Arrive in style

Toyota has always been inspired by developing vehicles to help improve the way we travel by combining the latest in interior comfort, intelligent design and advanced technology and the Granvia range is no exception.

Everyone aboard benefits from luxurious appointments including deeply cushioned seats and a spacious cabin providing ample legroom and effortless access with the walk-through aisle between the rear rows.

To assist with comfort on the road, the Granvia 6-seater VX comes with heated seats and both 6-seater and 8-seater variants offer power seating adjustment for convenience in the 2nd row.

Smooth touches and smart technology continue to enhance the refined space within. While the 4 ISOFIX lower anchors and top tether anchors are available to allow for compatible child seats to be installed.

To ensure important devices remain charged, there is a USB port in the front and six USB ports in the rear. Control the information you see and audio system functions by using the 8" colour touchscreen display including satellite navigation with SUNA™ Live Traffic Alert. The audio system also features AM/FM/digital radio/Bluetooth®¹ connectivity, Apple CarPlay®^{2,3} and Android Auto™.^{2,4} (speak to your Dealer about device compatibility) as standard. This rises to a premium audio sound system with 12-speakers in Granvia VX, where you'll also find an auto-dimming digital rear view mirror to make driving easier when you have the whole crew in the Granvia.

For the ultimate in convenience, the steering wheel switches provide fingertip control for telephone, audio, Lane Departure Alert (LDA) and Adjustable Speed Limiter (ASL) functions.

Granvia, premium by design, styled for practicality.

Make a grand entrance

With its distinctive on-road presence, precise exterior finishes and dynamic light bands, the Granvia represents more than the progressive choice for first class travel.

To help enhance on-road performance, its sleek exterior design features advanced aerodynamics while the modernist roof line ensures everyone will enjoy panoramic visibility through the expansive side windows.

The prestige grille and flowing side line details engage the eye with elegant simplicity while effortless rear seat access is assured through the large dual sliding doors. On Granvia VX, you'll have the added convenience of automatic dual sliding doors with easy close functionality at the touch of a button.

To deliver an assuredly smooth and stable ride, impressive 17" wheels are fitted as standard including a full size spare.

Ensuring crisp, clear vision of what's ahead, Granvia is equipped with auto-levelling LED headlamps supported by bright LED Daytime Running Lamps (DRLs).

Elevate your style on the road with Granvia.

Intelligent safety, dynamic performance.

Designing extraordinary space in which to travel is one challenge, when it comes to creating a true family vehicle, it's also paramount to take every step to help ensure the safety of those within.

Toyota Safety Sense⁵ (TSS) is standard across the range and uses technology with active intelligence to help protect you. Pre-Collision Safety system aims to recognise specific hazards and may help avoid certain collisions, providing greater reassurance to the driver and passengers across a varying range of driving speeds and conditions.

Blind Spot Monitor (BSM) and Rear Cross Traffic Alert (RCTA) may provide warning of potentially unseen vehicles approaching⁵ and are fitted as standard on Granvia.

Front and Rear Parking Sensors and a reversing camera with guidelines are fitted as standard, with Granvia VX including panoramic view monitor, to help make it easier to manoeuvre and park in tight spaces.⁵

The 2.8L turbo diesel engine produces 130kW of power to provide dynamic performance for a vehicle of such generous proportions. The 6-speed automatic transmission delivers smooth control while the Stop and Start system enhances fuel efficiency by stopping the engine at lights or in congestion. The 70L fuel tanks provide impressive range and up to 8.0L/100km⁶ fuel economy.

Toyota Safety Sense

At Toyota, we believe it's simply not enough to say "safety comes first" – we prove it. That's why, in our on-going pursuit of creating ever safer cars, now and into the future, we developed Toyota Safety Sense⁵ (TSS). A suite of active safety features designed to help support safe driving and help protect you and your passengers.

Granvia features the latest TSS driver assistance technologies, aiming to recognise and help avoid certain hazards and collisions, giving you and your passengers greater peace of mind wherever you're headed. Please visit toyota.com.au for vehicle and specification information.

