1. Custom Chrome Step Bars*
Corrosion-resistant, chrome-plated aluminum tubing is rugged yet lightweight. Wide, slip-resistant step pads are made of plastic to provide sure footing. Available in 4" tube diameter. Easy to install; no drilling is required. Base Part No. **16450**

2. Color-Keyed Molded Running Boards*
An aerodynamic appearance enhances the Ranger's sporty lines. Constructed of a sturdy, e-coated steel substructure with a rugged TPO plastic cover. Available in select colors and primed. Easy, no-drill installation. Base Part No. **16450**

3. Custom Black Step Bars*
Corrosion-resistant, black-finished steel tubing is rugged yet lightweight. Wide, slip-resistant step pads are made of plastic to provide sure footing. Available in 4" tube diameter. Easy to install; no drilling is required. Base Part No. **16450**

4. Door Edge Guards
Each set is custom made to the exact contours of your vehicle. Won't sag, slip, peel or rust – they're made of stainless steel and lined with a non-metallic material that won't scratch paint. No adhesives or screws needed for installation. Available in bright finish and black matte finish. Base Part No. **20910**

5. Low-Profile Wraparound Bug Shield*
Protect the vehicle's front end from bugs, small stones and other debris. Durable smoke-colored acrylic to complement any exterior color. Easy to install. Ford Oval logo. Base Part No. **16C900**

9

10

10

9

10

6. Wraparound Bug Shield*
Excellent front-end protection with stylish wraparound design enhances vehicle's lines. Constructed of durable polycarbonate in versatile smoke color. Easy installation. Base Part No. **16C900**

7. Side Window Deflectors
Deflectors keep out snow or rain so you can crack open the window and let fresh air in. Durable, smoke-colored acrylic. Self-stick adhesive for easy installation. Base Part No. **18246**

8. Full Front End Cover
Heavy-duty vinyl shields front end from bugs, stones and off-road debris. Flannel backing minimizes moisture build-up between the cover and the painted surface. Multi-piece construction lets you open hood without removing the cover. Easy to install. Base Part No. **19A414**

9. Taillamp Surrounds
Add a custom look to any truck. Constructed of impact-resistant ABS plastic with self-adhesive backing for easy installation. Available with a high-nickel chrome finish, black or primed and ready to paint. Base Part No. **13B564**

10. Fog Lights
For optimal vision and safety. Fog lights mount to the lower fascia of the front bumper with original equipment design that ensures proper fit. 4x4 XLT only. Dealer installation recommended. Base Part No. **15200**

11. Original Equipment Bed Rail Caps
Constructed of rugged thermoplastic, molded in gray. Easy to install, no drilling required. Fit short-bed Styleside only. Base Part No. **32230**

12. Bed Extender*
Sturdy stainless steel cage flips outward and extends over the tailgate to provide 18" of extra carrying space. When the cage is flipped inside the bed, it helps protect cargo from shifting. Easy to install and remove. Styleside only. Base Part No. **286A40**

13. Tubular Bed Rails – Body Color*
Mounts directly and easily to the vehicle's stake holes. No drilling is required for installation. Available for short-bed Styleside models only. Available in select colors or primed. Base Part No. **32230**

14. Manual Sliding Rear Window*
Provide extra ventilation and comfort. Features solar-tinted glass that helps reduce glare from the sun. Base Part No. **422B30**

15. Chrome Exhaust Tip
Slips over the end of the tailpipe. Constructed of heavy-duty, corrosion-resistant, chrome-plated stainless steel for long life. Easy to install; no drilling necessary. Base Part No. **5K238**

19

18. Soft Tonneau Cover – Snapless
Specially designed frame attaches directly to the rails of the pickup bed. This allows access to the bed without the need for removing the cover. Constructed of a durable black vinyl. Base Part No. **501A42**

19. Soft Tonneau Cover – With Snaps
Protect your vehicle's cargo area from the elements with this premium, heavy-duty, 20-oz. vinyl cover. The black aluminum rail system attaches securely and easily. Click-in-place rear rail offers easy access to cargo bed and features snaps made of a non-rusting composite material. No-drill installation. Base Part No. **501A42**

20. Hard Tonneau Cover*
This unique hard fiberglass tonneau cover manufactured by a Leer affiliate dresses up your truck and helps protect its bed from the elements. Designed specifically for each vehicle, it can be locked to provide a secure trunk. Available in colors to match or complement your vehicle. Base Part No. **501A42**

