# In town or off road, Fortuner's tough to the task

Front cover and this page: Crusade model shown in Graphite<sup>1</sup>

Now there's a vehicle that's equally at home doing the school run as it is towing<sup>3</sup> your boat or helping you to discover the ultimate surf break.

Fortuner is the powerful 7-seater SUV designed to meet the demands of a busy family life while also being up to the challenge of your next great adventure. With its origins influenced and inspired by Toyota's iconic SUV and legendary HiLux range, Fortuner already boasts a proud and proven 4WD heritage. Its muscled up exterior lines are complemented by

a reinforced toughness that's been specially developed by Toyota's Technical Centre to take on the harshest of Australian conditions – in town or out. While inside you'll find a surprisingly well appointed interior that benefits from an exceptionally quiet and smooth ride.

With Fortuner you'll have the power, comfort and reliability to confidently go wherever your ambition takes you.

# Looks more than ready for action

Crusade model shown in Silver Sky<sup>1</sup>  
Fitted with optional 18" Matte Black alloy wheels. Accessories sold separately

The sharp, sculptured lines of Fortuner deliver a strong statement of purpose and intent. Up front slender headlamps, with thick chrome surrounds on the Crusade and GXL, combine with a beefy three dimensional trapezoid bumper to create a bold and elegant form.

The high body position and wide front and rear fenders come together to express a modern toughness that's accentuated by Fortuner's sleek lines as well as the eye catching chrome belt line on the Crusade.

From behind, the wrap around rear glass trim is topped off with a spoiler and shark fin antenna. The rear tail lamps feature integrated LED light guides to help make sure Fortuner can't be missed, while the privacy glass on GXL and Crusade keeps you discreet inside.

You'll find 18" alloy wheels standard on Fortuner Crusade, and 17" alloy wheels on the GX and GXL. The Bi-LED headlamps on Crusade bathe the road ahead with a more natural tone of light and are complemented by integrated LED Daytime Running Lamps (DRLs). On Crusade and the GXL, fog lamps are fitted as standard.

You'll also find the handy convenience of integrated, solid roof rails fitted as standard on GXL and Crusade.

For a simple day out or more serious adventures, Fortuner is built to take on Australia in tougher style.

# Go where your spirit takes you

Crusade model shown in Graphite<sup>1</sup>

Make no mistake, each and every Fortuner is built as a genuine 4x4 with the ability to handle seriously rough terrain.

You'll have Hill-start Assist Control<sup>2</sup> (HAC) and Downhill Assist Control<sup>2</sup> (DAC) on GXL and Crusade models to help when you're going up or down steep slopes. Active Traction Control (A-TRC) automatically distributes the drive to the wheels with the best grip for superior control on slippery and uneven surfaces. The rear differential lock is standard on every Fortuner and further enhances its off road pedigree and performance.

The chassis takes the term 'reinforced toughness' seriously, featuring beefy cross members, side rails and suspension towers to give Fortuner outstanding torsional rigidity and the durability you need to take you further than the end of the road.

Its body utilises superior 590MPa high grade tensile steel for extra strength and features hundreds of spot welds to provide greater stiffness. It's also treated with a special wax coating for extra protection when the going gets tough and wet.

The suspension has been specifically tuned by Toyota to provide highly refined handling and ride characteristics in the uniquely Australian conditions and is complemented by the outstanding stopping power of large front and rear disc brakes.

And when it comes to muscle, Fortuner boasts a massive 2,800kg braked towing capacity,<sup>3</sup> so the boat or caravan is welcome to come too!

When you've got a Fortuner, you've got real confidence and strength.

# Adventure has never been so welcoming

Even though it's built for adventure, step inside Fortuner and you'll find it's finished to deliver highly refined levels of usability and convenience.

There's room for everyone inside with seven full size seats and the 3rd row quickly folds out of the way to transform Fortuner from a family transporter to a machine ready for 4WD action, and to provide maximum storage space. ISOFIX child restraints are standard while the 8-way power adjustable passenger and driver's seats are standard on Crusade and optional on GXL.

The 7" display audio unit features voice recognition with steering wheel controls and advanced connectivity for AUX/USB<sup>4</sup> and Bluetooth<sup>®4,5</sup> functions. The GXL and Crusade have the added benefits of satellite navigation<sup>6</sup> and digital radio<sup>7</sup> (DAB).

On the GXL and Crusade, the smart entry and start system allows you to get in and get going while the key remains in your pocket or bag, and then when on the move, the 4.2" Multi Information Display (MID) provides important trip and vehicle information, including outside temperature and average fuel consumption levels.

On hot days the air conditioned cool box is perfect to keep drinks cool and is conveniently placed just above the glove box. You'll also have air conditioning to keep you comfortable in all weather conditions, rising to automatic climate control air conditioning on Crusade.

When loading and unloading Crusade, the power back door can be opened and closed without the driver needing to leave their seat and the memory function controls how far up it opens, making it perfect when being used in areas with lower clearance.

