

2003 LINCOLN TOWN CAR LIMITED EDITION

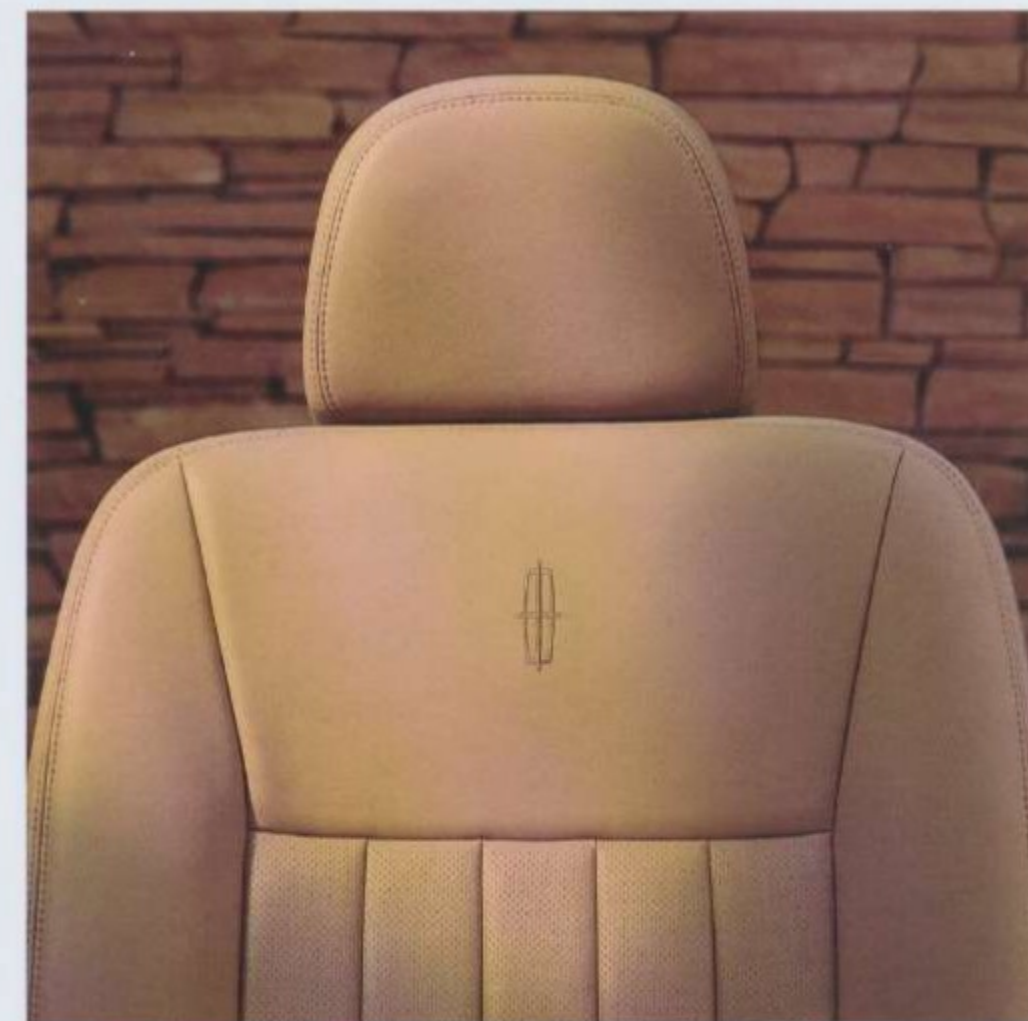

THE LINCOLN TOWN CAR LIMITED EDITION. A SPECIAL INTERPRETATION OF AMERICAN LUXURY.

LIMITED IN NUMBER. A fortunate few will know the distinct pleasures of the 2003 Town Car Limited Edition. Who will they be? Those discerning drivers who truly appreciate all that Town Car can offer: the quiet comfort, the ample space for both passengers and luggage, the powerful performance of a state-of-the-art V8 engine. The Limited Edition takes the essential Town Car characteristics and adds special touches throughout. Premium leather-trimmed seat bolsters with perforated center inserts soothe and support the occupants. Embroidered in the front seatbacks is the timeless Lincoln star, and sewn into the plush floor mats in block lettering: "Limited." Special piping lines the rear seat and reveals the unapologetic level of luxury surrounding the rear-seat passengers. A final distinguishing mark: large 17-inch, 14-spoke machined aluminum wheels with argent painted pockets.

TECHNOLOGICALLY EQUIPPED. Town Car Limited Edition offers its owner nothing less than sophisticated technological advancements. Guiding your path are high intensity discharge (HID) headlamps. Rain-sensing wipers automatically help clear your view. Heated front seats help you relax, and their memory features recall up to three preset positions. Town Car's Best in Class cargo capacity¹ can be accessed with the full power decklid that opens and closes via the touch of a button on the key fob. And to help you utilize all that space, the trunk is fitted with a Trunk Amenities Package that includes a removable organizer to help maximize storage space. Other key features include:
