OUTWARD APPEARANCES

1. Black Step Bars*
Corrosion-resistant, black-finished aluminum tubing is rugged yet lightweight. Wide, slip-resistant step pads are made of plastic to provide sure footing. No-drill installation. Available for Explorer only. Base Part No. 16450

2. Original Equipment Step Bars*
These original equipment step bars are available in durable chrome, black or titanium finish. Ample width provides sure footing. Easy no-drill installation. Available for Explorer only. Base Part No. 16450

3. Original Equipment Platform Boards*
These original equipment boards are made of durable black composite material. The ribbed surface helps provide sure footing. Easy no-drill installation. Available for Explorer only. Base Part No. 16450

4. Titanium Molded Running Boards*
A step up in style. These medium titanium colored boards are designed to match the Explorer Sport Trac cladding. Under the stylish molded cover, they feature a sturdy steel substructure and heavy-duty brackets. Easy no-drill installation. Base Part No. 16450

5. Color-Keyed Molded Running Boards*
An original equipment running board with an aerodynamic appearance that enhances the Explorer's sporty lines. Available in primed and select exterior colors. Easy no-drill installation. Base Part No. 16450

6. Wraparound Bug Shield*
Excellent front-end protection with stylish wraparound design to enhance vehicle's lines. Constructed of durable polycarbonate in versatile smoke color. Easy installation. Base Part No. 16C900

7. Low-Profile Wraparound Bug Shield*
Protect the vehicle's front end from bugs, small stones and other debris. Durable, smoke-colored acrylic complements any exterior color. Easy to install. Ford Oval Logo. Base Part No. 16C900

8. Full Front End Cover
Heavy-duty vinyl shields front end from bugs, stones and off-road debris. Flannel backing minimizes moisture build-up between the cover and the painted surface. Multi-piece construction lets you open hood without removing the cover. Base Part No. 19A414

9. Sport Hood Cover
This stylish cover helps protect the vehicle's hood. Flannel backing is gentle on painted finishes. Base Part No. 19A414

10. Side Window Deflectors
Deflectors keep out snow or rain so you can crack open the window and let fresh air in. Durable, smoke-colored acrylic. Self-stick adhesive for easy installation. Base Part No. 18246

11. Taillamp Surrounds
Add a custom look to your 4-door Explorer. Offered with a self-adhesive backing for easy installation. Available in primed, chrome and black finish. Base Part No. 13B564

12. Door Edge Guards
Each set is custom made to the exact contours of your vehicle. Won't sag, slip, peel or rust — they're made of stainless steel and lined with a non-metallic material that won't scratch paint. No adhesives or screws needed for installation. Available in bright finish or black matte finish. Base Part No. 20910

13. Side Window Pillar Trim
Customize your exterior with this brushed aluminum side window pillar trim. The self-adhesive backing makes for easy installation. Explorer and Sport Trac; Available for Explorers equipped with or without keypads. Base Part No. 20049

14. Rear Spoiler*
This aerodynamic roof spoiler is offered in black or primed and ready to paint (as shown above). Dealer installation recommended. Sport Trac only. Base Part No. 44210

15. Moonroof Deflector
Durable, smoke-colored acrylic deflector helps reduce wind noise while letting fresh air flow in. Installs easily. Base Part No. 500A26

16. Smoke-Colored Rear Air Deflector*
Deflectors keep out snow or rain so you can crack open the window and let fresh air in. Durable smoke-colored acrylic. Self-stick adhesive for easy installation. Sport Trac only. Base Part No. 18246

17. Rear Roof Air Deflector in Body Color*
For a sporty appearance and to help keep the rear glass clean. Mounts to the liftgate of the vehicle and is available in select exterior colors or primed and ready to paint. Dealer installation recommended. Explorer only. Base Part No. 500K16

*Eligible for residualization under a Ford Credit Red Carpet Lease.

