

Fortuner

Bred for adventure.

TOYOTA

toyota.com.au

Oh what a feeling!

In town or off road, Fortuner's tough to the task.

Now there's a vehicle that's equally at home doing the school run as it is towing your boat or helping you to discover the ultimate surf break.

Fortuner is the powerful 7-seater SUV designed to meet the demands of a busy family life while also being up to the challenge of your next great adventure.

With its origins influenced and inspired by Toyota's iconic SUV and Unbreakable HiLux range, Fortuner already boasts a proud and proven 4WD heritage. Its muscled up exterior lines are complemented by a reinforced toughness that's been specially developed by Toyota's Technical Centre to take on the harshest of Australian conditions – in town

or out. While inside you'll find a surprisingly well appointed interior that benefits from an exceptionally quiet and smooth ride.

With Fortuner you'll have the power, comfort and reliability to confidently go wherever your ambition takes you.

Looks more than ready for action.

The sharp, sculptured lines of Fortuner deliver a strong statement of purpose and intent.

Up front slender headlamps, with thick chrome surrounds on the Crusade and GXL, combine with a beefy three dimensional trapezoid bumper to create a bold and elegant form.

The high body position and wide front and rear fenders come together to express a modern

toughness that's accentuated by Fortuner's sleek lines as well as the eye catching chrome belt line on the Crusade.

From behind, the wrap around rear glass trim is topped off with a spoiler and shark fin antenna. The rear tail lamps feature integrated LED light guides to help make sure Fortuner can't be missed, while the privacy glass on GXL and Crusade keeps you discreet inside.

You'll find 18" alloy wheels standard on Fortuner Crusade, 17" alloy wheels on the GXL and 17" steel wheels on GX.

The Bi-Beam LED headlamps on Crusade bathe the road ahead with a more natural tone of light and are complemented by integrated LED Daytime Running Lamps (DRLs). On Crusade and the GXL, fog lamps are fitted as standard.

You'll also find the handy convenience of integrated, solid roof rails fitted as standard on GXL and Crusade.

For a simple day out or more serious adventures, Fortuner is built to take on Australia in tougher style.

Crusade model shown in Silver Sky.¹
Fitted with optional 18" Matte Black Alloy Wheels. Accessories sold separately.

Go where your spirit takes you.

Make no mistake, each and every Fortuner is built as a genuine 4x4 with the ability to handle seriously rough terrain.

You'll have Hill-start Assist Control² (HAC) and Downhill Assist Control³ (DAC) on GXL and Crusade models to help when you're going up or down steep slopes. Active Traction Control (A-TRC) automatically distributes the drive to the wheels with the best grip for superior control on slippery and uneven surfaces. The Rear Differential Lock is standard on every

Fortuner and further enhances its off road pedigree and performance.

The chassis takes the term 'reinforced toughness' seriously, featuring beefy cross members, side rails and suspension towers to give Fortuner outstanding torsional rigidity and the durability you need to take you further than the end of the road.

Superior 590MPa high grade tensile steel has been strategically used in the body for greater strength, and features hundreds of spot welds to provide greater stiffness. It's also treated with a special wax coating for extra protection when the going gets tough and wet.

The suspension has been specifically tuned by Toyota to provide highly refined handling and ride characteristics in the uniquely Australian conditions and is complemented by the outstanding stopping power of large front and rear disc brakes.

And when it comes to muscle, Fortuner boasts a massive 3,000kg braked towing capacity⁴ on the manual transmission model, so the boat or caravan is welcome to come too!

When you've got a Fortuner, you've got real confidence and strength.

Adventure has never been so welcoming.

Even though it's built for adventure, step inside Fortuner and you'll find it's finished to deliver highly refined levels of usability and convenience.

There's room for everyone inside with seven full size seats and the 3rd row quickly folds out of the way to transform Fortuner from a family transporter to a machine ready for 4WD action and to provide maximum storage space. ISOFIX child restraints are standard, and on Crusade, the front driver's seat is also 8-way power adjustable.

The 7" display audio unit features voice recognition with steering wheel controls and advanced connectivity for AUX/USB⁵ and Bluetooth^{®6} functions. The Crusade has the added benefits of Satellite Navigation⁷ and digital radio⁸ (DAB). Then connect your smartphone with Toyota Link⁹ and find fuel and accommodation, plan trips, receive real time advice, easy-to-follow directions and the latest weather information, all right from the interface.

