THE SPIRIT OF EXHILARATING PERFORMANCE.

Top: XR8 in Navy Blue. Bottom: XR6 in Hot Chili Red.

#### INTRODUCTION

There's a spirit at Ford. Driving. Dynamic. Ever challenging. A spirit of continuous improvement. It fuels our constant pursuit of higher standards of vehicle quality,

refinement and, as you'll discover in the newest XR Falcons, exhilarating driving pleasure.

At Tickford, Ford's partner in performance-enhanced vehicles, things never stand still either. Least of all,

Falcon XR6 and XR8. These freshly styled XRs exert a clear and commanding presence on the road.

Suspension and steering improvements and new generation ABS make them the finest handling and most

rewarding to drive that we've ever built.

Giving Australians everything they demand in a performance car – and then going one better... that's the spirit at Ford.

A smooth shifting 5-speed manual transmission is standard on Falcon XR6 and XR8. The advanced electronically controlled 4-speed automatic transmission is available as an option. It features "manual" and "economy" modes for greater efficiency. Gear change points and gear change speed have been tuned by Tickford to suit the greater performance of the engines.

Tickford has developed a high output version of Ford's advanced 4.0 litre 6-cylinder engine and achieves extra performance from the Ford 5.0 litre V8 engine. The engines feature electronic multipoint fuel injection and are computer-managed to deliver plenty of power and torque:

164 kW @ 5000 rpm from the 4.0 litre six, 170 kW @ 4500 rpm from the V8.

Falcon XR6 and XR8 have plenty of muscle to do all the things you want to do – like tow that boat or haul a trailer.

Here's a reason why an XR Falcon really sticks to the road... The front suspension is the reliable short and long arm, long spindle (SRLAS) system. It's tuned for bitumen boggies performance. Fade resistant 4 wheel disc brakes provide effective stopping power.

DRIVING EXHILARATION.

#### ENGINEERING

One drive of today's Falcon XR6 or XR8 and you'll appreciate the numerous revisions we've made to the steering and suspension geometry.

Straight off you'll notice how Falcon achieves a nigh on perfect balance of ride and handling. It soaks up the bumps, yet remains taut and ever-responsive. Moving into a corner, body roll is minimal and stability

is maintained, even with every seat occupied and the boot full of luggage.

The power rack and pinion steering makeover delivers an excellent feeling of control – it's quick and

responsive, with a very positive 'on-centre' feel. With a Limited Slip Diff, you'll discover it's a handling package that matches the capability of the powerful and refined 6-cylinder and V8 engines.

*Mako Gray interior.*

Electrically controlled side mirrors.

Ample heating and ventilation (air conditioning optional).

Remote release for fuel filler door and boot lid.

Steering column adjusts for personal comfort.

Quality time - Falcon's digital clock.

Cup holder convenience. Anyone for coffee?

Sports-style front seats with see-through head restraints.

60/40 split fold backrest handles outward objects.

XR6 shown with optional passenger airbag.

### INTERIOR DESIGN

In so many ways, you'll find the XR Falcons really get it right. Right down to the smallest details.

The sports seats, in Sabre cloth, support your body

superbly. The leather-wrapped steering wheel is comfortable to hold. The uncluttered instrument display is easy to read. The switches for the front power windows and other controls come easily to hand.

In an XR, you're in control and it's a very good feeling.

A performance car deserves a performance audio system. Falcon's electronic tune AM/FM stereo radio/cassette pumps out your favourite music through six

speakers, with auto audio mute for your phone.

In so many ways, you'll find the spirit of continuous improvement at Ford takes the Falcon XR driving experience to a level never before achieved.

Some people feel safer driving a full size car. With Ford, safety is more than a mere perception. It's a fact.

It's the product of an uncompromising commitment that has seen the XR Falcons evolve into some of the

safest cars on the road. The XR Falcons' long list of safety equipment includes a driver's side airbag (LH front passenger airbag optional), 4-wheel power disc brakes and new generation ABS.