18 18

20

18. Bed Extender*

Sturdy stainless steel cage flips outward and extends to the end of the tailgate to provide 18" of extra carrying space. When the cage is flipped inside the bed, it helps protect cargo from shifting. Easy to install and remove. Sport Trac only. Base Part No. 286A40

19. Soft Tonneau Cover – With Snaps

Protect your vehicle's cargo area from the elements with this premium, heavy-duty, 20-oz. vinyl cover. The black aluminum rail system attaches securely and easily. Click-in-place rear rail offers easy access to cargo bed and features snaps made of a non-rusting composite material. Sport Trac only. Base Part No. 501A42

20. Soft Tonneau Cover – Snapless

Specially designed frame attaches directly to the rails of the cargo bed. This allows access to the bed without the need for removing the cover. Constructed of a durable gray vinyl. Sport Trac only. Base Part No. 501A42

21. Folding Hard Tonneau Cover

Turn your vehicle's cargo area into a locking trunk with this original equipment cover. Cover is hinged in the center with locking handles at the front and rear. The design allows the tailgate to be opened without opening the cover. For use without bedliner. Sport Trac only. Base Part No. 501A42

22

23

24

22. Bedliner*

Conforms to the contours of the vehicle bed. Features the Duraloc™ cargo restraining system that allows the use of 2x4s to compartmentalize loads or create two-tiered stacking. Ribbed floor provides drainage and increased airflow between the bed and the liner to reduce mold and mildew. Skid-resistant surface helps keep loads from shifting. Sport Trac only. Base Part No. 9900038

23. Bed Mat

Heavy-duty synthetic rubber mat that stands up to extreme weather conditions. Covers the complete load floor. Sport Trac only. Base Part No. 112A15

24. Bed Divider

Enhance the utility of your folding hard tonneau cover or just split the bed into two sections. Locks into place and provides a locking storage area at the front of the bed when used with the folding tonneau cover. Sport Trac only. Base Part No. 286A72

25. Fog Lights

For optimal vision and safety. Fog lights mount to the lower fascia of the front bumper with original equipment design that ensures proper fit. Dealer installation recommended. Base Part No. 15200

26. Brush/Grille Guard*

For a rugged, off-road appearance. Constructed of stainless steel with a chrome light surround. Available in select colors and primed (ready to paint). Easy installation. Explorer only. Base Part No. 8307

27. Molded Splash Guards

Deflect mud, snow and ice away from lower body panels. Contoured design complements vehicle lines and gives excellent protection. Heavy-duty plastic construction resists cracking. Packaged in pairs for front or rear. NOTE: Specify trim level. Base Part No. 16A550

26

27

25

28. Tow Hooks

Tow hooks make your SUV look tough, and because they're mounted directly to the front bumper bracket frame, they offer great function and utility. Kit includes two hooks and hardened bolts. Dealer installation recommended. Base Part No. 17N808

29. Underbody Skid Plates

This original equipment kit bolts directly to preexisting holes in the chassis and helps protect the transfer case and fuel tank from damage. Dealer installation recommended. Base Part No. 9C082

30. Neutral Tow Kit (not pictured)

This handy kit allows you to tow your vehicle behind your motorhome – with all four wheels on the ground. Available for vehicles equipped with 4.0L or 4.6L engines, 4WD and an automatic transmission. Dealer installation recommended. Base Part No. 7H332

28

29

*Eligible for residualization under a Ford Credit Red Carpet Lease.

31

32

33

Custom Wheels*

A selection of custom wheels is now available at your local Ford dealer. Designed specifically for your vehicle, they meet Ford's rigorous appearance, durability and corrosion-resistance requirements. Each wheel is kitted and includes the wheel, center cap and chrome lug nuts (most applications). Explorer only. Base Part No. 1007:

31. 2L2Z-1007-AB

16" X 7" Chromed aluminum 8-spoke swirl.

32. 3L2Z-1007-CA

17" X 7.5" Chromed aluminum 5-spoke, Limited-style.

33. 3L2Z-1007-DA

17" X 7.5" Bright machined aluminum with grey-painted pockets 5-spoke, Limited-style.

