2004 ESCAPE

Nothing completes your Escape like the quality and style of Genuine Ford Accessories. They look good, are engineered for a precise fit, and are backed by one of the strongest limited warranties in the business.

OUTWARD APPEARANCES **4**

INSIDE MOVES **7**

GET IN GEAR **9**

SAFE AND SECURE **11**

1. Sport Hood Cover

This stylish cover helps protect the vehicle's front end. Flannel backing is gentle on painted finishes. Easy to install. Base Part No. **19A414**

2. Low-Profile Wraparound Bug Shield*

Protect the vehicle's front end from bugs, small stones and other debris. Durable smoke-colored polycarbonate complements any exterior color. Easy to install. Base Part No. **16C900**

3. Wraparound Bug Shield*

Excellent front-end protection with stylish wraparound design to enhance vehicle's lines. Constructed of durable polycarbonate in versatile smoke color. Easy installation. Base Part No. **16C900**

4. Full Front End Cover

Heavy-duty vinyl shields front end from bugs, stones and off-road debris. Flannel backing minimizes moisture build-up between the cover and the painted surface. Versatile design allows you to open hood without removing the cover. Easy to install. Base Part No. **19A414**

5. Original Equipment Step Bars*

These durable step bars are available in a chip-resistant black finish, as well as a medium platinum or medium titanium finish. Ample width provides sure footing. Easy no-drill installation. Base Part No. **16450**

6. Grille Fascia

Simulated chrome inserts add just the right touch of style, while the black finish complements available exterior vehicle colors. Made of heavy-duty plastic. For appearance purposes only. Easy to install. Base Part No. **8307**

7. Rear Bumper Guards

Help protect the corners of the rear bumper from scuffs and scratches. Packaged in pairs. Base Part No. **18419**

8. Moonroof Deflector

Durable smoke-colored acrylic deflector helps reduce wind noise while letting fresh air flow in. Installs easily. Base Part No. **500K16**

9. Side Window Deflectors

Deflectors keep out snow or rain so you can crack open the window and let fresh air in. Durable, smoke-colored acrylic. Self-stick adhesive for easy installation. Base Part No. **18246**

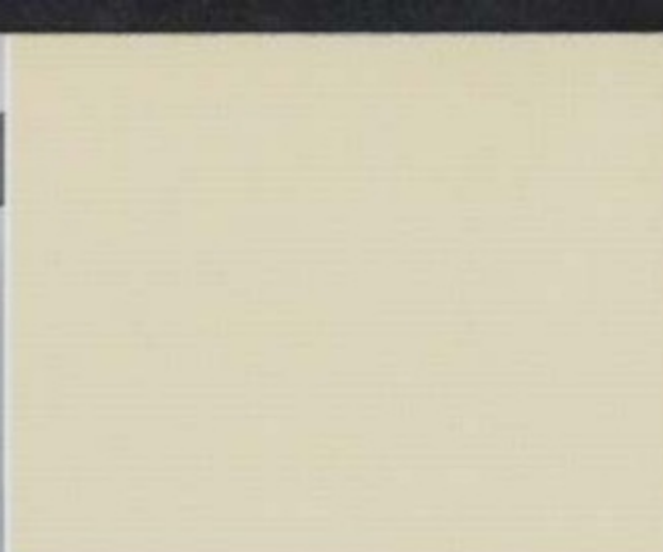

10. B-Pillar Trim

Features a brushed aluminum finish with Escape logo. A urethane coating helps protect against scratches and fading. Uses an adhesive backing to hold it securely on the car. Base Part No. **7820049**

11. Taillamp Surrounds

Add a custom look to your Escape. Constructed of impact-resistant ABS plastic with self-adhesive backing for easy installation. Available in chrome, black or primed and ready to paint. Base Part No. **13B564**

**Eligible for residualization under a Ford Credit Red Carpet Lease.*

12. Door Edge Guards

Each set is custom made to the exact contours of your vehicle. Won't sag, slip, peel or rust — they're made of stainless steel and lined with a non-metallic material that won't scratch paint. No adhesives or screws needed for installation. Available in bright finish or black matte finish. Base Part No. **20910**

13. Molded Splash Guards

Deflect mud, snow and ice away from lower body panels. Contoured design complements vehicle lines and gives excellent protection. Heavy-duty plastic construction resists cracking. Packaged in pairs for front or rear. NOTE: Specify trim level. Color-keyed, molded splash guards available to match body cladding or lower trim for most SUV models. Base Part No. **16A550**

14. Underbody Skid Plates

Front and rear European-style skid plates are satin-finished and provide the vehicle with a more rugged off-road look. Kits bolt directly to preexisting holes in the chassis. For appearance purposes only. Base Part No. **5D032**

