

A close-up, artistic photograph of a tire tread pattern. The tread consists of multiple parallel, slightly curved ridges that create a sense of depth and texture. The lighting is dramatic, highlighting the ridges against a dark, almost black background. The composition is split, with the tire tread occupying the left and bottom portions of the frame, while the right portion is mostly dark with the text centered.

INDEPENDENCE

DETAILS

FACTS

PALETTE

STRENGTH. STYLE. DESIGN.

PHYSICALLY DOMINANT, VISUALLY STUNNING AND EMOTIONALLY POWERFUL.

IT IS A GRACEFUL BALANCE OF DELIBERATE STRENGTH AND EQUALLY IMPORTANT

ELEMENTS OF **STYLE AND DESIGN.** INTRODUCING THE 2003 LINCOLN NAVIGATOR.

A BEAUTIFULLY ENGINEERED LUXURY SUV BUILT TO GIVE YOU THE CONFIDENCE

AND FREEDOM TO DO WHAT YOU WANT, WHEN YOU WANT.

INNER STRENGTH

WHAT IS FUNCTIONAL SHOULD ALSO BE BEAUTIFUL. IT IS A THEME THAT

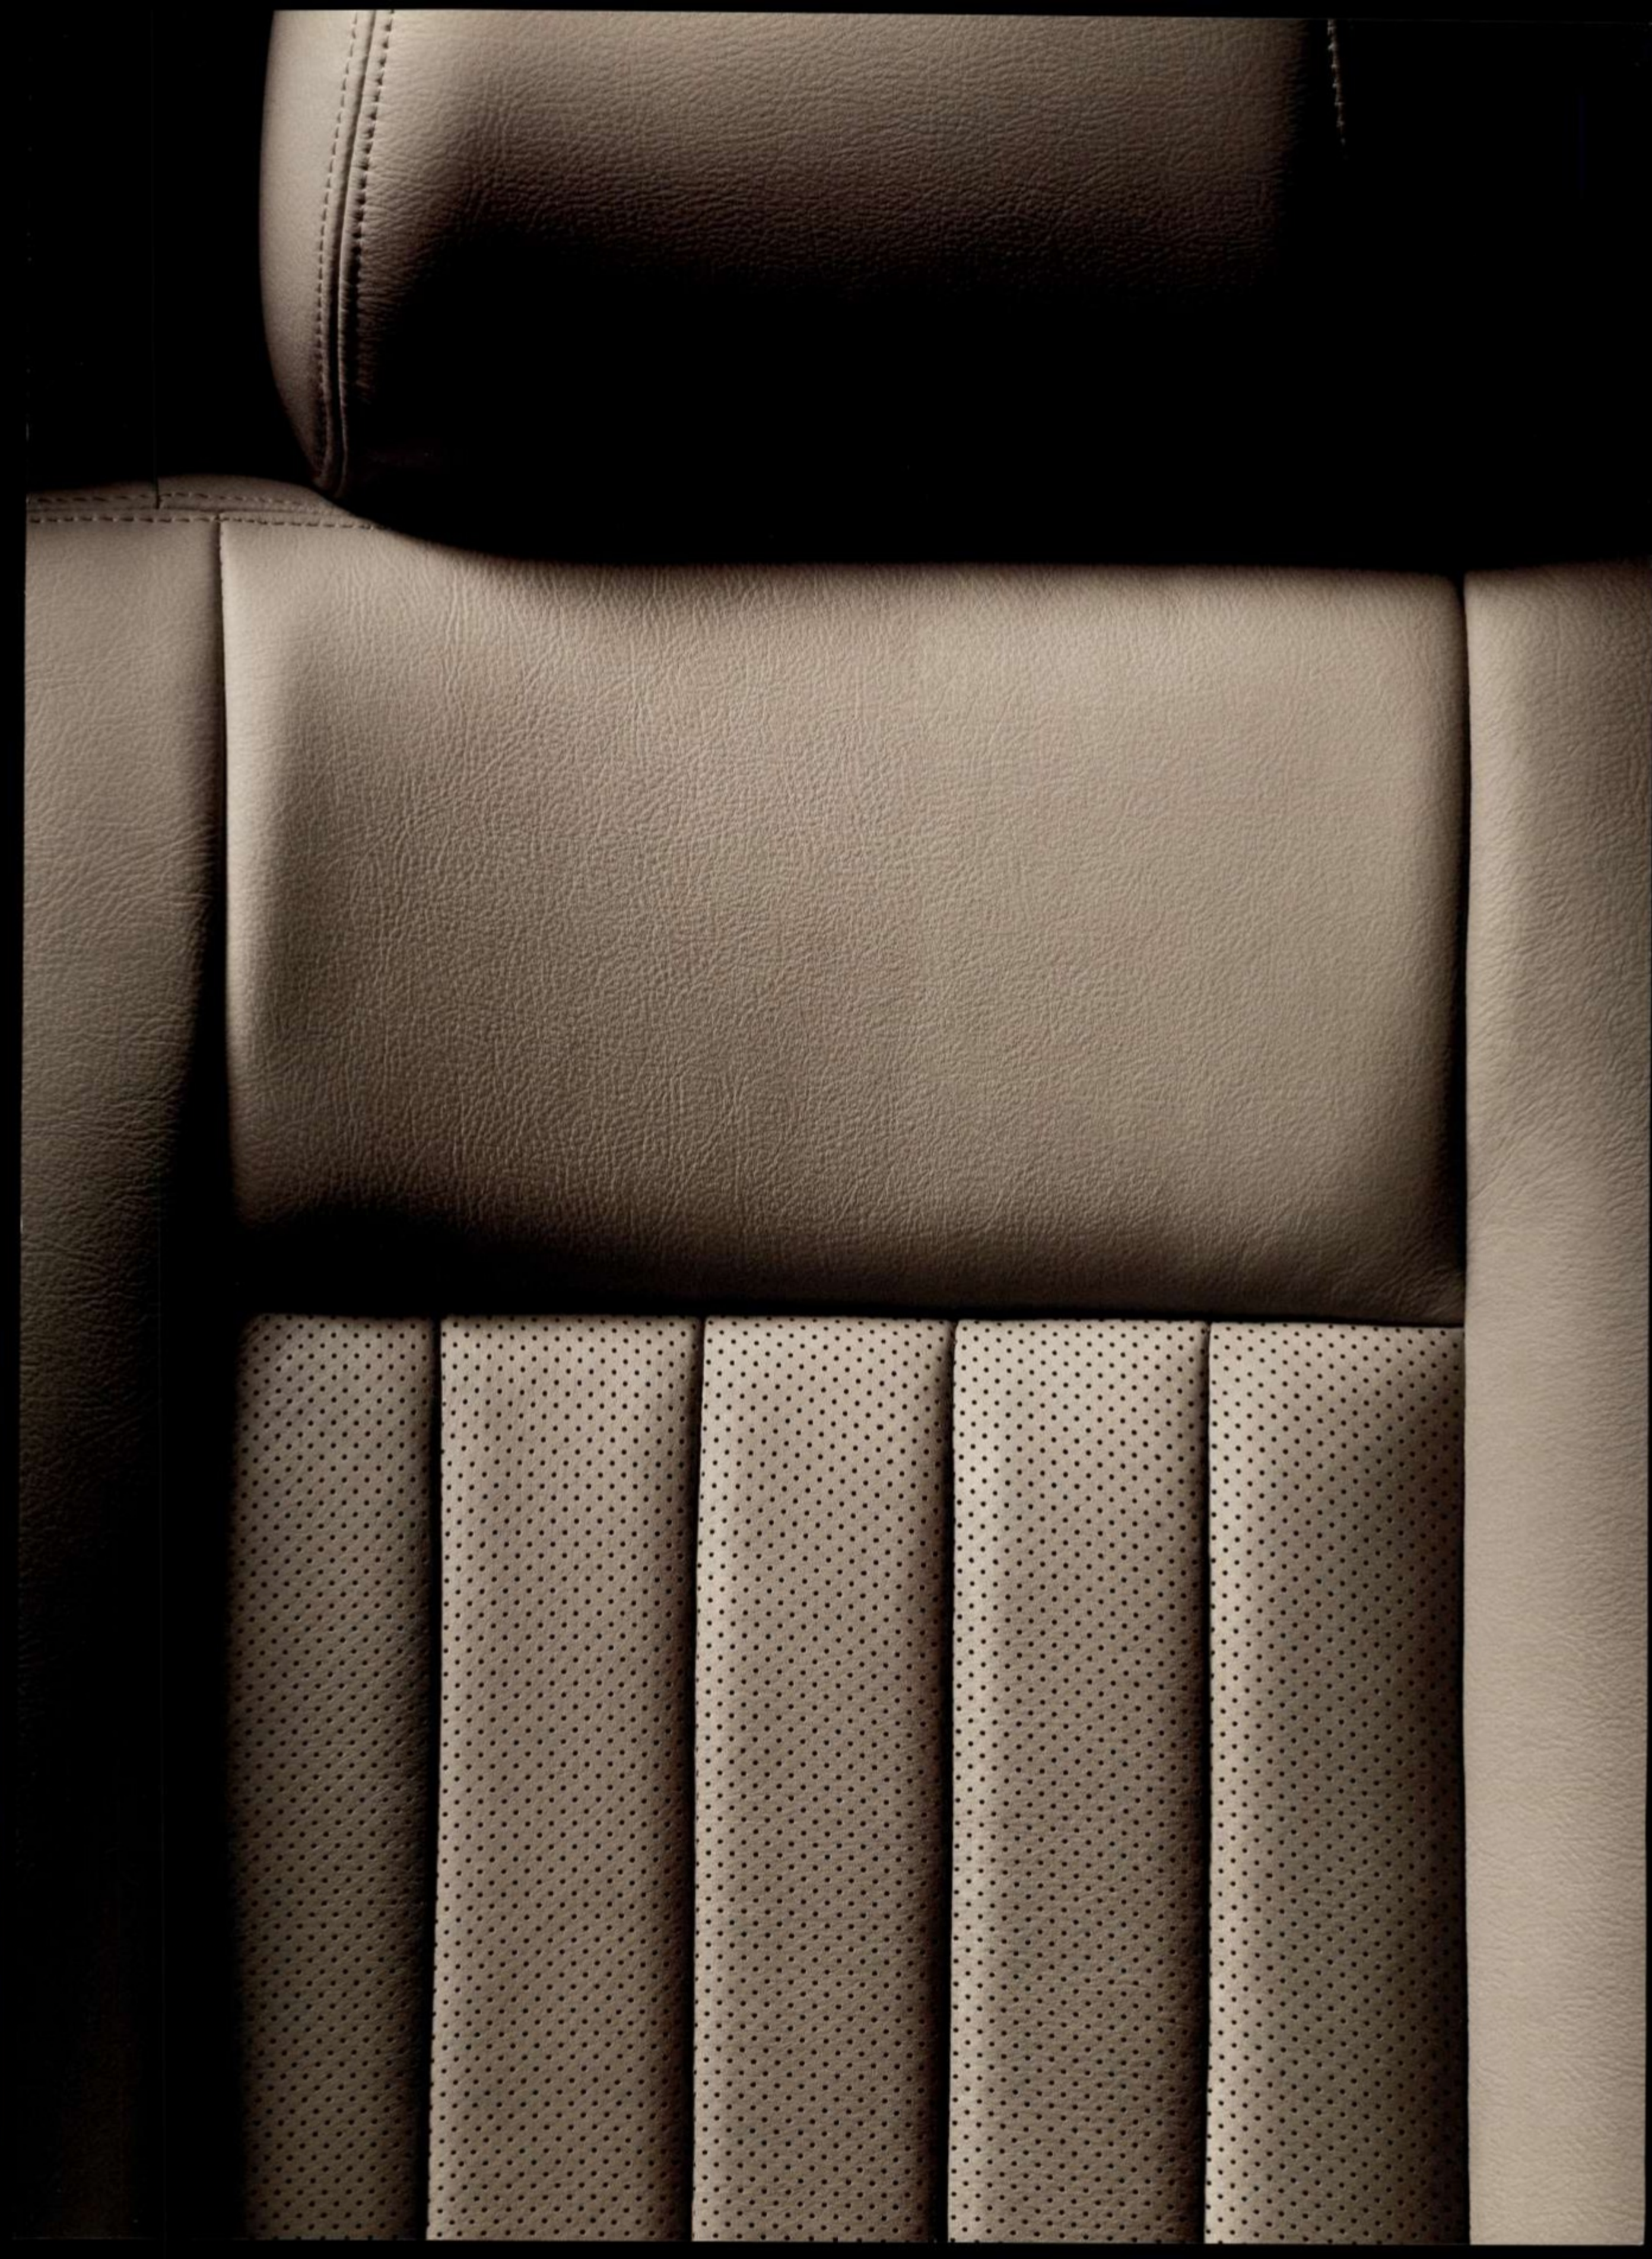

CAN BE RECOGNIZED IN EVERY LINCOLN VEHICLE. FROM THE NAVIGATOR'S

FLUID EXTERIOR TO THE

**FLAWLESS GRACE
AND LUXURY** OF ITS INTERIOR,