Active Cruise Control

Active Cruise Control⁵ is designed to help keep a constant distance between vehicles. It uses a milliwave radar to monitor the gap between your vehicle and the one in front, automatically accelerating or slowing down when needed to help you maintain a set distance.

Lane Departure Alert

Lane Departure Alert⁵ (LDA) is designed to help prevent vehicles drifting from their lane by monitoring road markings, and providing a visible and audible alert should it detect any deviation from the lane.

Pre-Collision Safety system with pedestrian and daytime cyclist detection

Pre-Collision Safety system⁵ (PCS) with pedestrian and daytime cyclist detection is a multi-stage warning system. Using an integrated camera and radar to help detect other vehicles in front of you, the PCS is designed to assist the driver where there is a likelihood of frontal collision with cars and pedestrians during day or night, or cyclists during the day time. PCS includes a visible and audible alert of possible collisions, additional braking force to assist when you're braking, and if a collision appears to be unavoidable automatic braking to help mitigate impact.

Automatic High Beam

Using a camera to sense either approaching headlights or the taillights ahead, Automatic High Beam⁵ (AHB) aims to help maintain safe and considerate driving by switching between high and low beam as needed.

Road Sign Assist

Road Sign Assist⁵ (RSA) was developed to help recognise certain road speed signs and provide information to you. It displays the most recently recognised speed limit on the Multi Information Display.

The Toyota Advantage

When you join the Toyota family, you get so much more than a new car feeling. You get a lifetime of benefits keeping you moving now and well into the future.

Discover your Toyota lifetime of advantages at toyota.com.au

Discover the freedom of Toyota Access¹²

Toyota Access puts you in complete control when buying a new car, with lower monthly repayments.¹³ Drive out of the Dealership with a clear road ahead then drive back a few years later with more options at your disposal than ever before. Whatever stage you're at in life, Toyota Access puts you in the driver's seat with flexibility and assurance. To discover Toyota Access for yourself visit toyota.com.au/access

Capped price servicing¹⁴

A new Toyota means you don't have to worry about unexpected service costs. Every Toyota comes with a low, capped price service cost for a set number of years/kilometres. Pay the same low capped price from one eligible logbook service to the next for up to three years or 60,000km, whichever occurs first (including Genuine parts, labour and fluids). For the full benefits consult a Toyota Dealer or visit toyota.com.au/advantage

Toyota Warranty Advantage

Every new Toyota is built to exceptional standards, and from 1 January 2019, Toyota vehicles are backed by a five year/unlimited kilometre warranty.¹⁵ If your vehicle is properly serviced and maintained per its Warranty and Service Book, we'll extend your engine and driveline warranty for an additional 2 years,¹⁶ giving you peace of mind for years to come. In the event of a claim covered by warranty, you are covered by a 60 day money back

guarantee and 7 years emergency assistance including expenses related to car hire or towing if required. For more information visit toyota.com.au/owners/warranty

Finance to get you going

If you need a little help, Toyota Finance¹⁷ can offer you a wide range of vehicle financing options. With Toyota Finance, you'll have the peace of mind of dealing with one of Australia's leading vehicle finance corporations with over 30 years experience. And with a range of flexible products and services to suit almost every need and circumstance, Toyota Finance can help find the right package for you or your business.

Insurance options

Our Comprehensive Motor Vehicle insurance policy is packed with great benefits including; agreed value cover, new vehicle replacement if your Toyota is written off within the first three years, use of Toyota Genuine Parts, and a Lifetime Repair Guarantee on repairs authorised by Toyota Insurance.¹⁸ And our Factory Approved Extended Warranty Insurance also provides benefits, for more information visit toyota.com.au/insurance

Extend your peace of mind

Whether it's a flat tyre, lost keys or a flat battery, Toyota Extra Care Roadside Assist¹⁹ is never more than a phone call away. Available 24 hours a day, seven days a week, our technicians are there to help you get back on the road.