On the GXL and Crusade, the Smart Entry and Start system allows you to get in and get going while the key remains in your pocket or bag, then when on the move, the 4.2" Multi Information Display (MID) provides important trip and vehicle information including outside temperature and average fuel consumption levels.

On hot days the air conditioned cooler box is perfect to keep drinks cool and is conveniently placed just above the glove box. You'll also have air conditioning to keep you comfortable in all weather conditions, rising to Automatic Climate Control air conditioning on Crusade.

When loading and unloading Crusade, the power back door can be opened and closed without the driver needing to leave their seat and the memory function controls how far up it opens, making it perfect when being used in areas with lower clearance.

Whether you're going round town or around the country, Fortuner is ready to move your family in great comfort with maximum convenience and versatility. The interior has been designed following the latest in ergonomic development, placing everything just where it should be and delivering plenty of usable space.

The thick metallic accents and woodgrain-look ornamentation on GXL and Crusade are tastefully complemented by soft, quality upholstery with colour stitching used throughout the cabin. On Crusade models, the Leather Accented finishes are available in a choice of two colour options. You'll also find convenient cup and bottle holders and there's plenty of handy storage spaces throughout to stash all your essential gear.

Whatever the road conditions, whether travelling at low or highway speed, the advanced NVH (Noise, Vibration, Harshness) reduction system uses expansion foam and superior body seals to ensure you enjoy the quietness inside Fortuner.

The hydraulic power steering has been optimised for Australian conditions to be easy and light at low speed and in tight spaces, then retain higher levels of controlled feedback as the speed increases. At the flick of a switch you can also choose between 'ECO' and 'Power' modes using Drive Mode Select for optimum performance in all conditions (Automatic transmission only), and on GXL and Crusade, the paddle shifters (Automatic transmission only) allow you to change gear without your hands leaving the wheel.

The power to take you anywhere.

2.8L Turbo-diesel engine

With its 2.8L 4-cylinder Turbo-diesel engine, Fortuner gives you the power to go where you choose.

Developed from scratch to provide unprecedented reliability and response, it delivers a grunty 450Nm of torque with an automatic transmission, tuned exhaust and advanced engine noise suppression. You'll also enjoy outstanding fuel efficiency,¹¹ with the electronic common-rail fuel injection helping

deliver figures as low as 7.8L per 100km⁹ (combined) on manual transmission.

To manage this abundance of power in the smoothest possible way, you have the choice of either a 6-speed manual or 6-speed automatic transmission. Either way, the gear ratios have been selected to provide maximum drivability and enhance fuel efficiency.¹¹ When you switch on the intelligent Manual Transmission (i-MT) in the GXL or Crusade,

the engine revs will be automatically regulated during gear change and when moving off, making Fortuner almost impossible to stall, even when carrying heavy loads or driving off road.

With such reassuring power, outstanding efficiency and reliability, what more could you need?

Whether heading off road or travelling with a cargo as precious as your family, Fortuner gives you the reassuring confidence of knowing it's been designed with safety as a top priority and awarded the highest ANCAP 5 Star Safety Rating.

The Reversing Camera¹⁰ helps provide a clear view of what's behind and displays static guidelines to help you reverse into tight spaces. The impact absorbing structure combines with the 7 SRS Airbags to help provide exceptional all round protection for all of those inside. 3-point seatbelts with Emergency Locking Retractors (ELR) are standard on all seven seats. The front seatbelts also feature pre-tensioners and force limiters to prevent excessive loads being applied and reducing the impact to the chest should a collision occur.

The intelligent Anti-lock Braking System (ABS) with Electronic Brake-force Distribution (EBD) helps you stop quickly and safely, while the Vehicle Stability Control (VSC) helps you maintain grip on slippery surfaces and provide greater control when cornering.²

When towing, the Trailer Sway Control (TSC) automatically uses the brake and engine output to help limit trailer movement should it experience excessive sway.

Fortuner GX

Refined toughness ready to start your next adventure.

