

07 SILVERADO

THIS IS OUR TRUCK. After 89 years in the making, it's the truck of a lifetime. Introducing the all new 2007 Chevy Silverado, which features improvements in numerous key product areas: ■ A new, available 367-hp Vortec MAX 6.0L V8 engine with best-in-class half-ton 4x4 horsepower and towing capacity.* ■ Bolder and more aerodynamic styling gained from a wider stance and tighter gaps. ■ More refined interiors that include premium materials and a cavernous 24 liters of overall front-seat storage room in 1LT models. ■ A smoother and more capable ride, thanks to a new 230 percent torsionally stiffer frame and redesigned chassis. ■ Added safety with StabiliTrak Electronic Stability Control† — a GM-exclusive* standard feature on Crew Cab models. ■ And now, every 2007 Silverado is backed by the GM 100,000-mile/5-year Powertrain Limited Warranty.** ■ From the family of Chevy Trucks — the most dependable, longest-lasting trucks on the road.††

Shown below: Silverado Crew Cab Short Box LTZ 4x4 in Dark Blue Metallic. Shown with available features. *Based on 2006 GM Large Pickup segment and latest available competitive information.
