

# 1988 Mitsubishi Cars and Trucks

M I T S U B I S H I

# Mitsubishi Galant $\Sigma$ . An Elegant Blend of Luxury and Performance.

Introducing the new Mitsubishi Galant  $\Sigma$ . " $\Sigma$ " is the Greek letter *Sigma* meaning "summation." An entirely appropriate name for a car featuring a total integration of style, performance and functional technology.

Luxury can be found in its wealth of standard features, all included to make your driving experience an exquisite one. Performance can be found in its sleek, aerodynamic styling and the newly designed 3.0-liter V6 fuel-injected engine. In addition, the new Galant  $\Sigma$  offers the sure handling of an available Electronically-Controlled Suspension (ECS™) and ABS anti-lock braking system.

The 1988 Galant  $\Sigma$ . A true world class luxury sedan.

## Galant $\Sigma$ Features

- 3.0-liter, ECI™ Electronic Multi-point fuel injected, 142-horsepower SOHC V6 engine.
- 4-speed ELC™ automatic overdrive transmission.
- Power-assist four-wheel vented disc brakes.
- Optional Eurotech Package with Electronically Controlled Suspension (ECS™) and Anti-lock Braking System (ABS).

- Full function cruise control.
- Speed variable electronic power steering.
- ETACS-IV™ Electronic Time and Alarm Control System automatically performs routine functions including the passive arming theft deterrent system, 30-second power window

- delay after ignition shut-off and automatic shut-off of rear window and side-view mirror defroster.
- Fully automatic climate control system with soft touch controls.
- Electronically tuned AM/FM stereo/cassette with six speakers.
- Optional leather upholstery.

Starion ESI-R, with Sport Handling Package.