Falcon XR6 and XR8 are equipped with a standard driver airbag (left front passenger airbag optional). Sensors in the vehicle detect the severity of an impact. If the collision meets the criteria for deployment, the driver airbag and passenger airbag, if fitted, will inflate and be released.

The passenger compartment features side intrusion beams, and integrated front and rear crumple zones.

XR Falcons have 'best in class' roof crush strength.

Height adjustable front seat belts, with belt lockers to minimise payout of seat belt webbing in extreme conditions.

The XR Falcons' new generation Anti-lock Braking System helps you to maintain steering control in most braking circumstances.

Smartlock engine immobilisation and keyless entry.

6FPA44JGWA146173

Major vehicle components are permanently marked with an exclusive Vehicle Identification Number.

## BODY STYLING KITS

Styled side skirts, front and rear aprons and a unique raised deck lid spoiler with integrated high mounted stop light to replace the standard design.

## SUNROOF

Precision crafted electric glass sunroof with sliding sunshade, fully imported from Germany. (Note: sunroof fitment will reduce occupant head room.)

## MOMO STEERING WHEEL

Sculpted leather bound steering wheel for the ultimate in feel and control.

## 16" WHEELS AND TYRES

A choice of two alloy wheel designs, both fitted with high performance Yokohama 510 Series 225/50 VR 16 tyres

with the slant Vector design for exceptional wet and dry grip.

2300 kg RATED TOW PACK\*  
(auto, transmission only).

Heavy Duty Towbar and Load Distributing Hitch, trailer wiring kit, revised turn signal flasher, transmission oil cooler.

## HEAVY DUTY TOW PACK\*

For those who already have a 2100 kg or 2300 kg Load Distributing Hitch. Heavy Duty Towbar (2300 kg rated when used with 2300 kg Load Distributing Hitch), trailer wiring kit, revised turn signal flasher, transmission oil cooler and a 1600 kg rated capacity plug-in tow ball mount.

\* Subject to State and Territory regulations.

## SPECIFICATIONS

## MECHANICAL

High output 4.0L 6-cylinder engine (XR6).  
Specially tuned 5.0L V8 engine (XR8).  
5-speed manual transmission.  
4-speed automatic transmission (option).  
Sports suspension.  
Power-assisted rack and pinion steering.  
4-wheel power-assisted disc brakes with Anti-lock Braking System (ABS).  
Limited Slip Differential.

## EXTERIOR

'Smart Tint' glass with protection rating of UPF 15+.  
15" x 7" 6-spoke sports style alloy wheels.  
Bodyside protection mouldings.  
High-mounted deck lid spoiler, integrated stop lamp.  
Electrically operated, body colour side mirrors.  
Hood scoops.  
Chrome exhaust tip (XR8).

## INTERIOR

AM/FM 60 watt electronic tune radio/cassette player, 6 speakers, Dolby B & C noise reduction,

telephone auto. mute.  
Sports seats with cloth trim, dual lumbar adjustment, fore/aft and rake adjustment, plus height and thigh adjustment on driver's seat.  
Tachometer.  
Oil pressure, water temp. and battery voltage gauges.  
Driver's side airbag.  
Front power windows.  
Leather-wrapped steering wheel.  
Digital clock.  
Smartlock keyless entry and engine immobilisation.  
Mobile phone wiring in place.  
Centre console storage bin with lid.  
Front passenger airbag (option).  
CFC-free air conditioning (option).  
Cruise control (option).

Optional 16 inch alloy wheels from Tickford designed to fully utilise vehicle handling, provide a bolder appearance and retain good ride quality. Fitted with high performance Yokohama 510 Series 225/50 VR 16 tyres.

Fordcare is a whole range of programs, products and services designed to make Ford owners the most satisfied motor vehicle owners in Australia.

The well-being of your Ford is supported by these warranties and services:

**The Ford 24 month/50,000 km Express New Vehicle Warranty.\***

Covers your Ford against defects in factory materials or workmanship for the first 24 months or 50,000 km – whichever occurs first. When fitted at or prior to the time of vehicle purchase, Ford Approved Accessories are also covered by the Ford 24 month/50,000 km Express New Vehicle Warranty.

