

06 silverado

LONG LIVE THE TRUCK. Chevy Silverado continues its reign. ■ An available 345-hp Vortec Max 6000 V8 engine* provides more towing capability than any other half-ton pickup,† a HEMI-beating 380 lb.-ft. of torque,† and more horsepower than any half-ton pickup from Ford, Toyota, or Nissan.** ■ And a new front-end design with an aggressive powerdome hood adds to Silverado's tough-as-nails, hard-earned reputation. ■ Silverado. From the family of Chevy Trucks — the most dependable, longest-lasting trucks on the road.††

Shown below: Silverado Half-Ton Crew Cab Short Box LT in Silver Birch Metallic with available features. *Available only on select Half-Ton Extended and Crew Cab LT and SS models. †Based on GM Large Pickup segment and 2005 competitive information. **Based on 2005 competitive information. ††Dependability based on longevity: 1981–July 2004 full-line light-duty truck company registrations. Excludes other GM divisions.

AN AMERICAN RE=VOLUTION™

- Cargo and load capacity limited by weight and distribution.
- Maximum payload capacity includes weight of driver, passengers, optional equipment, and cargo. Cargo and load capacity limited by weight and distribution.
- Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers, and cargo will reduce the maximum trailer weight your vehicle can tow. See your Chevy dealer for additional details.
- Gross Vehicle Weight Rating (GVWR). When properly equipped; includes weight of vehicle, driver, passengers, cargo, and optional equipment.
- Requires Crew Cab LS or LT models.
- SS is available only in Silver Birch Metallic, Victory Red, and Black.
- Not available on 1500HD models.
- Extended Cab 1500 model only.
- Use of recovery hooks could cause damage to SS model.
- Requires available automatic transmission.
- Requires automatic locking rear differential.
- Always use safety belts and proper child restraints, even with air bags. Even with the Passenger Sensing System, children are safer when properly secured in a rear seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner's Manual and child safety seat instructions for more safety information.
- Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for system limitations and details.
- XM is available only in the 48 contiguous United States. Service fees apply. Visit gm.xradio.com for more details.
- Use only appropriate wheels and GM-specific TPC tires on this vehicle. Using different wheels or tires can adversely impact vehicle safety and performance. See your Chevy dealer for more information.
- Available on Silverado Half-Ton Regular Cab 2WD models and all Half-Ton Extended Cab models as a dealer-installed Chevy Accessory.