## Mitsubishi Starion. The Purist's Sports Car.

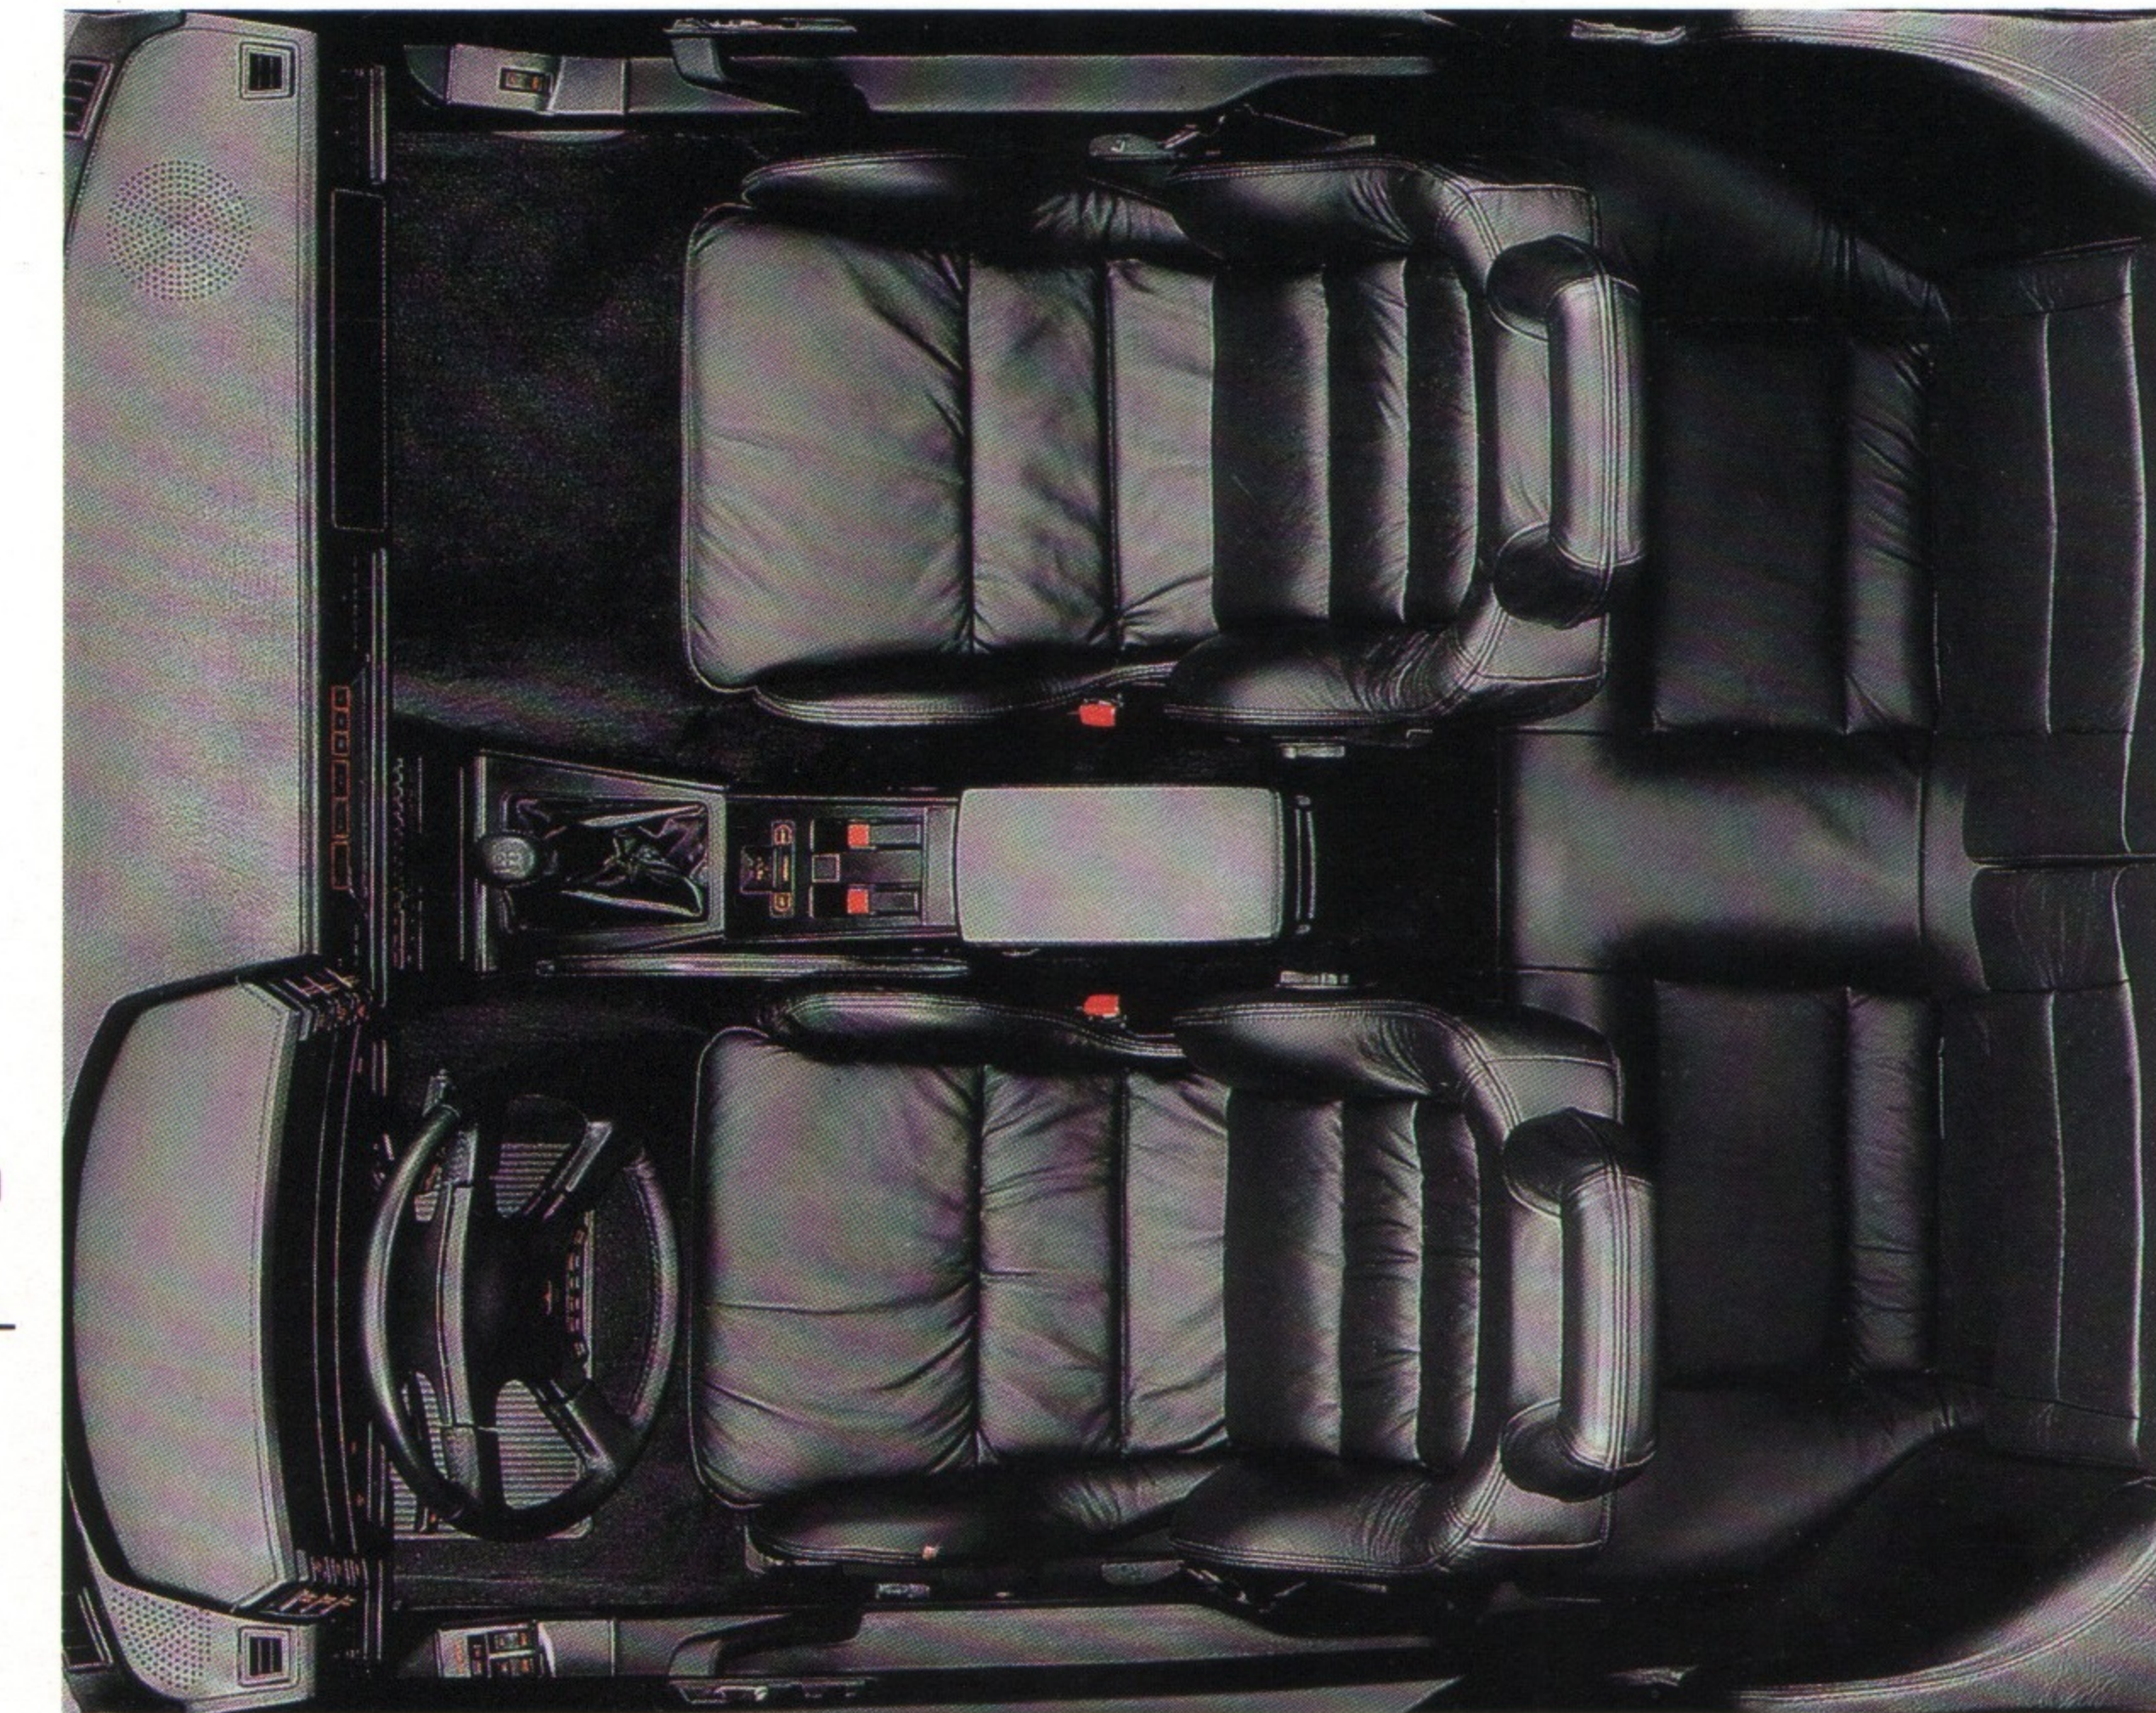

There are a lot of cars with power. And there are a lot of cars with looks and great handling. But there are very few that combine all three elements into one potent road package. Starion ESI and ESI-R are among that small handful of balanced performers.

There's no shortage of power. The Starion's 2.6-liter, turbocharged intercooled engine cranks out 188 horsepower, and 234 lbs.-ft. of torque for low end launch and top end punch.

The Starion ESI-R offers an optional Sport Handling Package to enhance its power which includes massive 245/45VR16 tires at the rear and 225/50VR16 tires at the front, aluminum wheels that are 16x8 at the front and 16x9 at the rear, 8-way manually adjustable shock absorbers and functional aero wheel inserts. It's all designed to give you outstanding handling without compromising ride quality.

### Starion Features

- 2.6-liter, 188-horsepower, intercooled turbocharged engine.
- 5-speed manual overdrive transmission.
- Optional 4-speed automatic overdrive transmission. (ESI-R only).
- Power assist 4-wheel vented disc brakes.

- ETACS-IV™ Electronic Time and Alarm Control System that automatically performs many routine functions.
- Electronically tuned AM stereo/FM stereo/cassette/graphic equalizer with steering wheel wireless remote controls (ESI-R).
- Rear Brake Lockup Control System™ (ESI-R only).

- Fully automatic heating/ventilation/air conditioning system with soft touch controls. (Optional on ESI.)
- Passive arming theft deterrent system.
- Power-assist steering.
- Full function cruise control.
- Optional leather upholstery. (ESI-R only)

Cordia Turbo

## Mitsubishi Cordia. Well Packaged Excitement.

For anyone seeking excitement behind the wheel, Cordia is what you're looking for.

The Cordia Turbo defines excitement with a 1.8 liter, electronically fuel injected, turbocharged 4-cylinder engine that delivers 116 horsepower and 120 lbs.-ft. of torque. All this is set astride alloy wheels with 195/60HR14 performance radial tires.

