**Feel the difference**

## Beyond expectations

The latest comforts, features and technologies combine to make this Limited Edition Falcon surpass all expectations.

### Rear lip spoiler.

For a car that looks as good as it performs, a dynamic lip spoiler enhances the G6 Limited Edition's contours for a sleeker, sportier look.

### 17" alloys.

Exclusive to the G6 Limited Edition, these bold and impressive 17" alloys add a touch more style to an already impressive exterior.

### Unique colour accents.

Attention to detail is showcased in the unique colour accents on the front grilles and fog lamp surrounds.

### Engine choice.

The G6 Limited Edition comes with a choice of three class leading engines, including Ford's revolutionary EcoBoost. The EcoBoost is a four cylinder engine that performs like a six, delivering all of the power and torque you'd expect, but with considerably lower fuel consumption and emissions. Alternatively you can choose the economic, LPG fuelled EcoLPI or the impressive petrol I6.

## The difference is in the detail

Each detail, feature and accessory in the G6 Limited Edition is designed to offer the optimum driving experience.

### Reverse camera.

Make rear blind spots a thing of the past with a camera that automatically activates when reverse gear is selected providing a 130° wide angle view up to 10 metres behind the car.

### Carpet mats.

Help protect your driver and passenger seating wells from dirt, mud and outdoor muck with a set of four smartly designed mats.

### Leather trim seats.

The leather trim seats in the G6 Limited Edition take comfort and style to a higher level.