\*Conditions apply.

**Five Year Perforation Corrosion Warranty.\***

Covers the original vehicle's body against perforation corrosion for the first five years of its life.

**Lifelong Panel Warranty.\***

Covers replacement of outer body panels against perforation corrosion for the life of the vehicle.

**Ford Customer Assistance Centre.**

We're always happy to hear from you and you will find us responsive to your needs. Customer Assistance Centre – Telephone 1800 333 306 (TOLL FREE), in Melbourne telephone 9359 7023.

**Ford Credit Financial Services.**

Ford Leasing and Red Carpet Options are available to approved applicants of Ford Credit Australia Limited. Enquire at your Authorised Ford Dealer.

**Fleet Communication Centre.**

Our Fleet Communication Centre is available to assist fleet customers with information on Ford products and services. Telephone 1800 673 207.

Further information on these warranties and services may be obtained from your Authorised Ford Dealer.

Have you driven a Ford ... Lately?

This brochure is designed to provide you with a general introduction to the Ford Products (including available optional equipment) referred to, and should be read in conjunction with the latest specification sheet. Because of changes in conditions and circumstances Ford\* reserves the right, subject to all applicable laws, at any time, at its discretion, and without notice, to discontinue or change the features, designs, materials, colours and other specifications and the prices of their products, and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchaser. The latest specification sheet should be referred to for information on the availability, ordering and use of optional equipment. Always consult an Authorised Ford Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place an order. \*FORD MOTOR COMPANY OF AUSTRALIA LIMITED. (A.C.N. 004 116 223) Registered Office: 1735 Sydney Road, Campbellfield, Victoria 3061, Australia. Printed September 1996. FCL6266

# Standard Equipment: Falcon XR6 Sedan Falcon XR8 Sedan

## FEATURES:

### MECHANICAL\*

High performance 5.0 litre OHV engine with sequential multi-point electronic fuel injection

High performance 4.0 litre OHC engine with multipoint electronic fuel injection and computer torque control

Performance sports exhaust system

5 speed manual transmission

Electronic engine control (EEC-V) system

Short and long arm, long spindle front suspension

Watts link rear suspension

Sports suspension

Front stabiliser bar

Rear stabiliser bar

Four wheel disc brakes with asbestos free pads

Power assisted rack and pinion steering

Limited slip differential

Anti-lock braking system (ABS)

\* For available optional equipment see reverse side

### EXTERIOR

Body coloured exterior door handles

Body coloured front and rear bumpers with red inserts (d)

Body coloured front bumper grilles

Body coloured hood scoops

Red bodyside protection mouldings (d)

P205/65 HR15 steel belt radial ply sports tyres

15" x 7.0" 5 alloy road wheels

Quad round halogen headlamps

Body coloured foldaway exterior rear view mirrors

Body coloured rear spoiler

Rear glass graduated sunshade band

Low profile LED high mounted stop lamp

Wide-angle left hand rear view mirror

Door 'B' pillar black outs

Deletion of left hand front door exterior key lock for improved security.

### INTERIOR

"Smart Lock" electronic engine immobilisation and keyless entry system

High security locking system featuring "Tibbe" locks on door, ignition and boot/liftgate, recessed door lock buttons and strengthened steering column lock housing

Falcon XR6 Sedan

Falcon XR8 Sedan

## FEATURES:

### INTERIOR (continued)

#### Driver

Battery saver feature

Dual jet windscreen washers

Two speed front windscreen wipers with road speed sensitive variable intermittent demand wash/wipe and demand wipe feature

