

CARROLL SHELBY CENTENNIAL EDITION

100TH ANNIVERSARY SHELBY MUSTANG

2023 CARROLL SHELBY CENTENNIAL EDITION MUSTANG

Starting from: USD\$49,995
(For Most titled 2023 Ford Mustang GT, Limited to 100 units in US)

Shelby American is honoring the 100th anniversary of our founder's birth with a small run of special edition Shelby Mustangs. Based on the spectacular 2023 Ford Mustang GT, the new supercharged Carroll Shelby Centennial Edition Mustang is a well-balanced car that features far more than just a horsepower upgrade. The team also sharpened the handling and enhanced the styling of the world-class 5.0L V8 Mustang GT. The package includes a black Stetson hat and copy of the Shelby Centennial Book published by Team Shelby.

Enthusiasts can choose to drive a Shelby fastback or convertible with either a manual or automatic transmission. As a post-title program, any stock Ford Mustang color is accepted.

Only 100 will be built by Shelby American in Las Vegas with a handful transformed by official international mod shops.
