## Footnotes

- With rear seats upright.
- With rear seats folded down.
- The towing packs are for factory options and provide a towing capacity of 1200 kg (Class I Tow Pack) and 1590 kg/2100 kg (Class II Tow Pack) when used in conjunction with a suitable caravan or trailer bracking system and towing equipment. This pack consists of:
  - Tow bar
  - Gooseneck
  - Wiring harness with 7 pin electrical connector
  - Transmission cooler (automatic transmissions only)

Note: The caravan or trailer bracking system and any other items (such as the tow ball, load levelling devices and safety chains) required for the attachment of a trailer, caravan or the like to the vehicle are not supplied as part of the Pack, and must be purchased at extra cost or be supplied by the purchaser of the vehicle. The Towing Pack is designed to be incorporated in the vehicle during the assembly of the vehicle. The actual towing capability and performance of a vehicle will depend upon many factors including the suitability of the caravan, trailer, etc. the condition of the vehicle, the vehicle load, the vehicle specifications (including engine capacity, transmission type, axle ratio, tyre type and size), weather conditions, road gradient, terrain and other prevailing conditions.

A towing accessory is also available for fitment from your Authorised Ford Dealer. A Ford approved transmission oil cooler must be fitted in conjunction with any towing accessory fitted to automatic vehicles and used to tow a gross weight of more than 500 kg. Consult your Authorised Ford Dealer for the latest information with respect to the specifications and the availability of this accessory towing pack.
- Consult the Ford colour selector or your Authorised Ford Dealer to determine which colours are available in the prestige paint range. Prestige paint is a no cost option.
- Available only in conjunction with a Touring Pack.
- Available only in conjunction with Premium Sound System.
- From mid November Car Alarm is available as a dealer fitted option.