# Everything in place and ready to go

Whether you're going around town or the country, Fortuner is ready to move your family in great comfort with maximum convenience and versatility. The interior has been designed following the latest in ergonomic development, placing everything just where it should be and delivering plenty of usable space.

The thick metallic accents and woodgrain-look ornamentation on GXL and Crusade are tastefully complemented by soft, quality upholstery with colour stitching used throughout the cabin. A premium interior pack featuring leather accented interiors and power adjustable driver and passenger seats is available as an additional option on the GXL.

On Crusade models, the leather accented finishes are available in a choice of three colour options. You'll also find convenient cup and bottle holders and there's plenty of handy storage spaces throughout to stash all your essential gear.

Whatever the road conditions, whether travelling at low or highway speed, the advanced NVH (Noise, Vibration, Harshness) reduction system uses expansion foam and superior body seals to ensure you enjoy the quietness inside Fortuner.

The hydraulic power steering has been optimised for Australian conditions to be easy and light at low speed and in tight spaces, then retain higher levels of controlled feedback as the speed increases.

At the flick of a switch you can also choose between 'ECO' and 'Power' modes using drive mode select for optimum performance in all conditions, and on GXL and Crusade, the paddle shifters allow you to change gear without your hands leaving the wheel.

# The power to take you anywhere

With its 2.8L 4-cylinder turbo diesel engine, Fortuner gives you the power to go where you choose.

Developed from scratch to provide unprecedented reliability and response, it delivers a grunty 450Nm of torque tuned exhaust and advanced engine noise suppression.

You'll also enjoy impressive fuel efficiency,<sup>9</sup> with the electronic common-rail fuel injection helping deliver figures as low as 8.6L per 100km<sup>9</sup> (combined).

To manage this abundance of power in the smoothest possible way, you have the availability of accessibility of a 6-speed automatic transmission, where the gear ratios have been selected to provide maximum drivability and enhance fuel efficiency.<sup>9</sup> This is what enhances the intelligence of Fortuner, even when carrying heavy loads or driving off road.

With such reassuring power, impressive efficiency and reliability, what more could you need?

# A seriously tough approach to safety

Whether heading off road or travelling with a cargo as precious as your family, Fortuner gives you the reassuring confidence of knowing it's been designed with safety as a top priority and awarded the highest ANCAP 5 Star Safety Rating (tested in 2019).

The reversing camera<sup>2</sup> helps provide a clear view of what's behind and displays static guidelines to help you reverse into tight spaces. The impact absorbing structure combines with the 7 SRS airbags to help provide exceptional all round protection for all of those inside. 3-point seatbelts with Emergency Locking Retractors (ELR) are standard on all seven seats. The front seatbelts also feature pre-tensioners and force limiters to prevent excessive loads being applied and reducing the impact to the chest should a collision occur.

The intelligent Anti-lock Braking System (ABS) with Electronic Brake-force Distribution (EBD) helps you stop quickly and safely, while the Vehicle Stability Control (VSC) helps you maintain grip on slippery surfaces and provide greater control when cornering.<sup>2</sup>

When towing, the Trailer Sway Control (TSC) automatically uses the brake and engine output to help limit trailer movement should it experience excessive sway.

- D Trailer Sway Control
- E Hill-start Assist Control<sup>2</sup>

# Toyota Safety Sense<sup>2</sup>

Toyota  
Safety  
Sense

At Toyota, we believe it's simply not enough to say "safety comes first" – we prove it. That's why, in our on-going pursuit of creating ever safer cars, now and into the future, we developed Toyota Safety Sense<sup>2</sup> (TSS). A suite of active safety features designed to help support safe driving and help protect you and your passengers.

Fortuner features the latest TSS driver assistance technologies, aiming to recognise and help avoid certain hazards and collisions, giving you and your passengers greater peace of mind wherever you're headed. Please visit [toyota.com.au](http://toyota.com.au) for vehicle and specification information.

## Road Sign Assist<sup>2</sup>

Road Sign Assist was developed to help recognise road speed signs and provide information to you. It displays the most recently recognised speed limit on the Multi Information Display.

## Pre-Collision Safety system with pedestrian and daytime cyclist detection<sup>2</sup>

Pre-Collision Safety system (PCS) with pedestrian and daytime cyclist detection is a multi-stage warning system. Using an integrated camera and radar to help detect other vehicles in front of you, the PCS is designed to assist the driver where there is a likelihood of frontal collision with cars and pedestrians during day or night, or cyclists during the day time. PCS includes a visible and audible alert of possible collisions, additional braking force to assist when you're braking, and if a collision appears to be unavoidable automatic braking to help mitigate impact.

## Active Cruise Control<sup>2</sup>

Active Cruise Control is designed to help keep a constant distance between vehicles. It uses a milliwave radar to monitor the gap between your vehicle and the one in front, automatically accelerating or slowing down when needed to help you maintain a set distance.

