CHILD SAFETY Children generally are safer if they are secured in a rear seat using the appropriate child safety seats and restraints, which is why General Motors recommends that child safety seats be properly secured in a vehicle's rear seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active air bag. See your vehicle Owner's Manual and child safety seat instructions for more safety information.

UPDATED SERVICE INFORMATION Buick regularly sends its dealers useful service bulletins about Buick products. Buick monitors product performance in the field. We then prepare bulletins for servicing our products better. You can receive these bulletins too. Ask your dealer or, for ordering information, call 1-800-551-4123.

WARRANTY The GM 3-year/36,000-mile New Vehicle Limited Warranty covers repairs for any new Buick, including labor and parts, to correct any defects in material or workmanship occurring during the warranty period. The complete vehicle (including tires) will be covered for 3 years or 36,000 miles, whichever comes first. (Excludes normal maintenance.) See your Buick dealer for terms of this limited warranty.
