

CADILLAC
CIMARRON
1986

THE CADILLAC PROMISE

Owning a Cadillac is a satisfying experience. The pleasures come in sometimes unexpected ways.

Such as appreciating the state-of-the-art electronics that serve one important function: to make your driving as carefree as you wish it to be.

Admiring contemporary road manners that tame the twists and turns...without compromising legendary Cadillac luxury and comfort.

The solid sound every time you close a door. The security of safety features that surround you mile after mile.

Above all, it's the feeling of uncompromising excellence. A tradition of quality and attention to driver and passenger needs and demands.

Is it any wonder driving a new Cadillac is a pleasure to be envied?

CIMARRON

Cimarron's sleek, distinctive lines and trim, elegant shape catch your eye. The available grooved lower-body side mouldings, 14" aluminum alloy wheels, and high-performance Goodyear Eagle GT radial tires confirm your initial impressions.

The seats surround you in genuine Sierra Grain leather. The contoured front buckets have built-in lateral and lumbar supports. A power six-way driver's seat, electric mirrors, and air conditioning are standard.

With the available MFI V6 and gas-charged suspension, Cimarron's front-wheel drive pulls you down any road with quiet authority.

Cimarron, it's everything a Cadillac should be.

Cimarron shown in Deauville Gray.

Interior shown with Dark Carmine leather seating areas.

CIMARRON STANDARD FEATURES

Now that Cimarron's got your attention, here's a list of things you won't have to think about when you place your order. Because they're all standard.

Antenna, Electrically Powered. Raises and lowers automatically with ignition on when you turn the radio on or off.

Air Conditioning System with Pushbutton Controls. Use pushbuttons to select heating, ventilating, air conditioning or defrosting.

Centre High-Mounted Stop Lamp. New for Cimarron in '86. Mounted at the centre of the rear shelf inside the rear window, it provides an additional indication of vehicle braking.

Cruise Control. Lets you automatically maintain highway cruising speeds.

Door Locks, Electrically Powered. Locks or unlocks all doors from either front door.

Gauge Package. Includes speedometer, tachometer, coolant temperature gauge, voltmeter, fuel gauge and an upshift reminder light with 2.0 Litre engine and five-speed manual transmission.

Leather Seating Areas. Sierra Grain leather covers the seating areas, the tilt steering wheel, the manual transmission shift boot and knob, and even the parking brake handle.

Seat Adjuster, Six-Way Power. Adjusts driver seat forward or backward, up or down, and tilts forward or backward.

Steering Wheel, Tilt. Six wheel angle adjustments to match your driving preference.

Trunk Lid Release, Power. With the ignition on, the release button located inside the glove box opens the trunk.

Wheels, Aluminum Alloy. For a quality appearance.

Windows, Electrically Powered. Controls at each outside seat, plus all window controls next to driver.

COMFORT AND CONVENIENCE
Electrically Powered Left and Right Outside Rearview Mirrors. The controls are a

single lever adjustment knob and a switch that selects the left or right outside rearview mirror.

Electric Rear Window Defroster. Tiny wires, embedded in the glass, heat and help remove fog, mist or ice. An automatic timer turns the defogger off.

Controlled Cycle Wipers with Fluidic Windshield Washer System. This delay feature allows wiper adjustments for light rain or other conditions. Fluidic Windshield Washer System has oscillating spray action for thorough coverage.