15. Rear Roof Air Deflector in Body Color*

For sporty good looks and a factory fresh appearance. Mounts to the liftgate of the Escape and is available in select exterior colors (or primed) to match or complement your vehicle. Dealer installation recommended. Base Part No. **500K16**

OUTWARD APPEARANCES

16

16

17

18

16. Trailer Hitch Receiver Cover
Provides a nice clean look, while preventing dirt, mud and snow from clogging the trailer hitch receiver. Available with Ford logo or No Boundaries logo for 1 1/4" (3 cm) hitch assemblies. Available for vehicles equipped with a trailer hitch. Base Part No. **17F000**

17. Class II Trailer Hitch Assembly
Original equipment hitch bolts on to existing holes - no drilling or welding required. The Class II hitch has a gross trailer capacity of 3,500 lbs. (1,600 kg) and tongue capacity of 350 lbs. (160 kg). NOTE: Towing capacity could be limited by vehicle powertrain. See your dealer or Owner's Guide for details. Base Part No. **19D520**

18. Trailer Hitch Wiring Kit
This 4-pin wiring harness assembly is made to plug into the factory wiring harness at the rear of your vehicle. The 4-pin design does not allow the use of trailers with electric brakes. Includes a bracket for convenient attachment. Dealer installation recommended. Base Part No. **13A576**

21

21

23

22

24

25

26

Custom Wheels*
A selection of custom wheels is now available at your local Ford dealer. Designed specifically for your vehicle, they meet Ford's rigorous appearance, durability and corrosion-resistance requirements. Each wheel is kitted and includes the wheel, center cap with Ford logo and chrome lug nuts (most applications). Base Part No. **1007:**

21. 1L8Z-1007-AB
15" X 6.5" Painted aluminum 5-spoke style. Lug nuts not included.

22. 3L8Z-1007-AA
16" X 7" Chromed aluminum 8-spoke swirl style.

23. 2L8Z-1007-BA
16" X 7" Bright machined aluminum with light gray painted pockets, Limited-style.

24. 2L8Z-1007-CA
16" X 7" Machined aluminum with dark gray painted pockets, Midnight-style.

25. 3L8Z-1007-CB
16" X 7" Bright machined aluminum with gray painted pockets, straight 5-spoke style.

26. 3L8Z-1007-BB
16" X 6.5" Machined aluminum wheel with painted pockets.

19

20

19. Trailer Hitch Balls
Available in 1 7/8" (4 cm) or 2" (5 cm) diameters, hitch balls feature forged, one-piece construction for maximum strength and a chrome finish for corrosion resistance. Designed with wrench flats to aid installation and removal. See your dealer for towing limitations. Available for vehicles equipped with a trailer hitch. Base Part No. **19F503**

20. Trailer Hitch Drawbar - Square Shank
Designed for 1 1/4" (3 cm) trailer hitch receivers, this drawbar can be used in the raised or dropped position to match the trailer coupler height. Features a square tubular shank, heavy steel ball platform and a durable black powdercoat finish. See your dealer or Owner's Guide for towing limitations. Base Part No. **19A282**

INSIDE MOVES

27

27

28

29

30

27. DVD Rear Seat Entertainment System*
Road trips won't seem so long when the kids are happily occupied! Compact, all-in-one, overhead DVD unit features a flip-down 7-inch, 16:9, LCD screen that folds neatly into headliner when not in use. Comes with remote control and two wireless headphones. System also plays CDs, MP3s, CDRs and CDRWs. Has RCA inputs for video games, VCR or camcorder. Can also work through vehicle's stereo. Comes with vehicle-specific mounting hardware and installs in about an hour. Available for vehicles without moonroof only. Base Part No. **19G323**

28. GPS Navigation System
Three for the road: navigation, AM-FM tuner and CD player in one compact package. Offers turn-by-turn voice directions to the desired destination. At-a-glance directions displayed on screen. Replaces the factory-installed audio system. Separate bezel kit required for installation. Dealer installation recommended. Base Part No. **18814** (Spring Clip Radio Bezel Kit - **10E991**)

29. Interior Trim Kits
Give your interior a custom look with brushed aluminum trim. Molded to the contours of the dash and door panels. Depending on application, kits include dash and/or heater control surrounds and door trim pieces. Easy-to-install, adhesive-backed appliques. Base Part No. **04288**

30. Cargo Area Power Point Outlet
Add an extra power point for 12-volt accessories. Great for tailgating, it provides an electric source for radios, cell phone recharging, 12V coolers or even an air compressor. Mounts in the driver's-side trim panel of the cargo area. All wiring and hardware included. Base Part No. **19N236**

