## Turning inspiration into reality.

Welcome to a bold new era of refined technology. This is contemporary Mitsubishi. Man and sophisticated machine in total harmony to enrich the human spirit.

Joy. Pride. Excitement. Confidence. Pure pleasure. At Mitsubishi, we believe

a superbly crafted automobile should evoke those very human emotions as it delights your senses. And we marshal all our diverse skills in that service.

The considerable resources of Mitsubishi Motors of Japan are up to the job. They've been advancing the state

of the automotive science since 1917.

And now, Mitsubishi Motors has crossed the threshold into a new generation of vehicles, inspired by the incredible HSR. A high-speed research concept vehicle — literally a lab on wheels — it powers the path Mitsubishi technology will take into the 21st century.

Its mission: To prove that pioneering Mitsubishi technology can help even ordinary drivers become masterful.

To accomplish this ambitious goal, the HSR integrates wind-cleaving organic contours with such advanced performance technologies as 4-wheel steering, 4-wheel drive, 4-wheel anti-lock braking, 4-wheel independent active suspension and a 4-valves-per-cylinder DOHC engine.

Significantly, many of the HSR's innovations are yours to enjoy in the Mitsubishi vehicles you can own today.

And that makes Mitsubishi, Suddenly, The Obvious Choice.™

## 1989 Galant LS. Style and excitement.

The Galant LS combines the convenience of the four doors you need with the sophisticated, distinctive styling and performance you want. True performing art.

- 2.0-liter, 4-cylinder SOHC engine.
- Electronically controlled 4-speed

automatic overdrive transmission with POWER/ECONOMY modes.

- Power windows and power door locks.
- Electronically tuned AM/FM stereo radio with cassette and six speakers.
- Full-function cruise control.
- Variable-assist power steering.

- Reclining front bucket seats with six-way adjustable driver's seat.
- Luxurious velour upholstery.
- Tilt steering column.
- Rear fold-down center armrest with access through to the trunk.
- Passenger underseat storage tray.

## 1989 Galant GS. Japan's Car of the Year.

"The most significant car introduced" cited a panel of automobile experts in naming Galant "Japan Car of the Year." Galant was singled out for its practical use of high technology, distinctive and expressive styling, performance, quality and remarkable value for the money.

No other sports sedan ever looked like this. Or felt like this.

- 2.0-liter 4-cylinder 16-valve DOHC engine.
- Active-ECS™ electronically controlled suspension.
- EPS-II™ electronic variable-assist

power steering.

- Power assist 4-wheel disc brakes.
- Available 4-wheel anti-lock brake system (ABS).
- 5-speed manual overdrive transmission.
- Aluminum alloy wheels.

- Reclining front bucket seats with five-way adjustable driver's seat.
- ETACS IV™ Electronic Time and Alarm Control System automatically performs a variety of routine functions for you. Prevents you from locking your keys in the ignition. Delays

fade out of the dome light. Gives you 30-seconds grace to close the power windows or available power sunroof. And much more.

- Electronically tuned AM/FM stereo radio with cassette and six speakers.
- Full-function cruise control.

- Power windows and power door locks.
- Tilt steering column.
- Dual power remote sideview mirrors.
- Available air conditioning.
- Available power slide/tilt sunroof.

NOTE: Seatbelt system has been disconnected to more clearly depict interior of vehicle. Seatbelt use is recommended while driving.

## This is the year of the Eclipse.

Eclipse has much in common with its celestial namesake: the spectacular motion of a heavenly body. Brazenly powerful, yet sculpted to slip down the highway faster, smoother, quieter. A car with fun-to-drive performance and an independent spirit ready to let yours soar.

Four Eclipse models give you your choice of engines: 2.0-liter, 16-valve DOHC intercooled, turbocharged engine producing 190 hp; 2.0 liter, 16-valve DOHC with 135 hp; or a 1.8-liter SOHC with 92 hp.

- 5-speed manual overdrive transmission.

- Available 4-speed automatic overdrive transmission with POWER/ECONOMY modes. (Not available on GS Turbo.)
- Power-assist 4-wheel disc brakes.
- Variable-assist rack-and-pinion power steering. (Power-assist optional on Eclipse standard model.)

- Dual remote sideview mirrors.
- Electronically tuned AM/FM stereo with four speakers standard on Eclipse.
- Electronically tuned AM/FM stereo/cassette with six speakers, standard on all Eclipse GS models.
- Tilt steering wheel.

- Wraparound aircraft-style instrumentation.
- Highback reclining front bucket seats; fold-down rear seat.
- Retractable halogen headlamps with auto-off feature.
- Motorized front passive restraint system.

- Eclipse GS Turbo features color-keyed rear spoiler, side-sill extensions, front air-dam extension and 16" cast alloy wheels with "V"-rated tires.

NOTE: Passive restraint system has been disconnected to more clearly depict interior. Seatbelt use is recommended while driving.

### 1989 Mirage 3-Door Hatchback. Affordable fun.

Individual. Irresistible. The Mirage 3-door Hatchback is fun on four wheels. Its aerodynamic body surrounds an incredibly roomy interior. The Mirage Hatchback is a personal car with a value-packed personality, loaded with standard features. Though practical and

affordable, Mirage never lets you forget what a joy driving can be.

- 1.5-liter 4-cylinder SOHC engine.
- 3-speed automatic transmission.
- Reclining front bucket seats.
- Split fold-down rear seats.
- Electric rear-window defroster.

- Turbo model features 1.6-liter, 4-cylinder DOHC 16-valve turbo-charged engine, 5-speed manual overdrive transmission, power-assist 4-wheel disc brakes, rear-roof spoiler, side-sill extensions and front air-dam extension.

### 1989 Montero. Adventure, at a civilized price.

Spirit. Stamina. And a good sport. The fun begins where the road ends . . . in Montero's rugged response to the call of the wild. The Montero 2-door. Loaded with value and poised for performance, whether or not your wilderness has street signs.

- Powerful new 3-liter V-6 143-hp engine.
- 5-speed manual overdrive transmission.
- Part-time four-wheel drive.
- Automatic-locking front hubs with "Hubs Engaged" light.
- Power-assist vented front disc/rear drum brakes.

- Power-assisted steering.
- Sports-type reclining front bucket seats.
- Dual bi-level heating/ventilation system.
- Remote electric rear-door lock.
- 2.6-liter 4-cylinder SOHC engine with 5-speed manual overdrive transmission available in SP trim level.

## 1989 Montero 4-Door. Versatility, defined.

The new Montero 4-door V-6 moves easily between the roles of rugged explorer and luxury transport for the adventure-spirited family. Monteros equipped with the new 3-liter V-6 engine ride smoothly on independent front suspension and a new coil-spring rear

suspension. Together they provide just the right combination of highway comfort and off-road ruggedness.

- 3.0-liter V-6 SOHC 143-hp engine.
- Electronic multi-point fuel injection.
- 5-speed manual overdrive transmission.
- 4-speed automatic overdrive

transmission standard on Montero LS, available on other V-6 models.

- Part-time four-wheel drive with auto-lock hubs.
- Power-assist front disc/rear drum brakes.
- Power-assist steering.

- Height adjustable steering column.
- Sports-type reclining front bucket seats with knit/velour insert upholstery.
- Weight-adjustable driver's suspension seat.
- Fold-down rear bench seat.
- Power Package — including full-feature

cruise control, power windows and power door locks — standard on Montero LS, optional on Montero 4-door.

- Electric rear-window defroster.
- Headlamp washers.
- Rear-window wiper/washer with

intermittent control.

- Remote electric rear-door lock.
- Electronically tuned AM/FM stereo with cassette and four speakers.
- Dual bi-level heating/ventilation system.

NOTE: Seatbelt system has been disconnected to more clearly depict interior of vehicle. Seatbelt use is recommended while driving.

### Precis\* 3-Door Hatchback. Big value, little price.

You'd be hard pressed to find a car with more standard features for less money than the Precis 3-door hatchback. The stylish exterior houses a pleasingly comfortable interior. And even with Precis' exceptional value, there is no economizing on features. These are just

some of the 60 standard features designed to enhance your driving pleasure:

- 1.5-liter 4-cylinder engine.
- Fully independent suspension.
- Rack-and-pinion steering.
- Power front disc brakes.
- Reclining front bucket seats.
- Split fold-down rear seats with integral headrests.
- Variable intermittent front wipers.
- Electric rear window defroster.
- Heating/ventilation with 4-speed fan.
- Side-window defoggers.

\*Precis, imported by Mitsubishi from Korea.

### Precis 5-Door. Beautifully furnished family room.

Four-door convenience. Extra-spacious hatchback. Generous interior. Precis 5-door Hatchback is ideal for taking care of family business—at a price that fits the family budget. Inside, more than 80 standard features await your pleasure.

Precis 5-door: a family-sized car with extras that don't cost extra.

- 1.5-liter 4-cylinder engine.
- 5-speed manual transmission.
- Power front disc/rear drum brakes.
- Reclining front bucket seats with driver's seat lumbar and seat-tilt adjuster.
- Full velour seat upholstery.
- Electronically tuned AM/FM stereo radio with auto-reverse cassette.
- Rear-window wiper/washer.
- Dual remote control sideview mirrors.
- Front-passenger underseat storage tray.
- Digital quartz clock.

### 1989 Sigma. Contemporary Classic.

The 1989 Sigma: classic lines, contemporary luxury, exhilarating performance and exceptional quality.