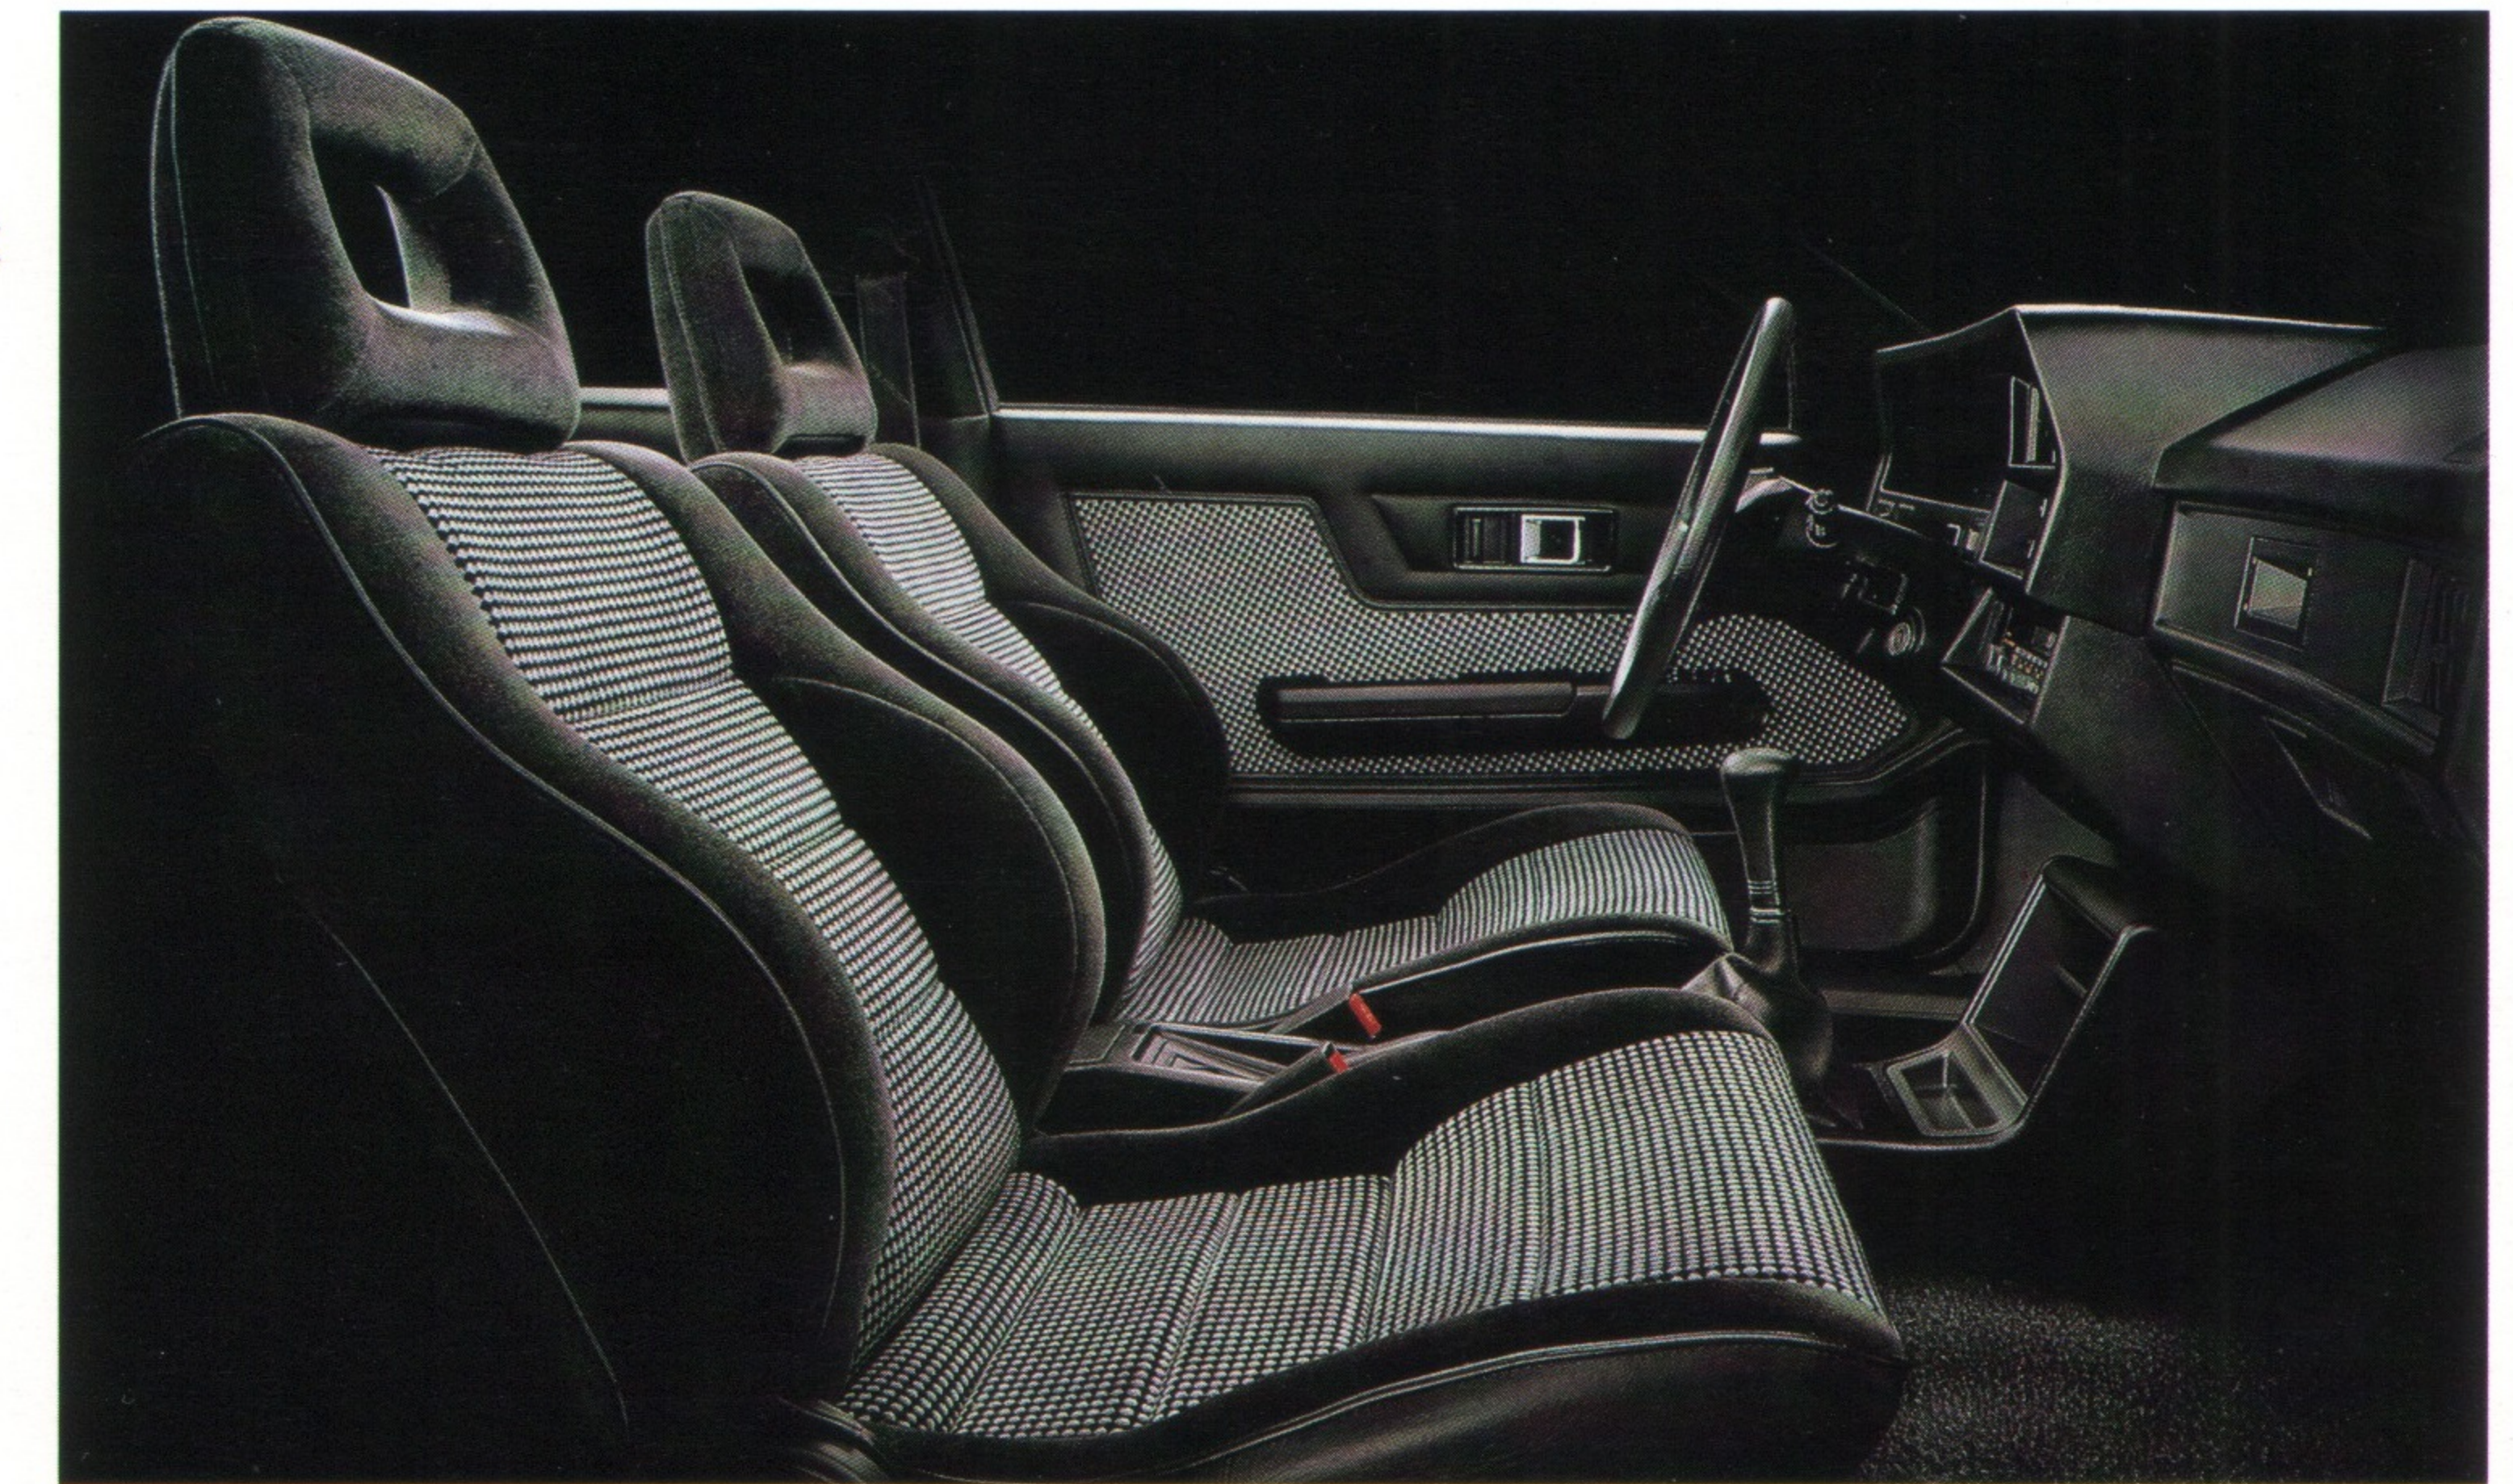

The Cordia L also has the power to make your blood race with a 2.0-liter SOHC engine combined with a four-wheel independent sport suspension with front and rear stabilizers.

Both Cordia Turbo and Cordia L have the power to turn heads with their rakish, sporty styling. Both feature an extended front air dam, rear spoiler and side-sill extensions that aren't just for appearance's sake. They enhance Cordia's slippery aerodynamics, contributing to its 0.33 coefficient of drag.

All this exhilarating performance can be yours for a price that won't stop your heart.

### Cordia Features

- 1.8-liter, 116-horsepower turbocharged engine. (Cordia Turbo)
- 2.0-liter SOHC engine. (Cordia L)

- 5-speed manual overdrive transmission.
- Optional Electronically Controlled (ELC™) 3-speed automatic transmission with lockup torque converter. (L only).
- Power-assist rack and pinion steering.
- Power-assist vented front disc brakes.
- Electronically tuned AM/FM stereo cassette with five speakers.
- Reclining front bucket seats with see-through headrests.
- Rear window defroster.
- Full analog instrumentation.
- Split fold-down rear seat.
- Remote hood, hatch and fuel door releases.

Mirage 4-Door

## Mitsubishi Mirage. An Education in Style and Value.

Take your choice from two stylish Mirage models—the sleek, wedge-shaped Mirage Turbo with its extended front air dam, extended side sills, plunging hoodline, wind-slipping composite headlamps and rear roof spoiler; or the handsome Mirage 4-door sedan, the affordable, high-content family sedan.

Mirage Turbo's excitement springs out of a 105 horsepower, electronically fuel injected, turbocharged 1.6-liter engine. Developing 122 lbs.-ft. of torque, it'll pin you to your seat from 0-50 in 6.2 seconds\*.