34. Trailer Hitch Balls

Chrome trailer hitch balls available in 1 7/8" (4 cm) or 2" (5 cm) diameters, hitch balls feature forged, one-piece construction for maximum strength and a chrome finish for corrosion resistance. Refer to your Owner's Guide for towing limitations. Available for vehicles equipped with a trailer hitch. Base Part No. 19F503

34

35. Trailer Hitch Receiver Cover

Provides a nice, clean look, while preventing dirt, mud and snow from clogging the trailer hitch receiver. Available with Ford logo or No Boundaries logo for 2" (5 cm) or 1 1/4" (3 cm) hitch assemblies. Base Part No. 17F000

36. Swivel Mount Trailer Hitch Drawbar

Make hooking up a trailer a snap with this innovative, swivel mount drawbar. You only have to get close to make the trailer connection. Then, just extend and rotate it as needed to connect to the trailer. Once the connection is completed, the automatic locking feature locks the unit into towing position. For 2" (5 cm) receivers. Does not include hitch ball. See your dealer for towing limitations. Base Part No. 19A282

37. Trailer Hitch Assembly - Class III/IV

Original equipment hitch bolts on to existing holes — no drilling or welding required. This Class III/IV hitch has a 10,000 lb. (4,540 kg) towing capacity and 1,000 lb. (454 kg) tongue capacity. Explorer 4.0L engine kit also includes an oil cooler and all associated lines, brackets and hardware (dealer installation recommended). NOTE: Towing capacity could be limited by vehicle powertrain. See your dealer or Owner's Guide for details. Base Part No. 190520

38. Trailer Hitch Drawbars

Features a square tubular shank, heavy steel ball platform and a durable black powdercoat finish. Designed for 2" (5 cm) trailer hitch receivers, these drawbars can be used in the raised or dropped position to match the trailer coupler height. Two offsets available for 2" receivers: 0" drop/2 1/2" rise and 1 1/4" drop/4" rise. See your dealer or Owner's Guide for towing limitations. Base Part No. 19A282

36

39. Trailer Hitch Wiring Kit

This 7-pin wiring harness assembly is made to plug into the factory wiring harness at the rear of your vehicle. The 7-pin design allows the use of trailers with electric brakes. Includes a bracket for convenient attachment. Dealer installation recommended. Explorer only. Base Part No. 13A56