31. Plastic Scuff Plate Kit
Designed to protect against scuffs and scratches, it has the Escape logo molded right in. Comes with an adhesive backing to make installation easy. Base Part No. **132A08**

32. Stainless Steel Scuff Plates
A perfect blend of form and function. These scuff plates look great and also protect the sill from minor scuffs and scratches. Constructed of stainless steel with a clear urethane protective coating; Escape logo is etched into the surface. Self-stick adhesive backing makes installation a snap. Base Part No. **13208**

31

32

33. Electrochromic Compass Mirror and Compass/Temp Mirror
Ease the discomfort of headlight glare in your rearview mirror. Mirror automatically dims when glare is detected. Features a built-in compass. Our Electrochromic Compass Mirror with Temperature Display has the additional feature of an outside temperature display. Switch lets you toggle between compass and temperature readings; set to Celsius or Fahrenheit scales. Dealer installation recommended. Base Part No. **17700**

33

**Eligible for residualization under a Ford Credit Red Carpet Lease.*

7

34

36. Soft Cargo Liner

Fits the contours of the cargo area for maximum coverage and protection. The liner is constructed of durable nylon-reinforced vinyl with Velcro® fasteners for easy installation and removal. Liner is split so it can fold down with the seat (where applicable). Folds neatly for easy storage. Base Part No. **11600**

35

35

34. All-Weather Vinyl Floor Mats

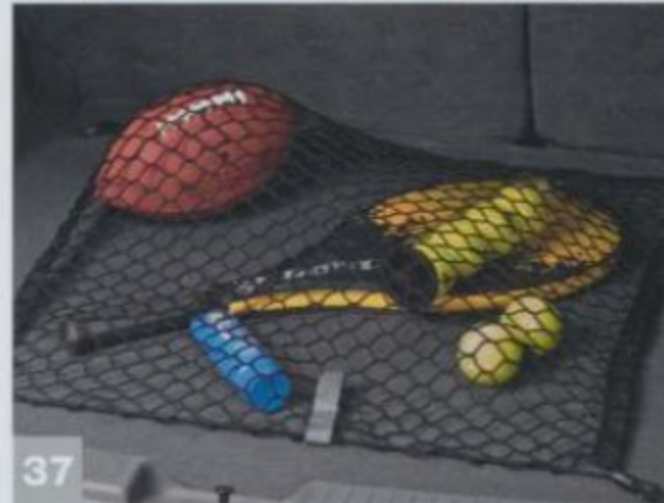

The deep grooves and raised ridges in these heavy-duty mats catch and hold snow, slush and mud, while protecting the vehicle carpeting. Nibbed backing and driver-side positive retention help keep mats in place. Available in colors that complement your vehicle interior. Base Part No. **13086** Front Base Part No. **13106** Rear

35. Carpeted Floor Mats

Premium grade carpeting is custom fit to the exact contour of each vehicle. Driver-side mats have positive retention, and all mats have a nib backing to help prevent slippage. Mats are sold as four-piece kits. Base Part No. **13300**

36

37

37. Trunk/Rear Cargo Net

Keep packages and other loose items from spilling in your vehicle. The netting stretches easily over bulky-shaped items and the soft braided cording won't scratch painted surfaces. Corner hooks attach to existing rings (or install those provided) in vehicle's cargo area. Envelope and floor mount styles available. Installs easily; no tools required. Base Part No. **55066** Envelope Base Part No. **550A66** Floor

38. Interior Cargo Organizer

Removable and adjustable divider system helps separate and organize your belongings. Made of premium-grade polyethylene, it installs easily in the cargo area with no tools required. Available in black only. Base Part No. **115A00**