21. TracRac Adjustable Rack System

TracRac is an adjustable overhead rack system that allows you to expand cargo carrying capacity. Base kit includes two triple-track base rails, two sliding overhead racks and four cross bar tie-downs. Extruded aluminum base rails mount to existing stake holes – no drilling required. System lets you slide or remove the overhead cross bars. Perfect for ladders, lumber or whatever the job demands. Constructed of anodized aluminum, TracRac is resistant to rust and corrosion. Short bed only. Base Part No. **9955200**

22. TracRac Cargo Area Divider

Help prevent items like building materials or large tools from sliding around in the bed. The Cargo Holder slides independently on inner tracks. Base Part No. **9900092**

23. TracRac Basetrack Tie-Down

Sliding tie-downs provide a convenient place to attach a rope or bungee cord for securing cargo in the bed. Simply loosen the knob and slide the tie-down to the desired position. Sold in pairs. Base Part No. **99000A64**

24. TracRac Locking TracKnobs

Secure the TracRac or other accessories to the truck – simply replace the standard knobs with the TracKnobs, twist the key and the component is locked in place. Sold in pairs with keys. Base Part No. **99000A25**

26

25. Tailgate Edge Protector

Help protect the top of the tailgate from minor nicks and scratches with this durable, aluminum lip protector. Designed to match the contours of your truck's tailgate. Available in black or silver finish. Base Part No. **402K19**

26. Bedliner with Tailgate Liner*

Heavy-duty, ribbed, skid-resistant surface. Offered in black with Ford logo. Available in all bed sizes. No-drill installation. Base Part No. **8300038** Flareside Base Part No. **9900038** Styleside

27. Bed Mat

Custom-designed, heavy-duty rubber mat to protect your truck bed. Made of reinforced, synthetic rubber that resists cracking or breaking. Available in all bed sizes. Base Part No. **64A94**

28. Retractable Bed Hooks

An excellent way to tie-off and secure an awkward load or tarp. Easily installed using existing stake holes in the pickup box. Hooks retract when not in use. Maximum load is 400 lbs. (180 kg) per hook. Two bed hooks included with each package. Available in black or stainless steel. Base Part No. **99000A64**

29. Underbody Skid Plates

(not pictured) This original equipment kit bolts directly to preexisting holes in the chassis and helps protect the transfer case and fuel tank from damage. Available for 4x4 only. Base Part No. **9C082**

27

28

*Eligible for residualization under a Ford Credit Red Carpet Lease.

30. Trailer Hitch Receiver Cover
Provides a nice clean look, while preventing dirt, mud and snow from clogging the trailer hitch receiver. Available for 2" (5 cm) hitch assemblies. Base Part No. **17F000**

31. Trailer Hitch Assembly – Class III/IV
Original equipment hitch bolts on to existing holes – no drilling or welding. This Class III/IV has a 10,000 lb. (4,540 kg) towing capacity and 1,000 lb. (454 kg) tongue capacity. NOTE: Towing capacity could be limited by vehicle powertrain. See your dealer or Owner's Guide for details. Base Part No. **17D826**

32. Swivel Mount Trailer Hitch Drawbar
Make hooking up a trailer a snap with this innovative, swivel mount drawbar. You only have to get close to make the trailer connection. Then, just extend and rotate it as needed to connect to the trailer. Once the connection is completed, the automatic locking feature locks the unit into towing position. Does not include hitch ball. See your Owner's Guide for towing limitations. Base Part No. **19A282**

33. Trailer Hitch Balls
Available in 1 7/8" (4 cm) or 2" (5 cm) diameters, hitch balls feature forged, one-piece construction for maximum strength and a chrome finish for corrosion resistance. Designed with wrench flats to aid installation and removal. See your dealer for towing limitations. Available for vehicles equipped with a trailer hitch. Base Part No. **19F503**

34. Trailer Hitch Drawbars
Designed for 2" receivers. Two offsets available: 0" drop, 2 1/2" rise; and 1 1/4" drop, 4" rise. Durable black powder-coat finish. Refer to your Owner's Guide for towing limitations. Base Part No. **19A282**