- 3.0-liter V-6 engine.
- 4-speed ELC™ automatic transmission with POWER/ECONOMY modes.
- Power-assist 4-wheel disc brakes.

- Available Electronically Controlled Suspension (ECS™).
- Available 4-wheel anti-lock braking system (ABS).
- Microprocessor-controlled heating/ventilation/air-conditioning system.
- Full-feature cruise control.

- ETACS IV™ prevents you from locking your keys in the ignition. Delays fadeout of the dome light. Gives you 30-seconds grace to close the power windows or available power sunroof.
- Power door locks, windows and sideview mirrors.

### 1989 Wagon. Space technology at its finest.

Smart. Versatile. Comfortable. And incredibly spacious. The Mitsubishi Wagon accommodates a carpool of passengers and all their belongings.

- 2.4-liter, 107-hp multi-point fuel-injected engine.
- Power-assist front disc brakes.

- 4-speed automatic transmission with overdrive lockout control.
- Reclining front bucket seats.
- Second row Captain's chairs slide, recline, swivel; adjustable headrests.
- Reclining/folding rear bench seat.
- Dual bi-level heating/ventilation.

- Available LS Package includes power windows, power mirrors, digital clock, electronically tuned AM/FM stereo cassette with 4 speakers and amplified sub-woofer, cruise control and power-assist steering.
- Rear window wiper/washer.

### 1989 SPX 4WD. Tough ain't enough anymore.

Explosive muscle. Brawny, wide-track stance. Taut sinews of steel, sculpted into a lean, solid body. These trucks are tough. But they're easy on your wallet.

Consider the SPX 4WD, Macro or Regular cab. Because you take 4-wheel fun seriously, Mitsubishi shaped the SPX

to haul you and your gear in comfort and style.

- Powerful 2.6-liter 4-cylinder engine.
- Dual Engine Stabilizers.™
- 5-speed manual overdrive transmission.
- 2-speed transfer case.
- Automatic-locking front hubs.

- Power-assisted steering.
- Power-assisted vented front disc/rear drum brakes.
- Sports-type reclining bucket seats with velour upholstery.
- Height-adjustable steering column.
- Digital quartz clock.

### 1989 Mighty Max. Hauls your money a long way.

Who says basic transportation has to be basically boring? Not the Mitsubishi Mighty Max. Instead of "stripped," it's "loaded" — with standard features that give this tough truck comforts you might not expect to see in a standard-trim package.

- 2.0-liter 4-cylinder engine.
- 5-speed manual overdrive transmission.
- Available 4-speed automatic overdrive transmission with column shift.
- Power-assisted front disc/rear drum brakes.
- Sports bench seat with adjustable headrests.
- Height adjustable steering column.
- Full carpeting.
- Dual outside mirrors with right convex.
- Exterior cargo-area light.
- Steel tie-down cargo hooks.

**Mitsubishi. Suddenly, the obvious choice.™**

**Craftsmanship in every detail.** Every Mitsubishi vehicle is a blend of advanced engineering and timeless dedication to detail. Each rigid, high-tensile-strength-steel frame is welded with the precision only today's lasers and computerized robots can produce.

And then the trained skills of dedicated production-line technicians take over. They check the quality of materials and the accuracy of tools. They test parts. Inspect subassemblies. Each man with the power—the *duty*—to stop the line if anything doesn't measure up to Mitsubishi's standards.

If a Mitsubishi doesn't pass the tests, it doesn't pass through the factory doors. All this care produces vehicles of proven reliability; cars and trucks that confidently carry the longest warranties in Mitsubishi history.

Mitsubishi's confidence in the quality of materials and reliability of craftsmanship used to build their 1989 vehicles is exemplified by the longest warranties in Mitsubishi history.

- **3-year/36,000-mile** basic new vehicle limited warranty that provides extensive protection for your new car or truck.
  - **3-year/50,000-mile** powertrain limited warranty (includes engine, transmission and differential).
  - **5-year/Unlimited mileage** anti-corrosion perforation limited warranty.\*
- For complete details on these limited warranties, see your Mitsubishi Motors Dealer.

\*1989 Galant and Mirage models feature a 7-year/100,000-mile anti-corrosion perforation limited warranty.

**Diamond Care.™**

Mitsubishi's comprehensive new-vehicle delivery program is designed to ensure that your new Mitsubishi vehicle is thoroughly prepared, inspected and its features explained before you drive off.

We even make sure that the gas tank is full before you leave. And Diamond Care does not end when you leave the dealership. After your first 1,000 miles, you are invited back to have any service need caused by normal vehicle use taken care of absolutely free.

Call 1-800-447-4700 for your nearest Mitsubishi Motors Dealer.