39. Cargo-Logic

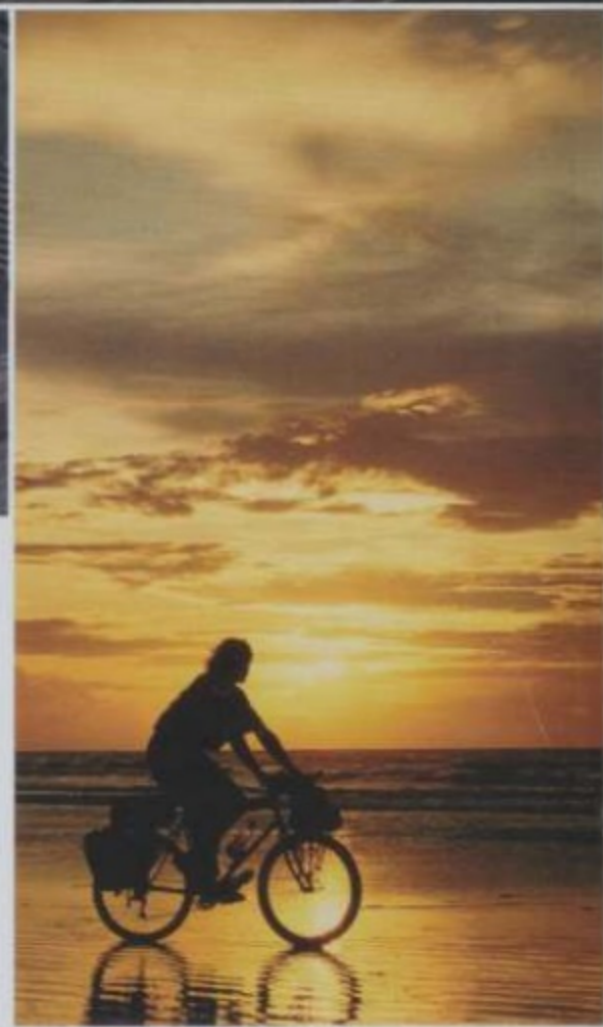

A smart way to protect the cargo area and keep cargo restrained. Liner features molded construction that provides a stain- and moisture-resistant barrier to protect the cargo area floor, while L-shaped Cargo-Loks hold cargo secure. The liner's heavy-duty looped polyware surface offers an ideal fastening surface for Velcro® hooks on the underside of the thermoplastic Cargo-Loks. Simply place Cargo-Loks at diagonal corners of the cargo you're carrying to keep it from shifting. Four Cargo-Loks supplied. Offered in colors to complement your interior. Features embroidered Escape logo. Base Part No. **11600**