The Mirage 4-door is proof that value can come in a stylish package, loaded with room, comfort and convenience features. What moves you is a reliable transverse mounted 1.5-liter, 4-cylinder, SOHC engine. Couple it with either a 5-speed manual overdrive or optional 3-speed automatic transmission, and you'll know what dependability and value are all about.

\*Time compiled by a professional driver using a 1987 model.

The trademark Mirage is used with the consent of Grand Touring Cars, Inc., Scottsdale, Arizona.

Mirage Turbo

### Mirage Features

- 1.5-liter, 4-cylinder SOHC engine (4-door).
- 1.6-liter, 4-cylinder SOHC turbocharged, fuel-injected engine (Turbo).
- 5-speed manual overdrive transmission.
- Four-wheel independent suspension.
- Rack and pinion steering.
- Power-assist front disc brakes.
- Sport seats with see-through head restraints and seat back pockets.
- Split fold-down rear seat.
- Cut-pile carpeting.

Precis RS

## Precis. A Whole New Definition of Value.

Precis, imported by Mitsubishi from Korea, is an excellent example of how a car can be packed with value and still carry a low price tag. There are four Precis models to choose from, all with a wealth of standard features.

Start with the Precis 3-door hatchback. This model offers a long list of features that make driving a pleasure, including low-back reclining front bucket seats, variable intermittent wipers, side window defoggers, cut-pile carpeting, remote hood release, plus much more.

The sporty Precis RS 3-door hatchback offers all the standard features of the Precis, plus a fuel-saving 5-speed manual overdrive transmission, color-keyed bumpers, sporty wheel treatment, body side molding, and dual manual remote control outside mirrors.

Finally, there's the Precis LS, available in either 3-door or 5-door hatchback models. Inside the sleekly designed LS is a roomy and comfortable interior that is remarkably well equipped, offering over 80 standard features.

With Precis, it's obvious that the meaning of value in an economy car has been redefined.

### Precis Features

- 1.5-liter SOHC 4-cylinder engine.
- 4-speed manual transmission (Precis).
- 5-speed manual overdrive transmission (RS and LS).
- Optional Electronic Control 3-speed automatic transmission (LS).
- Rack and pinion steering.
- Power front disc/rear drum brakes.
- Four-wheel independent suspension.
- All-season steel belted radial tires.
- Reclining front bucket seats.
- Split fold-down rear seats.
- Optional Electronically tuned AM/FM stereo cassette with auto-reverse and two speakers. (Standard on LS)
- Electric rear window defroster.

