## Disclaimers

[1] 5 year warranty is applicable to new and demonstrator EQS for 5 years from the date of first registration of the vehicle. Warranty start time may differ for demonstrator vehicles. Commercial application of vehicle is subject to 5 years from first registration date or 200,000km (whichever occurs first). Battery warranty periods vary. Excludes customers with specific warranty arrangements with Mercedes-Benz. For full terms, conditions and exclusions please refer to the warranty statement here [mercedes-benz.com.au](https://www.mercedes-benz.com.au).

[2] The declared fuel and energy consumption figures are determined by testing under standardised laboratory conditions to comply with ADR 81/02. Real world energy consumption is influenced by many additional factors such as individual driving style, load, traffic, ambient temperature and vehicle condition. The declared energy consumption figure should only be used for the purpose of comparison amongst vehicles

[3] The information contained in this document is correct at the time of printing 1 August 2022. Packages (including model lines), specifications, features, extras, options and equipment levels are subject to change and EQ Agents must ensure that they refer to the correct version of this document at all times.

[4] Standard Features may have changed since publication and are subject to availability. Please confirm final details of standard features with a participating authorised retailer prior to purchase.

[5] Emergency spare wheel delivered with vehicle may be a full size spare, space saver wheel, TIREFIT or collapsible wheel, depending on model/specification of vehicle, production times and availability, and optional alloy wheel ordered (if any). The type of emergency spare wheel or TIREFIT delivered is determined by the manufacturer and is subject to change without notice.

[6] Systems and features included in Mercedes-Benz vehicles are driver assistance aids only and the driver at all times remains solely responsible for maintaining proper control of the vehicle, ensuring safety and monitoring the driving environment and complying with all applicable road rules.

[7] The availability of the Mmc and Mmc services varies between vehicles, models and equipment. Selected Mmc services are available free of charge for a period of three (3) years from the date of activation with an eligible vehicle. Use of the Mmc services is subject to terms and conditions and requires the user to the download the associated apps on a compatible mobile device. The user at all times remains solely responsible for ensuring that the services are used in accordance with all applicable laws (including road rules) and, where applicable, for maintaining proper control of the vehicle, ensuring safety and monitoring the driving environment. Whilst MBAuP shall use its reasonable endeavours to provide an uninterrupted experience, we cannot guarantee ongoing or uninterrupted supply noting that such services may be subject to interruption, change, discontinuance or limitations. In some circumstances, specific features or services may no longer be able to be supplied or will need to be supplied in a different form (eg where there is a change to our third party service providers on which the feature or service relies; where there is a regulatory change or change in law affecting the feature or service; where, in our discretion, we amend or replace the feature or service). We will make reasonable efforts to inform you of such changes where they materially affect the services you receive. Please refer to the relevant Mmc terms and conditions or visit your local authorised retailer for more information including device compatibility, connectivity and capability requirements. Phone notifications pictured and functionalities depicted are for dramatic effect and are not literal representations of the actual Mercedes me app. Real life functionality differs

[8] Unless stated otherwise, all use of applications, multimedia, connectivity and software solutions (Applications and Data Content) contained within or associated with the vehicle are provided to users subject to terms and conditions. In some cases, the Applications and Data Content may be provided by third parties, not Mercedes-Benz Australia/Pacific Pty Ltd (MBAuP) and may be subject to third party terms and conditions. Whilst MBAuP shall use its reasonable endeavours to provide an uninterrupted experience, we cannot guarantee ongoing or uninterrupted supply noting that such services may be subject to interruption, change, discontinuance or limitations. In some circumstances, specific features or services may no longer be able to be supplied or will need to be supplied in a different form (eg where there is a change to our third party service providers on which the feature or service relies; where there is a regulatory change or change in law affecting the feature or service; where, in our discretion, we amend or replace the feature or service). We will make reasonable efforts to inform you of such changes where they materially affect the services you receive. Please refer to the relevant terms and conditions for more information including device compatibility, connectivity and capability requirements.

[9] Feature only compatible with devices that support or can be upgraded to support the Qi standard.

[10] Apple CarPlay™ is a product of Apple Inc. Android Auto is a product of Google Inc. Device and app providers' terms and conditions and privacy policy apply to the supply and use of these functions. Functions require compatible device and data plan. Data plan fees and charges are those applicable to the users compatible device. Apps, content and their features are determined by the relevant provider and not Mercedes-Benz. Vehicle audio/infotainment interface may not be used simultaneously with these functions. When functions are active, steering-wheel voice control button uses Siri® or Google voice recognition software for voice commands. Phone and internet compatibility, connectivity and capabilities differ between devices, markets and vehicles. Check the compatibility of your device and vehicle in Australia at [www.mercedes-benz-mobile.com](http://www.mercedes-benz-mobile.com)

[12] Head-up display is a driver's aid function only. Driving whilst distracted must be avoided and the driver is solely responsible at all times for remaining focused on driving. Display may not be visible with certain eyewear (such as polarised glasses).

[13] Option package/optional equipment/wheel/colour/upholstery/trim (as applicable) compatibility varies between vehicles, models and equipment. Please check that the package/optional equipment/wheel/colour/upholstery/trim (as applicable) is available and fit for your vehicle. Option package/optional equipment/wheel/colour/upholstery/trim (as applicable) (in whole or in part) may have changed since publication and are subject to availability. Please confirm final details with a participating authorised retailer prior to purchase.

[14] Prices shown are the vehicle price for the purchase of the option package/optional equipment/wheel/colour/upholstery/trim (as applicable) only. Additional costs can result from installation, paintwork or required additional part/accessories. Additional fees and charges (such as delivery fees, retailer fees and CTP) may also apply. GST and LCT figures are sourced from third parties and absolute accuracy cannot be guaranteed. Price and taxes are subject to change without notice.

[15] All images shown are for illustrative purposes only and are displayed by way of example. Actual colour, finish and texture may differ. Please check final colours and finishes with an authorised retailer prior to purchase.

[16] Incompatible with Mercedes-Benz Genuine Snow Chains

[17] Mercedes-Benz Accessories offers an optional Wallbox charging station for home or work use that offers fast, safe and comfortable charging for Battery Electric Vehicles (BEV) with a Type 2 plug. The Wallbox is available at additional cost and does not include installation costs which will vary depending on the end user's circumstances. A pre-purchase site evaluation by a licenced electrical contractor is required to determine suitability. The pre-installation inspection is an additional cost at the customer's expense.