- 4x4
- 17" steel wheels with all-terrain tyres
- 6-speed automatic or 6-speed manual
- 2.8L 4-cylinder Turbo-diesel
- Reversing Camera¹⁰
- Side steps
- Air conditioned cooler box
- Rear differential lock
- Dusk sensing headlamps
- 7 seats
- Voice Recognition (VR)
- Manual headlamp levelling
- Monochrome Multi Information Display (MID)
- 7" display audio with Toyota Link⁹

Fortuner GXL

Take the next step up and follow your own path. In addition to or replacement of GX features:

- 17" alloy wheels with all terrain tyres
- intelligent Manual Transmission (i-MT) (Optional)
- Premium steering wheel and gear knob
- Smart Entry and Start system
- Colour 4.2" Multi Information Display (MID)
- Downhill Assist Control (DAC)
- Fog lamps
- Privacy glass
- Paddle shifters (Automatic transmission only)
- Rear parking sensors

Fortuner Crusade

The ultimate expression of refined toughness is ready for you. In addition to or replacement of GXL features:

- 18" alloy wheels with highway tyres
- 8-way power adjustable driver's seat
- Climate Control air conditioning
- Digital Radio⁸ and Satellite Navigation⁷
- Leather Accented seats
- 220V accessory connector
- Power back door
- Integrated LED Daytime Running lamps (DRLs)
- Bi-Beam LED headlamps with auto-levelling

Great colours. Tough choice.

Stylish extras for your next adventure.

Whether you're going off-road outback or making a weekend escape, only Toyota Genuine Accessories¹³ have been developed alongside Fortuner to be right up to the challenge of your next adventure. All are built to fit straight onto your Fortuner, and they're also backed by our Toyota Warranty.¹⁴

Get ready for life's adventures with Toyota Genuine Accessories. To find out more, go to www.toyota.com.au/fortuner/accessories

GX model shown in Glacier White, accessorised with Alloy Bull Bar, Front Weathershields, Side Steps, 18" Alloy Wheels (Machined Grey) and Towbar, Towball and Trailer Wiring Harness.¹⁴ Accessories sold separately.

Choose from either Alloy or Steel Bull Bars, both developed by Toyota and rigorously tested for durability to protect critical components should an impact occur during off road driving. Alloy Bull Bars are airbag-compatible, available in variants to fit the Toyota enhanced Warn Winch, and have mounting platforms for driving lights and an antenna. For frontal protection, the stainless steel Nudge Bars have got you covered.

The high tensile, airbag-compatible steel cargo barrier is perfect to keep loads in place. With all the extra load space and a maximum braked towing capacity of up to 3,000kg on certain models, it's up to you to decide where your next trip will be.

The Toyota Advantage.

Every Toyota gives you a lifetime of advantages. That's what makes it a Toyota. You'll enjoy legendary Toyota value from the moment you drive away, and you'll continue to appreciate the quality, safety and innovation that's engineered into each model, every day you drive.

A smarter way to buy.

Toyota Access puts you in complete control when buying a new car.¹⁷ Drive out of the Dealership with a clear road ahead then drive back a few years later with more options at your disposal than ever before. Whatever stage you're at in life, Toyota Access puts you in the driver's seat with ongoing flexibility and assurance. To discover Toyota Access for yourself visit toyota.com.au/access

Finance to get you going.

If you need a little help, Toyota Finance²⁰ can offer you a wide range of vehicle financing. With Toyota Finance, you'll have the peace of mind of dealing with one of Australia's leading vehicle finance corporations with over 30 years experience. And with a range of flexible products and services to suit almost every need and circumstance, Toyota Finance can help find the right package for you or your business.

Capped price servicing.¹⁸

A new Toyota means you don't have to worry about unexpected service costs. Every Toyota comes with a low, capped price service cost for a set number of years/kilometres. Pay the same low capped price from one eligible logbook service to the next for up to three years or 60,000km, whichever occurs first (including Genuine parts, labour and fluids). For the full benefits consult a Toyota Dealer or visit toyota.com.au/advantage

Even more protection.

Our Comprehensive Motor Vehicle insurance²¹ policy is packed with great benefits including; agreed value cover or New vehicle replacement cover for Toyota vehicles damaged beyond repair within 3 years of original registration, Genuine Parts Promise and Lifetime Repair Guarantee. And our Toyota Insurance Factory Approved Extended Warranty Insurance provides protection that continues after your Toyota New Vehicle Warranty ends.

We've got your back.

Every new Toyota is built to exceptional standards, backed by a three year/100,000km¹⁹ warranty, giving you the peace of mind to feel confident for years to come. In the unlikely event that you need them, every Toyota Service Centre is committed to providing any warranty repairs you may need. They have the technology, the tools, and the skilled personnel to keep your Toyota in excellent condition.

Extend your peace of mind.

Whether it's a flat tyre, lost keys or a flat battery, Toyota Extra Care Roadside Assist²² is never more than a phone call away. Available 24 hours a day, seven days a week, every day of the year, you'll have peace of mind, whatever your emergency. With two levels of cover available, Toyota Extra Care Roadside Assist provides one of the most professional, reliable, and technologically advanced assistance networks in Australia.

