

JEEP® 60TH
ANNIVERSARY EDITIONS

Vehicles shown in Silverstone Metallic.
Also available in Black.

HONORING SIX LEGENDARY DECADES

"The sun never sets on the mighty Jeep," some of our earliest ads declared. We've covered a lot of ground since then – six decades worth, to be exact. So, to help celebrate, the sun rises this year on a distinctive 60th Anniversary Edition collection of Jeep vehicles.

The Silverstone Metallic or Black "60th Anniversary Edition" 2001 Grand Cherokee, Cherokee and Wrangler models feature exclusive exterior badging and the additional features listed here.

These special models will exist in limited quantities and orders will only be taken for a limited time. If you'd like more information, or if you'd like to be a spirited partner in the "Jeep – 60 Years" celebration, visit your local Jeep dealer soon for ordering details.