LINCOLN CRAFTSMEN ENDEAVOR TO MAKE THEIR DILIGENCE EVIDENT

IN EVERY CURVE AND EVERY STITCH.

THE OPEN, ELEGANT COCKPIT IS APPOINTED WITH SUBTLE, INTUITIVE CONTROLS.
COMPLEMENTED WITH AVAILABLE AMENITIES SUCH AS A POWER THIRD-ROW SEAT, CLIMATE-CONTROLLED
FRONT SEATS AND, OF COURSE, A REAR SEAT ENTERTAINMENT SYSTEM.
EXTRAVAGANT? PERHAPS, BUT WE WANTED TO BE SURE THAT ALL SEVEN PASSENGERS
WOULD BE AS IMPRESSED WITH THE NAVIGATOR'S INTERIOR
AS THEY ARE WITH THE EXTERIOR.

ORIGINALITY

A DECLARATION OF CONFIDENCE. PURE AND SIMPLE. THE LINCOLN WATERFALL GRILLE

IS A POWERFUL VISUAL STATEMENT THAT IS TASTEFUL, REFINED AND ABSOLUTE IN ITS ORIGINALITY. ITS FORM

POSSESSES STYLE AND GRACE WHILE EXUDING

UNMISTAKABLE
CONFIDENCE, SETTING THE TONE FOR AN INFLUENTIAL
VEHICLE THAT COMMANDS BOTH ATTENTION AND RESPECT EQUALLY.

Lincoln Navigator Ultimate four-wheel drive in Silver Birch Metallic Clearcoat. Shown with available equipment.

Lincoln Navigator Ultimate four-wheel drive in Silver Birch Metallic Clearcoat. Shown with available equipment.