38

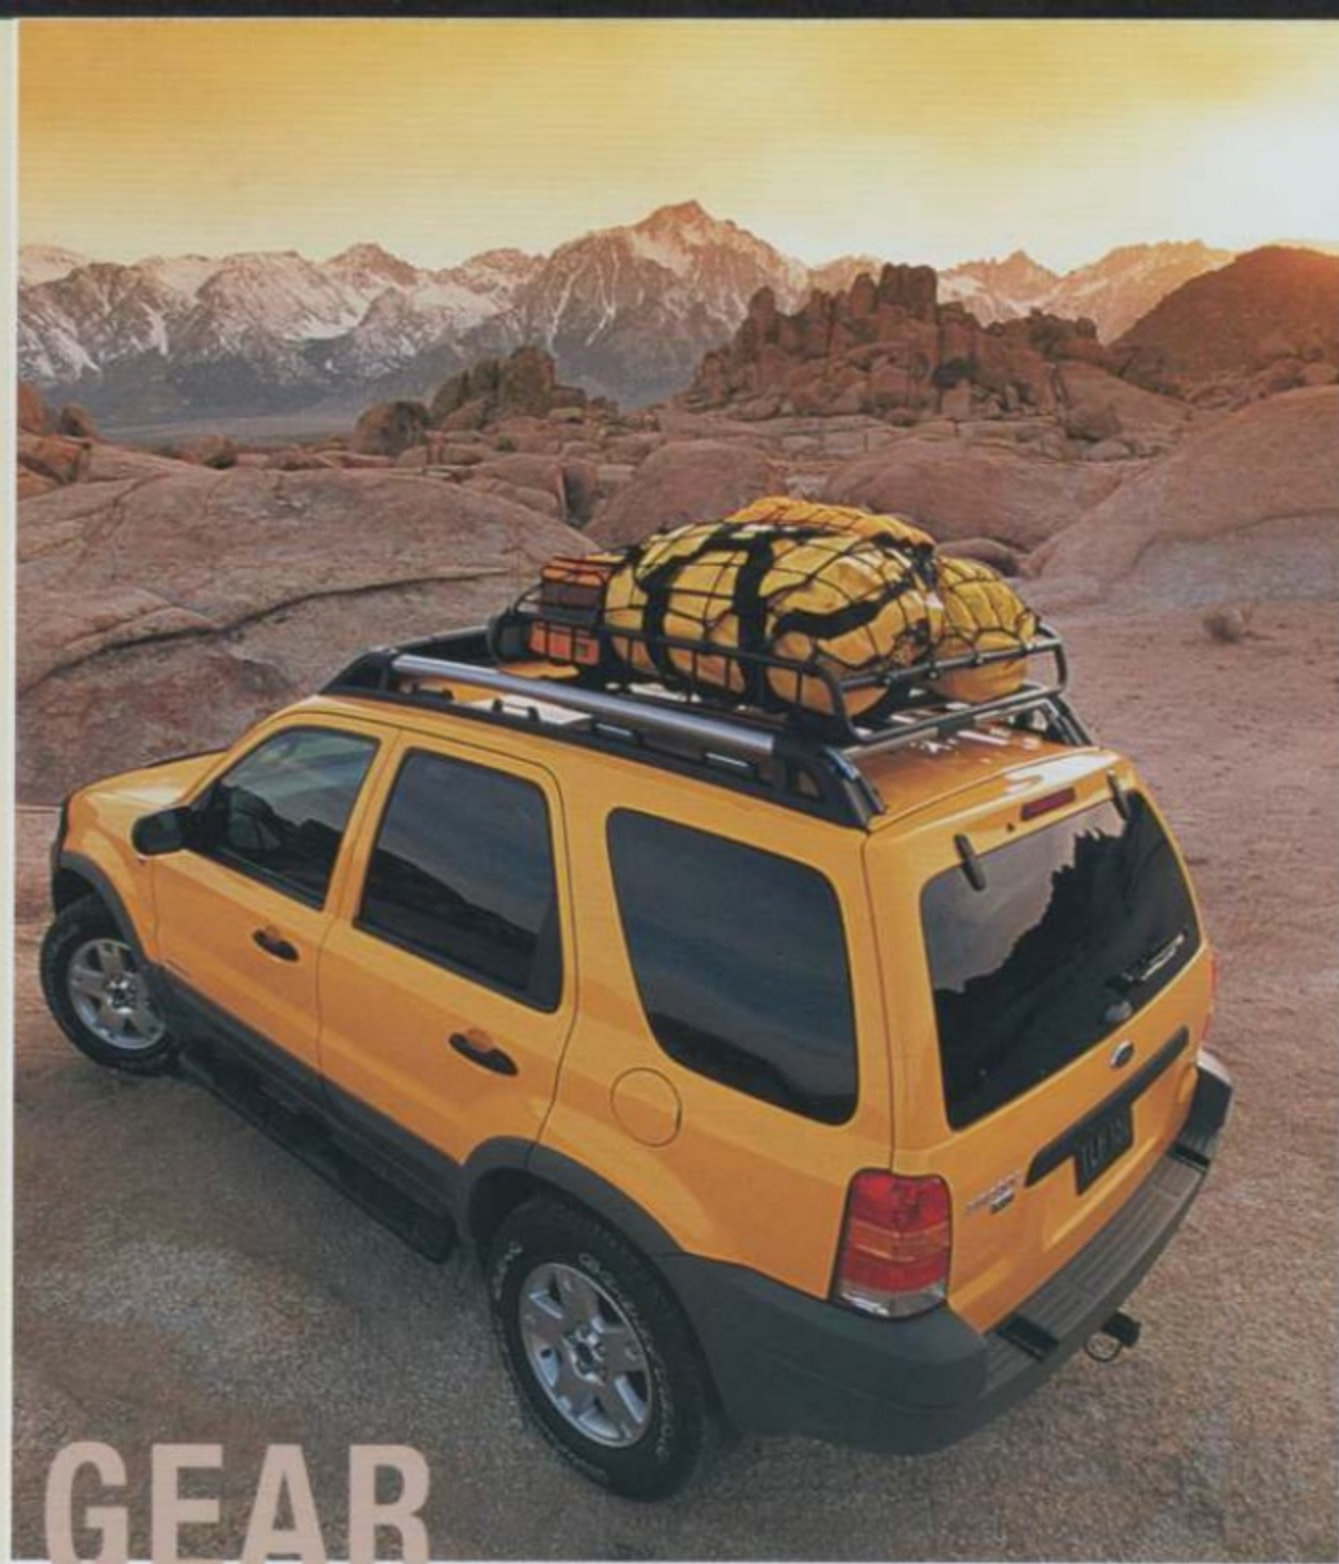

39

40. LoadWarrior by Yakima

Large, safari-style basket can carry a load of gear, as well as bikes, skis, canoes or kayaks. Measures 44" x 39" x 6.5" deep (112 cm x 99 cm x 17 cm). Yakima carriers (sold separately) can be mounted directly to the LoadWarrior basket. Fits No Boundaries roof rack with raised cross bars (available separately), and standard Escape roof rack with track rider bars (factory or aftermarket). Add the table-leaf-style extension to increase LoadWarrior length by 18" (46 cm). An off-road light bracket allows mounting of two lights to the front of the LoadWarrior. Light bracket and extension must be purchased separately. Base Part No. **55100** Rack and extension Base Part No. **15266** Light bracket

