is activated automatically, as soon as reverse gear is engaged. There's also a built-in microphone, so you can not only see but hear what's going on behind the vehicle. The camera image is conveniently displayed either on the Audio 15 display or on the reversing camera monitor.

B 6656080828 Suit Sprinter Van Variants ¹

B 66560843 Suit Sprinter Cab Chassis (Box Body) Variants ^{2,3}

B 64829062 Suit Sprinter Cab Chassis (Tray Body) Variants ^{4,5}

Only in conjunction with code FR7 (Pre-installed Wiring)

¹ For Sprinter up to year of manufacture 08/2013 requires A 9069060061 Display Monitor

² For Sprinter up to year of manufacture 08/2013 requires A 9069060061 Display Monitor & B 66560845 Extension harness 9 Metre.

³ For Sprinter from year of manufacture 09/2013 requires B 66560845 Extension harness 9 Metre.

⁴ For Sprinter from year of manufacture 09/2013

⁵ Without built-in Microphone

04 Programmable special module for individual body assemblies | not pictured

The PSM control unit forms the interface between the vehicles electrical systems and those of the body manufacturers. The special module can be used to implement and add specific functions (e.g. work speed control). 10 inputs and 20 outputs are available for this purpose.

B 66560734

03

01 Rep mats

The perfect combination of extremely hardwearing, durable ribbed material and elegant design. Other advantages: a precision fit, held in place to prevent slipping, odourless.

A 9066802900 - Front

02 All-season mats

Made from dirt and water-repellent rubber, these mats help protect the carpeted floor of the vehicle, are non-slip and are easy to clean. Their shape and design are also, of course, precision-tailored to the interior. Embossed with Mercedes-Benz lettering.

B 66570007 - Front

B 66570008 - Passenger compartment, Crewcab

03 Velour mats

Elegant, high-quality tufted velour mats. Durable and extremely hardwearing. With metal badge featuring Sprinter lettering.

B 66560967 - Front with Single co-drivers seat

B 66560968 - Front with Twin co-drivers seat

04 Seat covers

Optimum fit in original design: the colour and pattern of the seat covers are based on the original seats, and the covers are available for virtually all seat variants. Special features, such as the integral table in the twin co-driver's seat or the ISOFIX attachment system, remain fully usable.

Contact your Mercedes-Benz Dealership for Product range available.

05 Protective covers

Just in case: the robust oil and dirt-repellent protective covers are easy to fit and can be used either as a temporary measure, when visiting the workshop, or permanently, for example on the construction site.

- B 66560941 Seat Cover - Single Seat - Suits Left & Right
- B 66560942 Seat Cover - Twin Co-drivers seat
- B 66560943 Seat cover - Passenger Compartment Bench seat Crewcab

06 Coolbox

On longer journeys, the coolbox, made of hygienic, easy-to clean plastic, provides a constant and dependable cooling performance – thanks to the on-board 12 V power supply. The box can be firmly secured in the load compartment with the aid of the special strap system. It's also easy to carry, using the handy carry straps. The coolbox has a capacity of 16 litres.

B 66560300

07 Writing surface

This practical writing surface simply hooks over the steering wheel. It comes with handy clips for holding your papers.

B 66560388

08 Coat hanger

Minimise creasing with this stylish and practical coat hanger made from chromed metal. Easy to fit to the front head restraints.

A 0008103400

Requires base support - A 0008103300

Optional Universal Hook available - A 0008140000

Not available for Sprinter Transfer Bus Variants.

Individuality on the road.

01 7-twin-spoke wheel*

Finish: brilliant silver

Wheel: 6.5 J x 17 ET 62 | Tyre: 235/60 R17

B 66560390

02 6-spoke wheel*

Finish: black

Wheel: 6.5 J x 16 ET 62 | Tyre: 235/65 R16

B 66570023

Only in conjunction with single tyres / GVM up to 3.88t
(sales codes XG4 or XL8)

03 6-spoke wheel*

Finish: brilliant silver

Wheel: 6.5 J x 16 ET 62 | Tyre: 235/65 R16

B 66570022

Only in conjunction with single tyres / GVM up to 3.88t
(sales codes XG4 or XL8)

04 Full wheel trim

Brilliant silver finish. The 16-inch (40.6 cm) plastic full wheel trim serves two purposes at the same time: it protects the wheel from dirt and enhances the appearance of your Sprinter.

B 66560733

Not for super single, Code RH9 or dual rear wheels/twin tyres,
Code RH1

* Alloy wheels are fitted using longer wheel bolts (73 mm)
A 9069900007

* Light-alloy wheels are supplied without tyres, hub caps,
valve caps or wheel bolts.

05 Hub caps

The hub caps protect the wheel from dirt and are also elegantly eye-catching. Available in the following versions:

Contact your Mercedes-Benz Dealership for Product range available.

06 Tyre pressure gauge

Allows you to carry out a quick tyre pressure check on the road or at home. Keeping tyres at the optimum pressure saves fuel and reduces tyre wear. Suitable for all motor vehicle tyre valves and for cycle valves. Supplied with leather pouch.

B 66588140

07 Valve caps, black

Stylish highlights in a new design. Protect the valves from dirt. Set of 4.

B 66472002

08 Mud flaps

Made of long-life plastic, the mud flaps meet the highest standards of quality and functionality. They help to protect the body from dirt and scratching and at the same time improve visibility for following vehicles.

B 66560781 Rear set - Suit Body length Standard, Long & Extra Long (A2 - A4)

B 66560782 Rear set - Suit Dual / Super Single Tyres

B 66560783 Rear set - Suit Body length Compact only (A1)
