

AN AMERICAN REVOLUTION

## THIS IS OUR TRUCK.

After 90 years in the making, it's the truck of a lifetime – the 2008 Chevy Silverado. ■ An available 367-hp Vortec MAX 6.0L V8 engine helps provide best-in-class half-ton crew cab 4x4 payload and towing capacity.<sup>1</sup> ■ A 315-hp Vortec 5.3L V8 that delivers an EPA estimated 20 MPG on the highway. ■ Bold, aerodynamic styling gained from a wide stance and tight gaps. ■ Refined interiors that include premium materials and a cavernous 24 liters of overall front-seat storage room in 1LT models. ■ A smooth, capable ride, thanks to a stiff boxed frame. ■ 360 degrees of safety with the available StabiliTrak Electronic Stability Control System<sup>2</sup> and a five-star frontal crash test safety rating on 1500 models.<sup>3</sup> ■ And every 2008 Silverado is backed by the best coverage in America – the Chevy 100,000 mile/5-year transferable Powertrain Limited Warranty<sup>4</sup> plus Roadside Assistance and Courtesy Transportation. ■ From the family of Chevy Trucks – the most dependable, longest-lasting trucks on the road.<sup>5</sup>