Rear window demister with timed automatic switch off feature

Full tinted laminated windscreen with tinted band

Smart tint UPF 15+ side and rear glass

Driver air bag

Charcoal leather wrapped steering wheel

Front power windows

Power window time delay after key off

Adjustable rake and reach steering column

Prismatic day/night interior rear view mirror

Floor mounted park brake handle

Colour keyed switches, buttons and radio

Digital clock in instrument panel display

Driver's left footrest

Dual intensity instrument panel illumination

Ignition lock illumination

Warning lights: high beam, rear window demister, turn signal/hazard, alternator, lights on, park brake on, low oil pressure, brake failure, washer fluid low, radiator fluid low, fuel low, high temperature, seat belt, ABS, Smartlock and air bag

Service interval indicator

Gauges: speedometer, odometer, tripmeter, fuel level, water temperature gauge, tachometer, oil pressure and battery voltage gauges

Audible warning chimes: lights on, low oil pressure, high engine temperature and turn signal

Dual horns

Remote fuel filler release

Remote boot release

Standardised child seat anchorage bolts fitted

#### Seating

Seats are trimmed in Sabre cloth trim with coordinated Pitstop cloth bolster

Driver and passenger seat fore and aft adjustment

Driver and passenger seat infinitely adjustable recline

Falcon XR6 Sedan

Falcon XR8 Sedan

## FEATURES:

### INTERIOR (continued)

#### Seating (continued)

Front and rear headrests

Driver's seat height adjustment and thigh support

Vertically adjustable lumbar for driver and passenger

Doors are trimmed in vinyl with Pitstop cloth covered insert

Sports bucket seats with side bolsters

See through/adjustable front head restraints

Moulded cloth covered headlining

Front inertia reel seat belts with "belt lockers" for all passengers

Adjustable B pillar seat belt anchorage

Rear inertia reel seat belts

Colour keyed seat belts

#### Cabin Comfort

Electrically adjustable rear view mirrors

Driver and passenger vanity mirror

Large centre console with centre armrest and cup holder

Gathered seat back map pockets

Front door map pocket

60/40 split fold down rear seat back rest

Carpeted passenger and luggage compartment floor

Remote illuminated entry system

Interior dome lamp with map reading lamps

Luggage compartment lamp

Illuminated and lockable glovebox

Power door locks with remote keyless entry

Childproof rear door locks

Integrated grab handles and coat hooks

Electronic tuning 60 watt AM/FM stereo radio/cassette with six speakers, auto reverse, auto scan, music search, CD compatible, security code one hour keyless play

Mobile phone wiring including radio mute

Four speed fan boosted ventilation with front footwell ducts and rear seat ducts

(A.C.N. 904 116 223)  
Registered office:  
1735 SYDNEY ROAD, CAMPBELLFIELD, VICTORIA, 3061.

## Footnotes

(a) The Tow Packs are fitted to the vehicle by or for Ford and provide the specified towing capacities when used in accordance with the instructions in the Ford Owner's Manual. Each Tow Pack consists of:

- Tow bar
- Hitch and/or ballmount
- Wiring harness with 'flat' 7-pin electrical connector
- Towing turn signal flasher
- Supplementary transmission cooler (automatic transmissions only)

Note: Other items such as the caravan or trailer braking system, tow ball, safety chains, etc. are required for the attachment of a caravan or trailer to the towbar or hitch, are not supplied as part of the Tow Pack and must be purchased at extra cost or be supplied by the purchaser of the vehicle.

An accessory towbar is also available from your Authorised Ford Dealer, fitting to be arranged by the purchaser. If the vehicle is to tow a gross weight of more than 500kg the appropriate Ford Approved Tow Pack must be fitted. Consult your Authorised Ford Dealer for the latest information with respect to the specifications and the availability of the accessory towbar. The actual towing capability and performance of a vehicle will depend on many factors including the suitability of the caravan, trailer, etc, the condition of the vehicle, the vehicle load, the vehicle specifications, weather conditions, road gradient, terrain and other prevailing conditions.

- (b) The alarm is available as a Dealer fitted option.
- (c) Consult the Ford colour selector or your Authorised Ford Dealer to determine which colours are available in the prestige paint range.
- (d) Inserts are black when exterior colour is Red.
- (e) Excluding exterior mirrors.
- (f) Sunroof fitment will reduce occupant head room.