AS WELL AS:

- Front and Rear Centre Armrest
- Front and Rear Door Armrests
- Overhead Assist Handles (3)
- Headlights On, Key in Ignition, Driver Safety Belt Audible Reminders • Front Cigarette Lighter
- Digital Display Clock (in radio)
- Front Floor Console with Removable Storage Compartment, Spring-Loaded Coin Holder, One Front and

One Rear Ash Receiver • Front Side Window Defoggers • Door Pull Handles • Adjustable Front Seats Headrests • Exterior Lights, Including Tungsten Halogen Front Fog Lamps and Low- and High-Beam Headlamps • Interior Lights: Underhood, Glove Compartment, Front Ash Receiver, Instrument Panel Courtesy, Dome and Dual Spot Reading, Luggage Compartment • Low-Fuel Warning Indicator • Passenger Visor Vanity Mirror • Multifunction Turn Signal Lever for Wiper/Wash/Dim • Front

Doors Pockets • Front Seatbacks Pockets • Manual Recliner, Driver and Passenger Seats • Manual Two-Way Front Seat Adjuster (Passenger Seat) • Front Bucket Seats (Two-Passenger), Body-Contoured with Lumbar and Lateral Support • Soft Ray Tinted Glass • Push-to-Reset Trip Odometer • Padded Dual Sun Visors

1. Full Instrumentation Including Tachometer.*
2. Leather-Trimmed Tilt Steering Wheel, Cruise Control and Available Electronic Instrument Cluster.

AS WELL AS:

• Power Front Disc and Rear Drum Brakes • Body-Frame Integral Construction • Cimarron Touring Suspension with Standard 2.0 Litre L4 Engine: Fully Independent MacPherson Strut Front Suspension, Pliacell Front Struts with Specific Valving and Low Friction Fluid, 28 mm Front Stabilizer Bar, Semi-Independent Rear Suspension, 21 mm Rear Stabilizer Bar, Dual Rate Rear Axle Arm Bushings, Specific Rear Shock-Absorber Valving, Power-Assisted Rack-and-Pinion

Steering with Responsive 14:1 Steering Gear Ratio, P195/70R-13 Steel-Belted All-Seasons Radial Blackwall Tires, Aluminum Alloy Wheels • Delco-GM Freedom III Battery • Transversely-Mounted 2.0 Litre L4 Engine with Electronic Fuel Injection • 78 Amp Generator • High-Energy Ignition • Compact High-Pressure Type Spare Tire • Five-Speed Manual Transmission with Overdrive and "Upshift" Reminder Light • Computer Match-Mounted Wheels and Tires

CIMARRON AVAILABLE FEATURES

When you think you've seen it all, look again. Although every Cimarron comes fully equipped with standard features, there's plenty of room for individuality. Add any or all of these, and the Cadillac of smaller cars becomes very personally yours.

COMFORT AND CONVENIENCE

Twilight Sentinel. Automatically turns headlights on and off in response to outside lighting conditions. Time-delay feature lights your way as you leave your Cimarron.

AS WELL AS:

- Six-Way Power Seat Adjuster, Passenger Seat
- Illuminated Visor Vanity Mirror, Driver and Passenger
- Vista Vent

SOUND SYSTEMS

The driving pleasure of the new 1986 Cadillac is greatly enhanced by the Delco Electronics Sound Systems. These radios are designed with the same technology and expertise that are utilized in the design of engine computers and many other automotive electronic devices.

This world-class audio technology provides the discriminating Cadillac owner the level of comfort and enjoyment expected when driving a Cadillac.

AM Stereo/FM Stereo Radio with Cassette Tape Player. Includes Search and Replay and Five-Band Graphic Equalizer.

Delco-GM/Bose Symphony Sound System. New for Cimarron. Cadillac's ultimate stereo is customized to the exact dimensions and acoustical

1. Electronic Instrument Cluster. Provides English or Metric Display.

2. AM Stereo/FM Stereo Radio with Cassette Tape Player.

3. 14" Aluminum Alloy Wheels with P205/60R-14 Tires.

4. Vista Vent.

characteristics of your car. Includes four separate amplifiers and speakers—each in its own special enclosure. Also includes Integral Cassette Tape Player with Auto Reverse, Tape Equalization, Dynamic Noise Reduction (DNR™), Dolby® Tape Noise Reduction, Full-Time Loudness Control and more.