38

35

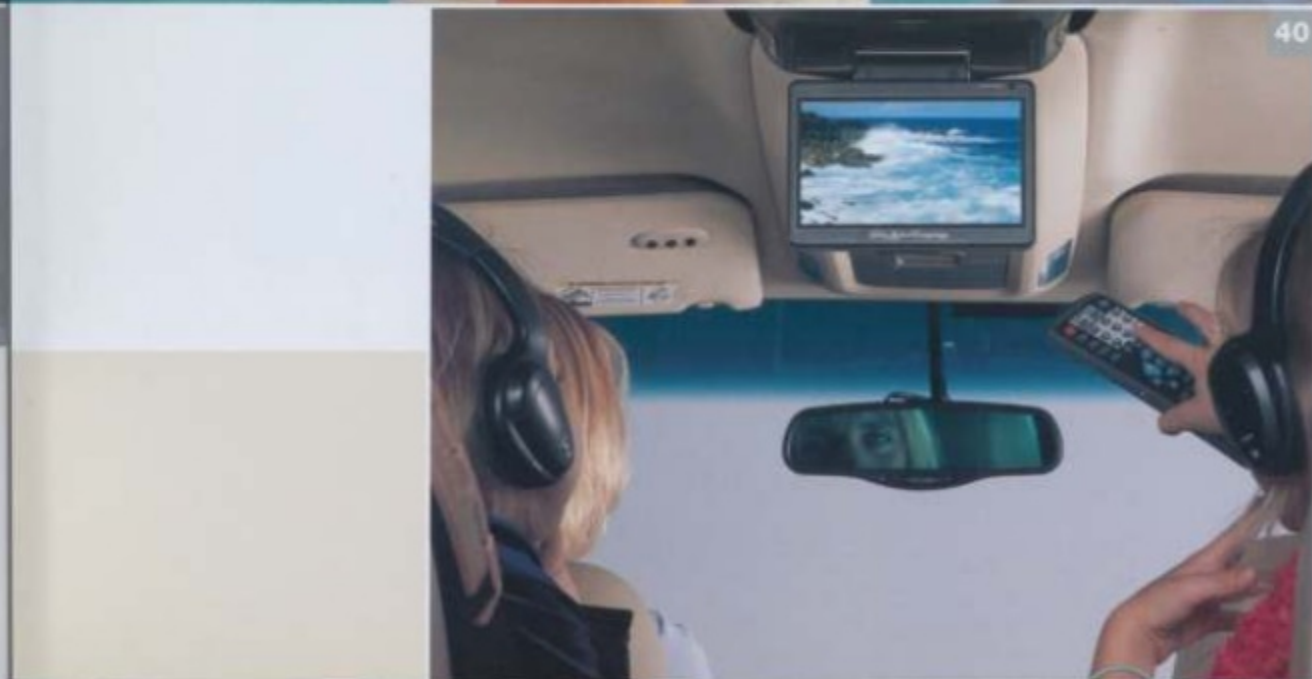

35

37

42

INSIDE MOVES

40. DVD Rear Seat Entertainment System*

Compact, all-in-one, overhead DVD unit features a flip-down 7-inch, 16:9, LCD screen that folds neatly into headliner when not in use. Comes with remote control and two wireless headphones. System can also play CDs, MP3s, CDRs and CDRWs. Has RCA inputs for video games, VCR or camcorder. Can also work through vehicle's stereo. Comes with vehicle-specific mounting hardware and installs in about an hour. Available for Explorers with or without a moonroof and auxiliary A/C. Dealer installation recommended. Base Part No. 196323

41. Smoker's Pack

Add an ashtray and lighter to your vehicle. The ashtray blends with the interior styling and mounts to the center console. Easy to remove for cleaning. Explorer only. Base Part No. 04810

42. GPS Navigation System

Three for the road: navigation, AM-FM tuner and CD player in one compact package. Offers turn-by-turn voice directions to the desired destination. At-a-glance directions displayed on screen. Replaces the factory-installed audio system. Separate bezel kit required for each installation. Dealer installation recommended. Base Part No. 18814 (Spring Clip Radio Bezel Kit - 10E991)

43. Ash/Coin Holder

Designed to fit in cup holders, it includes a lid to keep spare change or ashes conveniently in place. Constructed of a durable thermoplastic. Removes easily for cleaning. Explorer only. Base Part No. 04810

43

*Eligible for resitualization under a Ford Credit Red Carpet Lease.

44

44. Electrochromic Compass Mirror and Compass/Temp Mirror

Ease the discomfort of headlight glare in your rearview mirror. Mirror automatically dims when glare is detected. Features a built-in compass. Our Electrochromic Compass Mirror with Temperature Display has the additional feature of an outside temperature display. Switch lets you toggle between compass and temperature readings; set to Celsius or Fahrenheit scales. Dealer installation recommended. Explorer only. Base Part No. 17700

45. Stainless Steel Scuff Plates

These scuff plates look great and also protect the sill from minor scuffs and scratches. Constructed of stainless steel with a clear urethane protective coating; includes Explorer name. Self-stick adhesive backing for easy installation. Base Part No. 132A08

45

46. 100 Streams of Satellite Radio (not pictured) If your Explorer or Sport Trac radio has a "SAT" button next to the AM/FM button, then it is SIRIUS Satellite Radio ready. We're talking about 100 streams of music, sports, news and entertainment, all with the purity of digital sound. See your Ford dealer for installation and subscription details.

47. All-Weather Vinyl Floor Mats

The deep grooves and raised ridges in these heavy-duty mats catch and hold snow, slush and mud, while protecting the vehicle carpeting. Nibbed backing and driver-side positive retention help keep mats in place. Front and rear mats sold separately as 2-piece kits. Available in colors that complement your vehicle interior.

