

2003 LINCOLN TOWN CAR

IT'S A NEW AND IMPROVED LINCOLN TOWN CAR. FOR A NEW AND IMPROVED OUTLOOK ON LIFE.

LIVE. LARGE. Lincoln Town Car has always been a celebration of the best in life, letting you, your family and friends enjoy the ultimate in spacious comfort. And for 2003, that tradition continues. Dozens of interior, exterior and functional improvements elevate the Town Car experience to a new level of security, style and driving pleasure. Here are just a few of the innovations you'll find:

A DRIVER'S CAR. Town Car gives you a wealth of information, right at your fingertips. An all-new front suspension and variable assist power steering offer more precise feedback from the road, yet the ride is not harsh. Steering wheel mounted switches for the audio, climate and speed controls let your eyes stay focused on the road ahead. And to help with what's behind you, Extended Rear Park Assist is available.

A LUXURY CAR. Luxury can be measured in cubic feet: the new Town Car's trunk is a Best in Class 20.6 cu.ft. Or you can measure it in cubic inches: all Town Car series now feature a 235-hp V8.¹ You can even measure it in decibels: an Alpine® Audiophile Sound System is available, and a dual media (AM/FM/cassette/single CD) radio is standard. Here are other ways the new Town Car measures up:

STANDARD FEATURES • PREMIUM LEATHER SEATING SURFACES • DRIVER'S DOOR PROGRAMMABLE KEYPAD • DUAL ZONE AUTOMATIC CLIMATE CONTROL • BI-DIRECTIONAL ARMREST HALOGEN HEADLAMPS • DUAL EXHAUST • 17-INCH WHEELS • POWER TRUNK PULL-DOWN
