# SHELBY GT500-H RENT-A-RACER

The Shelby GT500-H Mustangs pay tribute to the original “Rent-A-Racer,” the legendary 1966 Shelby GT350-H, and builds on Hertz’s legacy to give customers the unique opportunity to drive elite, high-performance vehicles they can’t access anywhere else.

Each of the 2022 Shelby Mustang Hertz models will be instantly recognizable with unique styling enhancements that celebrate a rich performance heritage. Nineteen of the Shelby GT500-H fastbacks will wear shadow black exterior paint and six, to honor Shelby American’s 60th anniversary, will be clad in oxford white. All will be set off with gold “Le Mans” dual racing stripes and set of special rocker stripes, along with Hertz Edition and Shelby 60th anniversary emblems. Inside, Shelby and Hertz logos are on the seats, sill plates and floor mats; a numbered badge will be on the dash and under the hood. The supercharger on the Shelby GT500-H is gold hued for Hertz’s livery.

Starting with Ford’s world-class Shelby GT500, the 5.2L fastback boasts 900+ horsepower, aluminum forged mono-block wheels, performance spec tires, tinted windows, Shelby GT500-H badges, driver- and passenger-side stripes and much more. Shelby cut 30 pounds by replacing the stock hood with a vented, ultra-light dry carbon fiber one that is also much stronger.

The Mustang Shelby GT500-H will be available in Fort Myers, Las Vegas, Miami, Orlando, Phoenix and Tampa. To learn more about the new Shelby and Hertz program, visit [www.hertz.com/shelbygth](http://www.hertz.com/shelbygth).