Base Part No. 13086 Front
Base Part No. 13106 Rear

47

48

48. Carpeted Floor Mats

Premium grade carpeting is custom fit to the exact contour of each vehicle. Driver-side mats have positive retention, and all mats have a nib backing to help prevent slippage. Sold as 4-piece kits or front 2-piece kits. Front mats have Explorer logo. Base Part No. 1513086 Front
Base Part No. 1813035 Rear

49

50

51

52

53

49. Cargo-Logic

A smart way to protect the cargo area and keep cargo restrained. Liner features molded construction that provides a stain- and moisture-resistant barrier. Four Cargo-Loks supplied. Offered in colors to complement your interior with vehicle-specific embroidered logo. Explorer only. Base Part No. 11600

50. Interior Cargo Organizer

Removable and adjustable divider system helps separate and organize your belongings. Installs easily in the cargo area with no tools required. Available in black only. Explorer only. Base Part No. 115A00

51. Soft Cargo Liner

Fits the contours of the cargo area for maximum coverage and protection. The liner is constructed of durable nylon-reinforced vinyl with nylon loop attachments for easy installation and removal. Liner is split so it can fold down with the seat (where applicable). Folds neatly for easy storage. Explorer only. Base Part No. 11600

52. Interior Molded Cargo Tray

Durable, lightweight tray is molded to the contours of your vehicle. Raised lip helps contain spills. Black only. Installs and removes easily without tools. Explorer only. Base Part No. 11600

53. Rear Cargo Net

Keep packages and other loose items from spilling in your vehicle. The netting stretches easily over bulky-shaped items and the soft braided cording won't scratch painted surfaces. Corner hooks attach to existing rings in vehicle's cargo area. Floor mount style. Installs easily; no tools required. Explorer only. Base Part No. 550A66

GET IN GEAR

54. Raised Cross Bars by Yakima
Provide additional capacity to carry up to four bike carriers and a platform to mount kayak or canoe carriers. Clamp to the side rails of the factory rack. Integrated locks help secure rack to the vehicle. Can be used with our other equipment carriers (sold separately). Base Part No. **55100**

55. LoadWarrior by Yakima
Large, safari-style basket can carry a load of gear, as well as bikes, skis, canoes or kayaks. Measures 44" x 39" x 6.5" deep (112 cm x 99 cm x 17 cm). Yakima carriers (sold separately) can be mounted directly to the LoadWarrior basket. Fits original cross bars or raised round bar. Add the table-leaf-style extension to increase LoadWarrior length by 18" (46 cm). Base Part No. **55100**
Rack and extension

56. Luggage/Cargo Basket by Yakima
Constructed of heavy-duty, vinyl-covered steel mesh, this basket measures 26.5" x 38.75" x 2" tall (67 cm x 97 cm x 5 cm). Includes a stretch net to secure cargo. For use on elliptical cross bars or raised cross bars. Explorer only. Base Part No. **55100**

57. Elliptical Cross Bars for O.E. Racks
This set of two elliptically shaped cross bars allows the mounting of select Yakima carriers with adapters for elliptical carriers. These include all ski/snowboard carriers, frame mount bike carriers and luggage/cargo basket carrier. Easy to install. Base Part No. **55100**

58. MegaWarrior by Yakima
Bigger than the LoadWarrior, MegaWarrior provides large 52" x 48" x 6.5" (132 cm x 122 cm x 17 cm) dimensions that make it perfect for carrying luggage and other cargo. Can also accommodate bike, ski, canoe or kayak carriers (sold separately). Mounts directly to elliptical cross bars or raised cross bars. Includes heavy-duty cargo netting and unique, aerodynamic fairing. Explorer only. Base Part No. **55100**

59. Soft Luggage Bag
Durable, exterior-grade canvas is flexible enough to allow you to carry odd-shaped items and folds neatly away when not in use. Zippered opening is covered with a Velcro®-close flap. Nylon web straps secure it to the roof rack. Explorer only. Base Part No. **198507**