35. Speed Control
Microcomputer-controlled system automatically adjusts the throttle to maintain your desired cruising speed. Fingertip controls are conveniently located on the steering wheel. Dealer installation recommended. Late availability. Base Part No. **9A818**

36. GPS Navigation System
Three for the road: navigation, AM-FM tuner and CD player in one compact package. Offers turn-by-turn voice directions to the desired destination. At-a-glance directions displayed on screen. Replaces the factory-installed audio system. Separate bezel kit required for installation. Dealer installation recommended. Base Part No. **18814** (Spring Clip Radio Bezel Kit – **10E991**)

37. Interior Trim Kits
Give your interior a custom look. Brushed aluminum kits are molded to the contours of the dash and door panels. Easy-to-install, adhesive-backed appliques. Base Part No. **04288**

38. Electrochromic Compass Mirror and Compass/Temp Mirror
Ease the discomfort of headlight glare in your rearview mirror. Mirror automatically dims when glare is detected. Features a built-in compass. Our Electrochromic Compass Mirror with Temperature Display has the additional feature of an outside temperature display. Switch lets you toggle between compass and temperature readings; set to Celsius or Fahrenheit scales. Dealer installation recommended. Base Part No. **17700**

39. Rear Seat Cargo Organizer – SuperCab
Fits 4-door SuperCabs only. Made of premium-grade polyethylene with molded dividers that help separate belongings. Easy under-seat installation and removal – no tools required. Also helps protect vehicle interior from spills. Base Part No. **115A00**

40. All-Weather Vinyl Floor Mats
The deep grooves and raised ridges in these heavy-duty mats catch and hold snow, slush and mud, while protecting the vehicle carpeting. Nibbed backing and driver-side positive retention help keep mats in place. Available in colors that complement your vehicle interior. Front and rear mats are sold separately as 2-piece kits; front mats have Ranger logo. Base Part No. **13106**

41. Carpeted Floor Mats
Premium grade carpeting is custom fit to the exact contour of each vehicle. Driver-side mats have positive retention, and all mats have a nib backing to help prevent slippage. Sold as 2-piece front kits and 2-piece rear kits; front mats have Ranger logo. Base Part No. **13106**

42. TerraFirma® Hitch Mount Bike Carrier by Yakima
The TerraFirma® holds up to four bikes and fits into 2" (5 cm) hitch receivers. Carrier is secured to hitch receiver with locking system; cable lock secures bikes to carrier. Kit includes straps to keep bike wheels secure. Base Part No. **438A38**

43

43. BeddyJo Bike Carrier by Yakima
Installs in minutes without tools. Sturdy steel construction with foam padding to help protect your vehicle's finish. Holds up to two bikes. Fully compatible with bedliners. Base Part No. **55100**

GET IN GEAR

45

44. ROC2® Hitch Mount Bike Carriers by Yakima
Just like the TerraFirma® except the ROC2® holds up to two bikes. Fits into 2" (5 cm) hitch receivers. Features a swing-down feature that allows access to the rear cargo area. Carrier is secured to the hitch receiver with a lock system. Base Part No. **55100**

45. Bed Tent
No need to find a flat, dry campsite. This fully enclosed, water-resistant tent converts the pickup bed into comfortable sleeping quarters for two. Specially designed clips make installation easy. Four windows for full ventilation. Carrying bag included. Base Part No. **99000C38**

46

47

48

SAFE AND SECURE

46. Remote Start Systems*
Enjoy the comfort and convenience of a pre-warmed or pre-cooled vehicle. Systems start vehicle from up to 500 ft. (150 m) away, and ensure that it's locked and that its security system (if equipped) is armed. Comes with two remote transmitters. Two systems to choose from: Remote starting only; and Remote starting and vehicle security. Available for automatic transmissions only. Dealer installation recommended. Base Part No. **196364**

47. Vehicle Security Systems*
Protect your vehicle with a state-of-the-art security system. These systems offer a full range of security features and come complete with pocket-sized transmitters. Three systems to choose from: Vehicle security only; Deluxe vehicle security; and Vehicle security with remote start. Includes a Lifetime Limited Warranty on parts (contact dealer for complete details). Dealer installation recommended. NOTE: Vehicles equipped with a security system may be eligible for insurance discounts in some states/provinces. Base Part No. **19A361**

