Disclaimers

[1] 5 year warranty is applicable to new and demonstrator C-Class Sedan models for 5 years from the date of first registration of the vehicle. Warranty start time may differ for demonstrator vehicles. Commercial application of vehicle is subject to 5 years from first registration date or 200,000km (whichever occurs first). Battery warranty periods vary. Excludes customers with specific warranty arrangements with Mercedes-Benz. For full terms, conditions and exclusions please refer to the warranty statement here <https://www.mercedes-benz.com.au/passengercars/being-an-owner/new-vehicle-warranty.html>

[2] Figures stated (including declared fuel consumption and emission figures) are determined by testing under track and/or standardised laboratory conditions which are (where applicable) conducted in accordance with ADR 81/02. The figures stated are for the purposes of comparison amongst vehicles tested under the same technical procedures only. Real world figures (particularly acceleration, fuel consumption and emission figures) may vary and are influenced by many additional factors such as, fuel quality, individual driving style, load, traffic, environmental and road conditions, ambient temperatures and vehicle condition.

[3] The information contained in this document is indicative only and correct at the time of publishing, 2nd. November 2022 and may have changed since. Packages (including model lines), specifications, features, extras, options and equipment levels are subject to change without notice. Some vehicles or equipment pictured and/or featured may not be available in Australia or may be available in a different specification.

Visit www.mercedes-benz.com.au/dealer to contact your local authorised Mercedes-Benz Agent for current details and information, including pricing.

[4] Towbar fitment not permitted for all models.

[5] Standard Features may have changed since publication and are subject to availability. Please confirm final details of standard features with a participating authorised retailer prior to purchase.

[6] Leather upholstery may contain some areas upholstered with synthetic ARTICO material to increase durability and reduce long-term wear and tear.

[7] Unless stated otherwise, all use of applications, multimedia, connectivity and software solutions (Applications and Data Content) contained within or associated with the vehicle are provided to users subject to terms and conditions. In some cases, the Applications and Data Content may be provided by third parties, not Mercedes-Benz Australia/Pacific Pty Ltd (MBAuP) and may be subject to third party terms and conditions. Whilst MBAuP shall use its reasonable endeavours to provide an uninterrupted experience, we cannot guarantee ongoing or uninterrupted supply noting that such services may subject to interruption, change, discontinuance or limitations. In some circumstances, specific features or services may no longer be able to be supplied or will need to be supplied in a different form (eg where there is a change to our third party service providers on which the feature or service relies; where there is a regulatory change or change in law affecting the feature or service; where, in our discretion, we amend or replace the feature or service). We will make reasonable efforts to inform you of such changes where they materially affect the services you receive. Please refer to the relevant terms and conditions for more information including device compatibility, connectivity and capability requirements.

[8] Apple CarPlay™ is a product of Apple Inc. Android Auto is a product of Google Inc. Device and app providers' terms and conditions and privacy policy apply to the supply and use of these functions. Functions require compatible device and data plan. Data plan fees and charges are those applicable to the users compatible device. Apps, content and their features are determined by the relevant provider and not Mercedes-Benz. Vehicle audio/infotainment interface may not be used simultaneously with these functions. When functions are active, steering-wheel voice control button uses Siri® or Google voice recognition software for voice commands. Phone and internet compatibility, connectivity and capabilities differ between devices, markets and vehicles. Check the compatibility of your device and vehicle in Australia at www.mercedes-benz-mobile.com

[9] Wireless charging only compatible with devices that support or can be upgraded to support the Qi standard. Check the compatibility of your device and vehicle in Australia at www.mercedes-benz-mobile.com or with your device manufacturer.

[10] The availability of the Mmc and Mmc services varies between vehicles, models and equipment. Selected Mmc services are available free of charge for a period of three (3) years from the date of activation with an eligible vehicle. Use of the Mmc services is subject to terms and conditions and requires the user to download the associated apps on a compatible mobile device. The user at all times remains solely responsible for ensuring that the services are used in accordance with all applicable laws (including road rules) and, where applicable, for maintaining proper control of the vehicle, ensuring safety and monitoring the driving environment. Whilst MBAuP shall use its reasonable endeavours to provide an uninterrupted experience, we cannot guarantee ongoing or uninterrupted supply noting that such services may subject to interruption, change, discontinuance or limitations. In some circumstances, specific features or services may no longer be able to be supplied or will need to be supplied in a different form (eg where there is a change to our third party service providers on which the feature or service relies; where there is a regulatory change or change in law affecting the feature or service; where, in our discretion, we amend or replace the feature or service). We will make reasonable efforts to inform you of such changes where they materially affect the services you receive. Please refer to the relevant Mmc terms and conditions or visit your local authorised retailer for more information including device compatibility, connectivity and capability requirements. Phone notifications pictured and functionalities depicted are for dramatic effect and are not literal representations of the actual Mercedes me app. Real life functionality differs.

[11] Driver assistance and safety systems/features included in Mercedes-Benz vehicles are driver assistance aids only and the driver at all times remains solely responsible for maintaining proper control of the vehicle, ensuring safety and monitoring the driving environment and complying with all applicable laws including but not limited to road rules (eg: adjusting the speed of the vehicle in accordance with the designated speed limits). Systems and features have limitations and may not be accurate in all instances.

[12] Option package/optional equipment/wheel/colour/upholstery/trim (as applicable) compatibility varies between vehicles, models and equipment. Please check that the package/optional equipment/wheel/colour/upholstery/trim (as applicable) is available and fit for your vehicle. Option package/optional equipment/wheel/colour/upholstery/trim (as applicable) (in whole or in part) may have changed since publication and are subject to availability. Please confirm final details with a participating authorised retailer prior to purchase.

[13] All images shown are for illustrative purposes only and are displayed by way of example. Actual colour, finish and texture may differ. Please check final colours and finishes with an authorised retailer prior to purchase.

[14] Head-up display is a driver's aid function only. Driving whilst distracted must be avoided and the driver is solely responsible at all times for remaining focused on driving. Display may not be visible with certain eyewear (such as polarised glasses).

[15] Incompatible with Mercedes-Benz Genuine Snow Chains.

[16] Digital handover for vehicle key feature is not intended to facilitate commercial car sharing but rather sharing within a trusted community (eg. family & friends). To the extent permitted by law, the user is solely responsible for third party access to and use of the vehicle and accepts all associated risks. User must notify and obtain consent of third party in relation to associated tracking, data collection, processing and transmission. For more information, please refer to the Mercedes me connect Terms of Use and Privacy Notice.
