Built for labor. But no one ever said it had to be manual. It's a workingman's truck. So it's kind of ironic that you'll spend most of your time on the job enjoying the premium leather seats. With a tilting bed, you can unload cargo at the push of a button. Which is less strain on your back. Trust us.

CXT™ REAR BED LIFTKIT

- 8-ft pickup bed
 - hydraulic liftkit
 - rear air ride suspension

We even let you choose your adrenaline level. The high torque 300 hp International® DT466 engine isn't an upgrade. It's standard. Powerful? Yes. Too much? Not a chance. Which is why you heavy haulers have the option of ordering the stump pulling 310 hp / 950 ft-lb torque International® DT 570 engine. Now that's some serious get-up. Then again, we're dealing with the biggest pickup known to man here.