ELEGANT IN ITS INNOVATION,
THE NAVIGATOR'S HANDSOME STYLING
DISTINGUISHES IT FROM ANY OTHER VEHICLE
IN ITS CLASS. ITS BOLD EXTERIOR DETAILS
COMPLEMENT AN INNER STRENGTH.
THREE HUNDRED HORSES STRONG,
THE 5.4-LITER V8 PRODUCES EXHILARATING
POWER THAT DEFINES THIS VEHICLE AS A
DOMINANT PRESENCE ON ANY ROAD.

AN ALPINE LAKE. A QUIET COASTAL LODGE.
THE SPA IN THE DESERT. WHEREVER YOUR
ESCAPE MAY BE, THE NAVIGATOR IS EQUIPPED
FOR COMFORT. FROM AN AVAILABLE
FOUR-WHEEL DRIVE AND A LOAD-LEVELING
SUSPENSION THAT HELP ENSURE A SMOOTH,
SECURE RIDE, TO ULTRA-CONVENIENT
AMENITIES LIKE AVAILABLE POWER RUNNING
BOARDS AND A POWER LIFTGATE—
BOTH NAVIGATOR FIRSTS—IT'S EASY
TO UNDERSTAND THAT THIS EXCEPTIONAL
SUV ISN'T JUST BUILT TO TRAVEL,
BUT RATHER TO TRAVEL WELL.

INDEPENDENCE

THE NAVIGATOR ISN'T SIMPLY A LUXURY SUV. IT IS AN OPPORTUNITY TO INDULGE IN INDEPENDENCE AND TO MAKE A **POWERFUL STATEMENT TO THE WORLD.** A CHOICE OF COMFORT, REFINEMENT AND AN IMPRESSIVE PRESENCE THAT GIVES YOU THE CONFIDENCE AND FREEDOM TO CHOOSE YOUR OWN ROADS AND YOUR OWN DESTINATIONS.