60. SportRack Cargo Boxes
Constructed of durable, black ABS plastic, these boxes go the extra mile to ensure that your gear is well protected. The small cargo box is long and skinny and is designed to carry up to six pairs of skis, with a capacity of 11.3 cubic feet (320 liters). Our medium box is short and wide and is designed to carry larger items like suitcases. Its capacity is 15.5 cubic feet (440 liters). Our large box (Explorer only) can carry up to four sets of golf clubs, plus shoes, etc. Its capacity is 16.9 cubic feet (480 liters). Base Part No. **55100**

61. Canoe Carrier by Yakima
Fits our raised cross bars. Not for use with factory cross bars. Installs easily, no tools required. Cushioned brackets help protect the gunwales of your canoe from scratches. Cargo straps can be purchased from your local sporting goods store. Base Part No. **55100**

64

62. Kayak Carrier by Yakima
Designed to carry kayaks on edge while minimizing side-to-side movement. Carrier installs easily, requiring no tools. For use with our raised cross bars, LoadWarrior or MegaWarrior racks. Cargo straps can be purchased from your local sporting goods store. Base Part No. **55100**

63. Horizontal Ski/Snowboard Carriers by Yakima
Available in two sizes. Small carrier holds up to four pairs of skis or two snowboards; large carrier (shown) holds up to six pairs of skis or four snowboards. Both feature soft rubber padding to protect the finish on skis and integral locks. Both carriers install easily on elliptical cross bars or raised cross bars. No tools necessary. Snowboard Carrier adapter included. Base Part No. **55100**

64. Bed Mount Bike Carriers by Yakima
Installs in minutes without tools. Sturdy steel construction with foam padding to help protect your vehicle's finish. Holds up to two bikes. Fully compatible with bedliners. Sport Trac only. Base Part No. **55100**

65. Frame Mount Bike Carrier by Yakima
On your next trip, take your bike along for the ride. Each carrier holds one bike and features a locking arm with a durable padding that clamps onto the bike's downtube to protect its finish. Built-in cable guides guard against damage to brake or shifter cable. For use on elliptical cross bars as well as on raised cross bars. Base Part No. **55100**

67

68

67. TerraFirma® Hitch Mount Bike Carrier by Yakima
Just like the ROC2® described below, except the TerraFirma® holds up to four bikes. Fits 2" (5 cm) hitch receivers. Carrier is secured to hitch receiver with locking system; cable lock secures bikes to carrier. Kit includes straps to keep bike wheels secure. Base Part No. **438A38**

68. ROC2®/QuarterRoc® Hitch Mount Bike Carriers by Yakima
ROC2® fits into 2" (5 cm) hitch receivers and QuarterRoc® fits into 1 1/4" (3 cm) receivers. Each has a swing-down feature that allows access to the rear cargo area. Holds up to two bikes. Carrier is secured to the hitch receiver with a lock system. QuarterRoc® available for Explorer only. Base Part No. **55100**
(50148 for Wheel Holder)

65

66

66. Fork Mount Bike Carrier by Yakima
This easy-to-install bike rack uses a locking 9 mm-long skewer, which opens to accommodate the bicycle fork and works as a true quick-release. Each carrier holds one bike and includes an integrated lock. For use with raised cross bars. Front wheel holder is available and sold separately. Base Part No. **55100**
(50148 for Wheel Holder)

SAFE AND SECURE

69 70

69. Daytime Running Lamp Module

This system automatically activates the low-beams at 75% of their normal operating voltage whenever the ignition is in the "on" position. Dealer installation recommended. Base Part No. **13B218**

70. Daytime Running Lamp with Auto Headlamp Module

Never touch your headlamp switch again. The system automatically switches the headlamps on whenever darkness is sensed. Also features a time delay that leaves the lights on for a preset amount of time after parking the vehicle. Daytime running lights will activate during daylight. Engineered for complete integration with vehicle electrical system. Dealer installation recommended. Base Part No. **13B218**

71. Remote Start Systems*

Enjoy the comfort and convenience of a pre-warmed or pre-cooled vehicle. Systems start vehicle from up to 500 ft. (150 m) away, and ensure that it's locked and that its security system (if equipped) is armed. Comes with two remote transmitters. Two systems to choose from: Remote starting only; and Remote starting and vehicle security. Available for automatic transmissions only. Securilok® kit (sold separately) required for most applications. Dealer installation recommended. Base Part No. **19G364** (**19G365** for Securilok®)