GET IN GEAR

41. Track Rider Bars by Yakima

Mount directly to the tracks of the factory rack and provide additional carrying capacity. Hold up to four bike carriers, as well as our other equipment carriers (sold separately). Not available for No Boundaries roof rack. Base Part No. **55100**

42. Luggage/Cargo Basket by Yakima

Constructed of heavy-duty, vinyl-covered steel mesh, this basket measures 26.5" x 38.75" x 2" tall (67 cm x 97 cm x 5 cm). Includes a stretch net to secure cargo. Fits standard rack with track rider bars or No Boundaries rack with raised cross bars. Raised cross bars and track rider bars sold separately. Base Part No. **55100**

40

40

41

42

43. Soft Luggage Bag

Durable, exterior-grade canvas is flexible enough to allow you to carry odd-shaped items and folds neatly away when not in use. Zippered opening is covered with a Velcro®-close flap. Nylon web straps secure it to the roof rack. Fits all Escape roof racks. Base Part No. **19B507**

44. Framed Luggage Carrier

Provides an extra 10.5 cubic feet of cargo space for all your extras. Lightweight tubular frame is covered with durable vinyl, and the carrier has a rigid floor for added stability. It attaches easily to factory racks and offers 100 lbs. (45 kg) of carrying capacity. Zippered side opening makes it simple to load. Double flap design provides water resistance. Approximately 50" x 41" x 17" (127 cm x 104 cm x 43 cm). Not available for No Boundaries roof rack. Base Part No. **19B507**

43

44

45. SportRack Cargo Boxes

Constructed of durable, black ABS plastic, these boxes go the extra mile to ensure that your gear is well protected. The small cargo box is long and slim and is designed to carry up to six pairs of skis, with a capacity of 11.3 cubic feet (320 liters). Our medium box is short and wide and is designed to carry larger items like suitcases. Its capacity is 15.5 cubic feet (440 liters). Fits standard roof rack with track bars. Also fits No Boundaries roof rack with raised cross bars. Base Part No. **55100**

45

46. Fork Mount Bike Carrier by Yakima

This easy-to-install bike rack uses a locking 9 mm-long skewer, which opens to accommodate the bicycle fork and works as a true quick-release. Each carrier holds one bike and includes an integrated lock. For use with raised cross bars on No Boundaries roof rack or track rider bars on standard roof rack. Raised cross bars and track rider bars sold separately. Front wheel holder is available and sold separately. Base Part No. **55100** (50148 for Wheel Holder)

47. Frame Mount Bike Carrier by Yakima

On your next trip, take your bike along for the ride. Each carrier holds one bike and features a locking arm with a durable padding that clamps onto the bike's downtube to protect its finish. Built-in cable guides guard against damage to brake or shifter cable. For use on standard roof rack, standard roof rack with track rider bars or No Boundaries roof rack with raised cross bars. Available with Ford or No Boundaries logo. Base Part No. **55100**

48. QuarterRoc® Hitch Mount Bike Carrier by Yakima

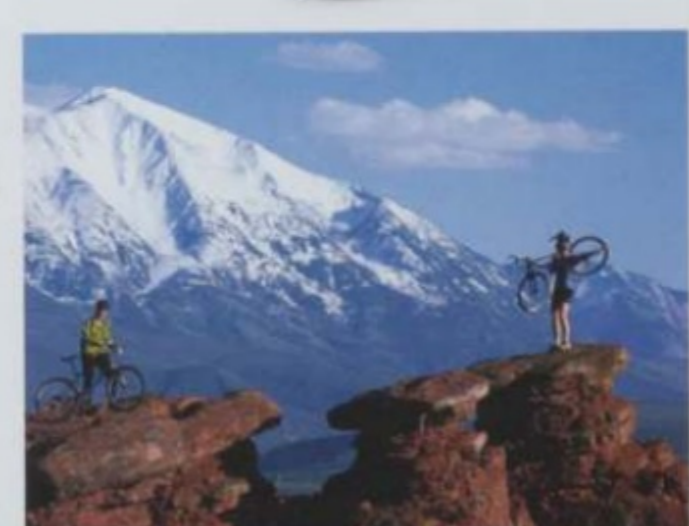

QuarterRoc® fits into 1 1/4" (3 cm) receivers. It has a swing-down feature that allows access to the rear cargo area. Holds up to two bikes. Carrier is secured to the hitch receiver with a lock system. Base Part No. **55100**

49. Vertical Bike Carrier

Unique, dual function removable bike rack allows easy vertical installation of bikes on the Escape NBX roof rack. Can also be used in the horizontal position. Integral locks help prevent theft. Also compatible with our ski carriers and adapters. (Pictures show the vertical bike and ski carriers attached to the original equipment NBX roof rack.) Base Part No. **55100**