LINCOLN OFFERS A 4-YEAR/50,000-MILE BUMPER-TO-BUMPER LIMITED WARRANTY COVERING REPAIRS, REPLACEMENT, OR ADJUSTMENT OF ALL PARTS DEEMED DEFECTIVE IN MATERIALS OR WORKMANSHIP AT NO OUT-OF-POCKET COST TO YOU.¹

STANDARD WITH ALL 2003 LINCOLN VEHICLES IS OUR 3-YEAR/36,000-MILE COMPLIMENTARY MAINTENANCE —A NO CHARGE, SCHEDULED SERVICE PLAN CONDUCTED AT 5,000-MILE OR 6-MONTH INTERVALS, WHICHEVER OCCURS FIRST, IN ACCORDANCE WITH YOUR VEHICLE'S SCHEDULED MAINTENANCE GUIDE.¹

¹SEE YOUR DEALER FOR MORE DETAILS.

Center-stacked Audio and Dual Electronic Automatic Temperature Controls allow the driver and front passenger easy access to the stereo as well as the ability to enjoy different temperature settings. Or an available Navigation System, using a satellite-based Global Positioning System, is conveniently situated for easy reach and viewing.

With the available Rear Seat Entertainment System, your rear passengers can have control over their entertainment selections with their very own infrared remote control. This remote will offer your rear passengers the convenience to not only have control of the DVD player but also to adjust the rear seat audio functions to their preferences.

AVAILABLE ON THE LINCOLN NAVIGATOR, 40/20/40 SECOND-ROW SEATS OFFER MULTIPLE SEATING CONFIGURATIONS FOR MAXIMUM PASSENGER OR CARGO SPACE.

THE AVAILABLE ADVANCETRAC™ VEHICLE STABILITY ENHANCEMENT SYSTEM HELPS STABILITY AND STEERING CONTROL BY CONSTANTLY MONITORING THE VEHICLE'S MOTION RELATIVE TO THE DRIVER'S INTENDED COURSE. BY INTEGRATING THE BENEFITS OF ANTI-LOCK BRAKES AND TRACTION CONTROL, THIS SYSTEM FURTHER ENHANCES VEHICLE CAPABILITY AND SAFETY.

Keep your rear seat passengers entertained while you stay focused on the road ahead. This available Rear Seat Entertainment System with DVD includes a ceiling-mounted, flip-down 7-inch color LCD screen for watching videos or playing games.

Exclusive to its class, the Navigator's available power running boards deploy when you open the vehicle door and retract when the door is closed, making getting in and out effortless. They also add to Navigator's clean exterior design. For a demonstration and more details, please visit Lincoln.com.

THE NAVIGATOR COMES WITH A 340-WATT (PEAK POWER) PREMIUM SOUND SYSTEM WITH AM/FM STEREO AND IN-DASH 6-DISC CD CHANGER. ITS RADIO DATA SYSTEM (RDS) ALSO ALLOWS YOU TO RECEIVE TEXT INFORMATION FROM RDS-EQUIPPED FM RADIO STATIONS, SO YOU KNOW THE NAME OF THE STATION YOU'RE LISTENING TO. FOR ADDED VERSATILITY, THE PERSONAL AUDIO SYSTEM ALLOWS INDEPENDENT LISTENING TO DIFFERENT AUDIO SOURCES THROUGH THE REAR SEAT CONTROLS. SO WHEN HEADPHONES ARE USED IN THE REAR SEAT, FRONT AND REAR SEAT PASSENGERS CAN LISTEN TO THE SAME SOURCE OR CHOOSE DIFFERENT SOURCES.

WITH THE AVAILABLE FOUR-WHEEL DRIVE NAVIGATOR, THE CONTROL TRAC® 4WD SYSTEM OFFERS ONE OF FOUR DIFFERENT MODES TO ACCOMMODATE VARYING ON-ROAD CONDITIONS. A ROTARY SWITCH CONVENIENTLY LOCATED ON THE INSTRUMENT PANEL FACILITATES EFFORTLESS SELECTION. ALSO, THE "AUTOMATIC" SETTING ELECTRONICALLY MONITORS THE SPEED OF EACH WHEEL AND ADJUSTS THE TORQUE IF THE REAR WHEELS ARE SLIPPING.

Enjoy luxury and functionality like never before. Navigator's power folding third-row seats¹ conveniently fold flat into the floor. With one touch of a button, the third-row seats unfold to provide seating for up to three additional passengers. For a demonstration and more details, please visit Lincoln.com.

¹Standard on Navigator Ultimate.

This is no ordinary key. This electronically coded ignition key is the hub of the Navigator's SecurILock™ passive anti-theft system. It prevents ignition bypass by allowing only the correctly coded key to start the vehicle. The security system is also armed once the key is removed from the ignition and disarmed only with the correctly coded key.

The available AdvanceTrac™ vehicle stability enhancement system uses a centralized computer system to detect wheel slip, and it automatically applies brakes and modulates engine torque to help maintain control in most inclement weather conditions. AdvanceTrac™ remains on unless deactivated by depressing the button.

Because drivers come in varying sizes and stature, power-adjustable brake and accelerator pedals can travel up to three inches to assume the most comfortable driving positions. And of course, the primary driver's preferred pedal settings can be retained in the memory system.