72. Keyless Entry Keypad

Conveniently unlock your vehicle without your key or keyless entry remote. No wiring necessary – programmable, backlit keypad tunes to the same frequency as your transmitter. Long-life battery (lasts 100,000 cycles). Easy no-drill installation. For vehicles equipped with factory remote keyless entry. Base Part No. **14A626**

73. Full Vehicle Cover

Constructed of multi-layer, non-woven, breathable material, NOAA® covers resist rain, snow, acid rain and bird droppings, and protect your vehicle's finish from UV rays and door dings. Features double-stitched overlapped seams, elastic sewn into the front and rear hems to help hold cover in place, and non-scratch grommets that can be used with a tie-down rope (included) or a cable and lock. Each cover has a silk-screened logo on front and a license plate view window in rear. Base Part No. **19A412**

74. Vehicle Security Systems*

Protect your vehicle with a state-of-the-art security system. These systems offer a full range of security features and come complete with pocket-sized transmitters. Three systems to choose from: Vehicle security only; Deluxe vehicle security; and Vehicle security with remote start. Includes a Lifetime Limited Warranty on parts (contact dealer for complete details). Dealer installation recommended. NOTE: Vehicles equipped with a security system may be eligible for insurance discounts in some states/provinces. Base Part No. **19A361**

74

75

76

77

78

79

75. Cargo Security Shade

Conceal your belongings with this heavy-duty vinyl shade. Mounts behind rear seat above the cargo area and may be stored on its roll when not in use. Available in colors to match the vehicle interior. Explorer only. Base Part No. **45440**

76. Engine Block Heater

Keep the engine block warm for easier starting, faster warm-ups, and less fuel waste and battery drain. Just connect the heater to a grounded extension cord (not included) and plug into any 110-volt power source. Dealer installation recommended. Base Part No. **6D008**

77. Locking Gas Cap

To prevent loss, a plastic tether attaches cap to the vehicle. Swing-away cover helps keep moisture and debris out of locking mechanism. Includes two keys. Base Part No. **9030**

78. Wheel Locks

For added protection against wheel theft, replace one lug on each wheel with one of these locks. Chrome-plated locks available for exposed lugs (shown); open-ended, zinc-plated locks available for hidden lugs. Kit includes four locks and key. Base Part No. **1A043**

79. First-Aid Kit

Compact case fits into glove compartment or center console so it's always there when you need it! Contains general first-aid items such as bandages, gauze, antibacterial ointment and more. Base Part No. **19F515**

80

80. Highway Safety Kit

Convenient carrying kit includes a reflective triangle, a flashlight, a fire extinguisher, bungee cords, a thermal blanket, cotton gloves, hose tape, a multifunction knife, Phillips and slotted head screwdrivers and a 12-hour light stick. Base Part No. **19F515**

81. Air Bag Anti-Theft Locks

Specially designed locks and key help deter theft of driver- and passenger-side air bags. Kit includes a window sticker to tell potential thieves that you're protected. Dealer installation recommended. Base Part No. **14B384**

81

*Eligible for residualization under a Ford Credit Red Carpet Lease.

Limited Warranty Information

Ford Motor Company will repair or replace any properly dealer-installed Genuine Ford Accessory found to be defective in factory-supplied materials or workmanship during the warranty period, as well as any component damaged by the defective accessory.

This means that Genuine Ford Accessories purchased along with your new vehicle and installed by the dealer at time of delivery are covered for the full length of your New Vehicle Limited Warranty — 3 years or 36,000 miles (whichever occurs first). If you choose at a later date to purchase a Genuine Ford Accessory, it will be covered for 12 months or 12,000 miles (whichever occurs first). Contact your dealer for details and a copy of the warranty.

Red Carpet Lease

Get the ride you want. Many Genuine Ford Accessories purchased and installed by the dealer at lease inception can be paid for in your monthly lease payment. See your Ford Dealer for details.

