### **Directed Electronics**

## **2007 NISSAN ALTIMA**

**THE NEW BENCHMARK HAS BEEN SET.** The all-new Altima is the standard-setter among its sedan competitors with an available 270-hp V6 and groundbreaking Xtronic CVT (Continuously Variable Transmission) that delivers instant response. The bold styling and refined quality complement revolutionary technology like a keyless push-button ignition courtesy of Intelligent Key and a touch-screen navigation system<sup>1</sup> with live traffic reporting. Explore the next generation Nissan Altima.

<sup>1</sup>Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. Navigation System is inoperable in Hawaii and Alaska. It is operational in the contiguous 48 states.

Mossy Nissan Poway  
14100 Poway Rd  
Poway, CA 92064  
(858) 668-3600

Mossy Nissan Escondido  
1551 Auto Parkway North  
Escondido, CA 92029  
(760) 746-5050

Quality Nissan Of Temecula  
41895 Motor Car Pkwy  
Temecula, CA 92591  
(951) 676-6601

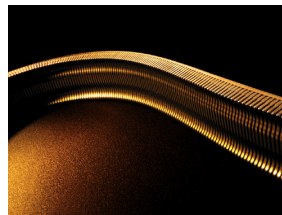

Altima's Push-Start button combines with the wireless Intelligent Key to start the vehicle without ever removing the key from your pocket or purse.

Altima's available Bose® audio system features a 6-disc in-dash changer with MP3/WMA capability, an auxiliary input, and optional satellite radio.

< The Bluetooth® Hands-Free Phone System teams up with your Bluetooth-enabled phone for advanced communication: make or receive calls, record voice messages, even store up to 40 telephone numbers.

Altima's Xtronic CVT (Continuously Variable Transmission) offers greater efficiency, optimal power, and remarkable smoothness. Plus no shift shock.

< Use Altima's available navigation system with touch-screen functionality and hands-free voice activation to get directions, choose from over 5 million points of interest, store up to 100 destinations in the address book, or activate voice guidance to announce your way home.

<sup>1</sup>CAL emissions (PZEV) equipment causes nominal reductions in horsepower (from 175 to 170 hp) and torque (from 180 lb-ft to 175 lb-ft). PZEV vehicles are available in California and some northeastern states.