Wagon LS

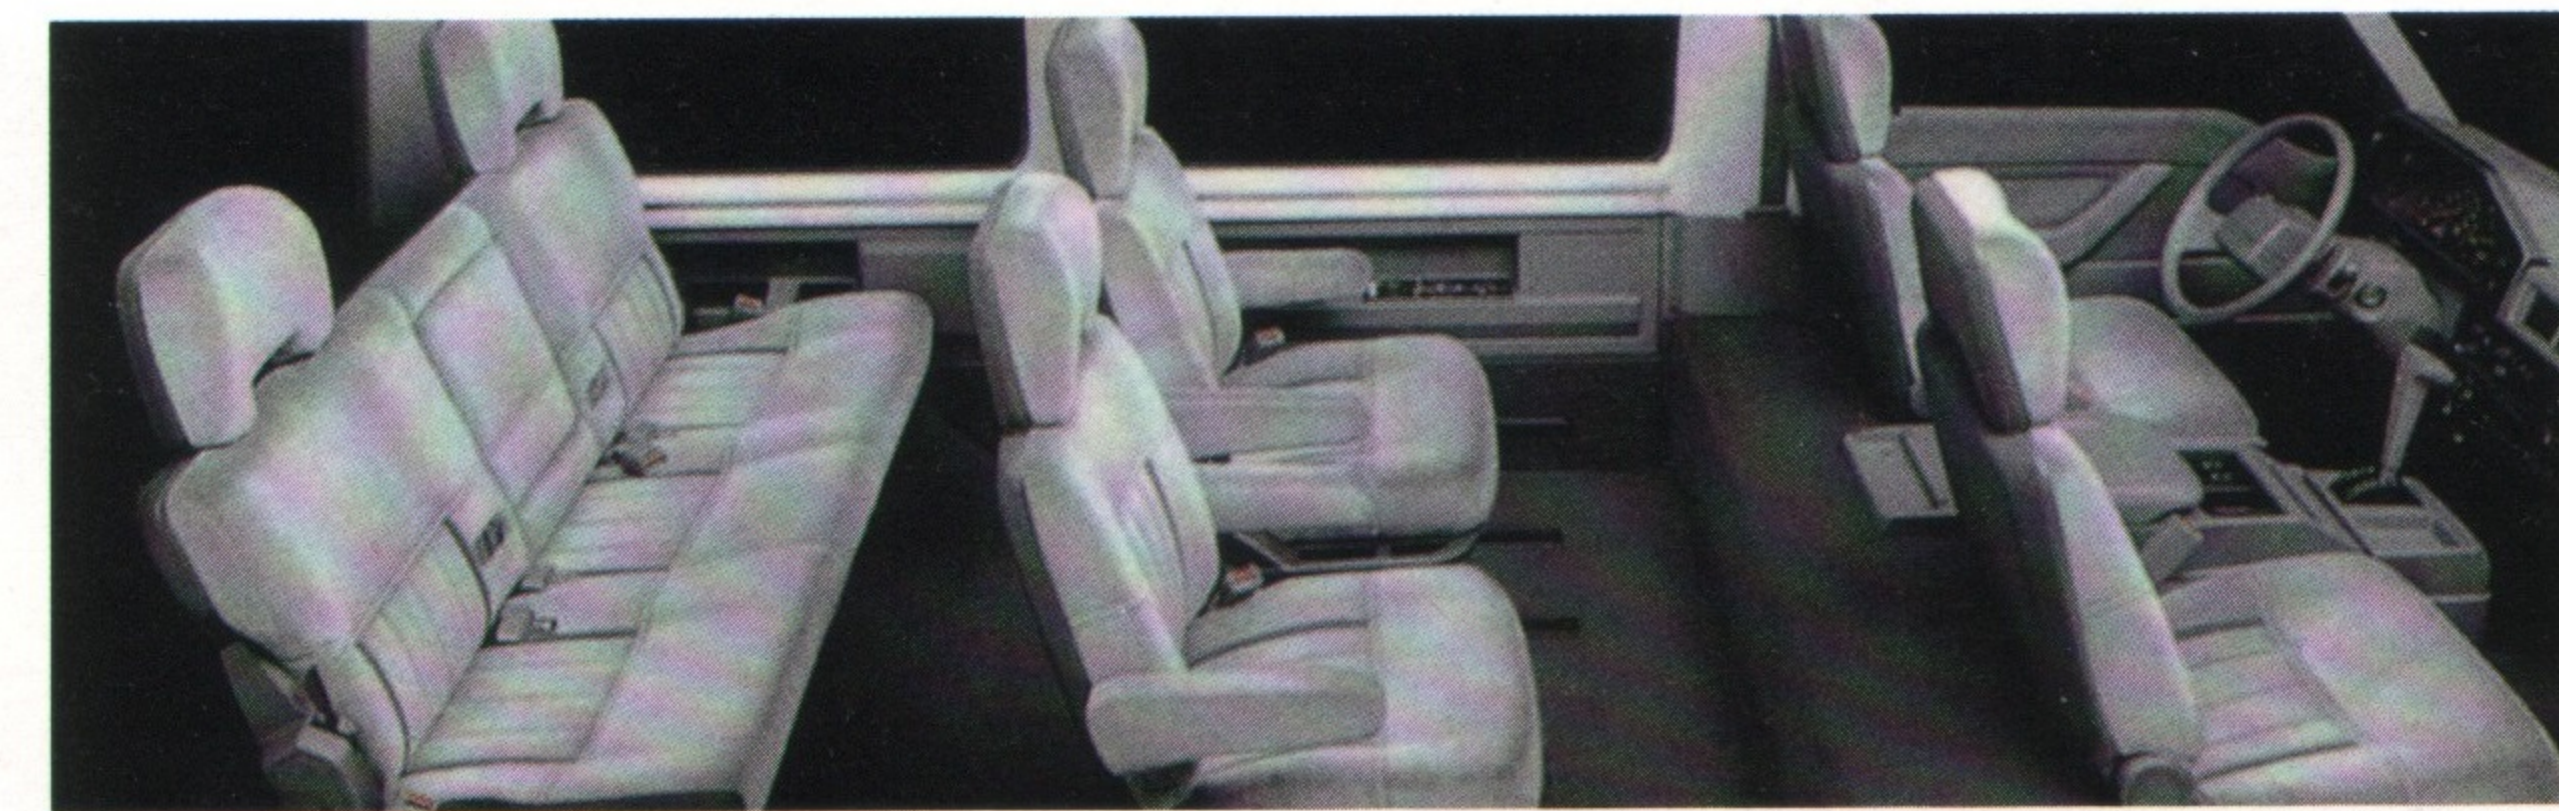

## Mitsubishi Wagon. There's No End to the Possibilities.

Mitsubishi Wagon's greatest virtue may be its all-out versatility. It will easily accommodate seven adults in plush velour seating, surrounded by 161.6 cubic feet of cabin space. The center Captain's Chairs swivel, slide and recline, and the rear bench seat folds forward for extra cargo space, fully reclines or can be completely removed.

The Wagon comes loaded with features like a height adjustable steering column, tinted glass, headlamps that automatically go off when the ignition is turned off, and deep cut-pile carpeting throughout.

To get you where you want to go, the Mitsubishi Wagon has a 2.4-liter, electronically fuel injected engine that puts out 107 horsepower. Patented Dual Engine Stabilizers™ help keep the engine vibrations to a minimum. The 4-speed automatic overdrive transmission takes the work out of shifting.

Opt for the ultimate convenience of the LS package, which includes power windows, power-assist steering, cruise control, digital clock and electronically-tuned AM/FM stereo cassette with 4 speakers and amplified subwoofer and you're really cruising in style.

\*Seats should be in upright position when vehicle is in motion.

4WDSPX and 4WDSPX Macrocab

## Mitsubishi SPX 4WD. Go Your Own Way.

Take the high road, the low road or no road at all with the 1988 Mitsubishi SPX 4WD. Choose between the SPX regular cab or the new SPX Macrocab with extra interior room. Both offer the versatility and toughness you want in a rugged truck, plus all the comfort of a passenger car.

The SPX exterior design offers a unique blend of aerodynamic efficiency and aggressive good looks with its high, wide body stance, soft body contours, flush seams, and sweptback windshield. Flared fenders, bright bumper, grille and trim, wide bodyside molding and spoker wheels tell you at a glance that the SPX is one truck that takes its fun seriously.

The spacious new SPX Macrocab interior offers reclining lowback sport bucket seats with adjustable headrests, a new center console with integral beverage holders, and plenty of storage space behind the seats.

### SPX 4WD Features

- 2.6-liter, 109-horsepower, SOHC engine.
- 5-speed manual overdrive transmission.
- Power-assist vented front disc, rear drum brakes.

- Independent front suspension with double A-arms, torsion bars and chassis-mounted differential.
- Shift-on-the-fly 2-speed transfer case with auto-lock hubs.
- Power-assist steering.
- Skid plates at front end, transfer case and fuel tank.
- Full instrumentation including tachometer, speedometer, oil pres-

sure gauge, voltmeter and temperature gauge.

