

Peace of mind that leads to one conclusion.

The highway is going your way.

## Enjoy your own copy of America's #1 bestseller.

Welcome to Buick LeSabre, America's best-selling full-size car for nine straight years.\* It's a beautifully designed, remarkably comfortable, full-size car that takes confidence and self-assurance to new heights for you and your family. And one that delivers satisfaction to its owner with every mile traveled.

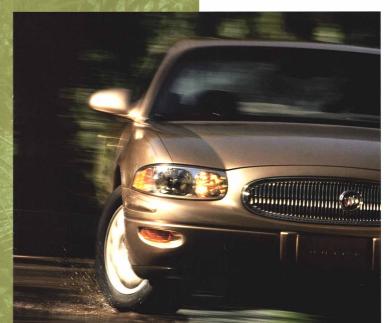

This 205-HORSEPOWER 3800 V6rated one of the 10 Best Engines of the 20th Century\*\* - is a proven performer. It combines smooth manners in everyday driving and a wealth of power when you need it.

The available GRAN TOURING SUSPENSION includes specific 16" Gran Touring aluminum wheels, performance tires and rear stabilizer bar. It all combines to offer impressive handling and road feel to the driver. FOUR-WHEEL DISC BRAKES are designed to help stop a vehicle surely and securely. ANTI-LOCK BRAKES help you retain steering control during hard braking. We've combined both features in LeSabre for an added measure of security and confidence.

LeSabre is designed to inspire a sense of confidence, from the V6 that delivers both power and superb fuel economy - 20 mpg city. 29 mpg on the highwayt- to the long wheelbase, wide track and advanced suspension that help smooth the ride and help keep you in control. If you want confidence, you've come to the right car.

Should your drive wheels begin to spin as you accelerate on a patch of ice or snow, the full-range traction control" system goes to work, reducing power and modulating the front brakes. This system works at all speeds to help reduce wheelspin until you regain traction.

<sup>\*</sup>Based on Polk large sedan segment registrations. "Ward's AutoWorld, January 1, 2000.

<sup>1</sup>Based on 2002 EPA estimates.

If Standard on Limited, available on Custom.

## It's almost impossible to throw this car a curve.

While you never know what surprises could be waiting for you around the next bend, thanks to StabiliTrak\*\* you'll have fewer worries. When turning on slippery surfaces or in emergency situations - such as an unexpected obstacle in the road, or even a sudden gust of wind - StabiliTrak immediately reacts to actively help keep you on course. Your passengers may never feel LeSabre's StabiliTrak chassis control system at work, but you're certain to appreciate the added confidence it offers.

The Driver Confidence Package, available on Limited, includes StabiliTrak, self-sealing tires and the EveCue® head-up windshield display. This display projects a wide array of information directly in front of you, including current speed,

to keep your eyes on the road ahead.

StabiliTrak sensors, strategically located throughout LeSabre, are constantly at work to help assure that you're traveling on your intended course. In an emergency, these sensors detect any difference between the steering wheel angle and the direction you are actually turning. StabiliTrak immediately takes corrective action by applying either the right or left front brake, as necessary, to help bring the vehicle back under control.

## Safety and security some cars can only dream of.

When it comes to peace of mind on the road, there is simply no substitute for the feeling that you and your family are safe and secure. That's why LeSabre has been designed with safety in mind. In fact, LeSabre offers the most standard safety features of any car in its class, such as four-wheel anti-lock disc brakes, dual front and side-impact air bags\*\* and remote keyless entry, which includes an instant alarm and trunk release. You can rest assured LeSabre will be there for you when you need it.

your rear-seat passengers enjoy equal protection. The new LATCH system of upper and lower child seat anchors is designed to help easily secure a compatible child restraint seat and give you more confidence. There's even a trunk-release handle that allows the trunk to be opened from the inside for added peace of mind.

When set at the delay position, the MOISTURE-SENSING WIPERS! activate automatically as moisture hits the windshield and increase their speed as the amount of moisture increases. This feature belief you to keep your

full concentration on the road ahead.

Beyond its strong steel skeleton

safety features that enhance both

convenience and security for you

and your family. Twilight Sentinel®

automatically switches your daytime

running lamps over to full headlamps

center rear shoulder and lap belt, all

as darkness falls. With a standard

and galvanized steel skin, you'll also

Large fold-away power outside rearriew mirrors give you a good view of what's behind you. On Limited, the mirrors are heated and include a driverside automatic dimming feature that reduces the amount of reflective glare from headlamps.

LeSabre's innovative Catcher's Mitt'" seats are designed to help absorb energy and pocket the occupant's pelvis and lower back. The self-aligning head restraints rotate forward to help reduce the head motion that may cause neck injury. (Outboad front seats only)

\*Based on 2001 competitive models, Polk large sedan segment.
\*\*Always use safety belts and proper child restraints, even with air bags. Children are safer when properly secured in the rear such. See your vehicle Owner's Manual for more safety information. \*Standard on Imitted, available on Custom.