50. Horizontal Ski/Snowboard Carriers by Yakima

Available in two sizes. Small carrier holds up to four pairs of skis or two snowboards; large carrier (shown) holds up to six pairs of skis or four snowboards. Both feature soft rubber padding to protect the finish on skis and integral locks. Both carriers install easily on factory roof rack, track rider bars or No Boundaries roof rack with raised cross bars; no tools necessary. Snowboard Carrier adapter included. Available with Ford or No Boundaries logo. Base Part No. **55100**

52. Canoe Carrier by Yakima

Fits No Boundaries roof rack with raised cross bars (sold separately) or standard roof rack with track rider bars (sold separately). Installs easily, no tools required. Cushioned brackets help protect the gunwales of your canoe from scratches. Cargo straps can be purchased from your local sporting goods store. Base Part No. **55100**

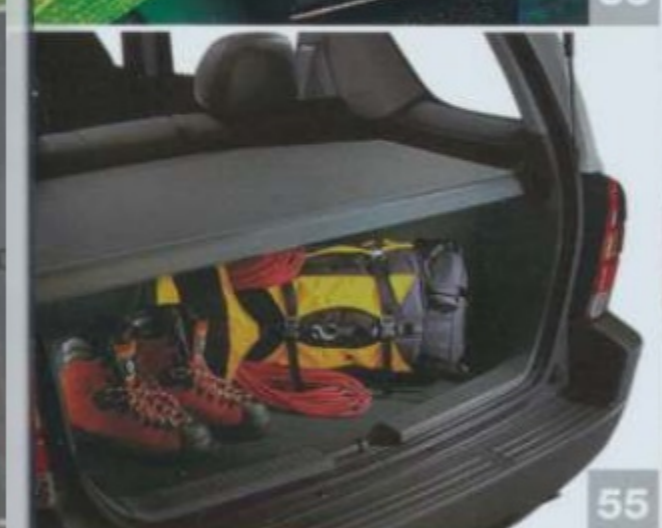

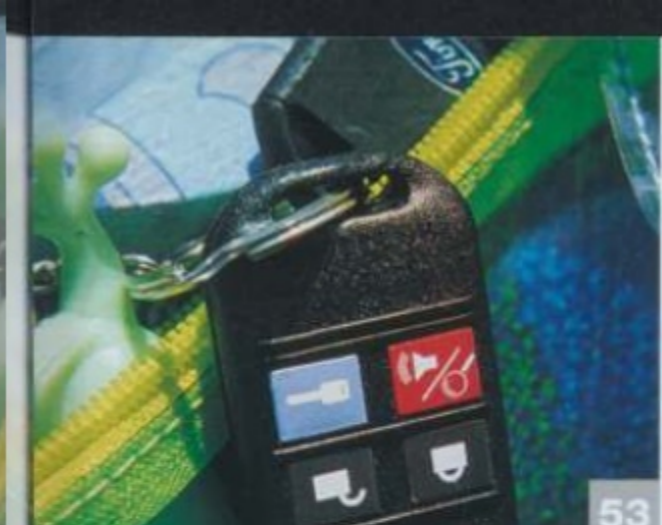

51. Kayak Carrier by Yakima

Designed to carry kayaks on edge while minimizing side-to-side movement. Carrier installs easily, requiring no tools. Will fit No Boundaries roof rack with raised cross bars (sold separately) or standard roof rack with track rider bars (sold separately). Not for use with factory rack. Can also mount to LoadWarrior or MegaWarrior cargo racks. Cargo straps can be purchased from your local sporting goods store. Base Part No. **55100**

52. Canoe Carrier by Yakima

Fits No Boundaries roof rack with raised cross bars (sold separately) or standard roof rack with track rider bars (sold separately). Installs easily, no tools required. Cushioned brackets help protect the gunwales of your canoe from scratches. Cargo straps can be purchased from your local sporting goods store. Base Part No. **55100**

53. Remote Start Systems*

Enjoy the comfort and convenience of a pre-warmed or pre-cooled vehicle. Systems start vehicle from up to 500 ft. (150 m) away, and ensure that it's locked and that its security system (if equipped) is armed. Comes with two remote transmitters. Two systems to choose from: Remote starting only; and Remote starting and vehicle security. Available for automatic transmissions only. Securilok® kit (sold separately) required for most applications. Dealer installation recommended. Base Part No. **196364** (196365 for Securilok®)