TOO HOT? TOO COLD? THE DAYS OF TEMPERATURE DISCREPANCIES BETWEEN FRONT AND REAR PASSENGERS ARE OVER. NAVIGATOR'S AUXILIARY CLIMATE CONTROL, LOCATED ON THE BACK OF THE FIRST-ROW CONSOLE, LETS REAR SEAT PASSENGERS ADJUST THEIR TEMPERATURE, FAN SPEED AND AIR DISTRIBUTION PREFERENCE.

NAVIGATOR'S POWERFUL AND RESPONSIVE 5.4-LITER 32-VALVE DOHC INTECH™ V8 ENGINE DELIVERS A VERY IMPRESSIVE 300 HORSEPOWER ALONG WITH 355 LB.-FT. OF TORQUE. IN ADDITION, YOUR LINCOLN NAVIGATOR IS ENGINEERED TO TRAVEL 100,000 MILES WITHOUT A SCHEDULED TUNE-UP,¹ SO YOU'LL BE READY TO TRAVEL JUST ABOUT ANYWHERE YOU WOULD LIKE TO GO.

¹UNDER NORMAL DRIVING CONDITIONS WITH ROUTINE FLUID AND FILTER CHANGES.

Another Navigator first. The 2003 Lincoln Navigator features an available power liftgate¹ so that you can easily open it with the exterior handle or with the press of a button, located on the key fob and the front overhead console. For a demonstration and more details, please visit Lincoln.com.

¹Standard on Navigator Ultimate.

Tight parking space? No problem. The Navigator comes standard with large power-folding exterior mirrors that fold in at the touch of a button. Electrically heated, they quickly melt ice and snow and house prominent turn signals—visible to traffic around you. The mirrors also feature security approach lamps, a reverse tilt-down feature and memory for setting to your preferred position.

HIGH INTENSITY DISCHARGE (HID) HEADLAMPS ARE AVAILABLE ON THE NAVIGATOR. HID LIGHTING PROVIDES BRIGHTER, WHITER LIGHT; HAS LONGER LIFE; AND REQUIRES LESS MAINTENANCE.

THE STANDARD HOMELINK® UNIVERSAL TRANSCEIVER IS A PROGRAMMABLE REMOTE CONTROL DEVICE CONVENIENTLY ENGINEERED RIGHT INTO THE DRIVER'S VISOR. WITH HOMELINK®, YOU CAN ACTIVATE YOUR GARAGE DOOR OPENER PLUS ANY TWO ADDITIONAL HOME-BASED DEVICES, SUCH AS GATES, PATIO OR DRIVEWAY LIGHTS.

DO YOU LIKE FRESH AIR? DO YOU LIKE THE SUN? THEN MAY WE SUGGEST THE POWER MOONROOF, AVAILABLE ON THE LINCOLN NAVIGATOR. OPEN THE MOONROOF WITH A TOUCH OF A BUTTON, LOCATED IN THE OVERHEAD CONSOLE, FOR EASY ACCESS AND VOILA! THE SUN, THE MOON AND THE STARS CAN BE ALL YOURS.

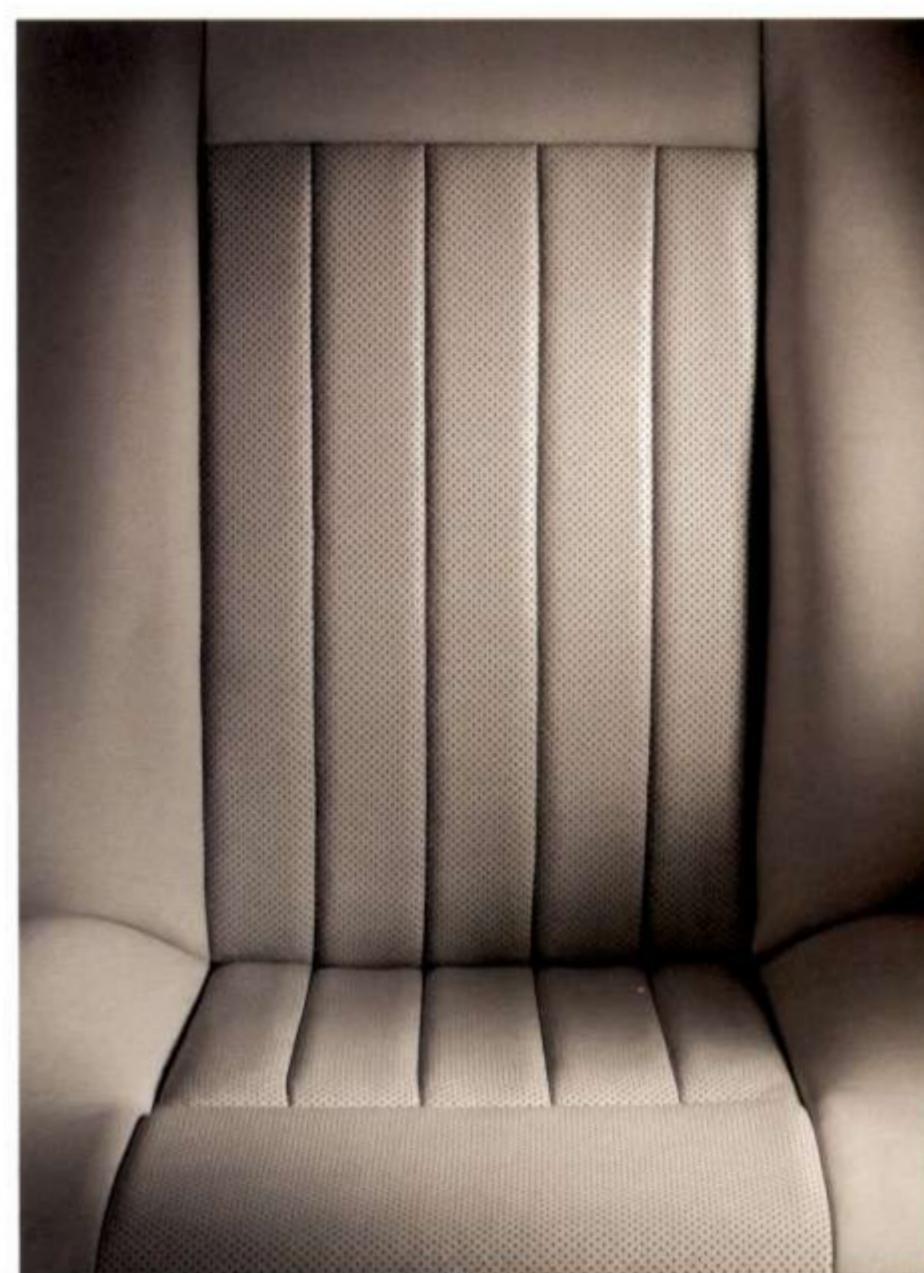

The standard rollover-capable side-impact airbag curtains¹, as part of the Safety Canopy™ system, offer another level of safety and security. When used with properly worn safety belts, they provide the driver and front passenger and second-row outboard passengers with added protection in certain side collisions and rollover events.

¹ Always wear your safety belt and secure children in the rear seat.

Navigator's independent front and rear suspension uses both Upper and Lower Control Arms with 4-corner load-leveling air springs over monotube dampers. This allows either wheel to react to road imperfections with minimal effect on the opposite wheel. This provides distinct advantages that include a smooth, comfortable ride with better body control.

Enjoy the luxury of being as comfortable as possible. Lincoln Navigator's available climate-controlled seats allow both the driver and front passenger to regulate the temperature of their seats—sending either cool or heated air up through the seat cushions for additional comfort.

LINCOLN NAVIGATOR COMES WITH AN AVAILABLE NAVIGATION SYSTEM THAT COMBINES CD-ROM-BASED MAPPING TECHNOLOGIES WITH A SATELLITE-BASED GLOBAL POSITIONING SYSTEM TO CALIBRATE WHERE YOU ARE AND GUIDE YOU TO YOUR DESTINATION WITH BOTH A MAP DISPLAY AND VOICE COMMANDS. ILLUMINATED ON A 5-INCH COLOR LCD DISPLAY, THE NAVIGATION SYSTEM IS INTEGRATED WITH THE PREMIUM SOUND SYSTEM FEATURING A 6-DISC CD CHANGER THAT IS MOUNTED ON THE PASSENGER SIDE OF THE FRONT CONSOLE.

Navigator offers a standard power-assisted four-wheel disc Anti-lock Brake System (ABS), which helps improve control by reducing wheel lockup during hard braking on most surfaces. And with the brake assist feature, the intensity of pressure on the brake pedal is monitored and brake pressure is automatically adjusted to help increase control.

HAVE YOU LOCKED YOUR KEYS IN YOUR VEHICLE? NO PROBLEM. THE 2003 LINCOLN NAVIGATOR IS EQUIPPED WITH A USEFUL PROGRAMMABLE KEYPAD LOCATED ON THE DRIVER'S SIDE DOOR. KEYLESS ENTRY IS MADE POSSIBLE WITH A PERSONALIZED IDENTIFICATION NUMBER THAT YOU CAN EASILY REPROGRAM AND SET AS NEEDED.

When backing up, the Navigator driver will benefit from the added convenience of Extended Rear Park Assist. Using both radar and ultrasonic sensors, an audible warning signal increases in intensity as certain objects are within 20 feet of the rear of the vehicle, alerting the driver to use extra caution.

DRIVETRAIN

ENGINE	
LAYOUT	Front engine, rear-wheel drive, available 4-wheel drive
TYPE	DOHC 32-valve InTech™ V8 with electronic engine control system
CONSTRUCTION	Cast iron block with aluminum heads
DISPLACEMENT	5.4 liter/330 cu. in.
BORE & STROKE	90.2 mm x 105.8 mm/3.55 in. x 4.17 in.
COMPRESSION RATIO	9.5:1
HORSEPOWER	300 @ 5000 rpm (SAE net)
TORQUE	355 lb.-ft. @ 2750 rpm (SAE net)
FUEL DELIVERY	Sequential multi-port electronic fuel injection
FUEL REQUIREMENT	91 octane unleaded (minimum)
EMISSIONS	Classifies as an Ultra-Low Emissions Vehicle (ULEV) in California
COOLING SYSTEM	Fail-safe cooling
AIR INDUCTION SYSTEM	Long runner intake with tuned plenum
TRANSMISSION AND TRANSFER CASE	
TYPE	4-speed electronic automatic overdrive with overdrive lockout
REAR AXLE RATIO	3:73:1 (limited slip differential)
CONTROL TRAC® 4WD SYSTEM	Optional; 4 selectable drive modes, electronically controlled

CHASSIS

BODY		Fully boxed hydroformed ladder frame construction
SUSPENSION	Front	Independent Short- and Long-Arm with monotube dampers, air springs and stabilizer bar
	Rear	Independent Short- and Long-Arm with toe link, monotube dampers, air springs and stabilizer bar
SHOCK ABSORBERS	Front/Rear	Monotube shocks with remote reservoir
AIR SUSPENSION		Height-adjustable and 4-corner load-leveling system
STEERING	Type	Power rack-and-pinion, speed-sensitive, variable-assist
	Overall ratio	17.0:1
	Turning circle	38.7 ft. diameter