## Lane Departure Alert with steering assist<sup>2</sup>

Lane Departure Alert with steering assist is designed to help prevent vehicles drifting from their lane, by monitoring road markings, and providing a visible and audible alert should it detect any deviation from the lane. It may also apply additional steering force if needed, to help you stay in your lane.

# GX

Refined toughness ready to start your next adventure.

- 2.8L 4-cylinder turbo diesel
- 6-speed automatic
- 17" alloy wheels with all terrain tyres
- Side steps
- 3 x 12V Accessory Socket

# The Toyota Advantage

When you join the Toyota family, you get so much more than a new car feeling. You get a lifetime of benefits keeping you moving now and well into the future.

Discover your Toyota lifetime of advantages at [toyota.com.au](https://toyota.com.au)

## Discover the freedom of Toyota Access<sup>15</sup>

Toyota Access puts you in complete control when buying a new car, with lower monthly repayments.<sup>16</sup> Drive out of the Dealership with a clear road ahead then drive back a few years later with more options at your disposal than ever before. Whatever stage you're at in life, Toyota Access puts you in the driver's seat with flexibility and assurance. To discover Toyota Access for yourself visit [toyota.com.au/toyota-access](https://toyota.com.au/toyota-access)

## Capped price servicing<sup>17</sup>

A new Toyota means you don't have to worry about unexpected service costs. Every Toyota comes with a low, capped price service cost for a set number of years/kilometres. Pay the same low capped price from one eligible logbook service to the next for up to three years or 60,000km, whichever occurs first (including Genuine parts, labour and fluids). For the full benefits consult a Toyota Dealer or visit [toyota.com.au/advantage](https://toyota.com.au/advantage)

## Toyota Warranty Advantage

Every new Toyota is built to exceptional standards, and from 1 January 2019, Toyota vehicles are backed by a five year/unlimited kilometre warranty.<sup>18</sup> If your vehicle is properly serviced and maintained per its Warranty and Service Book, we'll extend your engine and driveline warranty for an additional 2 years,<sup>19</sup> giving you peace of mind for years to come. In the event of a claim covered by warranty, you are covered by a 60 day money back guarantee and 7 years emergency assistance including expenses related to car hire or towing if required. For more information visit [toyota.com.au/owners/warranty](https://toyota.com.au/owners/warranty)

## Finance to get you going

If you need a little help, Toyota Finance<sup>20</sup> can offer you a wide range of vehicle financing options. With Toyota Finance, you'll have the peace of mind of dealing with one of Australia's leading vehicle finance corporations with over 30 years experience. And with a range of flexible products and services to suit almost every need and circumstance, Toyota Finance can help find the right package for you or your business.

## Insurance options

Our Comprehensive Motor Vehicle insurance policy is packed with great benefits including; agreed value cover, new vehicle replacement if your Toyota is written off within the first three years, use of Toyota Genuine Parts, and a Lifetime Repair Guarantee on repairs authorised by Toyota Insurance.<sup>21</sup> For more information visit [toyota.com.au/insurance](https://toyota.com.au/insurance)

## Extend your peace of mind

Whether it's a flat tyre, lost keys or a flat battery, Toyota Roadside Assist<sup>22</sup> is never more than a phone call away. 24 hours a day, seven days a week, our technicians are there to help you get back on the road. For more information visit [toyota.com.au/insurance/roadside-assistance](https://toyota.com.au/insurance/roadside-assistance)

## IMPORTANT NOTICE – PLEASE READ:

Toyota Australia uses its best endeavours to ensure this material is correct when published. **Pre-October 2019 vehicle images shown on pages 1-24 of brochure.** You must check with your authorised Toyota Dealer when ordering to ensure the vehicle with your chosen specifications, equipment and colour is available and that the vehicle can be delivered within the timeframe suitable to you. When ordering accessories, you must check with your authorised Toyota Dealer to ensure the accessory's design, features and colours are available and will fit your vehicle. Ensure the mass of your load does not exceed the maximum allowable individual axle capacity, Gross Vehicle Mass and/or Gross Combined Mass of the vehicle. Refer to [toyota.com.au/payload](http://toyota.com.au/payload) for further details. Colours displayed here are a guide only and may vary from actual colours due to printing/display processes. Certain accessories when fitted will

require the removal of standard equipment. Standard equipment may be retained by Toyota Australia. Toyota Australia reserves the right to change, without notice, at any time prices, colours, materials, equipment, specifications and discontinue colours/models. To the extent permitted by law, Toyota Australia will not be liable for any damage, loss or expense incurred as a result of reliance on this material in any way. Distributed nationally (other than in Western Australia) by Toyota Motor Corporation Australia Limited ABN 64 009 686 097, 155 Bertie St, Port Melbourne 3207. Material distributed in Western Australia by or on behalf of Prestige Motors Pty Ltd (for vehicles) and by Eastpoint Pty Ltd (for parts/accessories). Toyota Australia makes no warranties regarding (and will not be liable for) the accuracy of materials distributed in Western Australia. PART NUMBER: TYFORTUNERPACKBRO. PROOF HQ: T2019-012933.