Disclaimers and Notice.

- 1 Paint featured is an optional extra at additional cost.
- 2 Hill-start Assist Control, Anti-lock Braking System, Electronic Brake-force Distribution and Vehicle Stability Control are a driver assist devices only and should not be used as a substitute for safe driving practices.
- 3 Downhill Assist Control is a driver assist technology and should not be used as a substitute for safe driving practices. Areas into which the vehicle is driven must be visually monitored.
- 4 Towing capacity subject to regulatory requirements, towbar design, vehicle design and towing equipment limitations. Ask your Dealer for details of Toyota Genuine Towbar capacity and availability.
- 5 Not all devices will be compatible. Functionality varies depending on device.
- 6 The Bluetooth® word mark is owned by Bluetooth SIG, Inc. Not all devices will be compatible and functionality varies depending on the device.
- 7 Current navigation mapping database encompasses major capital and primary national road networks and offers some coverage in regional areas. Available on the current model Crusade.
- 8 Digital radio station coverage dependent on vehicle location.
- 9 Toyota Link is available on certain vehicle models and grades only. Toyota Link services rely on data from the driver's compatible mobile phone and information provided by third parties. Availability is dependent on a number of factors, including the availability of third party information, mobile service, sufficient mobile data allowance and GPS satellite signal reception. Mobile usage is at the user's cost. Toyota Australia reserves the right to add, remove or modify applications. Further information is provided at toyota.com.au/toyotalink
- 10 Reversing Camera is a driver assist device only and should not be used as a substitute for safe driving practices. The area into which the vehicle is driven must be visually monitored by the driver.
- 11 Results achieved in test conditions. Actual results may vary depending on driving conditions/style, vehicle condition and options/accessories fitted. Fuel consumption data provided for comparison purposes only. Source ADR 81/02 (L/100km).
- 12 Toyota Australia reserves the right to vary and discontinue the current interior and exterior colours, trims and colour/trim/model combinations. Colours and trims displayed here are a guide only and may vary from actual colours due to printing/display process. See your Toyota dealer to confirm colour/trim/model availability when ordering your vehicle. Metallic/mica/ pearlescent paint is optional and subject to additional charges on most models.
- 13 Toyota Genuine Accessories are not applicable to all models/grades. Consider the mass of your load to ensure you will not exceed the maximum allowable individual axle capacity, Gross vehicle Mass and/or Gross Combined Mass of the vehicle. Refer to the current Accessories brochure or visit toyota.com.au for details on warranty and toyota.com.au/vehiclepayload for details on vehicle payload to help determine Accessories suitable for your vehicle. Accessory colours shown may vary from actual colour due to the printing process.
- 14 All Toyota Genuine Accessories purchased and fitted to a Toyota are warranted for the remainder of the New Vehicle Warranty or 12 months, whichever is greater. Toyota Genuine Accessories purchased from an authorised Toyota Dealer over the counter are warranted from the date of purchase for one year. Conditions apply.
- 15 Toyota recommends replacing the Synthetic Rope every 12 months.
- 16 Gross Vehicle Mass (GVM) is the total permissible combined weight of the vehicle, including occupants, fuel and cargo. Vehicle weights/mass and dimensions are approximate and subject to individual vehicle variances. Vehicles should be individually weighed and measured before fitting any accessories, towing or designing any compatible trailer/caravan or otherwise using the vehicle in any way that depends on this value.
- 17 Terms and Conditions, fees and charges apply. Toyota Access Guaranteed Future Value products are available to approved customers of Toyota Finance, a division of Toyota Finance Australia Limited ABN 48 002 435 181, AFSL and Australian Credit Licence 392536.
- 18 Maximum Payable for standard scheduled logbook servicing (normal operating conditions) until first of three years or 60,000km (whichever occurs first), up to the first six services. Excludes Government & Rental vehicles. Contact your Toyota Dealer or go to toyota.com.au/advantage for other exclusions, eligibility, and full details.
- 19 New Vehicle Warranty expires 3 years from date of first delivery or 100,000kms, whichever occurs first. Refer to warranty conditions. This warranty does not limit and may not necessarily exceed your rights under the *Competition and Consumer Act 2010*.
- 20 Toyota Finance is a division of Toyota Finance Australia Limited ABN 48 002 435 181, AFSL and Australian Credit Licence 392536.