ESP PremiumCare Plan

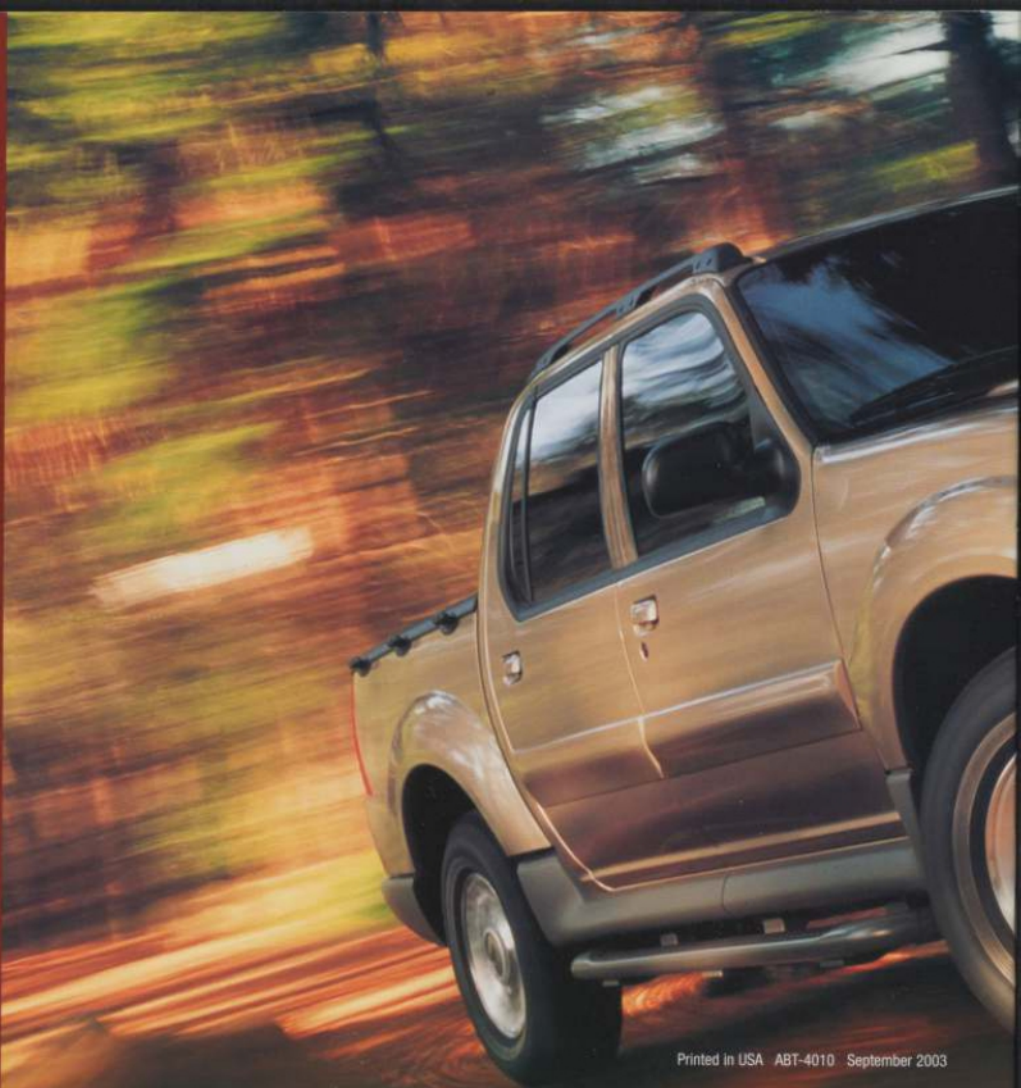

Depending on the ESP Plan you select, some dealer-installed Genuine Ford Accessories can be covered for up to 7 years or 100,000 miles. See your Ford Dealer for details.

NOTE: The product descriptions and specifications contained herein were correct at the time this material was being prepared for printing. However, our policy is one of continuous improvement, and we reserve the right to change design or specifications at any time without notice and without incurring obligation.