[†]Receives C-Quam® AM stereo broadcasts. C-Quam is a registered trademark of Motorola Inc.

APPEARANCE AND PROTECTION

Electronic Instrument Cluster. Features blue-green vacuum fluorescent dis-

plays for the speedometer, odometer and trip odometer, as well as bar graphs for battery volts, engine coolant temperature, fuel in tank, oil pressure and tachometer.

Grooved Lower-Body Side Accent Moulding.

AS WELL AS:

- Door Edge Guards • Front and/or Rear Carpeted Rubber Floor Mats
- Rear License Frame • Deck Lid Luggage Rack • Leather with Morgan Cloth Inserts Seating Areas • Black Nylon Fiber Trunk Mat

ENGINE/CHASSIS

• 2.8 Litre V6 Engine with Multi-Port Fuel Injection, includes: Ram Intake Air Tuning, Mass Air Flow Sensor, Four-Speed Manual Transmission with Overdrive (Three-Speed Automatic Available) • Engine Block Heater • Gas-Charged Suspension (Required with Available V6), Delco Gas-Charged MacPherson Front Struts, Delco/Bilstein Gas-Charged Single-Tube Rear Shocks, Stiffer Front Spring Rates, Larger-Diameter Front Stabilizer Bar (30 mm vs. 28 mm on Standard Suspension) • 13" Narrow Stripe Whitewall Tires • Three-Speed Automatic Transmission • Wheels and Tires, 14" x 6" Aluminum Alloy Wheels and Goodyear Eagle GT P205/60R-14 Low-Profile, High-Performance Steel-Belted Radial Blackwall Tires. Raised White Outline Letter Style Tires Available.

While there are many service contracts available on the market today, there is only one which gives you an agreement directly with General Motors. It is the one with the GM Protection Plan logo shown above. This logo on all Plan material assures you that the service contract you are buying is the GM Plan, we believe the finest such program available to GM owners.

The GM Protection Plan provides additional protection during and after the new vehicle limited warranties. Ask your General Motors dealer for details and information about the genuine GM Protection Plan.

CIMARRON PERFORMANCE

Responsive Available 2.8 Litre V6.

This one is 173 cubic inches of fast-burn, swirl-port technology. It's fed by a sophisticated multi-port fuel injection (MFI) system. Each of the engine's six cylinders receives fuel from its own precision injector.

The available V6 can be ordered with standard 4-speed manual transmission or available automatic.

Standard 2.0 Litre L4

There's a very measured, high-technology efficiency surrounding Cimarron's standard 2.0 Litre four cylinder engine with Electronic Fuel Injection.

The L4 engine can be ordered with the standard 5-speed manual transmission or available automatic.

Gas-Charged Suspension.

Its design complements the V6 engine, and is required when you order it. In front, Delco twin-tube MacPherson struts hold inert nitrogen gas under pressure. At the rear, Delco/Bilstein shock absorbers are used. Completing this package are stiffer front springs and a larger-diameter stabilizer bar than those used on the standard suspension.

Sporty Available 14" Wheels and Goodyear Eagle GT Tires.

The 1986 Cimarron is available with 14" aluminum alloy wheels and Goodyear Eagle GT P205/60R-14 low-profile, high-performance, steel-belted radial blackwall tires.

SAFETY FEATURES

Occupant Protection

- Manual Lap/Shoulder Safety Belts for Driver and Right Front Passenger (Driver Side Includes Visual and Audible Warning System) • Manual Lap Safety Belts at Each Rear Seat Position • Energy-Absorbing Steering Column • Energy-Absorbing Instrument Panel • Energy-Absorbing Front Seat Back Tops • Laminated Safety Windshield Glass and Tempered Safety Side and Rear Window Glass • Safety Interlocking Door Latches

Transversely mounted engine.

Larger-diameter front stabilizer bar (30 mm vs. 28 mm on standard suspension) (required option with V6).