54. Vehicle Security Systems*

Protect your vehicle with a state-of-the-art security system. These systems offer a full range of security features and come complete with pocket-sized transmitters. Three systems to choose from: Vehicle security only; Deluxe vehicle security; and Vehicle security with remote start. Includes a Lifetime Limited Warranty on parts (contact dealer for complete details). Dealer installation recommended. NOTE: Vehicles equipped with a security system may be eligible for insurance discounts in some states/provinces. Base Part No. **19A361**

55. Cargo Security Shade

Conceal your belongings with this heavy-duty vinyl shade. Mounts behind rear seat above the cargo area and may be stored on its roll when not in use. Available in colors to match the vehicle interior. Base Part No. **45440**

56. Keyless Entry Keypad

Conveniently unlock your vehicle without your key or keyless entry remote. No wiring necessary – programmable, backlit keypad tunes to the same frequency as your transmitter. Long-life battery (lasts 100,000 cycles). Easy no-drill installation. For vehicles equipped with factory remote keyless entry. Base Part No. **14A626**

62. Daytime Running Lamp Module

This system automatically activates the low-beams at 75% of their normal operating voltage whenever the ignition is in the "on" position. Dealer installation recommended. Base Part No. **13B218**

57. Highway Safety Kit

Convenient carrying kit includes a reflective triangle, a flashlight, a fire extinguisher, bungee cords, a thermal blanket, cotton gloves, hose tape, a multifunction knife, Phillips and slotted head screwdrivers and a 12-hour light stick. Base Part No. **19F515**

58. Engine Block Heater

Keep the engine block warm for easier starting, faster warm-ups, and less fuel waste and battery drain. Just connect the heater to a grounded extension cord (not included) and plug into any 110-volt power source. Dealer installation recommended. Base Part No. **6D008**

59. Locking Gas Cap

To prevent loss, a plastic tether attaches cap to the vehicle. Swing-away cover helps keep moisture and debris out of locking mechanism. Includes two keys. Base Part No. **9030**

60. Wheel Locks

For added protection against wheel theft, replace one lug on each wheel with one of these locks. Kit includes four locks and key. Base Part No. **1A043**

61. Full Vehicle Cover

Constructed of multi-layer, non-woven, breathable material, NOAA® covers resist rain, snow, acid rain and bird droppings, and protect your vehicle's finish from UV rays and door dings. Features double-stitched overlapped seams, elastic sewn into the front and rear hems to help hold cover in place, and non-scratch grommets that can be used with a tie-down rope (included) or a cable and lock. Silk-screened logo on front and a license plate view window in rear. Base Part No. **19A412**

63. Daytime Running Lamp with Auto Headlamp Module

Never touch your headlamp switch again. System automatically switches the headlamps on whenever darkness is sensed. Also features a time delay that leaves the lights on for a preset amount of time after parking the vehicle. Daytime running lights will activate during daylight. Engineered for complete integration with vehicle electrical system. Dealer installation recommended. Base Part No. **13B218**

64. Air Bag Anti-Theft Locks

Specially designed locks and key help deter theft of driver-side air bags. Kit includes a window sticker to tell potential thieves that you're protected. Dealer installation recommended. Base Part No. **14B384**

65. First-Aid Kit

Compact case fits into glove compartment or center console so it's always there when you need it! Contains general first-aid items such as bandages, gauze, antibacterial ointment and more. Base Part No. **19F515**

SAFE & SECURE

*Eligible for residualization under a Ford Credit Red Carpet Lease.

Limited Warranty Information

Ford Motor Company will repair or replace any properly dealer-installed Genuine Ford Accessory found to be defective in factory-supplied materials or workmanship during the warranty period, as well as any component damaged by the defective accessory.

This means that Genuine Ford Accessories purchased along with your new vehicle and installed by the dealer at time of delivery are covered for the full length of your New Vehicle Limited Warranty – 3 years or 36,000 miles (whichever occurs first). If you choose at a later date to purchase a Genuine Ford Accessory, it will be covered for 12 months or 12,000 miles (whichever occurs first). Contact your dealer for details and a copy of the warranty.

Red Carpet Lease

Get the ride you want. Many Genuine Ford Accessories purchased and installed by the dealer at lease inception can be paid for in your monthly lease payment. See your Ford Dealer for details.

ESP PremiumCare Plan

Depending on the ESP Plan you select, some dealer-installed Genuine Ford Accessories can be covered for up to 7 years or 100,000 miles. See your Ford Dealer for details.

Note: The product descriptions and specifications contained herein were correct at the time this material was being prepared for printing. However, our policy is one of continuous improvement, and we reserve the right to change design or specifications at any time without notice and without incurring obligation.