48. Remote Keyless Entry*
If your vehicle is equipped with power door locks, the remote keyless entry will let you lock and unlock the doors from up to 50 ft. (15 m) away. System features remote illuminated entry, which turns on the dome light, and a one-button personal protection panic feature that activates the vehicle's horn. Includes two hand-held remotes. Dealer installation recommended. Base Part No. **19A361**

49. Keyless Entry Keypad
Conveniently unlock your vehicle without your key or keyless entry remote. No wiring necessary – programmable, backlit keypad tunes to the same frequency as your transmitter. Long-life battery (lasts 100,000 cycles). Easy no-drill installation. For vehicles equipped with factory remote keyless entry. Base Part No. **14A626**

50. Highway Safety Kit
Convenient carrying kit includes a reflective triangle, a flashlight, a fire extinguisher, bungee cords, a thermal blanket, cotton gloves, hose tape, a multifunction knife, Phillips and slotted head screwdrivers and a 12-hour light stick. Base Part No. **19F515**

56 57

51. Engine Block Heater
Keep the engine block warm for easier starting, faster warm-ups, and less fuel waste and battery drain. Just connect the heater to a grounded extension cord (not included) and plug into any 110-volt power source. Dealer installation recommended. Base Part No. **6A051**

52. Engine Block Heater/Battery Warmer (not pictured)
In addition to the engine block heater, this kit contains a Battery Warmer that wraps around the battery. Once it's installed, simply hook it up to any heavy-gauge extension cord (not included) and plug into a standard wall outlet. Dealer installation recommended. Base Part No. **10A743**

53. Wheel Locks
For added protection against wheel theft, replace one lug on each wheel with one of these locks. Kit includes four locks and key. Base Part No. **1A043**

54. Spare Tire Lock (not pictured)
Secures the spare tire without compromising the original equipment crank-down system. It works with the vehicle's standard drive tool. No need to crawl under the vehicle to remove. Kit includes one locking bolt and one specially coded key. Base Part No. **1386**

55. Full Vehicle Cover
Constructed of multi-layer, non-woven, breathable material, NOAH® covers resist rain, snow, acid rain and bird droppings, and protect your vehicle's finish from UV rays and door dings. Features double-stitched overlapped seams, elastic sewn into the front and rear hems to help hold cover in place, and non-scratch grommets that can be used with a tie-down rope (included) or a cable and lock. Each cover has a silk-

screened logo on front and a license plate view window in rear. SuperCab, short bed only. Base Part No. **19A412**

56. Daytime Running Lamp Module
This system automatically activates the low-beams at 75% of their normal operating voltage whenever the ignition is in the "on" position. Dealer installation recommended. Base Part No. **13B218**

57. Daytime Running Lamp with Auto Headlamp Module
Never touch your headlamp switch again. System automatically switches the headlamps on whenever darkness is sensed. Also features a time delay that leaves the lights on for a preset amount of time after parking the vehicle. Daytime running lights will activate during daylight. Engineered for complete integration with vehicle electrical system. Dealer installation recommended. Base Part No. **13B218**

58. First-Aid Kit
Compact case fits into glove compartment or center console so it's always there when you need it! Contains general first-aid items such as bandages, gauze, antibacterial ointment and more. Base Part No. **19F515**

58

Limited Warranty Information

Ford Motor Company will repair or replace any properly dealer-installed Genuine Ford Accessory found to be defective in factory-supplied materials or workmanship during the warranty period, as well as any component damaged by the defective accessory.

This means that Genuine Ford Accessories purchased along with your new vehicle and installed by the dealer at time of delivery are covered for the full length of your New Vehicle Limited Warranty — 3 years or 36,000 miles (whichever occurs first). If you choose at a later date to purchase a Genuine Ford Accessory, it will be covered for 12 months or 12,000 miles (whichever occurs first). Contact your dealer for details and a copy of the warranty.

Red Carpet Lease

Get the ride you want. Many Genuine Ford Accessories purchased and installed by the dealer at lease inception can be paid for in your monthly lease payment. See your Ford Dealer for details.

ESP PremiumCare Plan

Depending on the ESP Plan you select, some dealer-installed Genuine Ford Accessories can be covered for up to 7 years or 100,000 miles. See your Ford Dealer for details.

NOTE: The product descriptions and specifications contained herein were correct at the time this material was being prepared for printing. However, our policy is one of continuous improvement, and we reserve the right to change design or specifications at any time without notice and without incurring obligation.