Gas-charged Delco twin-tube MacPherson front struts (required option with V6).

Power-assisted rack-and-pinion steering.

Front-wheel drive.

Available 2.8 Litre MFI V6 engine.

- Passenger-Guard Inside Door Lock Handles • Safety Armrests • Head Restraints, Driver and Right Front Passenger (Adjustable)

Accident Avoidance

- Side Marker Lights and Reflectors • Parking Lamps That Illuminate with Headlamps • Four-Way Hazard Warning Flasher • Back-Up Lights • Centre High Mounted Stop Lamp • Directional Signal Control with Lane Change Feature • Windshield Defroster, Washer and Controlled-Cycle Wipers • Inside Rearview Mirror with Vinyl-Bonded Glass

Four-speed manual transmission (V6 engine only) with overdrive and hydraulic clutch release.

Available 14" aluminum alloy wheels and Goodyear Eagle GT high-performance tires.

Power front disc/rear drum brakes.

Delco/Bilstein gas-charged rear shock absorbers (required option with V6).

Rear stabilizer bar.

FOR YOUR PROTECTION*

1. New Vehicle Limited Warranty—12 months or 20,000 kilometres, whichever comes first.
2. Powertrain Coverage—36 months or 60,000 kilometres, whichever comes first on gasoline engines (\$100 deductible).
3. Owner Assistance Program.
4. Special Policy Adjustment Program.

*Ask your dealer for details.

5-year unlimited kilometres corrosion perforation warranty. On all 1986 GM passenger cars. Ask your dealer for details.

A WORD ABOUT ENGINES

Cadillacs are equipped with engines produced at facilities operated by GM car groups, subsidiaries or affiliated companies worldwide.

A WORD ABOUT THIS CATALOGUE

The vehicles described in this catalogue incorporate components produced by General Motors of Canada Limited and related companies and suppliers. During manufacturing, different components than initially scheduled may be used.

All illustrations and specifications contained in this catalogue are based on the latest product information at time of publication approval. The right is reserved to make changes at any time, without notice, in prices, colours, materials, equipment, specifications and models, and to discontinue models. Some of the equipment shown or described throughout this catalogue is available at extra cost or can only be ordered in conjunction with the other optional equipment. Some options may not be available when your vehicle is built. Check with your dealer for complete information.

- Outside Left and Right Rearview Mirrors • Brake System with Dual Master Cylinder and Warning Light • Starter Safety Switch • Dual-Action Hood Latch System • Low-Glare Finish on Instrument Panel Top, Inside Windshield Mouldings, Wiper Arms/Blades, Metallic Steering Wheel Surfaces • Illuminated Heater and Defroster Controls • Tires with Built-In Tread-Wear Indicators

Theft Deterrence

- Audible Reminder for Ignition Key Removal • Theft Deterrent Steering Column Lock • Visible Vehicle Identification Number

WHAT MAKES A
CADILLAC A CADILLAC

It all began in 1902. A commitment to quality and excellence. As a result, for the past 37 years, more car buyers in North America have chosen to own Cadillac than any other luxury car.

Today, that commitment remains obvious in such traditional areas as fit, finish, materials, appointments and craftsmanship.

But it now becomes evident, too, in state-of-the-art and leading-edge developments in safety and technology.

Traditional or advanced, however, the ultimate test of Cadillac quality and excellence is simply this: Does it contribute significantly to owner satisfaction?

That's what makes a Cadillac a Cadillac.

COMMITMENT TO

Excellence

General Motors recognizes that taking delivery of your new vehicle is a significant event. To ensure that your delivery experience contributes to your overall satisfaction, we have implemented a "Commitment to Excellence" Delivery Procedure.

This procedure includes a thorough new vehicle inspection by both the service technician and salesperson, a full tank of fuel, and a follow-up survey to determine your satisfaction with the delivery experience.

General Motors "Commitment to Excellence" is yet another excellent reason to "Look to GM Today".