WHEELBASE		118.8 in.
TRACK	Front	67.0 in.
	Rear	67.1 in.
BRAKES		Power-assisted 4-wheel disc, 4-sensor Anti-lock Brake System (ABS) with Electronic Brakeforce Distribution (EBD) and brake assist feature
WHEELS	Standard	18-inch 7-spoke machined cast aluminum
TIRES	Standard	P255/70R18 BSW black sidewall all-season
TOWING EQUIPMENT ¹		
CLASS		Class III/IV with load-distributing hitch receiver
TRAILER WEIGHT		2WD: 8500 lb. max. 4WD: 8300 lb. max.
TONGUE WEIGHT		2WD: 850 lb. max. (Class IV) 4WD: 830 lb. max. (Class IV)
STANDARD EQUIPMENT		4-pin and 7-pin trailer wiring harness; heavy-duty flashers; engine oil cooler and transmission cooler

ACCOMMODATIONS AND DIMENSIONS

HEADROOM (in.)	39.6 1st row; 39.7 2nd row; 37.8 3rd row	FUEL CAPACITY (gal.)	28.0

HIPROOM (in.)	58.0 1st row; 58.0 2nd row; 50.2 3rd row	OUTSIDE DIMENSIONS (in.)	height: 77.8;
SHOULDER ROOM (in.)	63.3 1st row; 63.4 2nd row; 52.3 3rd row		width: 94.1 (mirrors extended);
CURB WEIGHT	2WD: 5760 lb. 4WD: 5994 lb.		width: 82.2 (mirrors folded with fixed running boards);
CARGO VOLUME (cu. ft.)	103.3 max.; 104.7 max. (8 passenger)		width: 80.2 (mirrors folded with power running boards);
	Behind 2nd-row seat 54.6 max.		length: 206.0
	Behind 3rd-row seat 17.9 max.		

LINCOLN NAVIGATOR

All models of the Lincoln Navigator are equipped with the following standard equipment:

ACCESSORY DELAY—for power windows, radio, moonroof ² and Rear Seat Entertainment System ²	KEYLESS ENTRY KEYPAD—located on driver's door
AIR CONDITIONING—Dual-Zone Electronic Automatic Temperature Controls with duplicate steering wheel controls and 2nd-row floor console mode selection with auxiliary fan controls	LAMPS—overhead front map lights, rear cargo overhead, theater lighting and front ashtray
AIRBAGS—dual-stage driver and front passenger ³ , and Safety Canopy™ system with side-curtain airbags and rollover sensors for front and 2nd-row outboard passengers	LIFTGATE—gas cylinder lift assist with flip-up glass
ANTENNA—concealed in passenger side rear quarter glass	LOCKS—power with rear-door child-safety locks
ANTI-INTRUSION DOOR BEAMS	LOWER ANCHORS AND TETHER ANCHORS FOR CHILDREN (LATCH)—2nd-row seat positions with tether anchor only for 3rd-row center seat position
ASH TRAY—located in instrument panel	LUGGAGE RACK—with adjustable cross rail and bright accents
ASSIST HANDLES—color keyed, 2 in 1st row, 2 in 2nd row and 1 in liftgate	MAP POCKETS—located on all doors; retracting in front doors
AUXILIARY CLIMATE CONTROL—provides heating and air conditioning to 2nd- and 3rd-row passengers with air directed through headliner vent outlets; 3 outlets between 1st and 2nd-rows and 2 outlets between 2nd and 3rd rows	MEMORY FEATURE—for driver's seat, exterior mirrors and power-adjustable pedals
BATTERY SAVER	MESSAGE CENTER—includes compass display, distance to empty, average fuel economy, odometer and trip odometer
BODYSIDE CLADDING—color keyed with lower accent color and color-keyed wheel-lip moldings	MIRROR—electrochromic (auto-dimming) interior rearview mirror
BRAKE SHIFT INTERLOCK—requires brake to be fully depressed before shifting out of Park	MIRRORS—power-fold heated exterior mirrors with security approach lamps and integrated signal indicators, reverse tilt and memory feature
BRAKES—power 4-wheel disc Anti-lock Brake System (ABS)	PERSONAL SAFETY SYSTEM™—dual-stage front airbags ³ , crash severity sensor, front safety belt usage sensors, driver's seat position sensor, front safety belt pretensioners and energy management belt retractors
BUMPERS—color-keyed upper fascia and accent-colored lower fascia	POWER POINT—12-volt outlets located in lower front console, rear of 1st-row floor console and in rear cargo area
CARGO AREA—storage system behind 3rd row under floor and bins in quarter trim panels	POWER-ADJUSTABLE FOOT PEDALS—with memory feature
CARPETING—color-keyed carpet with scuff plates at all openings	PRIVACY GLASS™—rear doors, rear quarter windows and liftgate window
CIGARETTE LIGHTER—located in instrument panel	RADIO—Premium Sound System with AM/FM stereo 6-disc in-dash CD changer, 2nd-row audio controls, Personal Audio System, 9 speakers including subwoofer and speed-compensating volume control
CLOCK—analog located in center of instrument panel	REMOTE KEYLESS ENTRY SYSTEM—illuminated entry; 2 key fobs with panic alarm and liftgate glass release
COAT HOOKS—2 in 2nd row and 2 in 3rd row	RUNNING BOARDS—integrated
CONSOLE—Satin Nickel-trimmed 1st-row with floor shifter, power window switches, covered storage bin with chrome handle, tissue and coin holders, cup-holders, rear audio/temperature controls, headphone jacks, and climate-controlled seat switches ²	SAFETY BELTS—3-point restraints for all seating positions and outboard height-adjustable D-rings for 1st and 2nd rows
CONSOLE—2nd-row floor console with padded cover, chrome handle, storage for DVDs and CDs, armrest and cupholders	SEATS—front bucket seats with Premium leather seating surfaces, 4-way head restraints, 8-way power driver and front passenger seats with power lumbar and memory feature for driver's seat; 2nd-row fold-flat low back reclining bucket seats with Premium leather seating surfaces, 2-way head restraints and easy entry for 3rd-row access from either side; 60/40 fold-flat 3rd-row bench seat with 2-way head restraints for outboard seat positions
CONSOLE—overhead includes maplights, dual sunglass storage, power rear quarter window switches, conversation mirror, rear auxiliary air conditioning controls and power liftgate switch ²	SECURILOCK™—passive anti-theft system
CUPHOLDERS—4 in 1st-row floor console, 2 in 2nd-row floor console and 3 molded into 3rd-row quarter trim panels	SPEED CONTROL—fingertip controls with tap-up/tap-down feature
DEFROSTER—rear liftgate window	STEERING WHEEL—wood and leather trimmed manual tilt with speed control and duplicate audio and climate controls
DOOR HANDLES—chrome strap with body-colored bezels	SUSPENSION—four-corner load leveling independent air suspension
DOOR TRIM PANELS—soft two-tone with American Walnut Burl and Satin Nickel trim, chrome door handle, padded armrest with retracting map pockets, grab handle and carpeted lower portion	TAILLAMPS—complex reflector
EXTENDED REAR PARK ASSIST—in reverse, the system uses both radar and ultrasonic sensors to assess and alert the driver when an object directly behind the vehicle is within 20 feet	TIRES—P255/70R18 BSW black sidewall all-season cross terrain with 18-inch under-body-mounted full-size aluminum spare
FLOOR MATS—carpeted front and rear with driver's retainer hook	TOW HOOKS—black integrated into front bumper fascia
FOG LAMPS—round reflector	TRAILER TOW GROUP—frame-mounted hitch receiver, 4- and 7-pin wiring harness, heavy-duty flashers, engine oil cooler and transmission cooler
GLASS—solar-tinted front windshield and front doors	VISORS—dual front illuminated vanity mirrors with secondary visors
GLOVE BOX—illuminated, lockable compartment	WARNING CHIMES—door ajar, Belt-Minder™ system, headlamp/parking lamps on, key-in-ignition, airbag warning ³ and power liftgate ²
GRILLE—bright surround integral with hood	WARNING LAMPS—door, liftgate ajar, anti-lock brakes, check engine temperature, airbags ³ , fasten safety belts, low brake fluid, O/D off, parking brake, check charging system, low oil pressure, check suspension, low washer fluid, and low fuel
HEADLAMPS—quad-beam halogen with complex reflectors and autolamp feature	WHEELS—18-inch 7-spoke machined cast aluminum
HOMELINK® UNIVERSAL TRANSCEIVER—located on driver's visor	WINDOWS—power one-touch up/down driver's side window and power flip quarter windows
HORN—dual note	WIPERS—front speed-sensitive intermittent windshield wipers with 3 washers and rear intermittent wiper/washer
INSTRUMENT CLUSTER—cold cathode cluster, speedometer, tachometer, fuel and engine coolant temperature gauges, and message center	
INSTRUMENTATION PANEL—soft touch with American Walnut Burl and Satin Nickel trim, covered cigarette lighter, analog clock, power-adjustable pedals and headlamp switches and 4WD rotary dial ²	