LeSabre's rigid, unitized body structure contributes to a reassuring sense of solidity, stability and a controlled ride with remarkable handling.

SECURITY

# Enjoy what could be the ultimate luxury.

Cutting-edge technology. Cheerful personal attention. An unparalleled level of safety, security and information services. When you have OnStar\* onboard, you have one of the world's most advanced mobile satellite/cellular communications networks at your command. Plus, a wide variety of special service and calling plans to choose from makes OnStar even more valuable and indispensable.

The available Premium Service Plan augments the Safety and Security Plan by providing access to over five million service listings, including hotels, restaurants, dealerships, hospitals and ATMs. OnStar Advisors can help make reservations, purchase tickets or get you almost anywhere you want to go. All from the comfort of your LeSabre.

One-year Distra Safety and Security service agreement standard on Castan models with SE package and Limited models. Other is are serving neuroper service provinces and cultura traphone and statistic recinetages. Whole is destinately system must be operating for observing work. District Security Services was extraction for system must be operating for observing services. The services agreement required. Additional suage infections and educitis. "Existing Observe services agreement required. Additional conference of the system system with with all visions. Statisting observe services contact required. Additional charges again, Additional charges again, Additional charges again, and adultable in selection datasets.

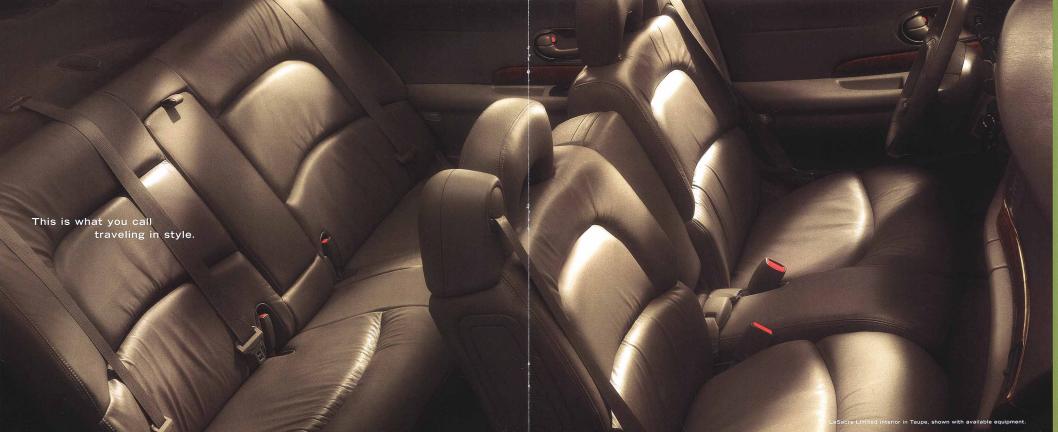

With OnStar Personal Calling." keeping in to took with your family at home or people at work is easier than ever. Available with either plan, it connects you with a nationwide wireless service. This voice-activated system dials the number for you and your party answers through your stereo speakers, helping you to keep your hands on the wheel

OnStar Virtual Advisort is an added benefit to Personal Calling subscribers, providing up-to-date information on stocks, sports scores, weather, news, even your e-mail, right in your car. It's voice-activated, so all you have to think about is driving.

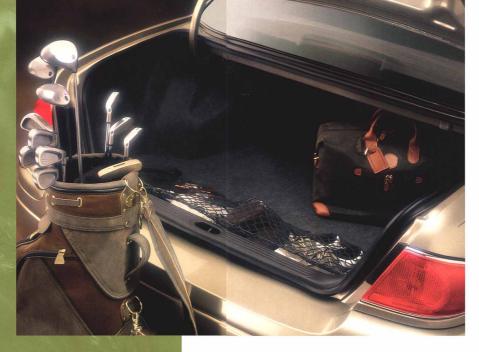

### We take care of all the details.

The reasons why LeSabre is such a popular choice year after year become obvious the moment you take a seat inside. You see, this car has been designed to be as comfortable at the end of a long day as it is at the beginning of a long trip. Peace and quiet and an impressive ride make a big difference in making you feel good. That's why LeSabre offers a wide variety of comfort and convenience features, such as its air filtration system\* that helps filter pollen and dust before it has a chance to reach you.

The storage drawer in the instrument panel is just one of TEN HANDY STORAGE AREAS located throughout LeSabre. The TEN-WAY POWER SEATS\*\* also feature safety belts that are anchored to the seats and move with you as you make adjustments. You like things on the cool side but your front-seat passenger likes it warm? The AUTOMATIC DUAL ZONE CLIMATE CONTROL\*\* allows you both to adjust the inside temperature to suit your style.

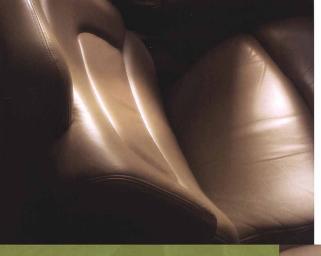

Available steering wheel controls allow you to adjust the radio's volume and station selection, as well as temperature settings\*\* and standard cruise control functions, without taking your hands off the wheel.