- Low back sport bucket sets with adjustable headrests.
- Height adjustable steering column.
- Sport steering wheel.
- 225/75R15, all-terrain radial tires.
- Optional electronically tuned AM stereo/FM stereo cassette with graphic equalizer and four speakers.

SPX 2WD Macrocab

## Mitsubishi SPX 2WD Macrocab. Get There in High Style.

The rugged, roomy SPX 2WD Macrocab is an excellent example of style blended with performance. The wide flared fenders, distinctive side molding, bright grille and front bumper give it a bold, sporty look that demands to be noticed.

And if you're looking for room, there is plenty to spare in the SPX 2WD Macrocab. Behind the seats you'll find space enough for personal cargo such as tote bags, packages and coolers. On the transom are twin pockets with bag straps for small items. A parcel strap on the floor holds larger items securely in place. And, a hidden compartment under the floor lets you secure valuables from prying eyes.

### SPX 2WD Macrocab Features

- 2.6-liter, 109-horsepower SOHC engine.
- 5-speed manual overdrive transmission.
- Power-assist vented front disc/rear drum brakes.
- Independent front suspension with unequal length A-arms.
- Optional power-assist steering.
- Lowback sport bucket seats with adjustable headrests.
- 18.2 gallon fuel tank.
- Height adjustable steering column.
- Cut-pile carpeting.
- Side window defoggers.
- Digital quartz clock.
- 2-speed wiper/washer with variable intermittent feature.
- Sport steering wheel.
- Full carpeting.
- Optional air conditioning.
- Optional electronically tuned AM stereo/FM stereo cassette with graphic equalizer and four speakers.

Mighty Max. Mighty Max Macrocab

## 2WD Mighty Max and Mighty Max Macrocab. Loaded with Standard Features.

Every Mighty Max comes with a truckload of convenient, user-friendly standard-equipment extras, such as a height-adjustable steering column, durable vinyl bench seat with adjustable headrests, and a cab with full carpeting and full headliner. There's even a sport steering wheel designed with hand comfort in mind. And its 2.0-liter, 90 horsepower SOHC engine has all the power you need for the long haul.

With the new Mighty Max Macrocab, you can move into more room without moving into a higher priced luxury trim package. Also included is the larger 2.6-liter engine and 18.2 gallon fuel tank.

### Mighty Max Features

- 2.0-liter, 90-horsepower SOHC engine (Mighty Max).
- 2.6-liter, 109-horsepower SOHC engine (Macrocab).
- 5-speed manual overdrive transmission.
- Optional 4-speed automatic overdrive transmission with column shift (Mighty Max).
- Power-assist vented front disc/rear drum brakes.

- Welded double-wall cargo box with steel tie-downs.
- Vinyl sport bench seat with adjustable headrests (Mighty Max only).
- Height adjustable steering column.
- 2-speed washer/wiper.
- Sport steering wheel.
- Side window defoggers.
- Optional electronically tuned AM/FM radio with two speakers.
- Optional sliding rear window.
- Mighty Max Sport model includes 2.6-liter engine, cloth interior, spoker style wheels, sports-style side mirrors, wide body side moldings, bright grille, chrome front and rear step-up bumpers and bright trim.

Montero Sport

## Mitsubishi Montero. The Civilized Way to Rough It.

All you need to fully appreciate the Montero's multi-purpose utility is an adventurous spirit and a tough stretch of outback.

Montero begins with the rock steady foundation of a six crossmember ladder frame, mated to a solid steel body. Drop in a rugged 2.6-liter SOHC 109 horsepower engine. Temper it with fully independent front suspension with unequal-length A-arms, torsion bars, telescopic shock absorbers and a stabilizer bar, and you've got one tough vehicle.

Inside you'll discover a truly luxurious and spacious interior. There are comfortable, reclining front bucket seats with adjustable headrests; full carpeting throughout; height adjustable steering column; sports style steering wheel; and full instrumentation. Whether you're on city streets or country roads, Montero is the civilized way to go.

### Montero Features

- 2.6-liter 109-horsepower engine.
- 5-speed manual overdrive transmission.
- Optional 4-speed automatic transmission.
- Part-time 4WD system with 2-speed transfer case.
- Automatic locking front hubs and hubs locked indicator system.
- Skid plates at the engine, transfer case and fuel tank.
- Power-assist steering.
- Limited slip differential (Sport).
- Dual bi-level heating/ventilation system.
- Electronically tuned AM/FM stereo cassette with 4 speakers (Sport).
- Driver's suspension seat with variable rate, adjustable shock absorber (Sport).
- Fold-forward rear bench seat (Sport).

## Mighty Max One-Ton. Ready to Work.

The same high level of comfort, convenience and rugged dependability built into every Mitsubishi Mighty Max is included in the One-Ton, plus extra features that make hard work easy.

### Mighty Max One-Ton Features

- 2.6-liter 109-horsepower SOHC engine.
- 5-speed manual overdrive transmission.
- Power-assist vented front disc/rear drum brakes.
- Height adjustable steering column.
- Welded double-wall cargo box with steel tie-downs.
- Durable vinyl bench seat with adjustable headrests.
- 2110 lbs. cargo capacity.
- 18.2-gallon fuel tank.
- Power steering.

## Mitsubishi Van. Mixing Business with Pleasure.

This stylish van can really take care of your business. Its cargo bay can handle 1,951 pounds. Loading is made easy by the 23.4" ground lift height. And the tailgate swings out of the way for a spacious 42.9" high by 49.8" wide entrance, while the sliding curbside door offers a 33" opening to work with.

### Mitsubishi Van Features

- 2.4-liter 107-horsepower electronically fuel injected engine.
- 4-speed automatic overdrive transmission.
- Power-assist vented front disc brakes.
- Rack and pinion steering.
- Optional power-assist steering.
- Dual Engine Stabilizers™
- 161.6 cubic feet cargo carrying capacity.