NAVIGATOR PREMIUM

In addition to or in place of the Lincoln Navigator standard equipment, the Navigator Premium includes the following:

ADVANCETRAC™—vehicle stability enhancement system SEATS—climate-controlled driver and front passenger seats

NAVIGATOR ULTIMATE

In addition to or in place of the Navigator Premium standard equipment, the Navigator Ultimate includes the following:

HIGH INTENSITY DISCHARGE (HID) HEADLAMPS SEATS—power-folding 3rd-row split bench seat with controls located in 2nd-row
POWER LIFTGATE and rear cargo area

AVAILABLE EQUIPMENT

ADVANCETRAC™—vehicle stability enhancement system ⁴	SEATS—2nd-row 40/20/40 split-fold bench seat with leather seating surfaces and center section that slides forward up to 11 inches (not available on four-wheel drive models with power running boards)
CONTROL TRAC® 4WD SYSTEM—with four selectable drive modes	MOONROOF—power, includes mini overhead console ⁵
NAVIGATION SYSTEM—5-inch color LCD display integrated with Premium Sound System and 6-disc CD changer mounted on passenger side 1st-row console ⁶	TIRE PRESSURE MONITORING SYSTEM—with sensors mounted inside each wheel including spare ⁷
POWER DEPLOYABLE RUNNING BOARDS—appear when the door is opened and retract when the door is closed ⁸	WHEELS—18-inch 8-spoke chromed aluminum wheel with 255/70R18 BSW black sidewall all-season tires ⁹
REAR SEAT ENTERTAINMENT SYSTEM—includes 2nd-row overhead DVD player with infrared remote and 7-inch flip-down color LCD screen	WHEELS—18-inch 8-spoke chromed aluminum wheel with 275/65R18 BSW black sidewall all-season tires ⁹

¹Navigator is not intended to be used for snowplowing. ²If equipped. ³Always wear your safety belt and secure children in the rear seat. ⁴Base model only. ⁵Premium and Ultimate models only. ⁶Ultimate model only. ⁷Late availability. ⁸Premium and Ultimate 2-wheel drive models only. ⁹Premium & Ultimate 4-wheel drive models only.