LeSabre's hushed interior environment helps quiet even the loudest city streets. Thoughtful touches quickly become "how did I ever do without it?" features. Generous room for six gives even large families plenty of space to stretch out. And its ample, wide-opening 18 cubic-foot trunk with valet lockout has a conveniently designed low lift-over height to help make loading simpler. You'll also appreciate the rear-seat pass-through\*\* that helps you carry long items like skis more easily.

A little luxury is great. A lot is even better.

While we think the world looks better from behind the wheel of a LeSabre, we can guarantee it feels great. The proof is all around you, from the heated leathertrimmed seats,\* to the Personal Choice memory settings\*\* which automatically adjust seat and outside mirror positions, temperature and radio station settings for two drivers.

LUXURY

LeSabre's luxury is found in a host of other features as well, such as the available power glass sunroof\* that makes getting closer to the great outdoors a breeze. The Driver Information Center\* provides you with instant and average fuel economy, range, fuel used, and low tire pressure warning. And, of course, LeSabre's standard luxuries include things you've come to expect power locks and windows, cruise control and a rear window defogger.

The superb fidelity of the AM/FM stereo/cassette/CD player is enhanced with six full-range speakers included in the CONCERT SOUND II AUDIO SYSTEM: And LeSabre's diversity antenna assures you of the best possible radio reception.

LeSabre's available convenience console is thoughtfully designed with dual covered cup holders, a covered cell phone tray and writing surface, storage bin and two auxiliary power outlets.

Theater dimming is designed to take down the interior lights gradually after you've closed your car doors. LeSabre can also be equipped with a universal transmitter,\* a three-function programmable device that can turn lights on inside your house, open your garage door and more. (Requires purchase of optional receivers.)

## Quality isn't everything, it's the only thing.

LeSabre's resumé of achievements over the years is enough to fill a book. Its reputation for value, reliability and quality is backed by numerous awards and accolades from consumer publications, industry analysts and media critics. No wonder it's been America's bestselling full-size car, nine years in a row.\*

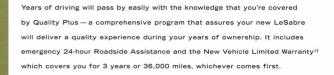

In addition to long-life engine fluids and other quality components, LeSabre gives you the durablity of PLATINUM-TIPPED SPARK PLUGS that allow you to drive up to 100,000 miles before your first scheduled spark plug replacement.\*\*

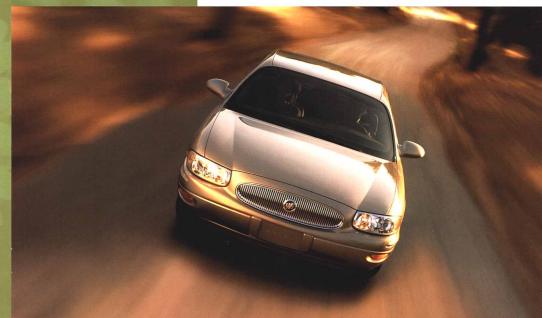

is remarkable, at 20 city/29 highway miles per gallont - especially in light of its highly responsive performance.

For a full-size car, LeSabre's FUEL EFFICIENCY

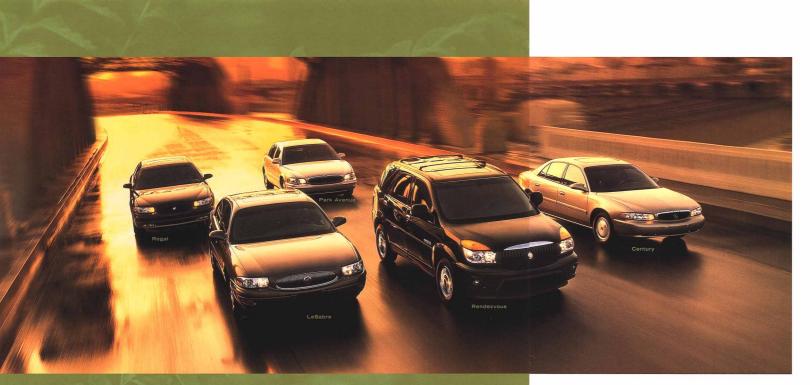

<sup>\*</sup>Based on Polk large sedan segment registrations.

<sup>&#</sup>x27;Rased on 2002 FPA estimates. ! Excludes normal maintenance. See your dealer for details.

## Buick. It's all good.™

Completely beautiful. Beautifully complete. No matter which Buick you get into, you'll find it to be so wellequipped, inside and out, that your toughest decision may well be deciding on the color. It's why, year after year, Buicks are recognized by leading consumer publications and the automotive press for their outstanding value and desirability. It's why Buick owners are so loyal, returning to their dealer year after year. With so much going for them - and you it's easy to see why.
