

The Brotherhood
Just Became Even
Stronger.

Announcing our biggest, most powerful new addition. The incomparable 2004 Ford Harley-Davidson™ F-Series Super Duty.

The Ford HARLEY-DAVIDSON™ F-Series Super Duty is so good, it hurts. Two unique two-tone paint treatments and one all-black one are as loud as the signature rumble of your Hog™ motorcycle at Sturgis, Daytona or any other not-to-be-missed event. Its chrome tow hooks, side step bars and 18" wheels perfectly complement your V-Twin's pipes. By bringing America's authority in legendary motorcycle performance together with its most trusted name in trucks, we didn't just combine legends. We created a new one. Available late 2003.

As cool and comfortable as leather chaps and a bandana. The Ford Harley-Davidson™ F-Series Super Duty interior includes: leather-trimmed seats with embossed HARLEY-DAVIDSON logos (quad captain's chairs shown with dual leather-trimmed center console lids), a new instrument cluster, a power sliding rear window and chrome seat levers for recline and lumbar.

Check out our colors. The Ford Harley-Davidson™ F-Series Super Duty is available in Black/Competition Orange two-tone, Black/Dark Shadow Grey two-tone, and all Black.
